BRAY CHICKS WEIGH 2 LBS. AT 8 WEEKS

ONLY 7 CHICKS LOST, OUT OF 357 — PULLETS LOOK LIKE LITTLE HENS

ON January 7th, Mrs. Harry Barton, Embro, Ont., put 357 Bray Barred Rock day-old chicks under her brooder. On March 2nd (8 weeks after) she wrote:

"Today, March 2nd, 350 of the 357 are alive and doing well, which, considering the extreme weather we have had, and the early shipping date, is a pretty good record . . . We expect the Cockerels to be 3-lb. broilers at 11 weeks old. Some are 2 lbs. now . . . the pullets look like young hens, all feathered out and big long tails sticking out, and their combs coming on."

Wouldn't you like to try a flock of Bray stock this year? This isn't an isolated example. We receive letters like the above from numerous customers, every year. Get our 1936 catalogue and you will see some more of them there.

Mrs. F. W. Shortill attended the W.M.S. convention held at Galt during the past week.

The March meeting of the W. A. of the United Church was held on Tuesday afternoon at the home of Miss Annie Shortill, the president, Mrs. W. McKnery in the chair. After the devotional exercises in which Mrs. Vannatter and Mrs. Foreman took part, the business of the society was transacted. Arrangements were concluded for the holding of an Irish supper on Mar. 17th. Then followed the roll call—an Irish joke—which caused much merriment. Miss Pearl McKnery contributed a piano solo which was much enjoyed by all. A contest was solved by the ladies, and the meeting closed with singing and the benediction. Very tempting refreshments were then served and a social time enjoyed.

OBITUARY

REV. HENRY CALDWELL

One of God's noblemen, Rev. Henry Caldwell, S.T.L., passed away peacefully at his home on Knox Avenue in Acton early Monday evening. He had been in ill health for some time and just gradually weakened until the spirit took its flight from the tired body. It is just a few months since he retired from service in his last charge, at Thorold to spend his last months in the little home on Knox Avenue.

A son of the late Charles and Margaret Caldwell, of Irish descent, he was born in Simcoe County. His parents were of the type who included the right principles in their family and it was small wonder that the son would choose the ministry for his life work. Rev. Henry Caldwell graduated from Wesleyan Theological College, Montreal, fifty-two years ago, and entered the ministry of the then Methodist Church. His charges included the usual number of fields that a minister's work is made up of. The acquaintanceship of the writer with Mr. Caldwell, however, first commenced when he was serving in Georgetown, but more latterly in Limehouse and Churchill. And what a service in the advancement of the Kingdom lies in the life of Rev. Henry Caldwell, through those fifty-two years. By exhortation and example he elevated all with whom he came in touch.

In all those fifty-two years Mr. Caldwell never took a holiday of any length until a year ago, when he and Mrs. Caldwell visited in the West. In answer to this lack of rest he simply replied, "Those with whom I labor do not take holidays. Why should I?" For him that hymn, "I'll go where you want me to go dear Lord," had a sincerity that rang true in his life.

He never tired in his work for the Kingdom and in all his efforts he was ably aided by his loyal wife and family. It is small wonder that from this home the children should want to emulate the example of the father. A daughter, Mrs. (Dr.) Agnew, and her husband are serving in the mission field in China, where Mrs. Agnew is on the staff of the University at Chengtu, China. Another daughter, Ida, had secured her Master of Arts degree and volunteered for the mission fields when death severed her service eight years ago, which this young life had planned to render.

Rev. H. Caldwell's was a life full of service. His work in the church field seemed to mean to him a service to all to whom he came in contact with. Even during his long days of illness his thoughts were not of his own suffering but rather of those to whom he might lend messages of comfort and cheer—with never a word of his own illness. Any community in which he served in the capacity of pastor was greatly enriched and any whose life he touched was elevated. Truly a noble life to have lived. And in his passing hundreds from all parts of the country join in deepest sympathy with his widow and family in his passing. Mrs. Caldwell was, before her marriage, Elizabeth J. Kitching, of Nassagaweya. Four daughters remain with her to mourn the passing of the beloved husband and father, but who have shared with her the joy of living under his example and guidance in the home. They are: Mrs. Clarence Buck, Georgetown; Mrs. (Dr.) Agnew, on the University staff in Chengtu, China; Mrs. Karl Vannatter, Pembroke Falls; and Mrs. Archie Kerr, Acton. Seven grandchildren also remain, three in far-off China, and four in Canada.

