BORN

CORNER—At Peel Memorial Hospital, Brampton, on Feb. 8th, 1931, to Mr. and Mrs. Austin Corner, Esquesing, a daughter.

GORDON—At Saskatoon, Sask., on Feb. 9th, 1931, to Mr. and Mrs. C. A. Gordon, a son, Charles Culver.

THE ACTION of our Town Council in consolidating the floating debt was a wise one, and the only means possible whereby they could carry on with the present tax rate. It will cost something to put the bill hrough parliamen but there will be a saving in interest that will more than compensate this outlay. This action affords a certain relief at the present time, but the present and future Councils must not forget the fact that it is a liability that must be met, and great care should be taken in regard to contracting future obligations.

OBITUARY

A. R. MILLS

We take the following from the Times-Journal of Fort William of Feb. 4th, relating to the late A. R. Mills, a former principal of Georgetown Public School—

"A. R. Mills, 60, veteran public school principal and educationalist in Fort William for more than 18 years, died at an early hour this morning following an operation performed yesterday. He had been in failing health for several months. For almost the last two decades Mr. Mills had taken a prominent part in Masonic and church activities in Fort William and at the head of the lakes. Pupils numbering in the thousands, scattered to the four quarters of the globe, were instructed under his supervision. A host of friends and acquaintances mourn a comrade whose heart was ready to aid the less fortunate and give solace to the bereaved. The late Mr. Mills was born near Beeton, where his father was a farmer. His early life was spent on the farm and his early education abtained at the district schoolhouse. As a young man Mr. Mills decided to enter the profession of teaching, and attended the normal school at Newmarket. Soon after graduating he was made principal of a school in the eastern section of Ontario where his outstanding ability and his capacity for making and keeping friends was speedily recognised. When Mr. Mills came to Fort William he became identified with Wesley Methodist Church, in which congregation he was an ardent worker. When church union was consummated Mr. Mills continued his work with the church and was appointed at a recent date, secretary of the official board of Wesley United Church. For years he was a member of the session. He also was a former teacher of the bible class. The late Mr. Mills is survived by his widow; one daughter, Edythe, Mrs. J. Panton junior of this city; two sisters, Mrs. A. Owen, Meaford, Ont., and Mrs. R. Brandon, Frobisher, Sask. A brother, J. S. Mills, Napinka, Man., also survives."

Public School Board

The Board met on Feb. 10th. Members present: A. H. Duncan, chairman, R. B. Poulis, S. Harrison, Dr. Gollop, J. D. Kelly.

Accounts passed:—

Hydro Electric	$ 7 74
L. W. Dann	3 75
Interlake Tissue Mills	11 35
G. R. Muckart	85 80
Mark Clark	2 75
W. M. Morris	2 00

A communication was read from Miss Arthur tendering her resignation and asking to be relieved as soon as convenient. It was decided to advertise for a teacher for the primary department.

Permission was given for a concert to be given by the school in the near future.

A new preacher had asked for a donation for restoring the Church. No one responded but a stranger who gave quite a large sum. The pastor arose and thanked him in the name of the church. He said "my friend, I have never met you before, but I hope you will have a happy and prosperous New Year." Some laughed and he was enlightened by being told the stranger hoppened to be the town Undertaker.

Annual Meeting of Business Men's Association

G. R. MUCKART, PRESIDENT FOR 1931—GRANTS MADE TO FIREMEN AND BAND

The annual meeting of Georgetown Business Men's Association was held in the Council Chamber on Tuesday evening. President Howard Kentner in the chair.

The minutes of the previous meeting were read and confirmed.

The Secretary-Treasurer read his report which showed an active membership of ninety-two, and a balance in the treasury at the end of the year of $146.30.

Mr. Howard Kentner, President during 1930, thanked the members for their splendid support and assistance during the year and said that while he was retiring from the presidency he would give his successor every assistance possible during the coming year.

The election of officers was then proceeded with and resulted as follows:—

President—G. R. Muckart.

Vice-president—E. S. Thompson.

Secretary-Treasurer—Mark Clark.

Executive Committee—J. D. Kelly, W. H. Long, L. W. Dann, F. Sinclair, D. Wilson, W. B. Ford.

The various committees will be elected at the next regular meeting of the Association and it is hoped that every member will be present.

Two grants to local organizations were made during the meeting, viz: Fire Brigade $25, Citizen's Band $10. Mr. Muckart, the newly elected president, thanked the members for the honor they had conferred upon him and would do his utmost during 1931 to uphold the splendid record of the Association in the past years.

