MARRIED

JEFFREY—DENISON—On Saturday, Jan. 25th, at the Chapel of the Bishop Strachan School, Toronto, by the Rev. Canon Rigby, Elizabeth Sara, daughter of Mr. and Mrs. Leslie Fisher Denison, to Dr. Alexander Hall Jeffrey, Baysville, Ont., son of Alexander Hall Jeffrey, and the late Mrs. Jeffrey, Toronto.

ANNUAL MEETING UNITED CHURCH

A very happy annual meeting was held in the United Church, Georgetown on Tuesday evening, Jan. 28th. A goodly number of the congregation met and considered, with genuine satisfaction the encouraging reports presented. A spirit of enthusiasm and confidence was evident in the meeting as the congregation learned from the various reports what they had so worthily achieved during the past year.

Rev. F. C. Overend, B.A., pastor of the congregation, acted as chairman. The reports of the various organizations indicated a healthy condition of the work and a steady growth in all. The amount contributed for all purposes during the year was $5499.00, of which $1287 goes to the support of the missionary enterprises of the church. The remainder meeting all the expenses for the year. In presenting the auditors report, Mr. Percy Harrison expressed the thanks of the congregation to the minister and his wife for the work they had accomplished since coming among them.

The officers elected were:—

The Session—G. B. Deyfoot, Dr. A. McAllister and That. Reid, re-elected; Howard Kentner, newly elected.

Board of Stewards — John McDermid, W. C. Anthony, G. W. McLintock, re-elected; A. B. Pary, E. B. Swackhammer, H. Clark, newly elected.

Treasurer—John McDermid.

Envelope Stewards—R. C. Adams, G. Dobson.

Auditors—John Kennedy, P. H. Harrison.

After the business period a dainty lunch was served by the wives of the members of Session and Board of Stewards, and the meeting was brought to a close by the singing of "Blest be the tie that binds," followed by the benediction.

HORSE LOST IN SNOWDRIFT

Cutters and sleighs were one again brought into use last week as all district roads were impassable to motor traffic for the first time in years. Drifts were many feet high and on the base line just north of Milton two snow plows were stuck.

A farmer driving a cutter near Stewartown attempted to pass a transport truck which had missed the road. The horse reared up and coming down in a snow bank disappeared completely. It took four men some time to dig it out.

A bus, travelling from Toronto, was stopped by the heavy snow outside of Georgetown Thursday night and was abandoned until the next morning, when it was dug out.

Doctors wishing to see their patients have travelled as far as their cars would go and gone the remainder of the journey by sleigh or walked.

Public Memorial Service To King George V

MANY CITIZENS, VETERANS AND MILITIA ATTEND SERVICE AT ST. GEORGE'S CHURCH ON TUESDAY

King George V was laid to rest in the vaults under the chapel of Windsor Castle, beside the bodies of his father and other British Sovereigns on Tuesday, after a simple service, and the passing of the world's most beloved Monarch is mourned by his loyal subjects throughout the British Empire.

The memorial services, held in St. George's Church, Georgetown, yesterday were largely attended.

At 9.30 a.m. the members of the Canadian Legion and Women's Auxiliary, under command of Col. G. O. Brown; Georgetown Company of the Lorne Rifles (Scottish) and the Regimental Band under command of Col. Conesby, M.C., attended service at St. George's, conducted by the Rector Rev. W. G. O. Thompson.

In the afternoon at 3 o'clock the public service was held when the church was filled to the doors, the Town Council and Officials attending in a body.

The service conducted by the spiritual clergy was as follows:—

Processional hymn, "O God our help in ages past," followed by the Opening Sentences by Rev. W. G. O. Thompson, Rector of St. George's Church.

Psalm 90 was read responsively, led by Rev. E. G. Baxter of the Baptist Church.

The Scripture lesson, 1st Cor. 15: 20 to end, was read by Lieut. Mundy of the Salvation Army, after which Kipling's Recessional was sung, followed by prayers by Rev. W. G. O. Thompson and the hymn "Peace Perfect Peace."

The sermon by Rev. F. C. Overend of the United Church was a very vivid portrayal of the life and christian character of our Empire's beloved King, who always had the welfare of his people at heart; the great influence of his life on the nation by his high ideals and affection, and above all his devotion to his God, the King of Kings.

