SPECIFIC MEDICINE
Cures all Nervous Diseases, such as Tremors, Debility, Prostration, for which in many cases are produced by over indulgence in the use of tobacco and alcoholic spirits; but the specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhœa, Impotency, and all diseases that follow as a sequence of Self Abuse, as loss of Memory, universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other diseases that lead to insanity or Consumption and a premature grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.
The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.
The Specific Medicine is sold by all Druggists at $1 per package, or six packages for $5, or will be sent by mail on receipt of the money by addressing

MONDAY EVEN'G, NOV. 8, 1875.

A ROMANTIC MARRIAGE.

This was the marriage service of two young Ohio persons:

Minister.

This woman wilt thou have
And cherish her for life,
Wilt love and comfort her
And seek no other wife?

He.

This woman I will take
That stands beside me now;
I'll find her board and clothes
And have no other frow."

Minister.

And for your husband wilt
You take this nice young man,
Obey his slightest wish
And love him all you can?

She.

I'll love him all I can,
Obey him all I choose,
And when I ask for funds
He never must refuse.

Minister.

Then you are man and wife,
And happy may you be;
As many be your years
As dollars in my fee!

CHIT-CHAT.

—The best way to avoid the bad consequences of swallowing a cent is to take castor oil and the whites of eggs three times a day and avoid all acids. The most certaible way is to avoid swallowing the cent, and it will probably prevent a dollarous feeling.

—A gentleman from a distance called on a friend of his yesterday, a certain grocer in this city, who, by the way, does not advertise, and found said grocer reclining at full length on one of the counters. 'How is trade?' asked the gentleman from a distance. 'Well, pretty dull,' replied the grocer, 'take a nap on the other counter.'

NEW RULES.—An order in Council has been passed, requiring that all mail matter, sent and received by the employees of the public departments, shall be regularly registered in a book kept by the deputy heads for that purpose. This has been done in order to ascertain if the complaint that the franking privilege is suffering abuse is well founded or not.

—Look here, gentlemen, why this howl against ladies' striped stockings? It is your solemn duty as a respectable citizen to walk along the street with your eyes on a level with second story windows, and it's none of your business what kind of stockings are shown on the cross walks. Anything is preferable to a barefooted woman.—*Detroit Free Press.*

—A wag entered a smoking car on the Grand Trunk a few days ago while the train was in motion, and in an earnest and sympathetic tone said: 'There is a lady in the next coach fainted away. Has any gentleman here any liquor for her?' Twenty-eight men in that car immediately rase to their feet, each with a flask in his hand. A more eloquent expression of sympathy could not be concerved.

—Romance of the back steps: A sweet, spirituelle girl standing on the piazza with a dry mop upraised; a huge tom-cat emerging stealthily from beneath the steps, sudden and terrible descent of the mop; a concussion; a last quivering howl; the tom-cat straitening its quivering limbs in the agonies of dissolution; return of the sweet, spiritualle girl through the back door: 'Ma, I've mashed him!'

—Two weeks ago a Waterloo veteran and his aged widow were buried together in one grave in the churchyard of Newton Ferrars, South Devon. The husband, John Babbage, as a private in the Coldstream Guards, was engaged in several of the stirring events of the great French war. At Waterloo he was desperately wounded and wore a silver plate in his life. He died aged eighty-five, and his wife, aged eighty-seven, died the next day.

—'Mr Gray, remarked one of the horny-handed sons of toil to his wife, 'pears to me it takes a sight o' calicoter make you a dress these hard times. Can't you economize with one of them ar pull-backs the city gals wear?' It was then that Mariar fired the bread-board at him, and remarked that she wasn't 'goin' to stop the circulation of blood in her legs for no bald-headed old penny-pincher.'

—In drawing attention to the reports of the annual fall exhibitions in this Province, published in its columns, the *Canadian News*, London, Eng., says: 'We should be glad to see Canadian stock masters, dairymen and farmers turn their earnest attention to this market. We can take all the beef they can send us, and give them better prices than any other customer. We also consume no small amount of butter, cheese, poultry, and hams. In hams alone we spent more than half a million sterling this year.'

