## Public School Concert

AS USUAL A BIG SUCCESS AND MUCH ENJOYED BY LARGE GATHERING

The annual public School concert was given by the Public School pupils in the auditorium of the school on Tuesday and Thursday evenings of last week. Those who attended were delighted with the various numbers that comprised the programme and enjoyed particularly the fine solos, duets, trios and choir numbers which had been prepared during the year. As remarked by the chairman, the evening was one of pleasant surprises.

On Tuesday evening, Inspector Denyes attended the concert and spoke briefly, expressing his pleasure at being present and congratulating the pupils and their teacher on the excellent rendering of the various selections. A pleasing feature of the evening was the presentation to Miss Harrison and Miss Giffen of beautiful roses by Doreen Mulholland, June Clark and Roy Peck on behalf of the girls and boys who took part in the County Festival at Burlington.

One of the pleasant duties of the chairman of Tuesday evening, Mr. J. D. Kelly, was the presenting of prizes to four members of the Entrance Class of 1935: David Canton, Evelyn Hayes, Daisy Brailsby and Robert McMenemy.

The junior pupils excelled themselves in their particular number, "The Rebellious Alphabet" with Peggy Kelly and Kenneth Harrison taking the leading part on Tuesday evening and Jean Dickie and Donald Bird on Thursday evening. A Japanese operetta, "O Cho San," was the closing number and the many children in colorful and lovely costumes presented a charming sight. Two very pretty Japanese dances were given under the direction of Miss Scott, the solos were sweetly sung by Verna McLintock and Robert Early, and the choruses well rendered by the pupils of the school.

A very enjoyable evening was brought to a close by the singing of God Save the King.

Mr. D. Crichton, chairman of the Public School Board officiated as chairman on Thursday evening.

## INJURED WHEN TRUCK TURNED OVER

Burns suffered severe cuts and lacerations. He received medical attention and was able to return to his home. The truck was badly damaged. Traffic Officer Bert Howell of Rockwood investigated.

## OPENING BALL GAME
## SATURDAY, MAY 23rd

**Georgetown Pipe Band to Lead Parade to Park — Large Crowd Expected — Four Teams in Halton County Loop**

Saturday, May 23rd, is expected to be the date for the season's opener in the Halton County Baseball League at Georgetown. The visiting team will be Brampton, unless for some unforseen reason the schedule should be changed. Although Brampton held the cellar position in the group last year, they are expected to have a much stronger squad this year, and a good game of ball is looked forward to.

The local executive are planning a grand opening for the season, with a parade to the ball diamond lead by the Georgetown Pipe Band, and including the members of both teams, executives and officials. The Pipe Band will parade in their new uniforms, and when you hear the skirl of the pipes get in line for the big parade. A record attendance is anticipated for the first game of the season, and the fans are looking forward to Georgetown fielding a well-balanced team.

Acton, Milton, Brampton and Georgetown form the four team loop this season. It will be remembered Georgetown were runners up for the group title last year—and should, from all accounts, take the championship this year.

Don't forget and follow the parade on Saturday, May 23rd, to the Park. Brampton vs. Georgetown at 3 o'clock.

## High School Places Fourth at Kitchener Meet

With a fine display of athletic ability, contenders from Georgetown High School matched strides with the pick of thirteen high and continuation schools in the Waterloo College Invitation Games held Saturday, May 2nd. The games were held at Woodside Park, Kitchener, under quite favourable weather conditions for the most part, but late contests were carried on under the handicap of soggy grounds, occasioned by an untimely deluge.

Two hundred and twenty-five athletes saw last year's records smashed before their onslaught in nearly every event. Georgetown with a minority in entrants placed fourth on points garnered by three contestants. Ross Duncan captured the pole vault title, clearing 9' 4," one inch short of last year's record. Second in this event went to Paul Barber (?). In the shot-put Ross Duncan again placed scant inches behind the winner, to take second place.

In the half-mile run, Eddie Lunan covered the distance in two minutes and twenty seconds, to place second in a close finishing spurt. Unfortunately Ross Duncan strained his knee in the high jump—an injury which cheated him of a most apparent place in this event.

Upholding Milton's athletic name, diminutive Bruce McNabb outclassed a field of twenty-one entrants to take the hundred yard sprint in the remarkable time of ten and two-fifth seconds.

Bob "Scotty" Rankine of Preston, holder of the Canadian ten-mile record was on hand and gave an exhibition one mile run—covering the distance in 4.37.

## LADY GOLFERS MEET

The ladies of Cedar Crest Golf Club held their annual meeting at the club house on Thursday, April 30th at 3 p.m. Mrs. Willoughby presided.

Officers elected for the coming year are as follows:—

President—Mrs. Willoughby.
Captain—Mrs. P. Armstrong.
Vice-Captain—Mrs. P. W. Cleave.
Secretary—Mrs. S. J. Mackenzie.
Social Committee—Mrs. Peck, convenor; Mrs. J. A. Early, Mrs. W. G. O. Thompson, Mrs. W. Nodwell, Mrs. Robb, Mrs. R. B. Poulis, Mrs. J. B. Mackenzie, Miss Marjorie Gault.
Handicap Committee—Mrs. P. B. Coffen, Mrs. K. M. Langdon, Mrs. O. T. MacKay.
Ringer Secretary—Miss Hettie Lawson.

