### DIED

McANDREW—In the Private Patients Pavilion, Toronto General Hospital, on Friday, May 15th, 1936, Joseph McAndrew, M.D., in his 61st year.

SHORTILL—At her late residence, Edith St., Georgetown, Ont., early Monday morning, May 18th, 1936, Jane Ann Anthony, beloved wife of Wm. H. Shortill.

### IN MEMORIAM

McDONALD—In loving memory of my father, John McDonald, who passed away May 18th, 1935.

As a wonderful father I think of you,
In memories that are tender and true;
There wasn't a thing too big or too small
That he wouldn't try to do for us all
Quickly and quietly came the call,
He sudden death surprised us all;
And only those who loved can tell
The pain of not saying a last farewell.
We have lost but God has gained a
One of the best the world contained.
"Sadly" missed by daughter Margaret.

HOME dog owners are still up in the air over the by-law, banning the canines from running at large during the summer months. However, the local legislators may be assured that they are very popular with residents who have suffered losses in past years, by the roaming dogs damaging flower beds and gardens. Owners of the pets claim it is cruel to tie them up or parade them on leash. Perhaps so, but if they were residing in the city they would have to keep their dogs tied-up the year round, whether it was cruel or not. Although we are a great lover of dogs our sympathy is also with the residents who have been compelled to pay for uncontrolled damage caused by the roaming canines. The by-law has been passed and whether the dog owners like it or not they will have to abide by it or suffer the consequences.

## OBITUARY

### CHURCH OBSERVES TENTH ANNIVERSARY

Celebration of the tenth anniversary of the building of the present Home United Church on Sunday last marked the centennial of the congregation, which was originally formed by a group of Episcopal Methodists on the farm of Henry Freeman, pioneer of Western Chinguacousy township. The present church stands in its foundation the date-stone of the second church built by the congregation, and, beside the stone, a picture of the little red-brick church which was superseded by the present edifice. Rev. K. J. Beaton, Toronto, preached the anniversary service of the church Sunday.

## Will Celebrate Fiftieth Anniversary

### OPENING OF GEORGETOWN HIGH SCHOOL

At a meeting of the High School Board, students and others interested, held on Tuesday evening, it was decided to hold a celebration of the fiftieth anniversary of the opening of Georgetown High School.

A committee consisting of the Students' Council, Dr. F. R. Watson, chairman of the Board, Miss Muriel Thompson, Allan McDonald, Edward Lunan, Bruce Kennedy and J. M. Moore, was appointed with power to add to their number; they to bring in a report of proposed program for the event, at a meeting to be held at the school on Tuesday, May 26th at 8 p.m.

All pupils, ex-pupils and citizens interested in the celebration are urgently requested to be present.

The date of the celebration has not yet been decided, but it will probably be held early in September.

### MOTHER AND DAUGHTER BANQUET

On Friday evening the Girls' Auxiliary of St. George's Church held a Mothers and Daughters' Banquet in the basement of the church. The tables, in the form of a hollow square, were decorated with the auxiliary colours and vases of beautiful spring flowers, and lighted with candles, looking very charming. A good number sat down, after Grace had been said by his Lordship Bishop Broughall, who was the girls' honoured guest.

After partaking of a very delicious meal a sing song was led by Miss Sherwood of Hamilton in which the gathering joined.

Miss Joyce Stacey, as president of the girls welcomed the guests in a few well chosen words.

The toast to the "King" was then proposed by Miss Hazel Walker, and the National Anthem sung. The toast to the Church and her handmaiden, the Woman's Auxiliary, was proposed by Miss Betty Grant and responded to by the Diocesan Girls' Secretary, Mrs. Hargarth of Hamilton. Mrs. Hargarth spoke of the vital part of the girls' work, which is their spiritual development, and said that without it no branch could hope to flourish. Hymn 291, "O Master let me walk with Thee," was then sung.

The toast to "Our Mothers" was proposed by Miss Kay Mulholland, and responded to by Mrs. W. V. Grant. At the conclusion of her reply, Mrs. Grant called Mrs. Thompson, when Mrs. Peller presented her with a beautiful bunch of sweet peas, in appreciation of her work as leader of the girls.

Miss Mary Peller then introduced the Bishop, as the principal speaker. His Lordship responded very graciously and happily, congratulating the girls on their lovely banquet, and on the excellent manner in which they proposed and responded to the toasts of the evening. He then spoke very beautifully and helpfully on "Unconscious Influence."

The Rector then thanked his Lordship, the committee and the girls, after which, on the request of the President, the Bishop closed the delightful evening with the benediction.

### GEORGETOWN HIGH SCHOOL CHAMPIONS IN DEBATE SERIES

Georgetown High School captured the championship of District No. 8, comprising York, Peel and Halton, in the debate series sponsored by the Ontario Secondary School Teachers' Federation, by defeating Mimico High School on Friday, May 15th.

