BALLINAFAD

Mrs. Hogarth of Fergus and two daughters were the guests of Mrs. F W. Shortill over the week end.

Do not fail to remember the Valentine Social on Friday evening in the former Methodist Church. The ladies are planning a good time for everyone.

The meeting of the Y.P.S. on Sunday evening was well attended in spite of the condition of the roads. The programme was arranged and carried out by a number of the young men. Mr. Ed. Oldham, vice-president, presided during the opening exercises. Jesse McInery reading the scripture lesson and Neil Thompson lead in prayer. A duet was rendered by Fred Shortill and Jas. Wetherstone in their usual pleasing manner. Robt. Shortill read a very excellent paper prepared from the study book, after which all took part in the short Bible study. Archie McKay presiding over the latter part of the meeting. Arrangements were made for a debate to take place with the Y.P.S. of Bethel about the end of the month. An invitation was received from the Y.P.S. of Churchill to join them in a social on Feb. 17th. The next meeting will be in charge of the Missionary committee.

Mrs. Aitken attended the second annual meeting of the Halton Presbyterial W.M.S., which was held in St. John's United Church, Oakville on Wednesday, Feb. 4th. The attendance was larger than usual though very few were able to attended from the northern part of the Presbyterial. The reports from the different departments were most encouraging and the speakers, Mrs. Rutherford, President of the Dominion Board and Miss Isabel McIntosh, whose work is amongst the new Canadians, who arrive at Montreal, brought messages which no doubt will result in greater efforts and an increase of interest by all.

HOCKEY NEWS

GEORGETOWN vs. MILTON

The Georgetown Juniors suffered a decisive defeat last Monday night at the hands of the Milton sextette in a hard fought match at the Milton Arena. The score was 5 - 2.

During the first minute of play, Thompson scored easily on an open net while Wright was momentarily off his guard during a sharp scrimmage.

Early in the second period the Milton boys secured a second tally and the night looked bad for the Georgetown stalwarts. Then the local fans had their hopes revived when Walter Richardson, the tall rangy student of the local high school, scored by a long tricky shot that send the puck bouncing past Bundy. Two more scores in rapid succession for Milton drove Duncan to retaliate by outwitting the defense and registering a well-earned counter. The period ended 4 - 2.

Some splendid rushes on the part of the local boys in the last period seemed deserving of goals but luck was against them. The fan's enjoyment was more or less marred in this frame by the fact that Ken Richardson, the star centre substitute was struck by a flying puck, sustaining such painful injuries that he was forced to leave the ice and be replaced. One of Georgetown's best players then got a vacation in the penalty box, and while the locals suffered from the disadvantage of being one man short, Toletzka on a lone effort, by sheer weight managed to score the final tally, making the game end 5 - 2.

Sickness had exhausted the energies of the majority of the local boys to such an extent that they could not be expected to give of their best. Bill Ritchie, Chaplin and McNally are understood to have been suffering from the grippe and it is hoped that they will have completely recovered their old health before to-night when the return game will be played in the local Arena.

The teams lined-up:—

Georgetown—Goal, Wright; defense, Duncan and Hall; centre, W. Ritchie; wings, A. Ritchie and Chaplin;.

Milton—Goal, Bundy; defense, Ford and Toletka; centre, Brush; wings, Thompson and Clement.

The fast Georgetown High School hockey team won an easy victory over the Acton Continuation School squad in a lively game at the Acton arena last Friday night. The score was 4 - 2. Inclement weather prevented the student body from attending in a crowd to support their representatives. Anderson of the Acton Juniors was added to the bona fide team of the Acton institution. A return match will be played in the local arena at an early date.

GLENWILLIAMS

A St. Valentine Social will be held in the United Church Sunday School Room on Friday, February 13th at 8 p.m., under the auspices of the C.G.I.T. Class. Everybody welcome. Admission 15c and 25c. Come and enjoy yourself.