An anthem by St. George's Church choir "Comfort O Lord the Soul of Thy Servant," was followed by the National Anthem, and the closing prayer and benediction by Rev. E. G. Baxter.

At Holy Cross Church, Georgetown, on Sunday the pastor, Rev. Father McBride, paid special tribute to his late Majesty King George V. He referred to the beloved monarch as a most Christian King who won the loyalty and respect of all his subjects not only in virtue of his position, but also as an example to all, both in his public and private life. The King did not fail in any of the demands made upon him, but even went further than his high responsibilities demanded. In all the sorrow for the King's death that of the Queen Mother is the keenest. Catholics pray for the King. It is part of the public worship of the church. The service closed with special prayers for King Edward VIII and the Royal Family, and all stood in silence as the hymn of Requiem was played. On Tuesday at 9 a.m. a requiem service was held and the bell tolled from 8.30 to 9 a.m. in respect to our beloved Monarch.

BALLINAFAD

A memorial service for the late King George V was preached Sunday morning by the Rev. A. O. W. Foreman. A very interesting history of his life as King of British Empire was given. The service closed with singing the National Anthem.

We are glad to report that Mrs. D. J. Sinclair, who underwent a serious operation at St. Joseph's hospital, Toronto, last week, is improving nicely.

The January meeting of the W.M.S. was held at the home of Miss Shortill on Wednesday afternoon. The devotional exercises were: prayer by Miss Shortill and responsive reading in Luke 12. The roll call was answered with many beautiful thoughts. The supply allocation was read by Miss Hiltz. Plans were made to hold the organization meeting of the Mission Circle on Thursday evening, Jan. 30th. Mrs. A. O. W. Foreman was appointed Advisory President and Mrs. Richard Shortill to be superintendent of Mission Band. The scripture study was very interestingly given by Mrs. Foreman. A duet by H. Hilts and Miss Shortill, and the topic by Pearl McInery completed the program.

GLEN WILLIAMS

On Thursday evening last the Young People's Society of the United Church held a tobogganing party. Despite the cold, about twenty-five members attended, and all reported having a good time on the hills on the ninth line. After the outside fun, all went to the home of Miss Dorothy Wagstaffe, the president, and had lunch, which was appreciated after all the tumbles in snow banks. A few games were played and the singing of "Blest be the tie that binds" brought the enjoyable evening to a close. Next Thursday all are invited to the Young People's meeting which will take the form of a trip to Northern China by slides on the missionary work there.

The A.Y.P.A. will hold a euchre party and dance in the town hall on Friday evening commencing at eight o'clock.

Jack Graham met with a very painful accident while following his employment at the Brill Hosiery Mills, Georgetown, last Friday.

A splendid social evening was spent on Tuesday at the home of Mr. J. Aldy by the Young Men's Bible Class of the United Church. Plans were made for future activities and arrangements completed to have with us guest speakers on several occasions. We regret our invitation to join with us in a live organization. A generous lunch completed the evening's activities.

ASHGROVE

A representative meeting of our Women's Institute was held at the home of our President, Mrs. A. J. Ruddell on Tuesday afternoon, Jan. 21st. After the singing of the opening ode, our heads were bowed in silent tribute, in honour of our beloved King, the late George V. Our hearts were touched with sadness at our Empire's loss. A great deal of business was on hand and after it was settled, a splendid program was given. Mrs. Dick gave us an illustrated talk on cottons, prints and ginghams, having samples of each; while Miss Jean Maher gave us a thorough talk and demonstration on all kinds of silks and wools, testing her samples, and solving for us the difference in silks which are so puzzling to buy by their names. These two educational talks were indeed helpful and showed great thought and study to explain them so well.

Mrs. J. G. Wilson favored us with two solos; appropriate numbers in keeping with "Robbie Burns'," birthday being a few days off. Mrs. Hector Hunt gave us a favorite reading of the late Rudyard Kipling's poem, entitled, "If you can keep your head when all about you." This was appreciated very much as this particular time also. The meeting was closed by singing God save the King. Lunch was served.

Georgetown Juniors Hold Guelph to 4 - 2 Score

STOCKFORD AND BRADLEY STAR FOR LOCALS

Guelph Juniors, leaders in the local O.H.A. group, invaded Georgetown last Friday night and were victorious by a 4 to 2 score.

