FLOWER THEME.

Once a tiny little flower, a daisy, in the garden grew,
Gladed by at rose and lily, bright with bloom and dew.
Wondered what its mission might be, where such fair forms grew.
Marvel thought happens to the creatures, at its monarch's diadem.

It could boast no pride of rose-leaf; was not like the cup of pearl
Which the lily holded aloft, toward the sun—as we imagine.
It could only gaze right upward, to the blue dome of the sky.
Show its fresh, dewy brightness to each passer-by.

Many loved it for the beauty of contrast it wonted to teach.
Quiet things know not other, it could grasp that just in reach.
"Round the violets grew the grasses, parasites of lowly origin,
Shutting out the little blossom, robbed its lovelier form dim comp.

Then it withered and grew pale, when within the garden a pinker
One whose daily showed the sunlight, for such brightness with him came.
And he stopped and watched the flower, picked one bud from off the stem.
Named the plant, and then transplanted where Twould surely bloom again.

Days and months and years past onward, but that bench brought fairer flower
For the flower from that moment had a sun and mystic power
And her memory, like the treasured on all pots, grew and to bolts.
"Till she shall, in heaven forever, for the service of her King

In order that the election of a successor to Bishop Hellmuth to the Diocese of Huron may take place at the meeting of the Synod on June 19th, an addition to section 93 of the Synod Constitution will be submitted, providing that with the consent of a majority of the House of Bishops the election may be at once proceeded with, the returning Bishop to hold office only until his successor is appointed, without power to vote the election of his successor.

The wonderful fleet of five vessels that Secretary Chandler displayed at the Brooklyn bridge celebration cost more than the bridge, more than $9,000,000! And each and all of them are too feeble to fight, too slow to either pursue or to run away. The Tennessee, one of the show ships of the American navy, cost the country $3,500,000. We wish our American cousins better results for their projected steel cruisers.

Edward Atkinson, of Boston, Mass., suggests a remedy for school house dangers. His plan provides for a continuous balcony, connecting all the windows at each floor of every school-house, not even excepting the first floor, above the level of the street. Such balconies are to be connected with one another at several points by easy flights of steps, fitted with wooden steps.

The will of the late Baroness Ashburton was proved in London a fortnight ago by Lord Ashburton, her son. The value of the personal estate in England amounts to $763,000. To the daughter, the Duchess of Grafton, she gives $600,000 and an annuity of $20,000, and after several minor legacies and annuities, she gives the residue of her fortune to her grandson, Francis Baring. She desired that she be buried with all her rings, and that a plaster cast of her late husband should be placed in her coffin.

An amateur snake-charmer in the Yellowstone region has twenty adders that think so much of him that they follow him around like dogs. On washday each one takes the tip of a companion's tail in his mouth, and they allow themselves to be hung upon poles for clothes lines. In the summer time they braid themselves into an ingenious hammock, in which the snake-charmer lies and reads novels on the front stoop.

A lad ran out of Gilmah left his native place, when he was but sixteen years of age to seek his fortune. Before leaving he placed a $5 gold piece in a stone wall. After an absence of ten years he returned to his home, much better off in this world's goods. Happening to remember the incident of the $5 gold piece, he went to the stone wall and found it just as it had been left, except that it was in the company of three other gold dollars, which constituted ten years, interest at 6 per cent.—Post.

Oil, What a Cough!

Will you heed the warning? The signal perhaps of the sure approach of that merciless disease, consumption. Save yourselves if you can afford, for the sake of saving 50 cts., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a million bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. For lame back, side, or chest, use Shiloh's Porous Plaster. J. G. King, wholesale and retail agent.

The Sting Within.

It is said there is a rankling thorn in every heart, and yet that none would exchange their own for that of another. Be that as it may, the sting arising from the heart of a corn is real enough, and in this land of tight boots a very common complaint also. Putnam's Painless Corn Extractor is a never failing remedy for this kind of heartache, as you can easily prove afflicted. Cheap, safe, painless. Try the genuine and use no other. N.C. Polson & Co., Kingston, props.

The Agony Over.

