DIED

STARK—In Esquesing Township on Saturday, January 11, 1936, Robert Stark, in his 85th year.

IN MEMORIAM

COLLIER—In loving memory of Joseph T. Collier, who died January 19th, 1935.

Dear father, you are not forgotten,
Or will you ever be,
For as long as life and memories last
We will always think of thee.

Esquesing Agricultural Society held Annual Meeting

OFFICERS ELECTED—FAIR TO BE HELD IN GEORGETOWN, OCT. 2ND AND 3RD, 1936

Esquesing Agricultural Society ended 1935 with a credit balance of $385. It was reported at Saturday's annual meeting, although financial difficulties forced the society to cancel its annual fall exhibition in 1933. The last two year's work brought the society out of the debit column and established a promising balance for this year's stage, which will be held on Oct. 2nd and 3rd.

Officers elected at the meeting were:

President—James Fisher.
Vice-presidents—T. J. Brownridge, Frank Petch.
Secretary—W. A. Wilson.
Treasurer—Percy Cleave.
Directors—Cecil Chisholm, George Currie, Spencer Wilson, Herbert Cleave, John Bird, L. L. Mullin, A. Maclaren, C. T. Moffatt, Geo. Leslie, T. L. Leslie, W. J. Alexander, Martin Sear, W. C. Bessey, Dr. Paul, L. G. McIntosh, George Davis, W. C. Anthony, John D. Kelly.
Auditors—J. H. Bingham, J. D. Godfrey.

—The driver used to wrap lines around the whip and go to sleep for a few minutes. Now a driver wraps his car around a telephone pole and goes to sleep permanently.

Open Letter No. 5

To the Women of Georgetown

WHAT WILL YOU PAY FOR BREAD AFTER WE ARE GONE?

WHAT INDUCEMENT is there for any man to operate his own business if Outside Capital with purely a selfish interest is allowed to come in and run your Home-Owned Industries out of business?

THE SECURITY of Home-Owned Industry in Georgetown is in the balance today. Outside Capital is selling bread for less than they do at home.

IF WE CANNOT DEPEND upon your patronage now, we shall be forced to turn off our help, sell our bakery and move to some other town where we can make a living.

IN BAKERIES controlled by Outside Capital are successful in driving us out of business, do you think they will continue to sell bread in Georgetown for less money than they do at home, after trucking it 40 miles? After we are forced out, how much more will you have to pay than the fair price we have been asking?

WHAT WILL YOU PAY for bread after we are gone?

PROTECT YOUR HOME

Support your Independent Home-Owned Bakery who contributes to the welfare of Georgetown.

Respectfully submitted for your consideration by your Independent Home-Owned Bakery of Georgetown.

ASHGROVE

The January auxiliary meeting was held on Tuesday afternoon with Mrs. Geo. Nurse in the chair. A beautiful new year's thought was the roll call. Our temperance secretary, Mrs. Fred Wrigglesworth gave a short paper and Mrs. J. Bellhoddy took charge of the second chapter of our study, assisted by the president using parts from the associated book, "We Walked in Darkness." Programs for the year were planned and other business items finished.

The annual church gathering was held on Friday night with supper first, and the business later. Encouraging reports from all departments of the church were received, also new officers elected in some places, and votes of thanks and appreciation were given.

Filling in Time until 7 o'clock

With the supper dishes cleared away, Mr. and Mrs. Elmer Banks sit down each Wednesday evening to a rollicking game of checkers. Really they are just filling in time until their son John makes his weekly long distance call from a faraway city — a few minutes after 7 when Night Rates are in effect.

That weekly chat with John is the big event in their placid week. He never fails them, and his cheery chatter means more to them than they would care to say.

On both "Anyone" and "Person-to-Person" calls, Low Night rates apply after 7 p.m. and Low Week-end rates ALL DAY SUNDAY.

TOWN COUNCIL

FINAL MEETING OF OLD COUNCIL—INAUGURAL MEETING OF MEMBERS ELECTED FOR 1936

The final meeting of 1935 Council was held on Monday morning at 10 a.m. with Mayor Gibbons in the chair, Reeve Cleave and Councillors Parr, Smith, Blackburn and Armstrong present.

The minutes of the previous meeting were read and after some discussion confirmed.

This completed the business of the old council.

At 11 o'clock the Council elect for 1936, after subscribing to the declaration of office took their places as follows:—

Mayor—Joseph Gibbons.
Reeve—A. E. Parr.
Councillors—W. P. Smith and C. Armstrong. Councillor Davis was unavoidably absent.

