MISSES CLARIDGE

Upstairs Herald Block

It Cuts Like Lumber

AND nails like lumber. Its light weight makes it easy to handle. It requires no expensive decoration, in fact none at all, when panelled.

Use it for obtaining fire-safe walls, ceilings and partitions throughout your home.

It has structural strength, insulation value, is draught and vermin-proof, easy to install, saves time in new construction and is an excellent base for Gyptex or Alabastine.

Gyproc may be easily identified by the name on the board and the Green stripe along the edge.

DIED

LINDSAY—At Limehouse on Saturday, April 23rd, 1932, Mary Lindsay.

HART—One Saturday, April 23rd, at his late residence, Port Credit, James A. Hart, beloved husband of Eva Melvin, and late of Ingram and Bell.

CROSS—At Guelph, April 25th, 1932, in his 82nd year, Wm. Henry Cross husband of Isabella J. Barber, formerly of Gravenhurst and Georgetown.

OBITUARY

MARY LINDSAY

The sudden death of Mary Lindsay at her home in Limehouse last Saturday, April 23rd, removes one of Esquesing's most highly esteemed citizens. Deceased was a daughter of the late Mr. and Mrs. James Lindsay and the last remaining member of the family. She was born at Limehouse and had lived there her entire life. She was a life-long member of the Presbyterian Church in which she was an active worker and her death is deeply regretted by many friends. The funeral took place on Monday afternoon when the remains were interred in the family plot in Limehouse Cemetery. The service was conducted by Rev. Dr. Howard, assisted by Rev. Dr. McColl and Rev. Mr. Caldwell. The pall-bearers were Wm. Gowdy, John Nickell, J. R. Lindsay, Jos. McGowan, Robt. Daughty, Dr. McColl, Milton.

BURIED IN GREENWOOD

The remains of the late W. H. Cross, for many years a resident of Stewartown and Georgetown, were interred in Greenwood Cemetery, Georgetown this afternoon. Mr. Cross passed away at Guelph on Monday, April 25th.

Another resident of Georgetown for some years, J. A. Hart, passed away at his home in Port Credit on April 23rd, and was buried in Greenwood Cemetery here on Monday.

ST. GEORGE'S DINNER

There was a good attendance at the annual dinner of St. George's Church, held in the Sunday School room on Monday evening.

Rev. W. G. O. Thompson, Rector, was chairman of the evening and spoke words of welcome to the visitors and members present. Grace was sung, and all partook of a delicious dinner well served on tastily decorated tables adorned with many miniature flags bearing the Cross of St. George. The gathering was then favored with two violin selections by Mr. Jack Thompson, accompanied by Mrs. W. F. Bradley on the piano, which were much appreciated.

Rev. Mr. Thompson then introduced the speaker of the evening, Rev. G. W. Tebbs of Burlington, "Old Man Sunshine" of Radio Station CKOC.

It was a real pleasure to listen to "Old Man Sunshine" as he took his audience on a trip to and around England, describing many incidents on the voyage and sight seeing trips in the old land. His address was productive of many hearty laughs, but while dealing with the bright side the speaker did not fail to leave with his hearers inspiring thoughts regarding the more serious side of life. It was a splendid address and those who did not hear it missed a rare treat.

The evening throughout was a splendid success and marked another enjoyable and profitable evening at St. George's.

Rev. Mr. Boyd of Norval and Mr. S. Kirk, spoke briefly during the evening.

A hearty vote of thanks was tendered Rev. Mr. Tebbs, the ladies for the excellent menu provided and others who entertained.

THE TITANIC DISASTER TWENTY YEARS AGO

Twenty years ago on Friday, April 15th, the ocean liner "Titanic," on her maiden voyage from England to New York, struck an iceberg in the Atlantic ocean off the American coast and foundered with an appalling loss of life of over twelve hundred passengers and crew. Many of the victims of the tragedy were prominent citizens of Canada and the United States. It will be remembered by many the government coast boat "Lady Laurier" was dispatched from Halifax to assist in the rescue of passengers in life boats and picked up scores of bodies containing life belts floating in the ocean. While on a press trip to Halifax about eight years ago the Editor and Mrs. Moore toured the Atlantic coast on the "Lady Laurier" and met the Captain, a huge bronzed man of the sea, who piloted the rescue boat on this eventful occasion which staggered the world with grief. Some weeks after the tragedy occurred, bodies were picked up floating at sea.

