TOWN COUNCIL

BY-LAW TO GRANT TAX EXEMPTIONS TO LEGION PASSED—TAX RATE FOR 1936 DISCUSSED

Council met in special session on Tuesday evening with Mayor Gibbons, Reeve Parr and Councillors C. Armstrong, F. P. Blackburn, George Davis, Wm. Thompson, W. P. Smith, A. E. Wright present.

Mr. S. J. Mackenzie addressed Council asking that sidewalks be laid on portions of Albert and Factory Streets. The matter was left in the hands of the Chairman of Streets and Walks to report at regular meeting on Tuesday evening next.

The matter of granting certain exemptions from taxes on the Legion Club Rooms was discussed.

It was moved by Blackburn and seconded by Wright, that By-law No.— to grant certain exemptions to Branch No. 120 Canadian Legion on their club house, be now read a first time.

The Mayor ruled the motion to grant same out of order, as he was of the opinion that seven members out of eight of the Council had no legal right to vote on By-law; they being either members or associate members of the Legion.

Moved by Thompson, seconded by Blackburn that as the Mayor has ruled the motion for the first reading of the By-law out of order, as seven of the eight members are members of the Legion and should not vote, we hereby appeal his decision and request a vote.—Carried. Yeas—Smith, Thompson, Blackburn, Wright; Nays—Mayor, Armstrong, Davis.

Moved by Blackburn, seconded by Wright, that By-law No.— to grant certain exemptions to Branch No. 120 Canadian Legion, on their club house be now read a first time.—Carried. Yeas—Smith, Thompson, Blackburn, Wright. Nays—Mayor, Armstrong, Davis.

Moved by Wright, seconded by Smith that By-law No.— to grant certain exemptions from taxation to Branch 120 Canadian Legion on their club house be now read a second and third times and finally passed and the seal of the Corporation be attached thereto. — Carried. Yeas—Smith, Thompson, Blackburn, Wright. Nays—Mayor, Armstrong, Davis.

The Mayor said this was one of the most interesting cases that has been debated by this Council during the years that he had been a member, and after receiving conflicting opinions from men learned in law, he believed the situation unprecedented in municipal affairs in this province.

It was ruled that Reeve Parr was not entitled to vote, he being a Trustee of the Legion.

The tax rate for 1936 was discussed.

The April meeting of the W.M.S. was held at the home of Mrs. Blake Vannatter, Wednesday afternoon. The meeting was well attended and the roll call was answered with "What I have learned about Africa." Several interesting items were contributed for the Temperance scrap book. The scripture study was taken by Miss Shortill and the topic on Africa by Mrs. Archie Kentner. Mrs. Vannatter then played a piano solo entitled "Rock of Ages." Mrs. (Rev.) Foreman and Mrs. A. Starrit were appointed delegates to the Presbyterial at Milton on Tuesday. The meeting closed with singing and prayer.

The Easter Thank-offering meeting of the Auxiliary Mission Circle and Band was held Friday evening the 24th in the church. The opening devotional exercises were taken by Miss B. Hills and Mrs. R. Shortill. After a short program the Rev. Mr. Soper of Brampton gave a very interesting and enjoyable address on the "Life of the People of China."

ASHGROVE

Another splendid Institute meeting was held at the home of Mrs. Fred Wrigglesworth on Tuesday afternoon April 21st, with over forty ladies present; Mrs. A. J. Ruddell, presiding. Thoughts on the motto "Dust will keep, but violets won't," were given by Mrs. Geo. Nurse. The roll call, minutes and business items were dealt with and then a hearty welcome extended to the members of Stewarttown Institute. Our guest speaker, Mrs. Geo. This address was intensely interesting. Mrs. MacMillan invited all to attend the District Annual Meeting at Kilbride on the 10th of June. Humorous readings were given by Miss Jean Fisher and Mrs. Hector Bird during the afternoon. Singing of "God Save the King" closed this part of the meeting. All enjoyed a social half-hour.

CARD OF THANKS

Mrs. Alex. Taylor, who has been confined to her home for some time with a fractured ankle, wishes to thank her friends for the many kindnesses shown her during her convalescence.

THIS AND THAT IN

SPORT.

Hi, ho, everybody!

We hope you didn't expect much in your sport column this week. High dark rainy weather would give even a sport writer the blues or something.

But then again there is always something doing in the field of sport somewhere.

• • •

The Winged-Wheeler's Cycle Club again soared to higher heights when they secured "Torchy" Peden, the sensational six-day bike racer, as their Honorary President.

This is a great destinction for the Georgetown Club, and in Torchy's own words, he says, "He would be pleased to act as Honorary President for the Georgetown Club."

• • •

We suggest that the Club hold a banquet, and have Torchy as guest speaker before he leaves Toronto.

