Bird—McMeekin

A very pretty wedding took place on Saturday afternoon, June 4th, at the home of Mr. and Mrs. John McMeekin, Fairview Farm, Brampton, Ont., when their daughter, Miss Mary Mildred, became the bride of Thomas Hector Bird, Georgetown. Rev. N. D. MacKinnon, of Norval, officiated. The bride, given in marriage by her father, looked lovely in a white satin gown made on princess lines, with yoke and sleeves of real lace. She carried a shower bouquet of pink roses and lily-of-the-valley and was attended by her sister, Miss Margaret McMeekin, who wore yellow and carried Talisman roses. The groom was attended by his brother, Mr. John Bird. Miss Effie Bird, sister of the groom, played the wedding music, and, during the signing of the register, Mrs. Russell Grigg, of Grimsby, sang, "I Love You Truly." A sumptuous wedding breakfast was served, and after the bride and groom left on a motor trip to Windsor and points west, the bride wearing a beige and blue ensemble, and the groom's gift, a beautiful fox fur. On their return, they will reside near Georgetown.

Piano Pupils Give Recital

The recital given by Miss Margaret Dickie's piano pupils on the evening of June 10th was one of the most enjoyable entertainments held in Georgetown in recent weeks. In the first part of the program Bobby Early rendered "Old English Song" very effectively, and Elsie Gilbert gave a graceful interpretation of "Air de Ballet." This was followed by Schubert's "Moment Musical" played with real appreciation by Bernice McDonald. Tchaikowsky's "Chanson Triste" was played most effectively by Lillian Fletcher, and talented Peggy Maclaren followed with a very sympathetic rendering of a waltz by the same composer. The guest artist, Shirley Black of Elora played "Tarentella" with great animation. Conde's "La Jeunesse" was spiritedly performed by Stewart Maclaren, while Patrical Cunningham gave a lively rendition of Sartorio' "Country Dance." Jane Rumley, who shows unusual promise, gave a sparkling interpretation of Wach's "Papillons Blancs" and a duet, Nevin's "Country Dance" by Kathleen Wilson and Bernice McDonald, revealed perhaps a more mature talent. Kathleen Wilson played impressively the Rachmaninoff Prelude, and the program concluded with a sympathetic interpretation of Mendelsohn's "Wings of Song" by Billy Maclaren. A vocal quartette consisting of Miss Mary Carmichael, soprano; Miss Clove Kitching, contralto; Mr. Gordon Grierson, tenor and Mr. George Raithby, bass, helped very much to contribute to the success of the program. During the intermission Miss Dickie's pupils presented her with flowers.—Com.

THE man who expresses the desire to see as well as he "used to" should have us examine his eyes with a view to prescribing lenses that will correct his failing sight. We will correct all eye deficiencies that are not actually caused by a disease of the eye. The usual eye trouble is imperfect focal accommodation of the crystalline lens. This trouble has various ramifications that we can prescribe glasses to remedy.
