OBITUARY

LLOYD WILFRED COLE

After being in poor health for some years, Lloyd Wilfred, dearly beloved son of Mr. and Mrs. Chester D. Cole, passed away at his father's home, 51 St. Clair Gardens, Toronto, on Monday, Sept 28th. Lloyd was 21 years of age and was born in Georgetown where he attended public and High School. He was a bright young lad and a clever student, and what appeared to be a happy and prosperous future was suddenly terminated by illness which he has borne patiently during the past four years. The sympathy of many friends in Georgetown is extended to Mr. and Mrs. Cole and family in their very sad bereavement. The funeral took place this afternoon to Greenwood Cemetery, Georgetown, where the remains were interred in the family plot.

ARCHIBALD McLEAN

In the death of Archibald McLean of Erin on Sunday, September 20th, another of the older generation passed to his reward in his 77th year. Deceased was a son of the late Mr. and Mrs. Archibald McLean and was born on the farm, Lot 6, Con. 9, Erin township. Forty years ago he was united in marriage with Sarah E. Swindlehurst, when they settled on Lot 3, Con. 10, Erin, where they have since lived. He was a member of Burns' Presbyterian Church, Erin, and while of a retiring nature enjoyed a wide circle of friends and neighbors who mourn his passing. He is survived by his bereaved widow; one son, Norman, at home; and one daughter, Mrs. Hugh Bass, 10th line, Erin. The funeral took place from the family residence on Tuesday afternoon, when Rev. J. A. Grant conducted the service at the home and graveside, at Erin Cemetery, in the presence of many bereaved relatives and friends.

LIONS CLUG HELD BOXING TOURNAMENT

BIG CROWD AT ARENA BUT WET WEATHER SPOILED STREET DANCE—DANCING AT TOWN HALL AND WINNERS IN LUCKY NUMBER DRAW ANNOUNCED

Georgetown Lions Club put on the first boxing tournament ever held in Georgetown on Friday evening last when a very large gathering assembled at the Arena to witness the amateur boxing bouts between Hamilton and Toronto boxers.

Although it was a new sporting feature for many present, all seemed to thoroughly enjoy the program, even the boxers themselves got considerable punch out of it when displaying their tistic ability.

The preliminary part of the program consisted of a splendid program of music rendered by Georgetown Citizens' Band, which was much appreciated.

Not being well versed in the fistic art we take the following report as published in the Toronto Star, which, as far as we could judge from a ringside seat, covers the different bouts exceedingly well:—

"The card Charley Ring of the Toronto Lions Club, assisted by Jim Tresidder and Percy Davidson of Hamilton, hooked up for the initial boxing show of the Georgetown Lions Club last night was just so good that Ring could just ditto it for the Lions Club spring show and get by with it nicely. The Toronto squad got lost in the rain coming up and delayed the show half an hour in starting, but once they got into action the crowd forgot all about the delay.

The card was so well matched that Benny Stockley's Premier A. C. contingent split even, four wins each, with Tresidder's Hamilton All-Stars. There was some wicked fighting all the way through.

The best bout on the card was the 112-pound affair in which Jackie Callura of Hamilton, the Western Ontario flyweight champion, pounded out a decision over George Greigerson of Toronto. Callura is going better than ever, and hitting harder and truer, but the little farmer's boy from down Scarboro way stuck right in there under a fierce bombardment and rocked his opponent more than once. This Greigerson will make Callura hustle when he gets a bit more ring experience.

Another good youngster Hamilton produced was Pat O'Connor, who took Able Bowman of Toronto for a rough ride. O'Connor has only been fighting for six months while this was Bowman's first bow in open competition. Bowman showed signs of coming class, but O'Connor hit too hard for him. Another grim, hard-fought bout was the lightweight affair which Jack Ravin of Toronto won from Sam Dinning of Hamilton. They just grinned and walloped the entire nine minutes. Dinning came out with a gashed eye, but he had the winning edge in the last round.

The only knockout came in the featherweight bout between Ray Cook of Toronto and Dave Fisher of Hamilton. Cook had Fisher out on his feet in the second round when the referee called a halt.

The other results were:

Catchweights—Al Sakin, Hamilton, defeated Chuck Murphy, Toronto. Murphy gave away seven pounds.

126 pounds—Tom Paterson, Hamilton, defeated Joe Bagnato, Toronto, after an extra round.

135 pounds—Bill Humphries, Premier A. C., Toronto, defeated Harley Stonehouse, Polytechnic A. C., Hamilton.

148 pounds—Frank Steffan, Toronto, defeated Art Adie, Springfield A. C., Kitchener. This was a slug-fest in which Steffan came back after a nine count and did everything but knock Adie cuckoo.