At the start of the first period it looked bad for the locals, but before the finish they found their bearings and redeemed themselves somewhat. The game was rather rough from the start, but with clever stickhandling and team work on the part of both teams. Georgetown back-checked well and kept the leaders from running up a big score. In fact at times Guelph were wondering whether they would really win the game.

Guelph netted two before the local boys got started, when "Swat" Mason and Kelly both counted. Then on the prettiest goal of the evening, and for which he received much applause, Stockford banged by the locals first counter when he went around the net and shot from close in.

In the second period both teams battled away on fairly even basis, when "Swat" Mason again scored for Guelph. This made the score 3 to 1 and Georgetown started to press the visitors to the limit. However, there was no more scoring in this frame.

Jones opened the final period with a goal on a nice solo effort, and Bradley notched the locals second goal with but a minute to play.

Stockford, back-checked like a fiend and Bradley and Riddall did some clever stickhandling throughout the game. Ambis and Kelly were in the limelight for the visitors, Ambis being a wonderful play-maker for his team.

Guelph—Goal, Blade; defence, Mason and Jones; centre, Ambis; wings, H. Mason and Kelly; subs, Dibrusky, O'Connor, Murdock, Kelso.

Georgetown—Goal, Wright; defence, Duncan and Sanderson; centre, Bradley; wings, Riddall and Norton; subs, Weston, Sykes, Marchment and Stockford.

Referee—Jack Burrell, Brampton.

Georgetown Intermediates Whipped by Acton 9 - 1

ACTON TOO GOOD FOR GEORGETOWN—LARGE CROWD DISAPPOINTED IN LOCAL'S EFFORTS

What a game! What a crowd!

The local arena was packed last Saturday night when an old score was again settled between the two old rivals—Georgetown and Acton.

The game was a typical Georgetown-Acton tussle with plenty of rough work thrown in for good measure, and each getting a number of penalties.

The visitors held an edge on the play all through the game and especially in the first period when they took full command of this frame.

Acton showed much speed and class over the local puckesters and racked up a 9 to 1 decision to the disappointment of the Georgetown fans.

Acton stacked up four goals in the first period with Bus Moreton getting 2, Terry 1, and Marso 1. Norm Moreton getting three assists.

Tost opened the second period with Georgetown's only goal when he scored while Hall of his own team was serving a penalty.

Terry scored for Acton to start the third, banging in a pass from Norm Moreton. Anthony then drew a five minute penalty for throwing his stick. Play became rough and the going was hard for both teams. Tost received a clip in the face from a stick, but was able to carry on, and Lindsay and Duncan were penalized for mixing it up a bit. Bus Moreton then smacked in his third goal of the evening. Walters and Gibson were given penalties and Walters wanted to finish the setto in the box, but was discouraged by the referee and Gibson. Then Norm Moreton netted two in a row to make the score 9 to 1 at the end of the game.

On the nights play Acton were much the best and well deserved the win. The locals failed to back-check and follow up their plays and as a result were left behind many times, while Acton would break with four men up.

Richardson played a good game in the local net, while Greer in the visitor's cage handled the shots in professional like style.

Tost played well for Georgetown and was the most effective man on his team; while Joe Hall also turned in a good game. The Moreton Brothers and Lindsay were outstanding for Acton.

Acton—Goal, Greer; defence, Gibbons and Beolt; centre, N. Moreton; wings, Terry and Bus Moreton; subs, Lindsay, Marso, Mooney, Walters.

Georgetown—Goal, Richardson; defence, Duncan and Anthony; centre, Tost; wings, Hall and Ward; subs, Crippa, Gibson, D. Riddall, Sanderson.

Referee—"Garney" Large, Toronto.

Elora Juniors Three Goals Better Than Georgetown

GEORGETOWN SQUAD TAKE 3 TO 5 DEFEAT IN LISTLESS GAME

Elora Juniors made certain of second place in the local O.H.A. group when they won from the Georgetown sextette on Monday night here; they being tied with Acton.

The game from the start was a listless affair, with the Georgetown team doing everything but the right thing at the wrong time. It was Wright's off night in the net, and if the puck came close it was sure to slip in somehow; while the defence in the first two periods failed to cover up their men.