CHURCH NEWS

St. Alban's, Glen Williams

Fifth Sunday after Easter, and Feast of St. Philip and St. James. Sunday School, 2.00p.m.; Evensong, 3.00 p.m.

Splendid music by the Choir. All are welcome.

Men's Bible Class and Tuxis Boys Held Successful Banquet

The Men's Bible Class of the United Church, together with the Tuxis Boys' and gentlemen of the congregation assembled in the basement of the Church last Thursday night for their annual banquet and get-together.

About seventy sat down to beautifully decorated tables, laden with delicious food which showed wonderful taste by the ladies who assisted at the banquet.

After everyone had partaken to the fullest of the sumptuous repast, Mr. David Wilson, President of the Men's Class and toastmaster of the evening called the gathering to order and announced the following toast list:—

"The King," responded to by the singing of God Save the King.

"The Church," proposed by Mr. Arthur Dayfoot and responded to by Rev. Mr. Rumley.

"The Sunday School," proposed by Mr. Wm. Long, and responded to by Messrs. Neil Cummings, Jack Maclaren and Fraser Mimms.

At this juncture in the programme Mr. Wilson spoke very highly of Mr. Maclaren's interesting work in the church and especially as leader of the Men's Class. He asked him to accept the Classes' sincere thanks, and as a small token of appreciation Mr. N. Brown, on behalf of the Class, presented Mr. Maclaren with a travelling set. Mr. Maclaren, who was quite taken by surprise, thanked the gentlemen for their very generous gift and said he was glad to have the privilege of being leader of the Men's Class of the United Chrch and would do all in his power to make it a success.

Mr. Maclaren then introduced Mr. E. D. Otter of the National Council of Canadian Young Men's Christian Associations, and guest speaker of the evening. Mr. Otter delivered a very inspiring and interesting address on "The Place of the Church and Sunday School in the New Social Order."

Mr. Evans then proposed the toast to "The Ladies" which was responded to by Miss Inman.

During the evening vocal and instrumental numbers were given by the Misses McLintock, and Messrs Jack Armstrong, Ralph Ross and David Wilson. Mr. A. Maclaren was the accompanist.

Mr. Godfrey moved a vote of thanks which was tendered the speakers of the evening.

Mr. Arol O'Neill, one of the committee in charge if the banquet thanked the various speakers and artists for their part in the program.

A very delightful evening was brought to a close by the singing of "Auld Lang Syne."

Parkdale Lodge Visits Credit Lodge

About seventy members of Parkdale Lodge A.F. & A.M. headed by their Worshipful Master George Guthrie, were entertained by Credit Lodge on Friday evening, April 22nd. After meeting in the Lodge Room the company were banquetted in the Library building where an excellent repast was served by the wives of the local Masons, and Mayor Mackenzie welcomed them in name of the Corporation.

The usual toast list was presented with W. Bro. B. Gollop proposing "Grand Lodge." This was interestingly responded to by R. W. Bro. Peaker of Parkdale Lodge who spoke of his early associations with Georgetown.

V. W. Bro. Geo. Ford then in an able manner, proposed "Our Guests—Parkdale Lodge" and called on W. Bro. Geo. Guthrie to reply. He was enthusiastically received and three cheers were given for the "Old Georgetown Boy." He spoke feelingly of the loss sustained by the death of Major Grant and recalled many happy memories of the old days around the market square. W. Bro. Guthrie also suitably thanked Credit Lodge for the presentation of a bouquet of flowers for his good lady.

The toast to "the Visitors" was given by Bro. N. D. MacKinnon and responded to by W. B. Hillmer of Mt. Dennis Lodge; Bro. S. J. McMaster of Antiquity and Bro. T. S. Hill, Sr., of Granton.

W. Bro. Grosse of Parkdale Lodge thanked Credit Lodge for a very enjoyable evening and this was suitably acknowledged by W. Bro. D. Wilson and V. W. Bro. Sam Kirk.

GLENWILLIAMS

Special services will be held on Mother's Day, May 8th in United Church at 11 a.m. and 7 p.m. Members of the Sunday School will take charge of the service in the morning.