The officials were: Referee, Lou E. Marsh, Toronto; judges, Ray Smillie and Fred Nobert, Toronto, and Jim Tresidder of Hamilton; timekeepers, Sam Leonard and John F. McGarry, Toronto; announcer, Tommy McClure; master of ceremonies, Charles E. Ring, Toronto."

Following the tournament the crowd or as many as could get in, adjourned to the town hall where the prize winners in the lucky number draw were announced by Herbert Soper of Hamilton, District Governor of the Lions Club.

The remainder of the evening was spent in dancing to the splendid music supplied by the Melody Serenaders Orchestra under the able leadership of Mr. Jack Armstrong.

The winners of the lucky number prizes were:—

First Prize, Chevrolet coach—J. A. Hutchinson, Bolton; ticket No. B 4273.

Second prize, Norge electric refrigerator, James Reid, Oakville; ticket No. B1304.

Third prize, walnut cedar chest. H. Lorriman, Glenwilliams; ticket B1931.

MASONS AT CHURCH

LARGE GATHERING LISTENS TO INSPIRING SERMON BY REV. DR. HOWARD

There was a large gathering of Masons at Knox Presbyterian Church last Sunday evening. It was the occasion of the annual church parade of Credit Lodge, No. 219, A.F. & A.M., and besides a number of Grand Lodge Officers, visiting brethren were present from Brampton, Kitchener, Waterloo, Fergus and Acton.

The officers and members of the order were extended a hearty welcome by Rev. Bro. A. Leslie Howard, M.A., Ph.D. pastor of the church, on behalf of the members and session.

Rev. N. Francheth, a visiting brother from New Brunswick, read the scripture lesson from Ecclesiastes, chapter 12, and Rev. McDonald of Norval led in prayer.

A most inspiring sermon on "Fraternity's Service" was delivered by Rev. Dr. Howard, who chose as his text part of the 22nd and 23rd verses of the 18th chapter of Judges, viz: "And they turned their faces and said unto Micah, what aileth thee, that thou comes with such a company? And he said: Ye have taken away my gods which I made, and the priest and ye are gone away; and what have I more?" The speaker said in part: "There is no such thing as an honest atheist becoming a Mason. They had stolen the household God of Micah and taken away what was dearest to the old man's soul. Take the sense of God out of a Masonic Lodge, or boy or girl, or the house of God and what have we left? Take away the idol of a man's heart and you have taken away all. Take away the church out of the community and there will be a pathetic wail. Masonry has a fraternity with a wonderful wide service. It stands to make man philanthropic, fraternal and religious. Religion binds up a man's broken heart and anything that will do that is worth while. Fraternity gives service to make a man charitable and the great Masonic order is not divorcing piety from service. Philanthrophy may only be needed now and then, but justice is needed all the time and we can't be honest in everyday life without it. Man may be poor in material things but rich in his spiritual inheritance which God alone can give. The church and orders like the Masons give men ideals in the great field of life. Organised effort created in the image of God is striving to cure the banditry of the world. Take away God and what have we more."

The organ voluntaries by Choir Master Pollett; the anthem by the church choir and the vocal solo by Mrs. Frank Allatt, added much to the enjoyment of the service.

On their return to the lodge rooms a hearty vote of thanks was passed to Rev. Dr. Howard for his splendid sermon.

W. Bro. L. G. Marchment, Worshipful Master and officers and members of Credit Lodge, appreciate very much the presence on this occasion of the visiting brethren among whom were the following Grand Lodge Officers—Rt. W. Bro. Dr. Muir of Fergus, present D.D.G.M. of Wellington district; Rt. W. Bro. Wackett and Rt. W. Bro. Preestone of Kitchener; Rt. W. Bro. Hemphill of Waterloo, and Rt. W. Bro. Cooper of Acton.

BALLINAFAD

The September meeting of the Woman's Missionary Society was held at the Manse on Wednesday 23rd with a good average attendance of members. The devotional exercises being in charge of Miss A. Shortill and Mrs. Aitken. The secretaries of departments were called upon for their quarterly reports and Mrs. F. W. Shortill, secretary of Christian Stewardship, after giving a statement of finances up-to-date outlined a plan by which the society would be sure of reaching its allocation for 1931. Mrs. B. Vannatter presented the topic from the study book in a very interesting manner. The October meeting will be held at the home of Mrs. David Russell.

A bale of clothing was packed at the home of Miss Shortill on Friday afternoon by the ladies of the United Church, and is being shipped to help relieve the distress in the stricken area in Saskatchewan.