Mayor Gibbons in his address to members of Council and citizens of Georgetown said:—

"Having subscribed to my declaration of office as your presiding officer for the year 1936. It is my pleasure to know that I shall be associated with my former colleagues, Mr. Parr, Mr. Davis, Mr. Armstrong and Mr. Smith, all of whom I am convinced are conscious of the responsibilities which are theirs in all matters pertaining to municipal government.

I take this opportunity to publicly congratulate Mr. Parr on his elevation to the Reeveship, after years of valuable service to his fellow-citizens as councillors. I wish him every success in this new field of civic endeavor.

"In reviewing the financial situation of the past year, although a successful one, it is essential that we continue to pursue a policy of rigid economy, consistent with the carrying on of civic services, if we when Georgetown to remain a sound municipality.

"With an assessment of $1,400,000, the total tax levy last year was $64,000, of which 92% was collected. There was also approximately $17,000.00 arrears of taxes collected last year. Our debenture debt at the present time is $160,000.00. This in the last five years has been steadily decreasing and if this, and future councils, do not issue any more debentures, the Municipality of Georgetown at the end of 1941 will be practically free from any bonded indebtedness.

"I ask the chairman of the different committees to curtail their expenditures in such a way, as to enable this council to strike a slightly lower tax-rate this year. By doing so it not only gives some relief to the already over-burdened taxpayer, but it means the encouragement of the establishment of new industry, and the building of homes, thereby relieving the unemployment situation and also an increased municipal revenue.

"In grateful appreciation of the good will the members of the Council and citizens of Georgetown have extended to me in the past, I welcome this opportunity to thank you for the confidence which I have enjoyed from those whom I am trying to successfully serve, and I assure the people that during my term of office I will make a special effort for greater achievements for civic welfare.

"In a community such as this, with its beautiful churches and kindly and considerate clergymen, an industrial centre second to none of any town of its size in the province of Ontario, with all the organizations co-operating in the future as they have in the past, with the same spirit of goodwill among the citizens generally, we may by our united efforts confidently look forward during the year 1936 for the happiness and prosperity of all the people of the Town of Georgetown."

Mr. A. Maclaren of the Relief Commission addressed Council briefly regarding the relief situation in town.

Arrangements were made for the holding of a nomination meeting on Jan. 20th to elect two councillors in Ward One and One Councillor and one Public School Trustee in Ward Three.

Council then adjourned to meet on Tuesday evening, Jan. 14th.

The Council met at 8 p.m. on Tuesday with Mayor Gibbons in the chair, Reeve Parr and Councillor Armstrong present.

Messrs. Knell and Hoare, representing the Badminton Club; R. Firestine for the Boy Scouts, and Mr. Cochrane for the gymnastic club, asked for the use of the town hall. Mr. Magloughlen also asked for the use of the town hall for the Pipe Band. Their request was granted and an agreement reached as to nights to be used by each organization.

Chief W. H. Long and Deputy-chief H. Shepherd asked Council to provide a suitable meeting place for the fire brigade.

Mr. W. V. Grant was appointed a member of the High School Board. The Mayor will wait on the Canadian Legion to make arrangements allowing the firemen to hold their meetings in the Legion rooms.

The billiard licenses of E. R. Magloughlen and Hughie & McDonald were renewed for 1936 at the same fee as 1935.

The Treasurer was instructed to pay the Relief Commission the sum of $580.00 to cover December account.

A number of accounts were passed and Council adjourned to meet on Tuesday, Jan. 21st at 8 p.m.

Bon Temps Club Dance

About one hundred and eighty persons were the guests of the members of the Bon Temps Club on the occasion of their fourth annual dance in the Rink, Georgetown, on Friday, Jan. 10, 1936.

The hall was prettily decorated with spring flowers, colored streamers and light shades, and the music was supplied by the New Harmony Orchestra.

The supper table was attractive with pink and green candles and spring flowers and a delicious lunch was served by the club members: Misses Jean Mackenzie, Madeleine Erwin, Margery Mackenzie, Yvonne Adams, Constance Whitmee, Marjory Gault and Isabel McDermid.

The patronesses of the evening were Mrs. J. B. Mackenzie, Mrs R. Paul, Mrs. W. G. O. Thompson and Mrs. Lawson.

The novelty dances were much enjoyed and the prize winners were Miss Lillian Williams and Mr. Jim McGeachie and Miss Evelyn Wood and Mr. Bruce Kennedy.

