Entombed Men Rescued From Moose River Mine

Dr. D. E. Robertson and Alfred Scadding Under Care of Doctor at Foot of Pit—Expect They Will be Brought to Surface at Any Time as we go to Press.

After being entombed for eleven days and nights, caused by a cave-in at the Moose River Mine, Nova Scotia, Dr. D. E. Robertson, and Alfred Scadding of Toronto were rescued at noon today from their prison 140 feet below the surface. Herman Magill of Toronto, one of the three men entombed at the time of the disaster, died early Monday morning, before rescue could be accomplished.

Great credit is due the brave miners and others connected with the rescue work for their heroic efforts in the face of untold dangers.

As we go to press at 2 p.m. the two rescued men are in fair condition and under a doctor's care at the foot of the pit. It is expected they will be brought to the surface at any moment.

Dr. Robertson is a native of Halton and was born one mile from Milton and many old friends and former school mates have anxiously sat at their radios during the past eleven days following the progress of the work in the rescue of he and his companions.

ASHGROVE

A happy occasion in the Sunday school room on Wednesday evening, April 8th, was a miscellaneous shower in honour of Miss Margaret Giffen. Many and varied useful gifts were given which showed the high esteem in which she was held in our neighborhood. With Mr. Clayton Dick in the chair, an interesting program was given consisting of readings by Mrs. Cromar, musical numbers by Mr. T. Anderson, Mrs. W. J. Alexander; Misses Frances Wrigglesworth and Betty Ruddell; Gilbert Wrigglesworth and Charlie Wall; Misses L. Wrigglesworth and E. Neill. Besides the shower gifts the Happy Hustlers young ladies' class, presented Margaret with a Bible, Miss Zeta Graham reading the address, and Miss L. Reed making the presentation.

On Monday evening, April 13th, the Women's Institute held an enjoyable social at the home of Mr. and Mrs. Milton Bird in honour of Miss Margaret Giffen. Sixteen tables of progressive euchre and crokinole were played. In euchre, Mrs. W. J. Alexander won the ladies' prize and Mr. Howard Wrigglesworth the men's prize; in crokinole, Mrs. R. J. Graham won the ladies' prize and Mr. J. Bellhoddy the men's prize. After the games, while Mrs. H. Bird played the Wedding march, Miss M. Giffen and Mr. R. Hepburn were asked to stand under a beautiful archway of white wedding bells, while Mrs. Frank Ruddell read a very fitting address and Mr. Earl Wilson presented a cream and green electric kitchen clock with the best wishes of the Institute. A lovely lunch was served.

The Easter Thank-offering meeting of the Auxiliary was held on Wednesday afternoon in the Sunday school room. Two pleasing duets were sung by Mrs. Hyatt and Mrs. P. Laidlaw, accompanied by Mrs. H. Lynds, all of Norval Missionary Society. An inspirational address on the "Art of Giving," based on the beautiful Easter thoughts by Mrs. F. O. Overend of Georgetown W.M.S., was an incentive to put first things first always. Everyone sat down to a tastefully decorated table and enjoyed a dainty lunch.

HALTON JUNIORS ELECT WALTER LINHAM AS PRESIDENT

At the annual meeting of the Halton Rural Young People's Association held in the Agricultural Office, Milton, recently, Walter Linham, of Acton, was elected president for the coming twelve months. Plans were made to hold the annual Achievement Days in Livestock Judging for the Junior Farmers and in Nutrition and Clothing for the Junior Homemakers in Milton on Saturday, June 13th. Tentative plans were also made to hold the annual Field Day at Stanley Park, Erin, on Wednesday, July 15th.

This year, we understand the girls' Achievement Day is to be confined to the girls enrolled in the Supper and Clothing Clubs organized throughout the county. We learned from Agricultural Representative, J. E. Whitelock, that over 100 young ladies are enrolled in this work and according to Miss Betty Wallace of the Institutes Branch, Toronto, interest is most keen and everything points to a record turnout at the Achievement Day. The Junior Farmers in co-operation with the various Agricultural Societies are sponsoring two grain clubs, two calf clubs and possibly a foal club. Already between 60 and 70 club members have been enrolled and more are anticipated.

The election of officers resulted as follows:—

President—Walter Linham, Acton.
1st Vice-president—Alice Hume, Milton.
2nd Vice-president—Claude McLaughlin, Norval.
Secretary—Wilma Henderson, Milton.
Treasurer—J. E. Whitelock, Milton.

THANK-OFFERING MEETING

The Easter Thank-offering meeting of the W.M.S. of the United Church was held on Friday evening at eight o'clock.

There was a good attendance to hear Rev. W. H. Mitchell of China, who was the guest speaker. His address was based on the national recovery of China. He spoke of the efficiency of the medical work and stressed community service, science and religion combined. He ended his remarks by saying, "only a saved Christian can change society." A hearty vote of thanks was tendered the speaker by the president, Mrs. Overend. The solos by Mrs. Marchment accompanied by Mrs. Wright were much enjoyed by all.