Mrs. W. J. Hill has returned from Woodstock where she was visiting her sister, Mrs. J. Marsden.

Mr. D. Massies of Port Credit spent Sunday with Mr. and Mrs. Clayton Allen.

The school children are glad to hear that Miss McLaughlin is improving, and hope she will soon be able to be back at school.

Mr. George Taylor of Toronto spent Sunday with his mother.

Miss Doris Hepburn of Toronto spent the week end at home.

The many friends of Mrs. Will Allen are glad to see her much improved in health.

Mr. and Mrs. Mitchell of Toronto visited Mr. and Mrs. B. Hill over the week end.

Mr. T. G. Newton of Toronto has started a bakery in our village. We wish him every success in his new business.

Mr. and Mrs. H. Hayward and family of Cheltenham visited Mr. and Mrs. Wagstaffe on Sunday.

Mr. Harold Wheeler who has redecorated his Ice Cream Parlor will open it next week.

ASHGROVE

Everyone enjoyed the play "Eyes of Love" given by the A.Y.P.A. of Stewartown on Monday April 11th.

On Friday evening, April 15th, Ashgrove Young Peoples' Society entertained the Hornby Young Peoples' Society. A delightful programme consisting of papers and musical numbers was given by the Hornby Young People.

Those taking part were: Mr. Neill, Mr. Howard Wrigglesworth, Mr. Clifford Wrigglesworth, Miss Ruth Robertson, Miss Isabel Wrigglesworth. A social hour of contests and games followed, after which lunch was served.

The regular meeting of the Ashgrove W. I. met on April 19th in the basement of the church. Mrs. Campbell, the District President addressed the meeting. Readings were given by Mrs. Cecil Wilson and Mrs. Neilson Stark. A musical number was rendered by Miss Lula Graham. The roll call was answered by a cookie recipe and a sample. After lunch there was a bulb and seed exchange.

On Wednesday evening a progressive crokinole party was held in the basement of the church which was well attended. The winners were: Ladies First—Mrs. R. J. Graham; Gents First—Mr. Wellington Wilson; Consolation—Mr. Fred Ruddell.

The neighbors and friends gathered at the home of Mr. and Mrs. Rowland Melbourn and Mr. Tom Melbourn on Thursday evening to welcome them into the neighbourhood. The evening was spent in playing cards and crokinole.

Public School Concert

AN EXCELLENT ENTERTAINMENT ENJOYED BY PACKED HOUSES BOTH EVENINGS

The annual Public School entertainment held on Tuesday and Thursday evenings of last week was one of the best yet given by the pupils, and was enjoyed by our many citizens who packed the large auditorium of the school at both entertainments.

The Mother Goose operetta was given by the junior puplis of the school and the parts of Mother Goose, Jack and Jill, Peter Pumpkin Eater, Contrary Mary, Jack Sprat and other Mother Goose characters were cleverly taken by the girls and boys of tender years. The music was under the direction of Miss Harrison while the various teachers of the grades gave great assistance in assembling the different parts and in training the children for the pretty drills. The fresh, pretty costumes added greatly to the appearance in the final grand march.

The prizes given by the School Board to those taking the highest standing at the last Entrance examination were presented by Mr. John D. Kelly, chairman of the evening. Those receiving prizes were Frank Bolger, Ian Mackenzie, Dorothy McLintock and Esther Brill.

The mixed choir, the boys' choir and others who will probably go to Milton to take part in the County Festival in May were heard in their respective numbers. Miss Gibson, teacher of the Junior First Class, played all the accompaniments of the evening in a very acceptable manner.

The pupils of the Fourth Class gave an amusing little play, "The Knave of Hearts," and this brought an enjoyable evening to a close.

Mr. J. D. Kelly, chairman, in his remarks stated that Georgetown had the best equipped Public School and most efficient staff of teachers in the county, and from the Inspector's annual report we quite agree with the chairman. He also stated that the salaries and operating expenses of the school were practically the same today as in 1921, therefore the incerase in taxation is not due to Public School expenditure.

We are proud of our Public School record and congratulate Miss Ryan, principal, and her efficient staff of teachers, and the children of all forms on the excellent entertainment provided the parents and citizens generally. The whole program was splendidly produced and most creditable to teachers and pupils.