Glenwilliams Young People's Society held their meeting in the Sunday Schoolroom on February 5th, 1931. The president, Albert North, was in charge of the opening exercises. After the opening hymn, Mr. N. Barlow led in prayer. After the roll call a good number repeated Scripture verses. Cecil Barth read the scripture, after which Mr. Blythe led in prayer. Capt. Batton, Salvation Army, Georgetown, took charge of the meeting and spoke on the subject "Races." Mr. P. Smith, Toronto, sang and played a concertina. Everyone appreciated this message in song immensely. Everyone enjoyed a duet rendered by Mrs. Geo. Allen and John Maitland. The singing of a hymn and prayer by Rev. H. Caldwell brought the meeting to a close.

ERIN

Mrs. George Scott, 8th line, who recently underwent an operation at the Guelph General Hospital has returned home and is convalescing.

Mr. Roy Ferguson underwent an operation at the Guelph General Hospital, recently. We are pleased to report that he is convalescing.

Rev. J. J. Hurley, of Toronto, received a unanimous call from the congregation of All Saint's Church and preached his introductory sermon on Sunday, February 8th.

Mr. P. McPee of Victoria, B.C., is the guest of Mrs. Prosser and Miss Young, 7th line Erin, and is visiting with many friends in the community

Another of Erin's citizens passed away at the home of Miss Robinson, on Sunday, February 1st, in the person of Charles Leitch, who would have been 74 years of age had he lived until Friday. He was a son of the late Mr. and Mrs. Donald Leitch and was born in Erin Township, where he farmed for many years and has been a resident of the village for about twenty years. He was the last member of the family and is survived by his wife, who was before her marriage, Elizabeth Robinson.—Advocate.

NORVAL

The Norval Women's Institute held their February meeting at the home of Misses McPherson, Thursday afternoon, the 5 inst. The main feature of the programme being an interesting address on "Institute Work" by Mrs. C. Hayes of Georgetown. The following musical programme was presented: vocal solos, Mrs. Gordon Brown, and Mrs. H. Lyons; instrumental, Mrs. J. King and a violin solo by Mrs. Behan. Mrs. E. Macdonald gave a reading. A report of the bale valued at $60 sent to Northern Ont. was given.

The Norval U.C.Y.P.S. held its weekly meeting Feb. 2nd with an attendance of 55. The president, Miss D. Wey, spoke for a while on "Praise." A prayer by Mrs. McKinnon was followed by scripture reading by D. Wey. The meeting was then handed over to the devotional vice-president, Miss D. Watson, who presented an excellent program. The harmonica orchestra gave several numbers A duet was sung by little Ruth Clarridge and Blanche Hargraves. The topic for the evening was given by Mark Smellie after which Ted Horton rendered a solo. Norval Quartette gave two numbers after which an interesting talk by Rev. Mr. Rumley of Georgetown was given.

The society decided to hold a crokinole party on Thursday, Feb. 12th.

MILTON

The attorney-general's department has provided new uniforms for Governor McCallum and Turnkey Mayes of the Halton county jail here.

The following officers were elected at the annual meeting of the Milton Golf and Country Club: Directors, T. D. Hume, D. S. Robertson, F. S. Cochrane, A. S. Willmott, R. H. Ptolemy; Pres., T. D. Hume; secretary, D. F. E. Babcock; treasurer, R. H. Ptolemy; Captains, men, A. D. Sproat, women, Miss L. Campbell.

Representatives from Burlington, Palermo, Bronte, Mountain Union, Acton and Milton were present at the final meeting of Halton County Public Schools Musical Festival Committee held in Milton. Decision was reached on the trophies which will be competed for. It was decided that the festival would be held on May 1 with preliminary contests on April 25. The adjudicator for both is Dr. H. A. Pricker of Toronto.

R. S. Smith, county engineer, Mayor J. B. Moat and Reeve George Cleave, Esquesing, chairman of the county good roads committee, were in Toronto Saturday for a conference with C.N.R. officials regarding the subway to be built this spring at the seventh line crossing. Roy Smith is advocating an increased subsidy for counties for building and maintaining provincial highways, particularly for counties such as Halton, where there is a large amount of through traffic.—Reformer.