"TRANSATLANTIC TUNNEL" AT GREGORY THEATRE

"Talk about real sportsmanship," said Richard Dix enthusiastically, "you can't show me a finer brand than that of George Arliss and Walter Huston!"

Dix, starred with Leslie Banks as chief and assistant engineers in the GB 8-star special, "Transatlantic Tunnel," with Helen Vinson, Madge Evans, C. Aubrey Smith and Basil Sydney as colleagues, was referring to the fact that the distinguished stars in question had gracefully consented to make a three-minute appearance in the respective characterizations of England's Prime Minister and President of the United States as a dramatic highlight of the picture.

Don't miss seeing the wonderful picture at the Gregory Theatre, Georgetown, Saturday, Jan. 18th.

—Passenger and freight train schedules will not be interrupted on the C.N.R. during the construction of the $200,000 subway at Freeman. Alternate main line tracks will be built south of the present line to take care of the situation. Construction of the alternate trackage and the wig-wag signal system is already under contemplation, and is scheduled to begin in the near future.

Georgetown Juniors Lose to Acton in Thrilling Set-to

SCORING FIVE GOALS IN LAST PERIOD NOT ENOUGH TO DEFEAT RIVALS

The old feud between Acton Juniors and Georgetown Juniors was renewed here on Friday night, when the two teams fairly burnt up the ice in a thrilling spectacle, which swept the visitors to victory by a 6 to 5 score.

Although the ice was not in good condition—being rough, causing the puck to bounce and making it hard to carry, the teams turned in the speed in the initial stanza and kept it up for three solid periods. The local team looked to be in better condition and stood up well under the heavy play—and the ice been good and their combination plays clicking, the score might have been different. But, as usual, the local sextette failed to put on the pressure until the last period, and as a result Acton went into the last stanza with a three goal lead.

The last encounter was the scene of wild scrambling for the puck, fast skating, heavy body-checking—and everything else that's in a hockey game, which kept the crowd (?) on their toes all the time. However the locals gave all they had and well deserved the cheers that were meted out to them. They went in and scored five goals to the visitors three—and earned many more which through hard luck more than anything else, failed to find the twine.

Penalties were costly to the Georgetown team, Acton scoring at least two goals while they were short-handed.

Bradley and Sanderson were surely the stars for the locals—Bradley for his "never say quit" spirit, and Sanderson for his solo rushes, which carried him right into the goal mouth. Bradley also made more passes to the front of the net than any player on either teams.

The Georgetown team were also minus two of their regular players—and it could not be expected that the substitutes could fill in as efficiently as the regulars, although they did their best and were in fighting all through the game.

Brush, Reard and Bilnoo starred for Acton. All players on both teams turned in some excellent efforts. The goal getters were: For Georgetown, Sanderson (2); Sykes, Riddell, Duncan; For Acton—Brush (3); Bilnoo (2), Holmes.

Georgetown—Goal, Wright; defence, Duncan, Norton; centre, Sykes; wings, Bradley and Riddell; subs, Weston, Sanderson, Marchment.

Acton—Goal, Woods; defence, Baylis and Armstrong; centre, Reard; wings, Mabeal, Brush; subs, Bilnoo, Holmes, Lambert, Gibbons.

Referee—B. Tost, Georgetown.

Fluke Goal Wins Game for Acton Intermediates

HARD LUCK LEAVES GEORGETOWN HOLDING THE BAG

The local Intermediate team, and many supporters, drifted into the neighboring Tanning Town on Thursday night last and were handed a rather undeserved defeat.

For almost three full periods these two old rivals battled away on poor ice, with neither team being able to score. Then, with but a few seconds to play the Acton team flipped in a goal. The puck went into the air at the Georgetown net, and while an Acton player stood inside the goalie's crease he hit it into the net. The referee, whether up on the play or not, failed to notice the player inside the crease, and Acton was awarded the goal. That's all there is to tell ladies and gentlemen, just an unlucky break for the locals. Acton fans interviewed after the game did not like to say whether the game should have been awarded to them or not—but the referee's decision is final. All we can say, is that we hope Acton leave the horseshoes at home when they play their return game here.

Georgetown - Guelph Game Goes Into Overtime

5 - 5 TIE AFTER EXCITING HOCKEY TILT

In an O.H.A. Intermediate game at the Arena here on Monday night Guelph and Georgetown battled to a tie after seventy minutes of hockey. The game was exciting from beginning to end, and the large crowd of fans were given many thrills for their money. The ice was in good condition and the game started in a burst of speed. Guelph started the scoring when B. Gemmell went in on a solo and Kelly scored when Georgetown were playing a man short. The locals managed to get on the score sheet in this period when Duncan and Anthony combined for a nice goal. Duncan making the count.