ERIN

In the death of Bridget Garrity, beloved wife of John Kelly, who passed away at her residence in Toronto, on April 19th, a former resident of Cataract passed away. She was a member of the Roman Catholic Church.

Business seems to have rounded the corner, at the local C. P. R. station. We are creditably informed that much freight, in the way of live stock and potatoes has been moving lately and prospects are bright for the future.

During the months of May, June July, August and September the merchants of Erin intend closing their places of business at 12 o'clock noon Wednesdays and remain closed till the following morning.

Mrs. M. Babington, Owen Sound, Ontario announces the engagement of her elder daughter, Florence May, teacher on the Erin Continuation School Staff for five years, to Carroll Keith Stevenson, M. D., of Milton, Ont., youriger son of the Rev. J. S. and Mrs. Stevenson of Kettleby, Ont., the marriage to take place early in May.—Advocate.

BUSINESS SUMMARY

The following brief business summary for Ontario is published by the Bank of Montreal under date of April 22nd:—

"Cold weather retarded the sale of Easter goods and spring furnishings. The volume of trade, both retail and wholesale, is below that of last year. Collections are slow, With the exception of textile mills, which generally are very busy, manufacturing operations in practically all lines are below the levels of a year ago. The automotive trade has been stimulated by the coming into production of the new Ford model and by substantial price reductions announced in a number of other makes; operations, however, are substantially under last year. Furniture plants are very quiet, with sales largely confined to the large departmental stores. Sales of leather have slowed up slightly, with volume about equal to that of last year. Manufacturers of electric refrigerators are reasonably busy; demand has been furthered by the slim natural ice harvest. Production of tires is falling off and is now under last year. The steel and lumber trades continue at a low ebb."

PRIZES OFFERED IN TIRE CONTEST

Public Asked to Estimate Number of Cords

Everybody likes trying for a prize. The challenge to skill and judgement is often as strong a lure as the prize itself. Whether it be estimating the number of beans in a jar, solving an intricate puzzle, or choosing a name for somebody's soap, there is a satisfaction in putting one's brains to work in competition with others.

The prize contest just announced by the Goodyear Tire Company offers an unusual opportunity to those who pride themselves on their powers of deduction.

Never before have people been asked to estimate the number of cords in an automobile tire. Some people are not even aware that there are such things as cords in a tire. Of course tire manufacturers know that it is the cords that give the tire its strength. But it is doubtful if even the men who make tires have ever before counted the number of cords.

Some tires contain more cords than others. For this reason, six different types and sizes of tires have been selected. Contestants are being asked to estimate the average number of cords in these six tires.

The cords do not show on the surface of a tire. They are imbedded in rubber under the tread. They are visible when a tire is cut in two; the ends of the cords can then be seen in the rubber. A section of the tire fabric showing the cords is on display at tire stores throughout Canada to help contestants in making their estimate, and entry forms can be obtained from the dealer.

The announcement states that the correct number of cords has been ascertained by officials of the Goodyear Company, and has been placed under seal until the contest ends. Employees of the Goodyear Company and of all rubber companies are debarred from competing for the prize, so that no one who has to do with the manufacturing is eligible. This puts every one on an equal footing.

The contest closes on June 5th, and names of the winners are to be announced shortly afterwards.

NEW FORD EIGHT ADMIRED BY MANY

Along with many others we had the pleasure of a ride in the new Ford Eight which was demonstrated at A. E. Cripps' Garage, Georgetown by Norton Motors of Acton, on Thursday afternoon last.

Modern streamlines characterize the designs of the bodies for the new Ford cars.

From the V-type radiator shell with its grille to the fuel tank in the rear the streamline effect has been carried out. Roof and sill lines are curved and harmonize with the deeply crowned fenders and long wide running boards. A belt moulding runs back from the radiator.

The windshield, set at a 10-degree slant with narrow front pillars, affords excellent driving vision.

An oval instrument panel with controls grouped conveniently materially adds to driving ease. The spark lever has been eliminated through the use of automatic spark control. Choke and throttle are conveniently located on the instrument panel. A coincidental lock on the steering column secures both ignition and steering.

Passenger comfort is insured by ample head room and leg room. This has been accomplished not only by using a double-drop frame but also by improvements in the bodies.

Band Concert

—at—

Gregory Theatre

Georgetown

Thursday, April 28
