WORD ON THE STREET

With Alex Hilson

What is your summer reading pick?

Katrina McDowall: "Nora Roberts, but I'm currently waiting on the King Killer Chronicles."

Dr. Ed Hamer: "My summer reading pick is called 'El Caraje de la Verdad'. I was in Argentina for four months during the winter. I read about it in 'N'."

Dr. Stephen Hess: "Right now, I'm reading a lot of manuals. I just got a John Deere tractor. That's my goal in life—to read the manuals before operating the tractor."

Matt Manzano: "IQ84. It's a sci-fi novel. There are two characters living seemingly separate lives. They started out as classmates 20 years before and each one thinks the other's forgotten about them until they're put into an alternate universe with two moons in the sky."