The second period failed to produce a good brand of hockey, with neither team doing much. Both teams bulged the twine twice. Cripps tied up the score only to have Guelph go into the lead with B. Gemmell's goal. Horton then back-handed in the rubber on the locals in a wild scramble at the visitor's fort, and Coulling put Guelph again in the lead on a pretty solo effort.

Georgetown went into the final frame a goal down, and play still remained rather ragged, with hard-checking by both teams and not much open hockey. A Guelph player drew a three minute penalty for tripping. The locals then tied up the game for the second time during the evening when Anthony scored on a shot from the defence. The red light failed to go on and referee Brush seeing the puck in the net rang the bell and started for centre ice. But this did not start play again for some time—the Guelph players argued the puck went in the net from the back, and wanted a better deal before they continued with the game. This was the second "phoney" goal of the game against Guelph and they were plenty peeved. But after about five minutes of discussion Brush won out and the game went on. This tiring goal gave Georgetown more courage and Cripps shot in from a scramble in front of the net after taking Bill Anthony's pass. This lead, however, didn't last long and Gemmell scored to tie up the game at the end of the third period.

Both teams failed to score in the ten minutes of overtime play and the game ended with the score 5 all. Kaiser for Guelph received a stiff body check in this session and had to be carried off the ice.

Richardson was outstanding in the net for the locals, while G. Gemmell was Guelph's best in the game.

Georgetown—Goal, Richardson; defence, Anthony and Zimmer; centre, Tost; wings, Ward and Cripps; subs, Hall, Duncan, Horton, Steen.

Guelph—Goal, Gemmell; defence, Mowbillans and Coulling; centre, Kaiser; wings, Moran and B. Gemmell; subs, Beatty, Kelly, Sloan.

Referee—D. Brush, Milton.

BUSH LEAGUE HOCKEY NOTES

The Bush League hockey group was formed during the past week and six teams from town and surrounding communities have been entered. At present we have not been able to locate a complete schedule, but have enough dope to hold us over for a week.

These games proved real thrillers last season, with lots of speed, smart stick-handling, checking and the odd fist flinging here and there. The games will be played in doubleheaders and composed teams from Huttonville, Streetville, Norval, Georgetown, Number 10 and Royals of Brampton.

The first games will be played here on Thursday, Jan. 16th at 7.30 p.m. First game—Number 10 vs. Norval; second game—Royals vs. Georgetown. The admission for these two games is only two bits (25c).

NOTES

Tost made a nice job of refereeing the Acton-Georgetown junior game here last week. He handed out a square deal to both teams and everyone seemed satisfied. Even the Acton Free Press scribe commended him on his decisions.

* * *

J. Kemshead and E. Stockford were off the local junior line-up in the Acton game here. Kemshead having fractured his arm in practice, and Stockford with blood poison in his arm.

* * *

Reard, Acton's star centre man, left his bed where he was confined with measles to play in the game here. He played a good game and his fine sportsmanship is to be commended.

* * *

We were telling you last week about the local teams dickering for players from Milton. So after much trouble we finally got the low-down, and here it is. Not being greedy, but after all they could get, the local executive asked for five or six players from Milton and Acton—Tolesky Brush, Kentner and other junior players. They didn't want many—so at the O.H.A. executive meeting at Milton, after a long discussion, they were told that they would have to get along without any. We think it would have been better to ask for less and get it—but its too late now.

* * *

Acton fans were burned up on Thursday when they saw "their own" Jack Kentner coaching the local squad. Seems they wanted Kentner back on the team—but the captain and managers didn't think the same way. Jack was a good play maker on the Tannery team and is sure missed.

* * *

Local fans are wondering why Alcott has not been playing in the net for the intermediates. It seems, however, that he and Richardson of Brampton are taking turns at holding the fort. Both are excellent goal keepers—but fans always like to see the home-town boys in action.

* * *

Acton would have a very slim junior outfit if it wasn't for the Milton imports.

* * *

Georgetown Intermediates go to the Lakeshore town to-morrow night, and Oakville play a return game here next Monday, Jan. 20th. Don't miss these games.

* * *

Georgetown Juniors made a very poor showing at Acton on Monday night—taking the count under a 10 to 3 score. Looks as though they are due to stay in the cellar position.

Georgetown Intermediates will play their second game in Acton on Wednesday night next. Better luck this time boys.

* * *

Klora Juniors here Friday night. They are classed as the best team in the group. Come out and see the locals give them a run for their money.
