Deceased was a daughter of the late Donald and Elizabeth Campbell and was born at lot 1, con. II, Erin. She was the last surviving member of the family. In religion she was a Presbyterian. ROBERT WHEELER

By the death of Robert Wheeler on Saturday, February 1st, another highly esteemed citizen of Georgetown for many years has been removed from our midst and a beloved husband and father will be missed in the home. Deceased was in his 80th year and was born in Chinguacousy, near Snelgrove. After living in Limehouse for twenty years Mr. Wheeler moved to Georgetown twenty years ago and has resided here ever since. He was for many years an employee of the old Grand Trunk and C.N.R. railways and for seventeen years held a position with the Alliance Paper Mills, retiring some three years ago on account of ill health. Besides his widow, who was formerly Miss Emma Jane Hill, he is survived by one daughter, Miss Bella Wheeler, at home, and a son, Edward, of Palmerston. In religion deceased was a Presbyterian, and the funeral service on Monday last was conducted by his old friend, Rev. Dr. Howard of Palmerston. The remains were interred in Limehouse cemetery. The Rangers will meet every Friday evening in the basement of the United Church, and all boys between the ages of 10 and 18 years are invited to join.

Last Thursday evening the Young People's Society of the United church greatly enjoyed seeing lantern slides of the rural life of Honan, China. The pictures were very educative, showing the farms, systems of farming, the results of the terrible famine, etc. Mrs. Robert McMenemy, missionary convenor, was in charge of the meeting. Horace Blythe took the scripture reading and the evening closed with the singing of "Onward Christian Soldiers."

Next Sunday evening the Sunday school choir will sing at the United church service. All are invited to attend.

Georgetown's New Post Office Formally Opened

COST $41,000—INCLUDES CUSTOMS OFFICE — MOST UP-TO-DATE BUILDING IN COUNTY

ERECTED BY J. B. MACKENZIE & SON, LOCAL CONTRACTORS

The formal opening of Georgetown's splendid new Post Office and Customs building took place on Saturday afternoon last, when a large number of citizens attended the ceremonies.

Dr. H. K. Anderson, former Conservative Federal member for Halton, officiated on behalf of the Postmaster-General and Federal Minister of Public Works. His being asked to perform the duty was in compliment to his many years' service at Ottawa, from which he retired prior to the October election.

Mayor Joseph Gibbons, presided and addressed the gathering assembled in the building as follows:—

"We are assembled here today for the purpose of attending the official opening of this new Post Office and Customs and Excise building, financed and supervised by the Department of Public Works of the Government of Canada, designed by the firm of Walker & Elliott of Toronto and Milton, and erected by J. B. Mackenzie & Son, local builders and contractors.

"May I take you back to approximately 25 years ago, when this site was purchased by the Government of that day? Also just for a moment to a more recent period of time which followed, when Mr. LeRoy Dale, K.C., then head of this Municipality, accompanied by other public-spirited men, as a deputation interviewed the Minister of Public Works at Ottawa, bringing again to the attention of the Department the necessity for a building in Georgetown such as this.

"May I call to your attention when his successor, Mr. J. H. Mackenzie, during his term of office, by deputation and correspondence, constantly kept the matter before the Government; until finally in the year 1934 the Canadian Government voted $40,000.00 for the purpose of public buildings in Canada.

"Your Municipal Council again brought the matter to the attention of the Government by passing a resolution, copies of which were forwarded to the then Minister of Public Works, the Hon. H. A. Stewart, Dr. H. K. Anderson, our representative for the County of Halton in the House of Commons at that time, and Mr. L. E. Fleck, president of Halton County Conservative Association, and regardless of our political affiliations it is my desire to say that the people of this community owe a debt of gratitude to Dr. Anderson and Mr. Fleck for the time and thought they have given in connection with this magnificent building.

"It is and ever shall be a credit to the past, present and future governments of this country and a credit to the community in which it is situated.

"May the services of the present postmaster and customs and excise officer, Mr. McDermid and Mr. Cole, extend far into the distant future in their convenient and comfortable surroundings; for they have, I believe, performed their public duties to the Government and the citizens of Georgetown faithfully and well."