The Georgetown team Jack Thompson and Mary Peller, stressed the fact that the Reciprocity Treaty with the United States offers more disadvantages than advantages to Canada due to several causes, namely. It does not make adequate provision for our farmers, lumbermen and fishermen; it alters the direction of trade and deprives our railways of business; it will throw our merchant marine service out of employment; it permits United States manufacturers to dump goods in Canada and thus does not offer our own manufacturers the protection they deserve. The Mimico team, Harold Warner and George King, furnished tough opposition and were ready with rebuttals for nearly every point, but they were not quite good enough.

The judges were J. W. Hosteworthy of Vaughan Rd. C.I., F. H. Jackson of Runnymede C. I., and E. Smith of East York C. I.

The cup was presented by Principal Ansley of East York C. I., President of the O.S.S.T.F. You may depend that Georgetown High School will retain the cup as long as possible.

### PAST PRINCIPAL'S NIGHT AT HALTON CHAPTER

## Big Parade and Cycle Races to Feature Opening Baseball Game

**Mayor Gibbons to Throw First Ball—Parade Lead by Pipe Band and Consisting of both Brampton and Georgetown Ball Teams, followed by Cycle Club will leave Town Hall at 1.45 p.m. Standard Time.**

### SATURDAY, MAY 23rd

A grand parade, cycle races and Pipe Band music before the game are some of the features arranged by enthusiastic Georgetown fans for the opening day celebration, when Manager Herb Scott will present his 1936 edition of the Georgetown Baseball Club at Agricultural Park, Georgetown, on Saturday next, May 23rd.

The big parade will form at the town Hall at 1.45 p.m. s.t., and will march to the park, lead by the Georgetown Pipe Band. Brampton team, who will offer stiff opposition to the local club, and Georgetown's team will parade. The local boys have their new uniforms which look very fine—with blue and white being the predominating colors.

The Georgetown crew appears to be a well-balanced team this spring and should go far in the league, if not come through with the championship.

The Georgetown Pipe Band are making their first public appearance in their new uniforms, and fans and others are looking forward with much interest to hearing this splendid organization.

Before the game starts the Winged Wheelers' Cycle Club are featuring a few races . . . and many thrills and spills are promised.

Mayor Gibbons is lending his support to the team, and will throw the first ball, officially opening Georgetown's Baseball season.

All in all, the day promises to be outstanding in the history of the club, so without further bally-hoo . . . we hope to see you at the game.

### THIS AND THAT IN SPORT.

With indications pointing to fair weather by game time, hundreds of Georgetown's baseball fans will be spending Saturday afternoon at the Park, watching the local nine take on the Brampton squad in the first game of the current season.

In all probability, "Lefty" McMann, who did some smart mound work for Georgetown in the Tri-County League last year, will be given the call to hurl Saturday's opener. Should he falter along the way "Pat" Walters, who always turns in a good game, will likely be sent to the slab.

The rest of the team are all shaping in well and Manager Scott promises some good baseball this season.

All baseball players are requested to be at the town hall not later than 1.45 p.m. on Saturday to march in the parade. We want to see all the team out, then we can't say next week there were any "pikers."

Now, sport fans, give the local team your whole-hearted support at their games and let's revive the baseball fever in Georgetown. They are a great lot of fellows, and whether they win or lose you can count on them being out there giving their best.

President Harold Marshall and the other members of the baseball executive have given much of their time in planning a big day for Saturday and their efforts are greatly appreciated.

Acton will also open their ball season on Saturday. They are also planning a big day.

The Acton Free Press last week gave Milton and Georgetown the credit for ALSO running a sport's column. We may be mistaken, but we think our column was started the same week as Acton's, if not the week before.

The bowling green has been put in excellent shape and the opening is planned for next Monday the 25th. The ladies' section of the club had their election of officers last fall, so they are all ready to go. The men's section have been trying to get organized but a little more co-operation is needed if they are to get their election of officers over soon.

The Winged Wheelers Cycle Club at their meeting last week made arrangements for their races at the park before the baseball game on Saturday. All members are asked to be in line for the parade. A race board was appointed, composing: W. Richardson, P. Tout, Bob Nichol, Reg. Hoare, Herb Harlow and the officers of the Club. They are having the race track graded . . . so some good contests are expected.

The Cycle Club are also planning to get new sweaters.

This week sees the official opening of the Canadian racing season at Woodbine Park, and the seventy-seventh running of the King's Plate. The King's Plate is the oldest continuously run horse race on the North American continent . . . older than even the Kentucky Derby. The spring meeting opens on May 23, and the King's Plate is run on the opening day.