The President, Mrs. Willoughby, very fittingly thanked last year's officers, committees and Mr. P. B. Coffen for their efforts and enthusiasm which made last year such a successful one.

The hostess list was drawn up and the ladies are starting their season of golfing on Wednesday, May 6th.

The ladies accepted an invitation from the lady golfers in Brampton and late in June are sending ten of their players there for a game.

The latter part of the meeting was spent socially over a cup of tea.

A large turnout is expected on Wednesday, May 6th.

## LARGE CROWD ATTEND BASEBALL CLUB DANCE

One of the largest crowds of the season attended the Baseball Club dance on Friday evening last in the Arena. New Harmony Orchestra supplied the music for this unique occasion and everyone present had a most delightful time. Those present are only waiting to hear of another dance sponsored by this organization.

During the evening a door prize of $5.00 was given away—the winner being Miss Lois Morton of Acton.

The lucky number draw also took place during the intermission, and the winners are as follows:—

1st Prize— Season's tickets — Mr. Berg, King St., Georgetown.
2nd Prize—Hamper of groceries, donated by A. E. Parnell—Ed. Ballingal, Toronto.
3rd Prize—Box of chocolates, donated by MacCormack's Drug Store—Mrs. Hunter, Georgetown.
4th Prize—Men's shirt, donated by A. C. McMurchy—H. Perry, Georgetown.
5th Prize—300 cigarettes, donated by Georgetown Cafe—Ed. McWhirter.

The Baseball Club wish to thank all those who helped in any way to make their dance and draw such a a decided success. Their support is deeply appreciated.

## THIS AND THAT IN SPORT

Howdy, Gang!

According to schedule the umpire's cry, "play-ball" will be heard above the loud crackling of peanut shells in this town on Saturday, May 23rd.

Brampton vs. Georgetown in the opening game . . . So leave your gardens all you baseball fans and follow the parade to the Park.

Cold weather has hindered practice for the local nine, but next week should see the team out in full color.

And when we say color . . . from all reports the team will display new uniforms for the opening game.

No wonder the parade . . . More of a fashion show in what ball teams and pipe bands are wearing this season.

And let every ball player get in the parade. . . No hunkers please. Be a booster, not a knocker.

From all reports the Baseball Club dance went over with a bang, and everyone e-n-j-o-y-e-d themselves.

There are six teams in the lower county group. Burlington, Waterdown, Kilbride, Carlisle, Palermo and Campbellville making up the Halton-Wentworth League.

Streetsville Juvenile Hockey Team who played in the group here last season, and who were successful in winning the group championship, were tendered a banquet by the citizens of that town one evening last week.

Time we were organizing for softball in town. A church league would create a good deal of interest.

A very impressive ceremony took place at Maple Leaf Gardens last Saturday, when "Torchy" Peden was officially made honorary president and given his membership card of the Georgetown Winged Wheelers' Cycle Club between his "soup and corn syrup" during the six day grind. Between mouthfuls Torchy said he would write the Club at his earliest possible convenience and wished them every success.

And for those who don't read the daily papers . . . Jimmie Walbour and Charlie Winter were the winners in the ninth semi-annual Toronto Six Day Bike Race, with Peden and Audy second.

A new era dawned last Friday, the small boy knows that the time has arrived. An old tomato can has been called into action, filled with earth in which several worms seek refuge. An old pole and a bit of line are slung over his young shoulders. Yes, sir, folks! Suckers are running—he's "goin' fishin'."

At this time we wish to express our thanks to all those who so kindly contributed articles for our column, and who have given us a word of encouragement in our endeavor to brighten the sport events of our town. This is a where Sport is shown a big part in our daily life, and we feel that the citizens of Georgetown are entitled to know just 'what's what' and 'who's who' in sport in their town. That there is no need to go out of town for recreation . . . that there is enough sport to be found here which should interest you. If you want to get into it. Be it tennis, golf, softball, baseball, bowling, etc. So sport fans, with your co-operation we hope to bring you these items of news each week. Have the secretary of your club get in touch with us when anything special takes place.

The palm of the bowler is getting itchy . . . and the grass on the green is getting greener.

Sunday next is Mother's Day . . . Let us all wear a flower in honor of her. The greatest sport of all.

## Choral Society Concert

The auditorium of Knox Presbyterian Church was filled on Tuesday evening on the occasion of the annual entertainment of Georgetown Choral Society, under the very able direction of W. E. Capps, A.C.A.M. of Brampton. The splendid program of choruses, duetts, solos, etc., delighted the large gathering and the program throughout was one of the best presented to a Georgetown audience for some time. The society was ably assisted in their program by Miss Steele, elocutionist; Miss T. Capps, vocalist, and Misses Shilar, violinists. Mrs. Florence Paul, A.T.C.M. was the capable accompanist of the evening.

