NO RING.

Only a heart—a poor worn thing
That is stifled at last of its pain;
Quiet the hands—upon them no ring—
That will never reproach him again.

Down in the mould of churchyard clay
She's resting her weary head.
Pity that none who had left her to-day
Could offer a prayer for her, dead.

Coldly they whispered: "Better so!"
These people with guiltless hearts;
They were not tempted—did not know
The strength of a villan's arts.

Only a heart!—a poor worn thing—
Thanked God its pain is past!
Hide the poor hands without a ring!
Leave her in peace at last.

INDIAN SUMMER OF LIFE.—In the life of the good man there is an Indian Summer more beautiful than that of the seasons—richer, sunnier, and more sublime than the most glorious Indian Summer which the world knew; it is the Indian Summer of the soul. When the glow of youth has departed, when the warmth of middle age is gone, and the buds and blossoms of spring are changing to the sere and yellow leaf, then the mind of the good man, still ripe and vigorous, relaxes its labors, and the memories of a well-spent life gush forth from their secret fountains, enriching, rejoicing and fertilizing; then the truthful resignation of the Christian sheds around a sweet and holy warmth and the soul, assuming a heavenly lustre, is no longer restricted to the narrow confines of business, but soars far beyond the winter of hoary age, and dwells peacefully and happily upon that bright spring and summer that await him within the gates of Paradise, evermore. Let us strive for and look trustingly forward to an Indian Summer like this.—*Com.*

A BIG HIT.—Interesting cricket item: Mr. W. G. Grace's great hit, made in the match between the United South of England Eleven and Eighteen of Hastings, has been measured, and it was found to be 118 yards from the crease to where the ball pitched. At the conclusion of the play the South of England had scored 359, out of which Mr. W. G. Grace made 210, and Hastings, with five wickets down, had scored 60.

ALARM.—The Prince of Wales was deer stalking until dusk, the guide lost his way when they tried to return, and they had to tramp through the heather and gorse for hours until they happened to come where the ponies and the rest of the party were. The Princess and the Queen were uneasy, and sent out parties to search for him.

Pimples, Eruptions, Rough Skin.

The system being put under the influence of Dr. Pierce's Golden Medical Discovery for a few weeks, the skin becomes smooth, clear, soft, and velvety, and being illuminated with the glow of perfect health from within, true beauty stands forth in all its glory. The effects of all medicines which operate upon the system through the medium of the blood are necessarily somewhat slow, no matter how good the remedy employed. While one to three bottles clear the skin of pimples, blotches, eruptions, yellow spots, comedones, or 'grubs,' a dozen may possibly be required to cure some cases where the system is rotten with scrofulous or virulent blood poisons. The cure of all these diseases, however, from the common pimple to the worst scrofula is, with the use of this most potent agent, only a matter of time. Sold by dealers in medicines.

COVERED WITH ERUPTIONS.—CURED.

Claverack, Columbia Co., N. Y.
Dr. R. V. PIERCE, Buffalo, N.Y.:
Dear Sir.—I am sixty years of age, and have been afflicted with Salt Rheum in the worst form for a great many years, until, accidently, I saw one of your books which described my case exactly. I bought your Golden Medical Discovery and took two bottles and a half, and was entirely covered with eruptions, also on face and body. I was likewise afflicted with Rheumatism, so that I walked with great difficulty, and that is entirely cured. May God spare you a long life to remain a blessing to mankind. With untold gratitude.
MRS. A. W. WILLIAMS.

—Two young men of Boston, John Kyan and Michael Carney, proceeded on Friday to Buzzy's woods with their respective friends, where they engaged in a desperate fight, lasting two hours and fifty-five minutes. Seventy-three rounds were fought. Ryan was taken home by his friends and died.

—Miss Warner, the author of the 'Wide Wide World,' performed the clergyman invited to perform that duty having failed to be present.

—A man who attempted to predict two weeks of warm weather before winter sets in was chased four blocks this morning and narrowly escaped with his life.

—Never speak harshly to a hack driver. Though he may not be an orphan he will answer you in language so meek and gracious as to make you feel ashamed of yourself.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

The Venerable Archdeacon Scott, of Dunham, Canada, East, says that he suffered from dyspepsia more than twenty-five years, but that three weeks use of the Peruvian Syrup (an Iron tonic) has benefitted him so wonderfully that he can hardly persuade himself of the reality, and people who knew him are astonished at the change.

Burnett's Cocoaine.—A perfect dressing for the hair.—The Cocoaine holds in a liquid form, a large proportion of deodorized Cocoa nut Oil, prepared expressly for this purpose. No other compound possesses the peculiar properties which so exactly suit the various conditions of the human hair. A single application renders the hair (no matter how stiff and dry) soft and glossy for several days. It is conceded by all who have used it, to be the best and cheapest Hair Dressing in the world.

☞ Twenty years experience in using Bryan's Pulmonic Wafers have proved them to be the most effectual remedy for coughs, and irritation of the throat, caused by cold, or unusual exertion of the vocal organs; public speakers and singers will find them most beneficial. The entire freedom from all deleterious ingredients renders Bryan's Pulmonic Wafers, or cough and voice lozenges, a safe remedy for the most delicate person, and has caused them to be held in high esteem by all who have used them. Sold by all druggists and country dealers. Price 25c per box.

Fellow's Hypophosphites.—The merit of this remarkable remedy is due to its peculiar property of restoring the wasted tissues of the body to their original firmness and vigor. It is well known that for every thought and action there is death or decay of an amount of material proportionate to the magnitude of the thought or action. This waste is supplied by the unimpaired nutritive function. The precocious activity of youths, the enthusiastic struggle for wealth and fame in the middle aged, and old age itself cause an undue decay of material nervous force. "We live by dying," says Wendell Holmes, and we must all at once beyond repair." To the end that power of repair may be vouchsafed to the enfeebled organization, we commend Fellow's Hypophosphites.

Loss of Appetite in Horses.—Horses lose their papetite from various causes, but most frequently by the approach of some disease; this circumstance ought not to be overlooked by those who own horses, but should be immediately attended to as by so doing the disease may be checked, and the life of the horse saved. To do this we are positive there is nothing to equal to "Darley's Condition Powders and Arabian Heave Remedy," it purifies the blood, corrects all derangements of the digestive organs, and as a necessary consequence the appetite is restored, the skin becomes soft, and the coat assumes a soft and shining appearance. Remember the name and see that the signature of Hurd & Co.'s on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparitions of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and are pronounced by the public, 'one of the best medicines they have never used;' it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine."