ACTON

Messrs. R. J. Kerr, District Director of Fairs; D. D. Waldie, President, and W. J. Atkins, Secretary of Acton Fall Fair, attended the annual convention of the Fairs Association at the King Edward Hotel in Toronto.

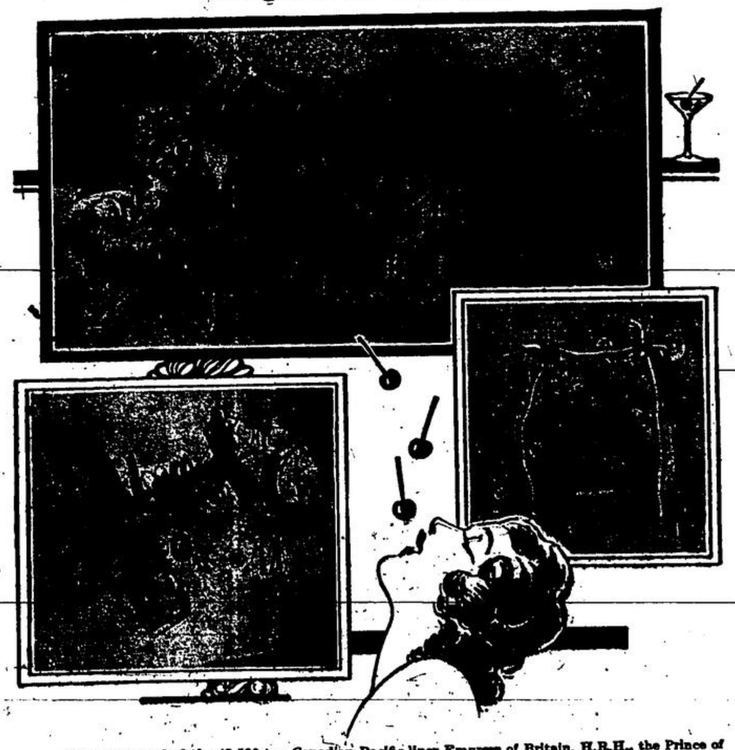
Last Friday night as Melvin Joe was walking along the highway west of Acton, from Crewsons Corners, he was struck by a car, driven by a couple of men from Toronto, and thrown into the ditch. The driver immediately stopped and brought the injured young man into Acton, where he was given medical attention. He suffered an injury to his shoulder and a couple of wounds on his face and was otherwise badly bruised.

On Friday evening a young lad, who claimed Toronto as his home, enquired of Chief McPherson for a night's lodging. There was quite a crowd about the town hall that evening, and the lad did not care to stay at the hall. One of Acton's young men took pity upon him and took him home for something to eat, and loaned him his skates and the price of admission to attend the Arena. When he declined going to the hall for lodging he was put up for the night at the home. He stayed the next day and was apparently quite agreeable for making himself at home. On Saturday afternoon, however, his mother and brother arrived from Georgetown in search of him, and conveyed him back home. The lad had been chastised for some misdemeanor and had thereupon left home. His money however, only provided him with a ticket as far as Acton.—Free Press.

CARD OF THANKS

To friends and neighbors we hereby convey our sincere thanks for many kindnesses and sympathy extended to us in our sad bereavement by the death of our beloved wife and mother—G. H. Preston and Family, Glenwilliams.

Imagination Runs Riot



When he launched the 42,500 ton Canadian Pacific liner Empress of Britain, H.R.H., the Prince of Wales, referring to the Knickerbocker Bar—as the cocktail bar of that magnificent new ship is to be known—said that its frequenters "can let their imagination run riot in a rosy haze amid the fantastic humour of Mr. Heath Robinson."

The Prince referred to the announcement that Britain's foremost humourous artist has been given a free hand to decorate that room on the new liner which is to make its bow to Canada June 22nd next.

Developing a humourous legend of the cocktail of his own invention, W. Heath Robinson, who is shown above at work on some of the panels, has prepared a decorative scheme that extolls the virtues of the cocktail and depicts ingenious machinery employed in its manufacture.

