A few Extracts from the Press:
"Parties consulting Prof. Egan, of Toronto, will find him perfectly reliable, and trustworthy in every particular."—Belleville Recorder.
"His delineation of character appears almost marvellous, as we can testify to personally."—Kingston News.
Prof. Egan is about returning to headquarters, Toronto, after a most successful five months lecturing tour through Canada, on the "Science of Health, Life and its Laws." He is a gentleman, courteous and refined, who combines with his rare phrenological qualifications a thorough medical education, we cordially recommend the afflicted to apply to him for relief, he is strictly honorable and confidential in his transactions."—Napanee Beaver.

UNRIVALLED SALE OF
The Globe Safety Burner.
THE GLOBE is a Burner fitted to receive a chimney having an oblong base, and we do not hesitate to say to our patrons in Coal Oil Lamps that the Globe is unsurpassed by any Burner in the market.
1. It has more good qualities than any other Burner.
2. It gives a bright, steady, white flame.
3. The combustion is so perfect no odor can be detected.
4. It is so constructed as to heat the chimney equally in all its parts.
5. The chimney, deflector, and holder are removed together, giving free access to the wick for lighting and trimming.
6. The chimney and deflector are adapted to each other, producing at all times a perfect and brilliant light.
7. It is substantially made, and easily kept clean, having no pockets or places for charred wick to accumulate.
8. It combines all the advantages claimed of a gas tube for burning light oils, and at the same time has all the desirable features of any heavy oil Burner now in use, thereby making it the most desirable Burner for all persons needing light.
9. The chimney cannot be put on the Burner wrong.
10. We get all the benefits of a flat chimney without any of its risks of breaking by being misplaced upon the Burner.
11. The chimneys made for this Burner are XX Fire-Proof Flint Glass, and are absolutely Fire-Proof.
12. The Globe chimney will not break from heat.
13. No parties will be permitted to make chimneys for the Globe Burner without license, and no lime Glass or cheap chimneys will be tolerated.
14. If you would save time, patience, and money, buy a Globe Burner and Chimney.

NEW NEIGHBORS.

With the window's scant recess,
Behind the pink geranium flower,
She sits and sews, and sews and sits,
From patient hour to patient hour.

As woman like as marble is,
As woman like as death might be—
A marble death condemned to make
A feint at life perpetually.

Wondering, I watch to pity her;
Wandering, I go my restless ways,
Content, I think the untamed thoughts
Of free and solitary days.

Until the mournful dusk begins
To crop upon the quiet street,
Until upon the pavement far
There falls the sound of coming feet—

The sound of happy, hastening feet,
Tender as kisses on the air—
Quick as if touched by unseen lips,
Blushes the little statue there.

And woman like as young life is,
And woman like as joy may be,
Tender with color, lithe with love,
She starts, transfigured gloriously.

Superb in one transcendent glance—
Her eyes, I see, are burning black—
My little neighbor, smiling, turns
And throws my unasked pity back.

I wonder is it worth the while
To sit and sew from hour to hour,
To sit and sew with eyes of black
Behind a pink geranium flower?

TOWNSHIP OF HOWE ISLAND.

COUNCIL MINUTES.

August 2nd.—This special meeting was called by order of the Reeve for the purpose of passing a by-law for establishing a road through lot 27, S.R., Howe Island, and conveying the base line road allowance through lot 27 to Robert Gillespie, in lieu of said new road as part payment; and also the parts of the old road not used to said Robert Gillespie.

The Council met at 1 o'clock. All the members were present.

Moved by Mr Clixby, seconded by Mr. Quinn, and resolved, that By-law No. 22 be rescinded.—Carried.

Moved by Mr. Clixby, seconded by Mr. Welsh, and resolved, that By-law No. 24 be read three times and passed, and that all rules to the contrary be suspended.—Carried.

The Council adjourned at three o'clock p.m.

September 15th.—The Council met at one p.m. Present: the Reeve and Councillors Quinn and Clixby.

The minutes of last meeting were read; and also the minutes of the special meeting.

A statement was received from the County Clerk, stating that the amounts registered for County purposes are as follows, viz.: County purposes, $283.32; High School purposes, $16.66; Railway purposes, $100; Common School purposes, $118.

An application was received from the trustees of School Section Nos. 1, 2 and 3, asking the Council to place on the Collector's roll for school purposes for the current year: No. 1, $157; No. 2, $190; No. 3, $120. It was resolved that their request be granted.

Moved by Mr. Quinn, seconded by Mr. Clixby, and resolved, that By-law No. 25 (Budget of 1875) be read three times and passed.—Carried.

The petition of the trustees of School Section No. 3 was presented, asking the Council to grant them the $100 that was granted to the trustees of the Separate School in 1874 for building a new school house. It was not built, as the inhabitants could not agree as to its disposal. Granted on motion of Mr. Quinn, by-law No. 18 being amended by placing in the words Common School Section No. 3 instead of the Separate School Section No. 3.