Pain banished as if by magic. Polson's Nervalene is a positive and almost instantaneous remedy for external, internal, or local pains. The most active remedy hitherto known, falls far short of Nervalene for potent power in the relief of nerve pain. Good for external or internal use. Buy a 10 cent sample bottle at Polson's Drug Store. Large bottles 25c at all druggists.

A Popular Recommendation.

The report of the Committee on Church Polity regarding the overtures for Presbyterians, was adopted by the Synod of the Reformed Presbyterian Church at Saratoga. Among the most important items were that Dominion ministers be admitted without a year's probation.

Edison's Electric Light is a wonderful discovery, but not as wonderful as Hall's Catarrh Cure. Sold by all druggists.

REMARKABLE DREAMS.

Visions that Came to Two Sisters Far Apart—What they Saw While Asleep.

Philip Hart, a notion dealer in this city, has been missing since last Thursday, says a Wednesday despatch from Trenton, N.J., to the New York *Times*. He left for New York on that morning and has not returned. His wife tells a singular story. She says her husband was in the habit of going to New York every month to pay bills for goods and to order new lots. He always stopped at the house of his parents, in Greenwich Street, near the Cortlandt Street ferry. When he left home on Thursday morning at 7:30 o'clock he had in his possession $140. He reached his parents' home in New York at 9:30 and remained there until 2 o'clock in the afternoon. It was his intention then to go and pay his bills, and he asked his sister to accompany him. She was feeling unwell and did not go, and he then left. This was the last seen of him. He had a sister living in Seventy seventh street, whom he intended to visit, and as he did not come back to his parents' house on Thursday night they concluded that he had stayed at her house. Next a member of the family visited the sister and found that he had not been there. The most singular thing about the whole affair is the part the two dreams play in the matter. Both the wife in Trenton and the sister in Greenwich Street, New York, dreamed on Thursday night that they saw the missing man on a bridge, with a railing on one side of it, struggling with another man, and saw him fall off, while the other man ran away. Mrs. Hart described her dream in a vivid manner this morning. She said she had no uneasiness about her husband's going away when he left, as he had been in the habit for the past three or four years of going to New York every month. But on Thursday night about midnight she says she had the dream. She saw him on the bridge plainly, saw his face and saw the man he was struggling with. The dream distressed her so that she woke up and slept very little the remainder of the night. Next day she felt depressed all day and looked forward anxiously for the hour when he was expected to arrive at home. He was to have left Jersey City at 7 o'clock and was looked for at home by 9. When this hour arrived and he did not come the wife grew more uneasy, but thought he would be back on the midnight train and she sat up waiting. As he did not come she sat up till 3 o'clock in the morning and lay down on a lounge, but slept very little.

In the morning a telegram came from his sister in New York asking if he had arrived at home. In greater suspense than ever she sent back a telegram that he had not, and at once started for New York. When she arrived at his parents' house the sister of the missing man, without knowing anything about Mrs. Hart's dream, related her own dream. When she had finished and Mrs. Hart told her dream both were astounded, the dreams were almost identical, even to the railing on the bridge. The New York police are endeavouring to find some trace of him. His wife thinks he has been murdered for his money.—*Bangor (Me.) Commercial.*

A Fine Hit.

When the proprietors of Burdock Blood Bitters put this renowned medicine on the market they hit it exactly. They hit dyspepsia, indigestion, and liver and kidney complaints a hard blow from which they will never recover.

My Mother

Has been using your Burdock Blood Bitters as a liver remedy, and finds them very efficacious. Chas. L. Ainsworth, 41 Vance Block, Indianapolis, Ind.

Holloway's Ointment and Pills—Coughs Influenza—The soothing properties of these medicaments render them well worthy of trial in all diseases of the respiratory organs. In common colds and influenza the Pills, taken internally, and the Ointment rubbed over the chest and throat, are exceedingly efficacious. When influenza is epidemic this treatment is the easiest, safest and surest. Holloway's Pills purify the blood, remove all obstacles to its free circulation through the lungs, relieve the over-gorged air tubes, and render respiration free, without reducing the strength, irritating the nerves, or depressing the spirits; such are the ready means of saving suffering when anyone is afflicted with cold, coughs, bronchitis, and other chest complaints, by which so many persons are seriously and permanently afflicted in most countries.