At the close of the program the members of the society were entertained to a delicious luncheon at the home of Mr. and Mrs. Fred Thompson, Edith St. Votes of thanks were tendered Mr. Capps for his splendid work during the past year; Mrs. Florence Paul, the very capable accompanist, and Mr. and Mrs. Fred Thompson for their kind hospitality in opening their home to the Choral Society.

Short speeches were made by Mrs. Paul and Mr. Capps, after which the following officers were elected for 1936-7:—

President—Mr. Petrie.
Vice-presidents—Miss H. Harrison and Mr. Joe Young.
Secretary-treasurer—Wilfred Leslie.
Committee—Vern Thompson, Dunlop; Fred Shortill, Ballinafad; Mrs. Norton, Limehouse; Miss Ruth Giffen, Ashgrove; Mrs. W. C. Bewsey, Miss Young, Cyril Brandford, Jack Harrison, Georgetown.

The happy gathering broke up after singing Auld Lang Syne.

Strawberries rank second amongst Canadian fruits in the total value of the 1935 fruit crop. The production of 36,199,000 quarts valued at $3,949,000 in 1935 was well above the five-year average of 18,435,000 quarts worth $1,785,000.

## THEATRE PACKED AGAIN AT SUNDAY BAND CONCERT

The Gregory Theatre was again packed last Sunday night to hear the program of the Lorne Rifles (Scottish) Band, assisted by Art Large and Bill Crampton of Toronto.

Jim Hunter, the popular radio announcer was the chairman of the evening. He was introduced by Reeve A. E. Parr, who asked him a number of questions re radio announcements which he cheerfully answered, and the interview proved quite interesting to the audience.

The selections by Art Large, saxaphone soloist and Bill Crampton, xylophone soloist, two of Toronto's leading musicians were exceptionally good and a feature of the evening that added much to the enjoyment of the splendid program rendered by the band and its members.

Colonel Cousens, commanding officer of the Lorne Rifles, was called to the platform by Reeve Parr and made a short address in which he congratulated the Band on the splendid program and thanked the chairman, the sponsor and all who had taken part in the evening's entertainment.

## GLEN WILLIAMS

The town hall was filled to capacity on Thursday evening for the Protestant Rally. Rev. Morris Zeidman, of radio fame, and Mr. George McCoombe, L.O.L. Grand Master for Ontario, were the speakers. Mr. McCoombe said: "The Orange order will fight to the last ditch any further concessions to the separate schools to which they are not entitled by the constitution. For Premier Hepburn to take one cent and hand it over to the separate schools is neither decent nor honest, but is robbery," he declared. "Mr. Hepburn isn't fooling anyone but himself. A dawn is approaching in Ontario when Protestants will arise in their might to enforce respect of their rights. The separate school tax bill has started a religious fight and now that it's here, we are not going to run away from it."

A most enjoyable euchre party was held in the parish hall on Friday evening, under the auspices of the Ladies' Guild of St Alban's Church. Prize winners were: gents, 1st, Godfrey Christenson; 2nd, Jim Clarke; consolation, Ed. Hill. Lucky door prize, Matt. Beaumont. Ladies—1st, Mrs. Appleyard; 2nd, Martha Graham; consolation, Mrs. Davidson; lucky door prize, Mrs. Hayward.

On Friday evening in the basement of the United Church, Georgetown and Limehouse Trail Rangers, with their respective leaders, Alan McDonald and Kenneth Stephenson, were entertained by the Glen group. Allan Law, chief ranger and Horace Blyth were in charge. Those taking part in the musical program were: Joe Wilcox, gold medalist, cornet soloist; Robert McMenemy, saxaphone selections; George Blyth and Bert Marchment, selections on guitars, and Teddy Beam, piano solo. Community singing was lead by Mr. Stephenson. Mrs. Addy was an efficient accompanist. Mr. Crawford gave an interesting talk on first aid to the injured. Pitty sat down to supper, which was served by Mrs. Geo. Allan and Mrs. Albert Pritchwood.

Others may have their troubles, but it is always hard to believe they are as bad as our own.

Angler: "You've been watching me for three hours. Why don't you try fishing yourself?"

Onlooker: "I ain't got the patience."

Nothing worries a woman more than just having nothing to worry about.

## WHAT HALTON'S REPRESENTATIVE SAYS ABOUT THE DUNNING BUDGET

The Dunning Budget will revive a new note of hope and confidence in the hearts of the common people of this country. Canadians during the past five years have by bitter experience learned that high tariffs which bonus a few at the expense of many are artificial restraints on trade and throw men out of work in all countries. No one factor has contributed more to the mass accumulation of wealth in a few hands than high tariffs. Substantial tariff reductions shown in the Dunning Budget will result in lower costs to the consumer. The farmers also benefit by the removal of duties on farm implements, motor cars and gasoline, as well as by increased markets for farm produce. All of these things will stimulate employment, but when we look at the total annual expenditure of over five hundred millions of dollars, sixty-two per cent of which is a fixed liability we can readily understand that the return to a balanced budget and prosperity will of necessity be slow. However, we are now moving in the right direction and every step is a step forward.—Hughes Cleaver, M.P.
