WOMEN and Women Only, especially mothers, are most competent to appreciate the purity, sweetness, and delicacy of CUTICURA SOAP and to discover new uses for it daily. Its remarkable emollient, cleansing, and purifying properties, derived from CUTICURA, the great skin cure and purest of emollients, warrant its use in preserving, purifying, and beautifying the skin, scalp, hands, and hair, and in the form of baths and solutions for annoying irritations, itchings, inflammations, and chafings, too free or offensive perspiration, and also in the form of washes for ulcerative weaknesses, as well as many sanative, antiseptic purposes, which will readily suggest themselves. All that has been said of CUTICURA SOAP may also be said of CUTICURA Ointment which should be used after the SOAP, in the severer cases, to hasten the cure.

Complete External and Internal Treatment for Every Humour.

Cuticura THE SET Consisting of CUTICURA SOAP, to cleanse the skin of crusts and scales and soften the thickened cuticle, CUTICURA Ointment, to instantly allay itching, inflammation, and irritation, and soothe and heal, and CUTICURA RESOLVENT, to cool and cleanse the blood. A SINGLE SET is often sufficient to cure the most torturing, disfiguring, and humiliating skin, scalp, and blood humours, with loss of hair, when all else fails. POTTER DRUG AND CHEM. "'Scuse me."

Little sleepy-head shows all her three-year-old "toofens" in a good, square, healthy yawn—and 'scuses herself afterwards.

Just why big folks deny themselves the luxury of a whole-souled, muscle-stretching, lung-refreshing yawn, is no concern of little "Sleepy-head"—she is not afraid to show her two rows of pearl dots. They are just as nature made them, white, sound and pretty.

Your breath may be as pure and sweet as hers, your teeth just as pretty, your yawns as picturesque, if you use DENTOFOSS for the teeth.

It cleans, brightens, polishes and preserves teeth—sweetens the breath—refreshes the mouth and invigorates the gums.