One brother, William Charles, of Varney in Grey County also remains, and during the illness the past months he and his wife have been able to be at the home here and spend the last days together.

Our pen is not capable of telling of the complete life of Rev. Henry Caldwell. Nor is it needed. It is written into the lives of those with whom he came in contact. He is at rest, but his works live after him.—Acton Free Press.

Friends from many walks of life and from many points near and distant, gathered last Thursday afternoon to attend the funeral and pay tribute to Rev. Henry Caldwell S.T.L. The auditorium of the United Church was filled for the service held there. Ministers who had been associated with Mr. Caldwell and friends whose lives he had touched and who desired to join in their last tribute to his memory.

A brief service was conducted at the house by Rev. Dr. E. M. Morrow, prior to the church service, and Dr. Morrow was in charge of the service at the church. About thirty-five ministers from points in Toronto and Hamilton Conferences of the United Church were present. Mr. Caldwell was the last President of Hamilton Conference of the old Methodist Church—the year before Union. He was also a Commissioner of the first General Council of the United Church.

The scripture was read by Rev. Dr. John Coburn, who paid tribute to the life and example Mr. Caldwell had lived. He was one of God's good gentlemen and beloved by all who knew him.

Tributes of sympathy and eulogies of his life were also given by Rev. G. N. Atkinson, of Carlisle, Chairman of Halton Presbytery, who also represented the President of Conference, Rev. J. W. Gallagher, of Guelph; Rev. Dr. H. Gallagher, Chairman of Niagara Presbytery; Rev. Dr. Dean of Toronto.

Rev. Dr. T. A. Moore, of Toronto, in his address told of his acquaintanceship with Mr. Caldwell from the early days. He had been commissioned by Hamilton Presbytery, by the executive of the General Council of the Church and a number of ministers in Toronto to convey sympathy to the family in the life terminated. Mr. Caldwell was a much-loved man. His character, his kindness and thoughtfulness of others all endeared him to his friends. His tact and approach in reaching men's souls was an attribute, as was also his courage and persistency for the right. He was a manly man and a courageous soul.

Dr. Morrow's text was a very appropriate one, "Thanks be unto God who giveth us the victory through our Lord Jesus Christ."

During the service a quartette composed of Reverends E. M. Morrow, J. T. Roslop, Aldershot; G. I. Stephenson, Limehouse, and M. J. Akins, of Hagersville, sang, "Face to Face."

Pallbearers were Reverends G. I. Stephenson, J. T. Roslop, F. C. Overend, A. O. W. Potenger, J. W. Stewart and Benjamin Ryer. Interment was made in Fairview Cemetery, Acton, in the family plot where the remains are interred of the daughter, who had also planned on a life of service in the advancement of the Kingdom.

HIGH SCHOOL BOARD

The regular monthly meeting of the Georgetown High School Board was held on Monday evening, March 9th with the members all present, and the chairman Dr. P. R. Watson presiding.

The minutes of the previous meeting were read and approved.

The following accounts were presented and passed:—

R. H. Thompson & Co.	$ 1.50
C. C. Snowdon	12.00
Snyder's Cartage	1.75
Georgetown Hydro Comm.	5.31

Mayor Joseph Gibbons waited on the Board, and on behalf of the Town Council and himself, expressed their appreciation of the generosity of the Board in providing a temporary loan to the town, the same being part of the school grant from the county. Mr. Gibbons also expressed the hope that the Board would be able to finance in such a way that the requisition from the town would not exceed that of last year, the sum of $3500.

