After 35 years serving on Halton Hills council, Mayor Rick Bonnette says he might not seek another term in next year's election.

During his address at the annual Halton Hills Chamber of Commerce Mayor's Luncheon on Tuesday (Dec. 12), Bonnette announced he had not decided whether he was going to run again in the 2018 municipal elections.

He also did not rule out the possibility either, telling those in attendance he would make his decision by spring.

On Monday night, during its regular meeting, council surprised Bonnette with a cake in celebration of his 35 years of service on council.

# Halton police urge Acton residents to keep unattended vehicles locked up

A recent spike in the number of incidents involving thefts from vehicles has prompted Halton Regional Police to remind Acton residents to keep their vehicles locked when unattended.

Statistics show that the bulk of the thefts are occurring during overnight hours.

Plaza parking lots and

other shopping areas have been targeted by thieves, who are looking for vehicles with holiday gifts inside.

Items visible from the outside such as laptops, cellphones, purses, wallets, credit cards or loose cash are also vulnerable to theft, said Staff Sgt. Paul Davies.

"Our uniformed officers

and Criminal Investigation Bureau Detectives continue to tackle the issue and several arrests have been made in connection with these thefts," he said.

Davies noted that rural areas are being victimized as well and suggests that exterior lights be kept on overnight as a deterrent from nighttime thieves.