IS YOU GOT DAT MONEY YET.—Ten years ago a colored man called upon a claim agent on Jefferson avenue and filed a claim against the government for bounty and back pay for services in the navy during the rebellion. The papers in the case were duly made out and sent to Washington and a favorable answer was received. Some further proofs being necessary the agent wrote to the claimant, but after a while the letter came back to the writer of it through the Dead letter office. Every effort was made to ferret out the colored man, but without success, and he was given up as drowned or killed. Yesterday morning he walked into the office of the claim agent and surprized him by inquiring: "Is you got dat money yet?" He explained matters by stating that shortly leaving Detroit ten years ago he was arrested in Toronto, Ontario, for highway robbery and had been confined in Kingston Penitentiary ever since.—*Det oit Fre Press.*

SALE OF JEWELLERY.—A quantity of jewellery, chains, rings, lockets and earrings were found on the bodies of the passengers of the steamer "Atlantic", wrecked at Prospect, near Halifax, two years ago; and remained in possession of the Customs authorities unclaimed. Directions were issued recently at that port to sell the articles by public auction. The total amount realized was $242.75 and the expenses, amounted $20.10, leaving a balance of $222.65, paid in to the credit of the Receiver General of Canada.

How Old and Infirm are Supported by Fellow's Compound Syrup of Hypophosphites—During the vigor of youth the expenditure of the power of the mind (which is the real seat of man's strength) is balanced by activity of the nutritive functions without the aid of science. But time, the everlasting dissipator of reason as of events, sets a limit to his power, and it is at this epoch that science may render to man the desired assistance, and restore the drain upon his wasted energies. Each effort of the mind, every act of the body, will extract a volume of nervous element in proportion to the magnitude of the thought or action, and since this Hypophosphites combination really will supply the vice versa to the body, it must support the human mechanism successfully after the vigor of youth is past.

Poverty is bad, but the worst kind of poverty is poverty of the blood; this makes a man poor indeed, for it takes away his strength, courage and energy, but enrich the blood with its vital element, Iron, by taking the Peruvian Syrup (a protoxide of iron) and you will feel rich and as good as anybody. Try it.

Hemorrhoids or Piles are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

To Housekeepers.—The attention of heads of families is respectfully invited to the superior quality of Burnett's Flavoring Extracts. They are entirely free from the poisonous oils and and acids which enter into the composition of many of the factitious fruit flavors now in the market. They are highly concentrated, have all the freshness and delicacy of the fruits from which they are prepared, and are less expensive. Meals, soups, etc., may be greatly improved by Burnett's Extract of Celery.

☞ Thousands of people are now carelessly allowing themselves to drift through the preliminary symptoms of consumption, under the fatal delusion that they are troubled with nothing but a slight cold. How necessary is it, then, that a cold should be cared for from its incipiency and every exertion used to get rid of it. 'Bryan's Pulmonic Waters' will stop the hacking cough in a few minutes, and by their influence on the bronchial and pulmonary organs all fears of dangerous results will soon be dissipated—but they must be taken in time. Sold by all druggists and country dealers. Price 25c per box.

A Really Good Article.—We would call the attention of all interested to an article of undoubted merit, and which we would advise all in want of to give a trial. We refer to "Darley's Condition Powders and Arabian Heave Remedy" now being extensively used by many of the largest horse dealers in the country; these men have discovered that improves the condition of the horse by purifying the blood, and removes from the lungs and liver all that prevents their healthy action; its effect is soon apparent in the improved appearance of the animal, which is one great reason why horse dealers use it as they are thus enabled to get better prices and at the same time give their customers sound and healthy horses. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q. writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried on my horses in cases of cuts, wounds, etc., and think it is equally as good for horses as for man."—A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and are pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit.'—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine." ☞ Sold by all medicine dealers. Price 50 cents.

Prepared by S. N. Thomas, Phelps, N.Y., and Northrop & Lyman, Toronto, Ont., sole Agent for the Dominion. Note.—Eclectric—Selected and Electrized. Sold in Kingston by E. H. Parker, J. G. King, Heath and Gunn, G. Mitchart Jas. McCammon, and all medicine dealers.