Heath Robinson's ideas of the latest labour-saving machinery in connection with the selection and preparation of cherries for cocktail embellishment are shown together with the Foolproof Safety Aeroplane, a direct descendant of the mythical cocktail bird. This ceiling decoration depicts the uplifting powers of an appetiser. These, and other drawings will appear on the walls and ceiling of the room.

SIMCOE REGRETS REMOVAL OF REV. DR. AND MRS. HOWARD

The following from the Simcoe Reformer of last week refers to Rev. Dr. Howard, who has accepted the call to Knox Presbyterian Church, Georgetown, and whose induction takes place on Feb. 24th:

"Not only members of his congregation but a wide circle of friends throughout the community will regret to learn of the impending departure from Simcoe of Rev. (Dr.) A. L. Howard, who for the past five and one-half years has been pastor of St. Paul's Presbyterian Church.

Dr. Howard made it known at the meeting of the Presbytery of Paris in Woodstock on Monday last that he would accept the call to Georgetown, Ont., Presbyterian Church. Delegates from Georgetown were heard and a delegation from Simcoe also presented its views, seeking to retain the minister. Dr. Howard, however, announced that he had accepted the call. At the same time he tendered his resignation as Moderator of the Presbytery of Paris. It was announced that the pulpit would be declared vacant, Sunday, March 1st, and meanwhile the necessary steps would be taken for calling a successor.

During his tenure of the pulpit at St. Paul's, Dr. Howard has enjoyed a large measure of success. Coming to Simcoe shortly after Church Union had come into effect and thus created some difficulties, he succeeded in welding together the congregation and building up a flourishing church life. He received 167 new members into the church during his term as pastor and the church indebtedness had been substantially reduced.

Dr. Howard has been a most active spirit in the community life of Simcoe and his sterling qualities were signally recognized when he was chosen president of the Simcoe Rotary Club, after a comparatively short period of membership in that body. Singularly successful in enlisting the active co-operation of his fellow-members, Dr. Howard's regime has been marked by much valuable work and many noteworthy events. Rotary will miss him.

Mrs. Howard will likewise be missed in the community and particularly in the church work with which she was closely identified. To both of them and to their daughters, the Reformer joins with countless friends in extending sincere expressions of regret at their leave-taking."

THE SILVER FOX INDUSTRY

Few persons outside the Silver Fox industry realize just how much this industry has progressed in the last seventy years. Despite set backs during the war years and the recent depression, there is perhaps no one industry that has forged ahead to a greater extent, and which though, in the nature of things was somewhat speculative at first is now firmly established on a sound commercide basis.

About ten years ago the Canadian National Silver Fox Breeders' Association was formed with the object of helping the Silver Fox Breeders of Canada. Within this very short period the membership has grown to well over 6,000 members, distributed throughout the Dominion who are ranching over 127,000 adult foxes each one of which had passed a standard of perfection set by the Canadian National Live Stock Records at Ottawa and registered by them. In addition there were last year more than the number of young foxes.

In his address to the members of the Record Board of the Canadian National Live Stock records at Ottawa last year, Mr. I. M. Gardhouse, its chairman, made the following remarks "I would like to say one or two words with reference to an association which has been going ahead by leaps and bounds. I refer to the Canadian National Silver Fox Breeders Association. I am delighted to see so many representatives of the Association here. It was the privilege of myself and Mr. Brien, vice- chairman, to attend its annual meeting at Summerside last year. It was one of the largest Breed Association meetings I ever attended. The receipts from that Association as Mr. Brant has shown you, amounted to $2187,277.35 last year. It is the largest Breed Association there is in the Dominion of Canada, and perhaps in the world."

The Association is taking its part with other Canadian Industries in upholding the name of Canada at the Canadian Section of the Buenos Ayres Exhibition in Southern America being opened in March by His Royal Highness, the Prince of Wales. A large number of Silver Fox Purs are being sent there as an exhibit and will be shown in a very beautiful show case especially made for the purpose in Toronto. The cost of this exhibit will be very great and the Association are to be congratulated on its enterprise which showed to be of benefit not only to itself but to the Dominion of Canada.

