Halton County Public School Teachers' Convention at Georgetown

The annual convention of the Halton Public School teachers was held in the Assembly Rooms of the Georgetown Public School on Thursday and Friday, October 6 and 7. The attendance was very large and great interest was shown in all departments.

During the first morning of the Convention a visit was paid to the Provincial Paper Mills and the Alliance Paper Mills where the teachers were most courteously received and conducted through the mills. In the afternoon an address on "School Pains" was given by Mr. A. J. Kirstine, Agricultural Representative for Halton and following that the convention divided into two sections, graded and ungraded.

In the evening the Women's Institute served a banquet in the basement of the United Church when Mayor Mackenzie and Mr. Duncan, chairman of the Public School Board extended a welcome to the visiting teachers. Miss M. J. Norris, British Exchange Teacher, now teaching in Burlington, in a very pleasant and interesting talk gave her audience an idea of the school system of her home town, Londonderry, Northern Ireland. Miss Margaret Dickie and Mrs. (Rev.) Howard contributed musical numbers which were much enjoyed, and the Boys' Band under the direction of Bandmaster Perrott both surprised and delighted their listeners.

On Friday, the reports of the two delegates to the Ontario Educational Association were received and the Institute divided into groups, according to forms, for free discussion of problems peculiar to each. In the afternoon Inspector Denyes addressed the Convention and urged that the usual support be given the League of Nations.

The Committee on Resolutions brought their report in which they recommended that the thanks of the Convention be tendered Rev. R. W. Rumley and Rev. W. G. O. Thompson for conducting the opening exercises and the ladies of the United Church for serving dinner on Thursday and Friday.

The officers for the next year are:—
Hon. Pres.—Inspector Denyes.
President—Miss Edna Neill.
Vice-President—Mr. Ralph Hughes.
Secretary—Miss M. E. Bennett.
Treasurer—Mrs. M. B. Moore.

The Convention closed with the singing of the National Anthem.

PRIZE ESSAY AT FAIR

Following is the first prize essay at Esquesing Fair at Georgetown last Wednesday. It was written by Helen M[illegible] of Peacock School, 7th line:—

WHAT I CONSIDER ONTARIO'S BASIC INDUSTRY

The Province of Ontario, though so immensely rich in minerals, forests and manufactures, is primarily an agricultural country. It possesses an excellent soil, and a climate suited to the production of many crops, so that farming has been the chief industry of its people since its first settlers started their primitive operations over one hundred years ago. But even today, the development of the agricultural resources of the province offers great opportunities.

Oats, wheat, barley, peas, beans, and corn are the principal yields. Grain growing, however, does not, represent the whole effort of the Ontario farmer. Here is the natural home of mixed farming, and dairying in all its branches is the back bone of agricultural. Ontario produces nearly half the butter and cheese made in Canada, and there are over one thousand cheese factories and creameries in Ontario. Large quantities of butter and cheese are exported.

The livestock industry of Ontario is very important, and some of the best horses, cattle, sheep and swine on the continent are raised in the province.

In the Niagara fruit belt Ontario possesses one of the most beautiful and fertile fruit-growing districts in the British Empire. Grapes and peaches are grown here in the open air, and cherries, apples, plums, pears, and small fruits yield bountiful crops. Large canning factories handle both fruit and vegetables, and are located at many centres.

Tobacco is grown extensively in the counties of Essex, Kent, and Norfolk along Lake Erie. Both the soil and the climate are found to be quite suitable to the cultivation of the plant, and the product is of very good quality. The cultivation of sugar beets is also important. They are grown in the vicinity of Chatham and Wallaceburg. The production has increased greatly since the early war years.

Many hundreds of active organizations, managed by the farmers themselves, exist to advance the interests of agriculture in the community. These include the Ontario Agricultural and Experimental Farms, co-operative societies, farmers' clubs, horticultural societies, and associations of dairymen, fruit-growers, and live-stock breeders.

We now see why Agriculture is classed as the primary industry of Ontario; and it exercises such an influence on the lives of Ontario people, that the prosperity or failure of the whole province goes hand in hand with the prosperity or failure of the Ontario farmer.

SCOUT NEWS

The Fox Patrol certainly gave the Beavers a great surprise last week. The Beavers who boasted a lead of nineteen points, are now only two points ahead, due to a sudden burst of energy on the part of the Foxes. However, of a full patrol, only two Beavers were present at the meeting, and the absence of the patrol leader and the second was a great handicap. The rest of the boys are certain that these officers probably won some toys at our Fall Exhibition and remained home in the evening to play with them. If the Foxes continue to work it looks like one more free banquet with the Beavers acting as hosts, and the table groaning under its weight of cake and egg sandwiches.

Last Saturday four of the boys went on a hike to the mountain with the intention of passing some fire-lighting tests. The hike was so successful that practically all of the troop started out early Monday morning, bound for the same destination. The boys amused themselves around the quarry until time to prepare dinner. The meal was eaten in the shadow of the towering cliffs which afforded protection from a herd of tame bulls wandering in the locality. The boys domestic efforts were very gratifying, especially the soup. The presence of ants added the meaty flavor which every good woodsman appreciates. After some games the troop left for home but another hike will be held in the near future.

He—"Dearest, do you think you could live on three pounds a week?"

She—"Yes, but no longer."

