ITCHING AND BURNING

Sores All Over Her Body. Suffering Endless. Doctor Useless. Cured in 4 Weeks by Cuticura.

Your most valuable CUTICURA REMEDIES have done my little girl so much good that I feel like saying this for the benefit of those who are troubled with skin diseases. She was troubled with itching, burning sores. When I took her to the doctor the first time, he called it the Italian itch, and said he would cure her in two weeks. When the two weeks were up, he called it eczema, and in that time she was worse than before. He doctored her for three months, and she was so bad that we did not know what to do. He did not do her any good. I saw the advertisement of CUTICURA REMEDIES in the paper, and I said to my wife, "I am going to try them." Mind what I say, she was so thick with sores that we had to soak her clothes to take them off. Itch! there was no end to it. She had it all over her body, back, legs, arms, in between her fingers. She did not hoop it on her head. But after taking your CUTICURA REMEDIES for two weeks the itch stopped, and in four weeks the sores were all gone. I enclose her portrait. I am more than pleased with your CUTICURA REMEDIES, as they speedily cured my daughter, and if anybody asks me about your remedies, I will spread them wherever I go. CHARLES M. GRONEL, Conshohocken, Montgomery County, Pa.