The council approved of the Collector's Bonds.

The petition of John Graham and others was taken up, asking the council to place a wire on the ferry scow at the foot of the Island for the purpose of ferrying. The Reeve was authorized to purchase one.

Moved by Mr. Clixby, and seconded by Mr. Quinn, that a sum of money be expended on the deep bridge and hills on the side road between lots 10 and 11 and also a sum be expended on the hill known as "Welsh's Hill," N.R., Howe Island.—Carried.

Mr. Clixby introduced by-law No. 26, for expending the balance of the Municipal Loan Fund in paying for the new road to the foot of the Island and building ferry landings for the accommodation of the inhabitants of Howe Island.—Read and passed.

Moved by Mr. Clixby and resolved, that Mr. Quinn be appointed as a commissioner for said work. The Reeve introduced a by-law for confirming the appointment.

Moved by Mr. Quinn that $10 be laid out on McNinch's new road.

The council adjourned till the 1st day of December next, at 1 o'clock p.m.

MICHAEL MELVILLE,
Township Clerk.

Pimples, Eruptions, Rough Skin.
The system being put under the influence of Dr. Pierce's Golden Medical Discovery for a few weeks, the skin becomes smooth, clear, soft, and velvety, and being illuminated with the glow of perfect health from within, true beauty stands forth in all its glory. The effects of all medicines which operate upon the system through the medium of the blood are necessarily somewhat slow, no matter how good the remedy employed. While one to three bottles clear the skin of pimples, blotches, eruptions, yellow spots, comedones, or 'grubs,' a dozen may possibly be required to cure some cases where the system is rotten with scrofulous or virulent blood poisons. The cure of all these diseases, however, from the common pimple to the worst scrofula is, with the use of this most potent agent, only a matter of time. Sold by dealers in medicines.

COVERED WITH ERUPTIONS,—CURED.
Claverack, Columbia Co., N. Y.
Dr. R. V. PIERCE, Buffalo, N.Y.:
Dear Sir,—I am sixty years of age, and have been afflicted with Salt Rheum in the worst form for a great many years, until, accidently, I saw one of your books which described my case exactly. I bought your Golden Medical Discovery and took two bottles and a half, and was entirely covered with eruptions, also on face and body. I was likewise afflicted with Rheumatism, so that I walked with great difficulty, and that is entirely cured. May God spare you a long life to remain a blessing to mankind. With untold gratitude.
MRS. A. W. WILLIAMS.

Honorrhoids or Piles are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Mathieu, 186 Notre Dame Street, Montreal.

The Venerable Archdeacon Scott, of Dunham, Canada, East, says that he suffered from dyspepsia more than twenty five years, but that that three weeks use of the Peruvian Syrup (an Iron tonic) has benefitted him so wonderfully that he can hardly persuade himself of the reality, and people who know him are astonished at the change.

Burnett's Cocaine.—A perfect dressing for the hair—The Cocaine holds in a liquid form, a large proportion of deodorized Cocoa nut Oil, prepared expressly for this purpose. No other compound possesses the peculiar properties which so exactly suit the various conditions of the human hair. A single application renders the hair (no matter how stiff and dry) soft and glossy for several days. It is conceded by all who have used it, to be the best and cheapest Hair Dressing in the world.

☞ Twenty years experience in using Bryan's Pulmonic Wafers have proved them to be the most effectual remedy for coughs, and irritation of the throat, caused by cold, or unusual exertion of the vocal organs; public speakers and singers will find them most beneficial. The entire freedom from all deleterious ingredients renders Bryan's Pulmonic Wafers, or cough and voice lozenges, a safe remedy for the most delicate person, and has caused them to be held in high esteem by all who have used them. Sold by all druggists and country dealers. Price 25c per box.

Fellow's Hypophosphites.—The merit of this remarkable remedy is due to its peculiar property of restoring the wasted tissues of the body to their original firmness and vigor. It is well known that for every thought and action there is death or decay of an amount of material proportionate to the magnitude of the thought or action. This waste is supplied by the unimpaired nutritive function. The precocious activity of youths, the enthusiastic struggle for wealth and fame in the middle aged, and old age itself cause an undue decay of material nervous force. "We live by dying," says Wendell Holmes, and we must all at once beyond repair." To the end that power of repair may be vouchsafed to the enfeebled organization, we commend Fellow's Hypophosphites.

Loss of Appetite in Horses.—Horses lose their appetite from various causes, but most frequently by the approach of some disease; this circumstance ought not to be overlooked by those who own horses, but should be immediately attended to as by so doing the disease may be checked, and the life of the horse saved. To do this we are positive there is nothing so equal to "Darley's Condition Powders and Arabian Heave Remedy," it purifies the blood, corrects all derangements of the digestive organs, and as a necessary consequence the appetite is restored, the skin becomes soft and the coat assumes a soft and shining appearance. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas Eclectric Oil. Read the following and be convinced—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Sheford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and are pronounced by the public, one of the best medicines they have never used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which allowed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine."