A Host of Bodily Troubles are engendered by chronic indigestion. These, however, as well as their cause, disappear when the highly accredited invigorant and alterative, Northrup & Lyman's Vegetable Discovery and Dyspeptic Cure, is the agency employed for their removal. A regular habit of body, and a due secretion and flow of bile, invariably result from its persistent use. It cleanses the system from all irregularities and restores the health and strength.

Persons of weakly constitution derive from Northrup & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda a degree of vigor obtainable from no other source, and it has proved itself a most efficient protection to those troubled with hereditary tendency to consumption. Mr. Bird, Druggist, of Westport, says: "I knew a man whose case was considered hopeless, and by the use of three bottles of this Emulsion his weight was increased twenty pounds."

Mr. J. R. Seymour, Druggist, St. Catharines, writes that he finds an ever-increasing sale for Burdock Blood Bitters, and adds that he can, without hesitancy, recommend it, Burdock Blood Bitters is the grand specific for all diseases of the Blood, Liver and Kidneys.

We have a speedy and positive cure, for catarrh, diphtheria, canker mouth and headache, in Sanford's Catarrh Remedy. A nasal injector free with each bottle. Use it if you desire health and sweet breath. Price 50 cents. J. G. King, wholesale and retail agent.

Minard's Men recommend their patients to use Dr. Carson's Stomach Bitters. It is a mild, yet effectual laxative, freeing the Stomach and Bowels from all impurities, restores the appetite and aids digestion. In large 8 ounce bottles, 50 cents.

Samson lost his strength with his hair. Thousands of men and women lose their beauty with theirs, and very large numbers restore the ravages of time by using the famous Cingalese Hair Restorer. Sold at 50 cents per bottle by all druggists.

Consumptive.—A name well known in connection with the Hair Renewer, which restores gray hair to its natural color by a few weeks use. Sold at 50 cts. a bottle by all druggists.

Failing!

That is what a great many people are doing. They don't just know what is the matter, but they have a combination of aches and pains, and each month they grow worse.

The only sure remedy yet found is Sulphur and Iron Bitters, and this by rapid and thorough assimilation with the blood purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Sulphur and Iron Bitters will cure kidney and liver diseases, consumption, rheumatism, neuralgia, dyspepsia, biliousness, intermittent fevers &c.

Office of Edward Elliott,
Wholesale and Retail Grocer,
Cor. Albany and Lagauchetiere Sts.
Montreal, Nov. 7th 1882.

I was a great sufferer from dyspepsia, and for several weeks could eat nothing and was growing weaker every day. I tried Sulphur and Iron Bitters, and am happy to say I now have a good appetite and am much better in every way.

EDWARD ELLIOTT.

Sulphur and Iron Bitters is not a drink and does not contain whisky. It is the only preparation of Iron that causes no injurious effects. Get the genuine. Sold by all dealers. Price $1.00.

is the base of so many lives that here is where we make our great boast. Our pills cure it while others do not.

Carter's Little Liver Pills are very small and very easy to take. One or two pills make a dose. They are strictly vegetable and do not gripe or purge, but by their gentle action please all who use them. In vials at 25 cents; five for $1. Sold by druggists everywhere, or sent by mail.

WINDSOR HOTEL, Kingston, Canada. The largest, most central, and best furnished hotel in the city. It has recently been newly furnished throughout. Telegraph, Bath Rooms, Bell's Telephone, Electric Bells, and the handsomest Billiard Parlors in the city. HENRY O'BRIEN, Chief Clerk. MARTIN O'BRIEN, Proprietor.

CITY HOTEL.

THE CITY HOTEL has been refitted and refurnished throughout, possesses superior accommodation for the travelling public. The management of the Proprietor, whose experience has extended several years, will go to small degree add to the comfort and convenience of guests.

The commodious and well lighted Sample Rooms attached afford excellent accommodation for the requirements of Commercial Men.

The bar will at all times be supplied with choicest Liquors and Cigars. The central location of the city, together with the moderate rates charged, will, I trust, secure a large share of public patronage.—ARCH. McFARL, Proprietor.