Ontario baseball fans who have followed the activities of the Toronto Maple Leaf Baseball Clubs have an excellent opportunity to get a first hand view of their teams against the stiffest opposition in the International League race during the Victoria Day holiday week end.

Montreal Royals, winners of the League championship last fall, have another strong team with heavy hitters, clever fielders and pitchers with control being their offensive and defensive weapons. The Royals finish up a three game series with the Leafs at the Pleet Street Stadium on Saturday, May 23, and this series promises to be a regular dog-fight as Ike Boone is keen to avenge the Montreal victories gained over the Leafs last season.

On Sunday, May 24, the Leafs are in Montreal, but they hurry right back to the Pleet Street Stadium for morning and afternoon games with the Rochester—Red—Wings on the Monday Victoria Day holiday. The Victoria Day holiday games mark the first appearance of the Rochester club and they present several stars from the St. Louis Cardinal organization who have been hurried from other Cardinal farm clubs in order to give the Red Wings all possible strength.

Ike Boone has his team hitting on all fours again. The feature of the spring season has been the fine hurling of Jake Mooty, a youngster enjoying his second full season in organized baseball. Walter Purcey is also coming to the front although wildness has been his fault of late. Earl Cook, the native of Lemonville, Ont., has also come to the front with several fine pitching performances of late.

Ontario baseball fans will find the Maple Leafs hustling to win in all their games. Ike Boone and his boys are in the contest until the last man has been retired. They are a team feared by all opposition this season.

### SPORT SHOTS

Orangeville Dufferin lacrosse organization have been in lacrosse for 60 years.

Sheriff J. F. Paxton, for 23 years a member of the O.H.A. executive, died at his home in St. Lambert, Que., last week in his 80th year.

Jim Forder of Oakville, who played hockey in England last season, will marry Miss Emma Hayhoe of Oakville before returning to their Old Country this fall. Roy says hockey is going over in England in a big way.

Andy Blair, defenceman with the Maple Leaf Hockey Club the past season, has been sold to the Chicago Black Hawks.

Irwin "Ace" Bailey of Toronto comes out with a few predictions . . . he looks into his crystal and sees that Harvey Jackson, Leaf left winger, will be an outstanding star next year . . . and that George Hainsworth will last for two more years with the Leafs.

Then again we read where the Toronto Hockey Club has purchased Goalkeeper Brooks, of the champion Detroit Olympics of the International League, for $3,000 cash, a record price for a minor leagues.

### BASEBALL MAKING A GREAT COMEBACK

Games in Small Towns and Cities Becoming as Popular as in Pre-War Days

A look over the baseball situation throughout the entire United States and Canada shows that the army of diamond performers is pretty nearly at full strength once more. In fact the increase of small town baseball clubs last season and so far this season makes one think of the pre-war days when nearly every village and hamlet throughout the land had some kind of a baseball team on the field.

Only a few of the colleges now are without the sport, and there are more small cities in minor league baseball today than ever before. Amateurs and semi-pros have gained ground all along the line with the added incentive of Olympic Games representation.

Leslie Mann, a former major leaguer, who has made an exhaustive study of sandlot and small town baseball, is authority for the statement that more amateur and semi-pro ball teams will be operating this year than ever before. In Chicago alone there are something like 1,500 sandlot teams and this despite the sudden and amazing popularity of little brother softball. Cleveland, Milwaukee and Detroit each has about 400 teams, and those operating in Toronto and Montreal will come close to that mark.

In the minor leagues virtually all of the old-time circuits are in operation this year, and in another year, it is forecast there will be even more.

Throughout Ontario the game has taken on renewed interest and many towns like Brantford, Galt, Guelph, and Hamilton expect to have a lot of good baseball this season. In the smaller centres like Georgetown, Brampton, Oakville and Acton, baseball has picked up during the last year or two.

### GLEN WILLIAMS

The regular meeting of the Trail Rangers was held in the basement of the United Church on Friday evening. There were 19 boys present. On Saturday the boys with their leader, Allan Law, hiked to Terra Cotta. Here they had lunch, played games and enjoyed a swim in the river. Towards evening the boys arrived home—some tired, others had sore feet, but they all agreed that they had a real good time.

The A.Y.P.A. held their election of officers for the ensuing year on Monday evening. Those elected were:—President, Ida McMenemy; vice-president, Cyril Clarke; secretary, Richard Beaumont; treasurer, Mary Bludd; local council representatives, Mrs. Williams and Mrs. Arthur Beaumont.

A memorial service for the late Mrs. Lindley Beaumont was held at St. Alban's Church on Sunday afternoon.

Rev. G. P. Atkinson, B.A. of Carlisle will be the speaker at the United Church in the Glen on Sunday evening.