PROPOSAL TO ABOLISH HALTON PRESBYTERY

At the meeting of Halton Presbytery of the United Church at Oakville a report from the General Council's Commission of Presbytery boundaries was presented. The Commission proposes to annihilate the Presbytery of Halton largely owing to difficulties of transportation throughout the territory covered. Sentimental reasons loom up largely, also, however, for the fact that nearly all the charges have been accustomed to attending district and Presbytery meetings at Guelph or Hamilton for upwards of three-quarters of a century, and these associations of a very cordial character obtain.

The report of the Commission therefore recommends the new arrangement of charges as follows:

Guelph Presbytery—Acton*, Aberfoyle, Belwood, Ballinafad, Eden Mills, Elmira, Elora, Erin, Fergus, Georgetown*, Guelph, Chalmers, Guelph Dublin Street, Guelph Norfolk Street, Guelph, Paisley Memorial, Hornby*, Kitchener Trinity, Kitchener Knox, Limehouse-Churchill*, Linwood, Ponsonby, Rockwood, Waterloo, West Montrose. (Milton is given the option of uniting with Guelph or with West Hamilton)*. Norval was transferred to West Toronto Presbytery a year ago*

Hamilton West Presbytery—Ancaster Appleby*, Bronte*, Burlington, Binkley, Carlisle*, Dundas, Freelton*, Glanford, Hamilton Centenary, Hamilton Grace, Hamilton Melrose, Hamilton Trinity, Hamilton Pilgrim, Hamilton Wesley, Hamilton Westdale, Hamilton Zion, Jerseyville, Lowville*, Milligrove*, Oakville*, Plains*, Sheffield, Trafalgar*, Waterdown*.

The present charges of Halton Presbytery are marked with an *

LITERARY SOCIETY

The High School Literary Society held another very successful meeting on Thursday afternoon, Feb. 12th. Miss C. Deans opened the meeting by calling on the Misses Nellie and Mona Scrymgeour for a piano duet, followed by a very humourous recitation, "Betty at the Ball-game," given by Miss Myrtle Allen. Miss Charlotte McCullough gave a very beneficial talk on "Christmas Shopping." The most interesting feature of the program was the impromptu speeches. Miss Deans called on Miss C. McCullough, Arthur Dayfoot, H. McNally, J. Evans, J. Maclaren to speak on various subjects and each pupil spoke remarkably well. While the speeches were being arranged Miss Marguerite McMaster favoured us with a piano solo. The last number on the program was a solo by Miss L. Francis. The meeting closed by singing God Save the King.

TOWN COUNCIL

DECIDE TO CONSOLIDATE FLOATING DEBT AT SPECIAL MEETING

A special meeting of the Town Council was held in the Municipal Building on Saturday afternoon last, Mayor Mackenzie was in the chair, Reeve Cleave and Councillors Davis, Parr, Cummings, Barnes and Gibbens were present.

The matter of the floating indebtedness of the town was discussed with the town solicitors, treasurer, auditor and banker and it was decided to make application to the Legislature of the Province of Ontario to have the floating indebtedness of $22,000 consolidated and to issue 10-year debentures covering same.

An application has been made to the Provincial Legislature accordingly.

Ministerial Association Held Public Meeting

Dr. Vining Representing the Social Service Council of Canada Gave Wonderful Address

A public meeting was held on Monday evening, Feb. 16th, in the United Church under the auspices of the Ministerial Association. Dr. Vining spoke on the subject of Narcotic Drug Traffic. He has travelled in many parts of the world and knows world conditions. "This traffic," he said, "is world-wide in its activities and has joined hands with the White Slave Traffic." The Doctor gave instances of the way the drug peddler introduces his drugs, among the youth in schools and public places. He gave many instances in Montreal, Toronto, Vancouver and other large cities, where the trade is doing its devilish work. Statistics show that bandits, gangsters and young criminals are in most cases, those who have become addicted to the use of narcotic drugs. The most appalling thing about the traffic is that once the habit is formed there is no known cure.

One wonders what conditions would be like if the Christian church was not trying to combat the evil, and to secure legislation against the traffic and stir up public sentiment to the danger of this social menace. To-day even in the face of the church and the law the traffic is gaining in Canada, United States and many parts of Europe.

The Rev. N. D. MacKinnon of Norval, presided at the meeting.