Dr. Anderson, who was introduced by Mayor Gibbons, congratulated the citizens of Georgetown on the completion of their splendid new Post Office. "It is not wise," he said, "in erecting a building of this kind to build for present needs only. Canada is a young and growing country, and will become greater in the eyes of the world. This building cost somewhat more than $40,000, and is easily the finest public building in the County of Halton, and compares favorably with many of the buildings of similar type in the smaller cities of the province. It is highly suitable to Georgetown, the best industrialized town of the county. All raw material was produced in the County of Halton. The stone came from Glen Williams, the bricks and lime from Milton, and all other materials used in the construction are of Canadian manufacture. Where it was possible, men from Georgetown and the immediate vicinity were employed, and, I believe, there are fewer unemployed in Georgetown than in any other town in the county." Dr. Anderson concluded, "I declare this office open by commission of the Public Works Department vested in me. The Royal mails of the Dominion of Canada will be distributed here now, bearing the arms of His Majesty, King Edward the Eighth."

Brief addresses were given by Hughes Cleaver, M.P., Thomas Blakelock, M.P.P., LeRoy Dale, K.C., L. E. Fleck, president Georgetown Conservative Association and J. H. Mackenzie.

This beautiful building was designed by Walker & Elliott, architects of Toronto and was erected by J. B. Mackenzie & Son, contractors of Georgetown. Besides the large vestibule and commodious Post Office department which occupies the ground floor, it contains Custom Offices and an apartment for the caretaker, also a large assembly room on the second floor. The interior trim and floors are of birch. The building throughout is not only a credit to the town, but to the contractors who have shown their ability as craftsmen capable of producing a building complete in every detail second to none in the province.

Sub-contractors who performed their part of the building with much credit to themselves were:—

Structural Steel Work—The Dissher Steel Co., Toronto.

Stonework—Mr. George Adams.

Plumbing and Heating — R. H. Thompson & Co.

Wiring, Roofing and Copper work—Mr. G. R. Muckart.

Ornamental Plaster Work—George Hannaford & Son, Hamilton.

Marble, Terrazzo Work and Mastic Floor—Kent Tile & Marble Co., Hamilton.

Ornamental Iron Work—Olmstead & Parker, Hamilton.

Painting—Under supervision of Mr. George Ford.

The Lorne Rifles (Scottish) Band was present and assisted in the ceremony by playing selections prior to the opening and the National Anthem at the close.

Following the opening ceremonies the new building was opened to the public and many had the pleasure of inspecting this imposing structure of which we are all justly proud.

The first stamp to be sold in the new building was purchased by Mayor Gibbons.

ASHGROVE

Georgetown Humbled Again by Acton 6 to 1

Georgetown Intermediate "B" hockey team wound up their career in the O.H.A. for this season on Friday night last, when they took the count of 6 to 1 from Acton.

Georgetown Intermediates failed to take a game from the Tanning Boys at all this year, being beaten badly and outclassed in every game but one.

The game on Friday night was not as fast a previous games, owing to Georgetown checking more closely than in previous games. The score might have been a little more even had their plays clicked when they did get the breaks.

The first half of the first frame looked like anybodys game—both teams checking well, with both teams in close at different times. However, near the end of the period Bus Moreton broke through the defence and smacked in Acton's first counter. Within 30 seconds Marso had notched another one, leaving Georgetown two goals down to enter the second period.

Both teams went into the second frame right up on the bit, but Acton managed to bang in four more goals to Georgetown's lone counter. Mooney scored for Acton on a pass from Marso and N. Moreton notched one when he slipped past the defense and hid the rubber behind our local goalie. Ward for Georgetown then surprised the fans by circling the Acton defence and flipping the disc past Greer. This seemed to raise the Tanner's ire and Gibbons and Lindsay each broke through and fooled Richardson for the fourth time in this period.

The last frame went scoreless, Acton being hard pressed and shooting the puck down the ice several times to relieve the pressure. Johnny Jones of Guelph kept the play in check at all times and disappointed many fans who enjoy seeing the old flare-up which is almost certain to arise when these two teams get together.

Acton—Goal, Greer; defence, Scott, Walters; centre, Lindsay; wings, Marso, Mooney; subs, B. Moreton, N. Moreton, Terry, Gibbons.

Georgetown—Goal, Richardson; defence, Duncan, Anthony; centre, Tutt; wings, Ward, Hall; subs, Sargent, Bradley, Gibson, Sanderson.

Referee—Johnny Jones.

NOTES

Georgetown are all through with the O.H.A. schedule for this season. We hope, however, that they will have much stronger teams next year.

* * *

It hurts a bit to see the boys from the neighboring "village" take first place honours every year.

* * *

But Georgetown must be slipping when they fail to take Acton at least once a season.