Owing to anniversary services at Melville Church there was no service on Sunday. Rev. Mr. Aitken taking the services at Norval and Mt. Pleasant while Rev. Mr. MacKinnon of Norval conducted anniversary services at the Melville Church.

Next Sunday is Rally Day in the United Church, when there will be a combined service beginning at 11 a.m. In the evening the Young People's Society will hold its regular missionary meeting.

Mrs. (Rev.) James Hamilton of Goderich is a guest at the Manse this week.

HUMANE SOCIETY

A bright and attractive spot in the form of a cabin, appropriately decorated with cedar boughs, colored pictures of animal life, bird houses and mottoes of human interest, was the booth at the Esquesing Agricultural Fall Fair, Saturday, Sept. 19th. Under the direction of the Georgetown and Esquesing Humane Society, humane literature was distributed free in the form of a magazine "Animal Life;" also pamphlets relating to the treatment and care of animals. The beautiful pictures which are always admired were given to the children from rural districts. Many children from outside schools took back to their schools literature pertaining to Humane education with the idea of considering forming Junior Humane Societies in their schools.

The names of prize winners for the Poster Contest are as follows:

GLENWILLIAMS

STOREHOUSE AND CONTENTS AT BEAUMONT'S MILLS DESTROYED BY FIRE

About a quarter to nine on Monday evening people living in the vicinity of Joseph Beaumont's woollen mills, noticed flames issuing from the large frame storehouse some distance west of the mills. An alarm was immediately given and a large crowd gathered in a very short time, but the flames had made such headway it was impossible to save the building or contents, all of which were completely destroyed. Besides the raw stock in the building one of Mr. Beaumont's trucks which was in a garage at the end of the storehouse was also destroyed.

The loss will be around $3000.

The other buildings were not damaged and work is proceeding as usual.

Georgetown firemen responded to the call but were unable to do anything as the building was too far gone when they arrived.

ERIN

Mrs. W. Chisholm received the sad news on Thursday last of the death of her nephew, Archie McLean, at Bermuda, where he had been employed with the C.N.R. for the past three months. He was electrocuted while attending to his duties. His wife and three small children survive, and are residents of Toronto.

Following is the result of the Field Crop Competition in potatoes, conducted by the Erin Agricultural Society:

1st—James W. Delaney, 95¼ points.
2nd—A. J. Griffin, 94 points.
3rd—Alex McKinney, 93½ points.
4th—W. E. Barbour, 92 points.
5th—S. E. Griffin and Son, 91¼ points.
6th—Geo. C. Burt, 91 points.
7th—James McKitrick, 90½ points.
W. B. Sutton 90 points; Geo. Overland, 88½ points; Burt Bingham, 86 points; W. McCutcheon and Sons, 86 points; S. D. Fletcher, 85½ points.

The judge, Mr. R. T. Wilson of Wingham, Ont., said it was the largest and best competition he had ever judged, and had more difficulty in deciding the winners than he ever had before, and in all his life he had never seen such crops of potatoes.—Advocate.

ACTON

Mr. George Anderson, who has been ill the past few weeks, was taken to Guelph Hospital for treatment. He failed to rally and passed away late yesterday afternoon.

Miss Ettie Dills of Toronto, spent the week end with her sister and brother here.

Mrs. Wm. McPherson and Mr. Malcolm McPherson and Mr. Sutton of Oakville, visited on Sunday with Mr. and Mrs. R. J. McPherson.

Friends will be pleased to learn that Mrs. John Cameron, who was taken ill a week or so ago, is making some improvement and was able to sit up for a short time this week.

Rev. Father McBride attended the installation ceremonies of Bishop Kidd, the newly appointed Bishop of London, at London yesterday. Bishop Kidd is successor to the late Bishop Fallon.

A life-long resident of this district passed away on Monday, when Charles Davidson died at his home, lot 31, second line, in his seventy-eighth year. Born on the homestead on which he passed away, Mr. Davidson was well and favorably known to everyone in the district of Acton.—Free Press.

LIMEHOUSE

Miss Beatrice Lane spent a few days last week with friends in Hamilton.

Mr. and Mrs. Kirkpatrick and children returned home from Thorold on Sunday.

Rally Day was observed in the respective churches on Sunday last. The attendance was good and the services enjoyed by all.

Quite a good deal of concern and anxiety among the residents here, was occasioned last week, when little Billy Parnell was taken down with diphtheria. The home was quarantined and the school children all inoculated. Up until Friday night we thought little Billy was improving, but early Saturday morning the little spirit took its flight and the home is bereft of the only boy. The deep and sincere sympathy of the community goes out to the parents and sisters. No further cases of the dread disease has developed as yet and we trust there will not be.