• • •

Some of the boys were privileged to ride on the six-day bike track on Sunday morning in Toronto, but owing to a number of bad spills, caused by so many wanting to ride, the manager had to clear the track before all who went down had a chance to get on. However all were glad of the outing, as they wheeled to Toronto and back.

• • •

Joe Wilcox and George Riddall made a good showing at the track meet in Exhibition Park, Toronto, on Saturday. They were very close to getting into the finals.

• • •

Friday is May 1st .... the angler's big day. And to them we dedicate the fisherman's prayer:

Lord, suffer me to catch a fish
So large that even I,
When talking of it afterwards,
May never need to lie!

Well, at a meeting in Acton last Thursday night a schedule was drawn up in the baseball league. However, it is now expected that Brampton will drop out of the group, so there is little use publishing it this week.

• • •

If this is the case a new schedule will have to be drawn up for the Halton County League—Milton, Acton and Georgetown composing the group.

• • •

Acton club re-organized for 1936 last week and the following officers were elected: President, V. B. Rumley; secretary-terasurer, Frank Holloway; executive, Neil McNabb, C. Leishman, W. A. Storey. Honorary presidents are H. S. Holmes, G. A. Dills, J. R. Leishman, H. Elliott and A. Ritchie.

• • •

The Acton team are introducing two new players this year. We wonder how the Tannery town always manages to get new players—be it hockey or baseball. Their names are Lepar and Darby—a southpaw pitcher and a catcher.

• • •

Georgetown never seems to be able or lucky enough to get any imports. Maybe those responsible think they are not needed. Hope not this year anyway.

• • •

From all reports the Baseball Club dance Friday night is going to be an elaborate affair. When we say music by the "Harmony Boys" we need go no further. And the $5.00 door prize—who could turn that down. The club needs and deserves your support—don't fail them Friday night.

• • •

See the prizes for the Lucky number draw of the Baseball Club in MacCormack's Drug Store window. They were donated by A. E. Parnell, Georgetown Cafe, A. C. McMurchy and MacCormack's Drug Store.

• • •

St. George's Tennis Club have organized for the season and a full report appears further down our column. Hope the racquet fans will send in particulars of their tournaments this year. Better make some one responsible for these news items. They will be appreciated by our readers.

• • •

Then we sign off wondering if this column has any . . . readers.

NORVAL RIFLE CLUB NEWS

On Monady night, April 20, the Norval Rifle Club was honoured by a visit of fourteen expert riflemen from the North Toronto Rifle Club. The Torontonians divided their men into A and B teams of 7 men each. The Norvalites chose a 7 man team of sharpshooters, each man shooting 2 scores, 1st to compete with the A team, and 2nd with the B team of North Toronto.

The battle got under way at 8.30 The North Torontonians out-manoeuvred us to some extent and succeeded in guiding their bullets into the 10 ring more frequently than the Norvalites, who sometimes came to rest in the 9 ring. However, by about 11.30 another very friendly and sociable rifle match came to a close, and the targets were checked over, and the following scores were chalked up:—

A Division—North Toronto 688 x 700; Norval 669 x 700.
B Division—North Toronto 674 x 700; Norval 665 x 700.
Total—North Toronto 1362 x 1400; Norval 1334 x 1400.

SCOUT NEWS

Last Friday the meeting opened with a record attendance of twenty-five boys. Drawn up into patrols, they were inspected by the Scoutmaster and several more staves were displayed and marked for points.

After a snappy game the patrols retired to their corners where the P. L.'s briefly reviewed the six knots with their boys. This was followed by a heated knot tying competition in which the Foxes carried off the honours. The remainder of the meeting consisted of several competitions, games and the usual ten minutes of troop drill which is being introduced into the program.

At 9.30 the troop was dismissed and afterwards enjoyed thirty minutes of mat work under the supervision of E. Stockford. The points for competition were:—Foxes 87, Moose 111, Beavers 125.

The last troop hike was a decided success when twelve of the boys in charge of Patrol Leader Harley, set out for the vicinity of Limehouse. The leader reports that dinners were cooked or in some cases half cooked, over the traditional one match fire, and that although one chap's eggs were prematurely scrambled in his rucksack, all enjoyed the outing.

On Thursday the Scouter and one of his officers set forth on a trip of exploration down the Credit river. All went well until on a raft in the middle of the creek, both officers discovered that raft-polling was not their calling. The equilibrium of the craft was maintained with difficulty and after the bacon and utensils had been salvaged from the water, the adventurers pulled for shore. Dinner was cooked on the opposite shore after wading the river at its shallowest point (which proved to be several inches over the top of the average rubber boots). After a much enjoyed meal the hikers set out for home.