The chairman voiced the feeling of the Board by assuring Mayor Gibbons that this matter would receive their serious consideration.

A very gratifying report from the Inspector of High Schools was in the hands of the Board. From an academic standpoint this report was most satisfactory, but need of extensive improvements in school accommodation and ventilation were stressed.

On motion duly seconded the secretary was instructed to write to the Clerk of the County of Halton, asking that he notify the secretary of the Guelph Collegiate to the effect that the Georgetown High School Board wished to be informed of any pupil or pupils from the Municipality of Georgetown, seeking admission to the Guelph school.

It was moved, seconded and carried that the Board donate the sum of ten dollars as a prize to the County Musical Festival at which a number of Georgetown pupils are competing.

After a period of discussion of plans for the celebration of the fiftieth anniversary of the founding of the school, to be held in the current year, the meeting adjourned.

—The two rear pullmans on the crack C.N.R. Maple Leaf Flyer running from Chicago to Montreal, jumped the track a few miles above Guelph on Saturday evening, about 8.30 p.m. Fortunately no one was seriously injured, but the passengers received a shaking up.

W.C.T.U. MEETING

Despite the inclemency of the weather, a goodly number of the W.C.T.U. members gathered last Friday afternoon at the home of Mrs. C. B. Dayfoot for the March meeting, which was presided over by Mrs. A. R. Vanatter.

The devotional study, led by Mrs Coventry was a continuation of Weatherhead's "Jesus and Ourselves." In the selection chosen the writer brings under review our Lord's respect for, and evident desire to develop, the personality of the individual, never compelling surrender to His ideals, but endeavoring to stimulate thought and consequent purpose in the hearer, ever discouraging an unthinking acceptance of His claims.

At the close of the business period, Mrs. Hector Bird brought the company a beautiful message in song. The president then welcomed Rev. E. G. Baxter, who had kindly consented to present to the W.C.T.U. his report of the Ontario Temperance Federation Convention held in Toronto last month, on which occasion he had represented the local branch of that organization.

Reviewing the resolutions which had come up for discussion at the convention, Mr. Baxter stressed the point that our greatest problem in temperance work at present is not man's appetite for alcohol, but the heartless greed of those who are becoming rich through the degradation and heartbreak of fellow beings. In this connection he referred to the address of Rev. P. W. Ziemann of London, who had dwelt on this aspect of the situation which he, as a pastor, had all too great opportunity to witness.

Mention was made of the cheering fact of the entrance of the Older Boys' Parliament into the temperance campaign, the premier of this year being now a vice-president of the Federation. Education the speaker said, must be our chief weapon, but let us never forget that the power of our offensive lies in prayer, "for we wrestle not against flesh and blood, but against spiritual wickedness," which can be effectually met only with the strength which God supplies.

Mrs. Vanatter voiced the thanks of the meeting to Mrs. Bird, Mrs. Dayfoot and Mr. Baxter for their contributions to a helpful and interesting meeting.

The April gathering will be held at the home of Mrs. R. H. Wright, Charles St.

Hydro Arrears Must be Paid before April 1st

THE ONTARIO HYDRO ELECTRIC POWER COMMISSION definitely state in clause 49, Standard Interpretation of Rates, that:—

"When a consumer is fifteen days in arrears for two months' service, the service shall be discontinued, and service shall not be given again until payment is made in full, including a charge of $1.00 for the cost of reconnecting. Such discontinuance of service does not relieve the consumer of the liability for arrears or for his service charge or minimum bills for the balance of the term of contract. The Corporation may if deemed advisable make more rigid requirements regarding payment of bills."

THE ONTARIO POWER COMMISSION have instructed us to impartially carry out the above regulations due to the large amount of arrears in Georgetown Hydro Electric System.

ALL ARREAS MUST BE PAID prior to April 1st or service will be discontinued until the arrears are paid in full. This will be strictly carried out as soon as possible after April 1st. No further notice will be given. After April 1st the services in arrears will be disconnected regardless of whether or not the consumer is home when the service man calls.