* * *

Oh, well, there'll come a day.

* * *

Maybe it will be the Smith Trophy playdowns, which we hope to get under way in the very near future.

* * *

The Juvenile League got under way at the Arena last night. There are six teams in the group this year, College View, Streetsville, Park, Top St., Queen St. and Glen, and some excellent games are to be expected. Spend a few cents now, come out and encourage these boys. They make our O.H.A. hockey teams for later years. We can't expect to have a winning team unless we bring them up right while they are young. They need your support. The schedule is as follows:—

Feb. 4th—College View vs. Streetsville; Park vs. Queen St.

Feb. 11th—Glen vs. Top St.; Streetsville vs. Park.

Feb. 18th—Queen St. vs. Glen; Top St. vs. College View.

Feb. 25th—College View vs. Park; Streetsville vs. Top St.

Mar. 3rd—College View vs. Glen; Top St. vs. Park.

Mar. 10th—Top St. vs. Queen St.; Glen vs. Streetsville.

Mar. 17th—Queen St. vs. College View; Glen vs. Park.

Mar. 24th—Queen St. vs. Streetsville.

Lions Club Banquet and Entertainment

LION HARRY NEWMAN ADDRESSED GEORGETOWN LIONS CLUB AT FIRST ANNUAL PAST-PRESIDENTS NIGHT

On Monday evening the local Lions Club had the finest and best attended meeting since its inception five years ago. The programme, including speakers and entertainers, was of the highest degree and worthwhile messages and songs were proffered to the full local membership present, besides prominent local guests, as well as the Past Presidents and members from Toronto, Oakville, Burlington and Hamilton Clubs.

The banquet was served in the commodious Legion Assembly room by caterer N. H. Brown. The tables were nicely decorated and the very tasty menu provided was of the best.

The first President of the Club, Lion W. V. Grant, was toastmaster of the evening.

Lion President W. H. Long extended club welcome to all and read a telegram of felicitations from District Governor Reid Murdock.

Lion W. G. McLintock, the treasurer, presented the financial activities of the club during the past five years and it was with considerable pride that we learned of the large amounts earned and dispensed so usefully to needy children in the community.

The toast to Lions International was proposed by G. W. McLintock and responded to by Harry A. Newman, an honoured member of the legal profession, a citizen of the city of Toronto and a Past President of Lions International.

Harry Newman then spoke regarding the greater meaning of real international Lionism. He vividly painted the inception of Lionism during the war years in 1917 and how this creed of fellowship and service now leads the way throughout the world, gathering into its folds the leaders in all activities in life. We were pleased to note that throughout his address his central theme was "What a Club can do in a small Community." He stressed the fact that in such a case we must create opportunities for service not wait for them. He then gave a very vivid account of his term as President of Lions International, he being by the way the only Canadian ever having the distinction to hold that high office, and how when he visited clubs throughout the United States during his term of office they felt kinker and more akin to Canada. From this he drew the inference that we, as Lions, must learn to co-operate, as individuals, as citizens, as a nation to achieve those high ideals for which even the recently departed King George V strove for and lived. These were: "To be obedient to the rules of the game, to distinguish between sentiment and sentimentality—and if we must suffer to do so alone in silence; to be above all a good winner and a fair loser."

A toast to the Press was proposed by Lion Ed. McWhirter and responded to by J. M. Moore.

In our next issue we will publish the Treasurer's review of work done by Georgetown Lions Club during five years of operation.

GEORGETOWN HIGH SCHOOL DEFEATS ERIN

The arena in Erin was the scene of a hectic struggle between the Georgetown and Erin High Schools last Thursday afternoon.

Calling no halts in a fast and furious first period the Georgetown squad stacked up a lead of four goals to one against the Erin sextette.

The game resembled a walk-away in the first twenty minutes, but in the second frame the Shamrocks showed a complete reversal of form and when the bell rang to end the period the score was knotted at four all.

Both teams came out fighting in the third period. Play raged up and down the ice. The Erin team played hard, but the second period had left them tired, and the game ended with the O.H.S. on the long end of a six to five score.

Erin—Goal, Leitch; defence, Cook and McArthur; centre, Magill; subs, Short, Smith, Robinson, Ramsbottom.

Georgetown—Goal, McCumber; defence, Duncan and Marchment; centre, Beaumont; wings, Goldham and Liman; subs, Mackenzie, Louth, McMenemy, Schenk.

Brown: "What do you do with your worn out razor blades?"

Jones: "I shave with them."