DUBLIN OLD BOYS HOLD AN ENJOYABLE SOCIAL EVENING AND DANCE

The Dublin Old Boys' Association, which held such a splendid gathering last summer at the old Dublin schoolhouse, added another success to their work when a social evening and dance was held in the Town Hall, Acton, last Friday night. From near and far they gathered and filled the hall to capacity, and then some. The hall was decorated in red, white and blue.

The programme had a half hour of community singing at the opening, and then followed the dancing, with the old dances and the new steps. Black's Orchestra supplied the music, and R. L. Davidson and Thos. Gibbons were the floor managers.

Lunch was provided by the ladies, and there was a bountiful supply. After lunch Jack McGeachie gave an exhibition of step dancing; Mrs. G. Elliott and Mr. Will Scott gave the Highland Schottische; and the Scotch reel was given by Mrs. Wm. McArthur, Mrs. Wm. Hall, Mr. John McIsaac and Mr. J. R. Anderson. The dances for all again followed, and continued until the old-fashioned hour for such events. The event provided a most pleasant social gathering for the friends and families from the Dublin section. It is likely to be an annual event.

Some of those who attended the Dublin "At Home" from a distance were: Mr. Chester Wallace, Montreal, Mr. and Mrs. Jos. Findlay, Miss Violet Crossman, Mrs. Chas. Hynds, Toronto; Mr. W. Chapman, Thistletown, Mr. Russell Ross, Toronto; Mayor and Mrs. J. B. Mackenzie, Messrs. Samuel and Kenneth Mackenzie, Misses Jean and Marjorie Mackenzie, Mr. Alex. Fraser, Mr. and Mrs. Mimms, Mr. and Mrs. Hazen Graham, Mr. and Mrs. Robert Waldie, Miss Hazel Waldie, Mr. and Mrs. Jos. Mulholland, Mr. and Mrs. Jas Mulholland, Georgetown; Mr. Alex. Crawford, Mr. and Mrs. William Douglas, Mr. and Mrs. Roy Finlay, Guelph; Mr. and Mrs. Duncan Campbell, Moffat; Mr. Jas. McQueen and Mrs. McQueen, Sr., Saskatoon, Sask.—Free Press.

Dear Editor—What's the best way to find out what a woman thinks of you?—Worried Willie. Dear Willie; Marry her.—The Editor.

HIGH SCHOOL NOTES

Mr. A. J. O'Neill has been appointed a member of the High School Board to replace Mr. W. T. Evans, resigned.

Principal Ralph Ross has resigned the office of Secretary of the H. S. Board, and Mr. W. T. Evans has been appointed to fill his place.

Mr. E. Y. Barraclough has been appointed chairman of the Board for the third term. This is quite unusual and speaks well for Mr. Barraclough.

We understand that Mr. Peaboy of Orangeville will replace Miss E. Penson, temporarily, on the local High School staff while Miss Penson enjoys a well earned rest of a few weeks.

Buy Quality, Not Price

Do you buy your baby chicks by price, or by quality? Chicks of good breeding will make you much more money than cheap chicks will ever save you.

Here's the way it figures out. Suppose you buy 500 baby chicks this spring. This should mean that you would have at least 150 good pullets next fall. If the pullets were bred to lay 180 eggs a year, they would produce eggs worth $112.50 more than eggs produced by pullets bred to lay only 150 eggs per year, with an average egg price of 30 cents a dozen.

This would mean a difference of 22.5 cents in the value of chicks necessary to produce these pullets.

Since you will usually have to pay only a very few cents more to secure the chicks of better breeding, it will certainly be profitable to do so.

Chicks sired by our pedigreed 300-egg R.O.P. cockerels, from culled and blood-tested hens:

Mar. 1 — 16—21c each.
Mar. 23 — Apr. 15—19c each.
Apr. 27 — May 18—17c each.
May 20th on—15c each.

As we have a small breeding pen, not over 200 chicks at one time to a customer. We have sold most of our March and April hatches. Get your order in soon.