Mr. and Mrs. H. Holmes and little son of Toronto and Miss Hill and Raymond of England visited Mr. and Mrs. Hill on Sunday.

Rev. Mr. McIntyre of Markham has been engaged to take the anniversary services in the Presbyterian church here on Sunday, Oct. 11th.

On Monday morning last, Mr. Mark Given on going to care for his stock on the lower farm, found the fence around the field where they had been out through, and on returning home his fence here was cut in two different places. None of the animals in either field had got out, however. It scarcely looks like the work of children and whatever the motive of the culprit, it is scarcely honorable.

While R. R. Potruff, of Bartonville was driving his motor truck along the Guelph line, near the Middle Road, fire broke out and despite efforts to extinguish the blaze, the machine was almost totally destroyed.

CORRESPONDENCE

The following communication is published by request of the local Women's Christian Temperance Union:—

SHALL GROCERIES SELL BEER

The beer interests are again on the warpath. In the County of Halton, a petition to the Government is being circulated to authorise the sale of beer and light wines by the bottle or the case in produce food stores, to be sold by vendors authorised by the Government to merchandise the same. The petition contains the signature of voters and residents, the latter covering persons under 21 years of age. It is on printed forms and is being circulated by paid agents. The promoter in Halton is a stranger who has recently taken up residence in the County. Offers of ten dollars a day have been made to workers and the promoter states that five cents per name in towns and ten cents in the country is paid to canvassers. Plenty of money is in evidence, and the workers are promptly paid.

Enquiry as to who is responsible for the movement brought forth the statement that it is the Moderation League. It is rumored that a province-wide effort is under way with representatives in the various counties. The origin of the matter is said to go back to an interview of the beer-by-the-glass interests with the Government under the former Premier. Mr. Ferguson is said to have challenged his interviewers to show that the country wanted freer sale of beer. This is the reply. The movement is to be pushed through quickly before the people are aroused. It is understood that the plan is to cover Ontario in a month.

While the promoters in their arguments urge the Quebec law, the petition itself seems to avoid two things, beer-by-the-glass is not mentioned and the fixed opposition to sale of liquor in hotels is not challenged. It goes back to the practice of two generations ago, in urging the sale of liquor in licensed grocery stores and without permits.

The stranger-promoter is piloted about by a local light. Made wise as to the attitude of those approached, he uses a variety of arguments. With the more sympathetic, he urges that it will mean more beer; with the more temperate, he urges that it will lessen drunkenness through competition with hard liquor. He boasts the attachments to the petition of the names of good temperance people, members of the W.C.T.U. and others. When asked how these could be secured, he replied: "all it needs is the right kind of a story."

Three things stand out in this effort. The avoidance or concealment in the petition of the phrase "beer-by-the-glass" and the plea for liquor in hotels, against which public opinion is fairly pronounced, and the reversion to an old but equally objectionable method of widening the sale of beer.

The second suspicious thing is the looming up again of the Moderation League—that stalking-horse of the liquor interest, with plenty of money.

At the time of customs probe, according to the Toronto Star, it was acknowledged that a certain liquor interest had given $25,000 to the Moderation League in the plebiscite campaign of 1924, to defeat the O.T.A. Who is furnishing the money now? It is not the hotel-keepers. It is scarcely the private individuals whose names are conspicuously displayed when the League wishes to put on a good front. The people who will profit, if by any chance some such scheme goes through, are the brewers. Where does the money come from?

The third thing is the varying arguments of the irresponsible and probably soon-to-disappear strangers "with the right kind of story." Many will sign this petition without careful scrutiny or reflection and the canvasser will swear that the names are bona fide, and the Government will be urged to take this as the mind of the people of Ontario. By such means public opinion (?) is made and manifested in Ontario in the liquor interests. But what other way to test any matter is open to either wets or drys?

(Signed) A. J. IRWIN,
General Secretary Ontario Prohibition Union.
Toronto, June 30th, 1931.

Kitchen Shower to Bride

The home of Miss Tena McLean was the scene of a very pretty shower Tuesday evening when over forty guests met to do honor to the bride Mrs. E. Gibbons (nee Anne Ward). The rooms were tastefully decorated in streams of green and yellow and banked with vases of yellow flowers. The bride had expressed her purpose of doing her kitchen in green and yellow and she received every article in this color that could be desired as well as many other dainty gifts that delight the heart of a bride. After all the gifts had been opened they were covered and while lunch was prepared each guest was given a sheet of paper to make an inventory of the gifts. The prizes were won by Mrs. Howard Chantler, Woodbridge, and Miss Susie Watson, Beeton. Lunch was served and all joined hands in singing "She's a jolly good fellow."—Alliston Herald.