GENERAL NEWS

Burlington Treasurer reported at the last Council meeting an approximate shortage of $36,000 in the payment of 1930 taxes and of about $40,000 of previous arrears.

Mr. David Young, Supervising Principal of Guelph Public Schools, has notified the Board that he will resign this year. Mr. Young went to Guelph in 1886.

A new submarine cable, weighing several tons, measuring over 600 feet, and valued at $1,000, will be laid at the canal at Burlington as soon as the new channel has been dredged out.

Some fifty head of Shorthorn cattle, offered at public auction at the annual Breeders' Consignment Sale at Toronto, averaged $337, somewhat lower than the average of a year ago. The top price was $350, paid by C. A. Beach of Cornwall, for Augusta 99th, a roan yearling heifer from the Duncan Campbell lot.

William Rutherford Wilson, a former resident of Caledon Village, died in Toronto, on Feb. 4th, after a week's illness. Mr. Wilson was in his 59th year and was born in Caledon son of the late Wm. Wilson, an early settler in the township. His wife and two sons, Thurlow and Joseph, survive.

At the meeting of the Young People's Society at Campbellville an interesting part of the program was the presentation to William McPhail of an easy chair by members of the Sabbath School, of which Mr. McPhail was Secretary-Treasurer almost 46 years. R. C. Menzies, Superintendent, read the address, and John Elliott presented the chair. To Mrs. McPhail was presented a lovely primula.

The east-bound track of the C.N.R. was blocked for five hours at a point two miles east of Oakville early Sunday when, owing to a defective coupling, five freight cars broke away from the train and were derailed. Wreck equipment was rushed from Toronto. Damage was slight. No injuries were reported.

Halton Game and Fish Protective Association held its annual meeting in the community hall, Palermo, with John A. Riggs of Bronte, the president in the chair. The following were elected officers for the year: President, John A. Riggs; secretary-treasurer, G. C. Atkins; executive, W. H. McPherson, F. Rogers, A. Patterson, H. McMullen, G. C. Gibson, J. A. Griffiths, R. Lawrence, W. R. Griner, J. VanSickle, J. H. Breckon, John Belyea and Arthur Campbell.

On Monday morning John Reed a retired resident of Everton Village, while assisting neighbors who were ill, went to a nearby spring for a pail of water. Elapse of time aroused suspicion and upon investigation he was found dead, in an upright posture in the spring; the water being up to his forehead. Medical examination disclosed a bruise on the head and it will probably never to known just what happened.

Palermo Division of the Sons of Temperance was singularly honored at the recent annual session of the Grand Division of Ontario held in Toronto. The Silver Trophy was presented to the Division because of the best percentage advance in the province, having made 125% advance during the past year.

CONFEDERATION LIFE SETS NEW HIGH RECORD

"The greatest production of new business in the history of the company," is the official announcement of the record of the Confederation Life Association for the year 1930, in which the total new insurance, issued and revived, amounted to $67,792,346—a substantial increase over the production of the preceding year. In the Canadian field of production the corresponding increase in new business amounted to $7,665,640, eight of the nine Provinces contributing to such increase. The total insurance in force at the close of 1930 amounted to $369,028,570, an increase for the year of $31,877,322—a most satisfactory result in view of the disturbed economic conditions prevailing during the past year.

The Board of Directors was re-elected as follows: C. S. Macdonald, president and general manager; Robert S. Waldie, vice-president; Colonel J. F. Michie, vice-president; Thomas J. Clark, John Firstbrook, James E. Gunning, Wilmot L. Matthews, B. B. Orsyth, W. C. Laidlaw, Arthur F. White, Charles P. Smith and P. A. Thomson.

Having commenced business in 1871, the Confederation Life Association is this year celebrating its Diamond Jubilee Anniversary with an international convention of representatives to be held in Toronto in August next.

Setting New Standards of Dependability

THE longer you drive the new Chevrolet Six the more you will appreciate its ruggedness and reliability. Its increased wheelbase gives added stability and freedom from vibration. The frame and axles have been strengthened. There is a stiffer crankshaft and reinforced cylinder block. The moulded brake linings give as much as 25,000 miles of service without relining.

The new Fisher Bodies are not only smarter and roomier, but are also of hardwood and steel construction . . . the strongest known. The fine upholstery fabrics are specially selected for unusual durability. The non-tarnishing chrome-plated metal parts, and gleaming colors will retain their beauty indefinitely.

The new Chevrolet Six is built to give you years of faithful service. And it sells at *new low prices!*