A Splendid Showing Under Unfavourable Conditions at Georgetown Fair

BIG EXHIBIT OF CATTLE, HORSES SHEEP AND FOWL—GRAIN, VEGETABLES AND HOME-BAKING THE BEST IN YEARS

SHOWING OF FANCY WORK ABOVE AVERAGE

The eighty-eighth annual Fall Fair of Esquesing Agricultural Society held at Georgetown on Wednesday last was one of the best in the history of the Society in regard to exhibits, but the attendance was much smaller owing to the wet weather that prevailed throughout the day.

The exhibit of horses, cattle and sheep was exceptionally good, and included some very choice stock. The exhibit of poultry was also good but not as large as in some previous years.

In the hall the exhibit was never better. Many fine samples of grain, roots and vegetables were on display. The exhibit of home made baking was a feature of the show and the ladies responsible are to be congratulated on a showing which would be hard to beat.

The display of flowers was larger than ever and very beautiful.

The exhibit of ladies' fancy work was as usual very large and high-class, attracting the attention of many fair visitors.

The horse racing, ladies ball game, horseshoe pitching and midway attractions provided entertainment for the crowd.

The program of music provided by Lorne Rifles (Scottish) Band of Georgetown was excellent and many complimentary remarks were heard in the gathering regarding our splendid band.

In the ball game the Alliance Paper Mills defeated Smith & Stone by a score of 12 to 10.

The track was fairly heavy for the horse races but there were some good heats. The results were as follows:—

2.17—Marvin Harvester, 4, 3, 3, J. McDowell, Toronto; Strong Hart, 3, 4, 3, H. Reed, Woodbridge; Partesan—2, 2, 2, Chapman, Toronto; Grattan Jr. 1, 1, 1, Rountree, Weston.

2.28—Harry Okum, 2, 1, 1, 1, Hopkins Cooksville; Par Lap Grattan, 3, 4, 4, 4, R. Scott, Toronto; Lady McGregor, 1, 2, 2, 2, J. Harvey, Acton; Rose Gamot, 5, 5, 5, R. Talbot, Toronto; Mono Grattan, 4, 3, 3, 3, F. Connor, Rosemount.

Open race—Paldanion, 1, 1, McKay, Oakville; Skya Window, 2, 2, Bovard, Brampton; Rango, 3, 3, McKay, Oakville.

The officers in charge of the Fair were:

President—Edward McWhirter.
1st Vice-President—George L. Leslie
2nd Vice-President—Martin Near.

OBITUARY

R. G. CAMPBELL

The flag at the city hall, Sault Ste. Marie, is at half mast to-day in respect to R. G. Campbell, city clerk, who died after an illness of several weeks. He was in his 77th year and had been a citizen of the city for 32 years. Born at Guelph, he was married in 1882 to Jean Moor Symon, and once conducted a knitting machine plant at Georgetown, which was destroyed by fire. He went to Sault Ste. Marie in 1900 and with C. Symon founded the Symon-Campbell Hardware Co. and built the block of that name. Again fire broke out and the store was almost completely destroyed. He sold out in 1913 to Mr. Symon and took a position with the city. He has served as a public school trustee, tax collector, assessor and clerk. He was a charter member of the Rotary Club and was its first secretary. For more than 33 years deceased has been a member of St. Andrew's Church, prior to Union when he was a Presbyterian, and later when it became part of the United Church of Canada. Deceased was a member of the Masonic Order, Keystone and Algoma Lodges, a Knight Templar and a member of Rose Croix Chapter. Two sons survive, Charles S. Campbell, manager of the Royal Bank at Bruce Mines and R. A. of the Soo.

LIMEHOUSE

Mrs. Jas. Grant is visiting friends in Georgetown.

Mr. and Mrs. J. Noble and Jack of Acton visited Mr. and Mrs. C. Meredith over the week end.

Mr. and Mrs. Brown of Kingsville and Mr. D. Gowdy of Toronto called on Mr. and Mrs. W. Gowdy on Sunday.

Mr. and Mrs. W. T. Mills and children Will and Helen of Toronto spent the week end and holiday with Mrs. Lepoldewin.

Mr. Arthur Hill was home from Owen Sound for the week end holiday.

Mr. and Mrs. A. L. Marshall and Eileen of Toronto visited their parents over the holiday and week end.

Messrs. Wm., Ralph and Miss E. Marshall of Toronto visited Mr. R. Marshall for the week end holiday.

Mr. and Mrs. W. Gowdy spent Thanksgiving with Mr. and Mrs. Dougals Gowdy in Toronto.

Miss Margaret Swackhammer was taken quite ill last week end. We hope she will soon be around again.

Mrs. S. Kirkpatrick is gaining daily and we are pleased to see her able to be about again.

Mrs. R. Doughty, we are sorry to report, does not seem to be gaining but rather to be gradually getting weaker.

The anniversary services at the Presbyterian Church on Sunday were well attended, both afternoon and evening. Rev. Mr. McPaul of Milton brought two wonderful messages, which were most inspiring and helpful. The choir is also to be congratulated on the splendid rendering of their special music for the occasion.

On Monday evening an anniversary concert and tea was held in the Presbyterian Church. Though the attendance was not as large as it might have been, owing to the wet weather. The program was excellent and thoroughly enjoyed by all. Those taking part were: Male Quartette from Eden Mills, Miss Grindell of Acton, elocutionist; Miss Argue of Eden Mills, soloist, and Mrs. McPhail, pianist; Miss Fleck of Georgetown, soloist, Mrs. Howard, Miss Lillian Howard, and Mr. and Mrs. J. Nickell of Limehouse. Rev. Mr. Caldwell of the United Church brought greeting from his congregation.

Quite a number of our people attended both Georgetown and Erin Fairs last week.

Mrs. E. Marshall is visiting friends in Erin and Ballinafad.