G. Riddall drew a penalty for a trip in the first frame and Quinn and Bilnoo ran in two fast goals while he was resting. Quinn counted shortly afterwards on an open shot. Riddall and Sanderson combined for the locals first goal, with D. Riddall beating Anderson on a perfect shot. Wright then scored against himself when trying to clear in a scramble and Quinn netted another to make the score 5 to 1 at the end of the period.

Play was much more even in the second period and the visitors were held to two goals, Chapman and Quinn doing the counting.

D. Riddall opened the third period with a goal on a pass from Sanderson; and netted a second on a shot from a face-off near the goal. Chapman then counted another for Elora and Geo. Riddall and Sanderson secured two more for the locals. The final score being Elora 6, Georgetown 5.

D. Riddall and Sanderson were outstanding, with Marchment brilliantly outskating his opponents. Quinn and Bilnoo were Elora's best.

Georgetown—Goal, Wright; defence, Sanderson and Duncan; centre, Bradley; wings, Marchment and G. Riddall; subs, D. Riddall, Stockford, Weston, Norton.

Elora—Goal, Anderson; defence, Dreyer, Walser; centre, Ridley; wings, Quinn and Bilnoo; subs, Pritchard, Moore, Chapman, Cameron.

A. Duncan, referee.

Intermediates Drop Play-off Chance to Guelph

DEFEATED 9 TO 5 AT ROYAL CITY ON MONDAY

Guelph Intermediates practically cinched a play-off berth on Monday night by defeating Georgetown 9 to 5. Guelph must win one of two games left to play, and both are against Oakville, the cellar tenants.

The game was a wild, wide open affair. The hard shooting of the Guelph team eventually won, and Schonfelt, burly Royal City defence man, was the agent who led the homesters to their win.

Tost opened the scoring in the first period for the visitors, with Duncan assisting, but Meron evened it. Then Schonfelt gave Beattie a chance and Guelph went ahead. Meron tallied on plays by Kaiser and Gemmell and Kaiser notched on Meron's play. Gibson banged one in from a scramble to keep Georgetown in the race and Crippo tallied from another scramble to make it 4 to 3 in favor of Guelph at the end of the first period.

Ward tied the score mid-way through the middle round, but McMillan put Guelph ahead and Schonfelt added another.

Early in the last round Schonfelt plunked another long shot, but Tost took Cripp's rebound to give Georgetown a marker, only to have Beattie take a perfect pass from Schonfelt to add another Guelph goal. With less than a minute to go, Sloan went through alone to score.

Schonfelt, Shirk, Kaiser and Meron were best for Guelph, and Ward, Tost Hall, Crippa and Duncan were tops for the losers.

Georgetown—Goal, Richardson; defence, Duncan and Anthony; centre, Tost; wings, Ward and Crippo; subs, Sargent, Hall, Gibson, Blackburn.

Guelph—Goal, Shirk; defence, McMillan and Schonfelt; centre, Kaiser; wings, Meron and Gemmell; subs, Beattie, Sloan, Kelly and Coulings.

Referee—Gordon McKay, Hamilton

NOTES

Acton Intermediates play another game here on Friday night to finish out the schedule. Maybe the local boys will try hard to win just one game from Acton this year. Let's all come out and help cheer them on.

* * *

The Chinguacousy games last week were postponed on account of the condition of the roads, the teams not being able to get here. But they will be played to-morrow night.

* * *

Now with the O.H.A. teams out of the running, let's get the Smith cup games under way.

* * *

Why not pick out a couple of juvenile or midget teams and start getting them in shape for our future hockey teams. It would be good business.

We take the following from the Brampton Conservator: "While writing along the hockey situation we might say that one of the keenest students of all sports in Brampton is the youthful John Carter. John, who is only thirteen years old, and carries the water for No. 10 in the Chinguacousy Lacrosse League (who play their games in Georgetown) has a wealth of sport knowledge at his finger-tips. And we doubt if there has been very much happen in sport during the past few years that he cannot readily recall."

Jamesway
POULTRY EQUIPMENT
. . . The reliability of Jamesway poultry equipment has become so well known that "Jamesway Hatched" is equivalent to a guarantee of quality.
Besides brooders, Canada's leading poultry men use the Jamesway oil and coal burning brooders, (now reduced in price) battery brooders, feeders and waterers of all kinds, steel nests, laying cages, litt spreaders, and ventilators and complete brooder houses.
