To All Legion Members

You and your wife are invited to attend a social evening at the Club Rooms on Friday, Sept. 18th. The secretary of the Provincial Command will attend and give an address. Entertainment, lunch, dancing. Program sharp at 8.

Will Appear Next Issue

A number of interesting items including reports of Esquesing Township Council, W.C.T.U., Halton Plow Teams and Halton Junior Farmers Achievements at the Exhibition were unavoidably crowded out of this issue. All will appear next week.

Twins Born at Exhibition

Grace Rauwreed Burke, fifth prize Holstein cow, owned by Thomas L. Leslie of Alluviadale Farms, Georgetown, gave birth to twin calves at Toronto Exhibition last Sunday. The mother also has several milk records to her credit. A picture of the mother and calves appeared in Saturday's Mail & Empire. Mr. Leslie also won 1st for junior bull calf and 4th on another cow.

No Blame for Fatality

At the inquest held at Rockwood inquiring into the death of Fred Barnett of London, killed in a car accident a few miles west of Acton last month, the jury brought in the following verdict: "That Fred Barnett died from severe head injuries resulting from a collision between a car driven by the deceased and another car driven by Miss Maltby of Kitchener, and it is the opinion of the jury that Fred Barnett came to his death accidently, with no blame attached to anyone."

Canadian Legion Entertained Band

Georgetown Branch 120 Canadian Legion, tendered a reception to the members of Georgetown's prize winning band, the Lorne Rifles (Scottish), on Thursday evening last at their Club Rooms.

There was a large attendance of Legion members and a very pleasant social evening was spent.

Several selections were rendered by the Band, after which Col. G. O. Brown, President of the local Branch of the Legion, welcomed the boys to the club rooms and extended congratulations to Bandmaster Lieut. Perrott and the members of the Band for the honor they had won for the Regiment, the town and themselves by proving themselves the best band in their class at the Toronto Exhibition.

Brief congratulatory addresses were also made by Capt. (Bud) McDonald of Acton, Mayor Gibbons, Rev. W. G. O. Thompson, Colonel Cousens, Ed. McWhirter, W. H. Long and others.

Bandmaster Perrott thanked President Brown and members of the Legion for the entertainment and words of appreciation. With his usual modesty he gave great credit to the members of the band for their splendid co-operation and hard work during the long hours of practise previous to the competition. Major Adkins was the best judge in the world on the merits of music, and Georgetown had the best band that ever competed in Class "B" at Toronto Exhibition. In a few years Georgetown Band will go into class "A" and will win the premier prize. He spoke highly of the splendid work of Charles Landsborough, gold medalist for cornet solo; Joe Wilcox, boy cornet player and gold medalist in class of 13, and Frank Carter, who won third for clarionet solo.

Mr. Arthur Herbert gave a very interesting account of the work of the Band since its organization and expressed the appreciation of the boys for their very efficient and popular bandmaster Lieut. Perrott.

Refreshments were served and an impromptu program of music and songs was rendered by Charlie Holmes, Guelph; Andy Dewhurst and Harry Hale.

Cyril Brandford, President of the Band on behalf of the members thanked the Legion for the enjoyable evening and expressions of appreciation of the efforts of the Band.

It was an enjoyable event throughout and one very much appreciated by the members of the Band.

CORRESPONDENCE

To the Editor: Would you be kind enough to publish this article in your valuable paper for the benefit of the Georgetown Pipe Band.

Dear Reader:

This article is to enlighten you as to the Dance Recital, which the Georgetown Pipe Band are sponsoring on Sept. 24th, and to ask you for your kind support. The recital itself is being given by 35 or 40 girls, that have been very thoroughly trained in International dancing . . . English, Irish, Scottish and many others, all in their national costume, by Durham H. Bertram, M.B.A.T.D., M.N.A.T.D., F.N.C., and only by our Pipe Major, Alex. Stewart, being a very close friend of Mr. Bertram it would be impossible for us to hire this group of fine entertainers to come to town. I might add here that through the large connection of Pipe Major Stewart, Toronto people are very much interested to see Georgetown Pipe Band go ahead, especially the officers and members of the 48th Highlanders Band.

Now to the people of Georgetown and community, we do not solicit donations from you; our motto has been from the very beginning to finance ourselves or to give good clean entertainment at a reasonable price, and give you value for every cent you spend when you attend our shows. It is hardly necessary for me to say that to equip our membership of twenty men up to now, has been an expense little known by those that have not had experience in buying such equipment. Now we would like your support by attending our Recital on Thursday, Sept. 24th and help us to get ahead financially.

Could you help us fill the skating arena. If you haven't a ticket come along. We would appreciate it.

Yours for a good Pipe Band.

K. R. Magloughlen, President,
Georgetown Pipe Band.

THIS AND THAT IN SPORT.

By G. McGilvray

Hurrah for Halton County — and Milton in particular!

Milton baseball team brought honors again to Halton County and themselves, when they advanced another rung up the "ladder of baseball fame," by defeating Ingersoll two games out of three in the Ontario Baseball Amateur Association intermediate "B" playdowns. Sept. 6th in Ingersoll the home team won by a 7 - 1 score; in the return game at Milton, Sept. 9th, the Miltonites won by a 7 - 6 score. Then on Saturday last, in Galt, playing the best ball of their career the Milton team came through with an 8 - 7 score in an eighth inning rally, which accounted for 5 runs, and victory.

Milton took a one-run lead in the second while Ingersoll went scoreless for four innings and then chalked up three runs in the fifth. Milton recorded a pair of runs on two doubles, a single and a base on balls in the sixth to stay in the fight but it looked like a darken than when Ingersoll sent four runs across in the seventh.

Two hits, four walks, a Belder's choice and two passed balls accounted for the splurge which saw D. Clement driven from the mound in favor of Ezard, 17-year-old pitcher. Then came the hectic eighth, with A. Clement, Milton second baseman, driving the first pitch out of the park for a homer. With two out and one man on base, errors and accidents accounted for more tallies.

		R.	H.	E.
Ingersoll	000 030 400	7	8	3
Milton	010 003 05x	8	12	2

Batteries—Ingersoll, Byers, D. Clement and Johnson; Milton—D. Clement, Ezard, London and R. Brush.

Milton will meet Tilbury in the second round of the playdowns. We wish our County team the best of luck in their future games.

The ball which was used when Milton won the championship of the Halton County O.H.A.A. Intermediate League at Acton recently, has been autographed by members of the Milton team and presented to Sam. Brush, who pitched for the Milton team forty years ago when Milton won the championship of the Halton County Baseball League by defeating Acton 8 to 4 at Acton. Sam, who was one of the best pitchers in Ontario forty years ago, is greatly pleased with the 1936 championship baseball presented to him.

Much interest was taken in the races at the Conservative Picnic on Saturday, the two-mile bicycle race being a thriller. The list of prize winners appear in another column.

If any of our readers were among the crowds (?) which turned out to see the Winged Wheelers Cycle Club show-off on their race to Guelph and back last Sunday afternoon, and failed to see any trace of a race . . . we are sorry. We got our dates mixed . . . the race was scheduled for this Sunday, Sept. 20th, not last week. But we have further news! A number of outside riders are expected to take part . . . including the "one-armed" champion endurance rider from Hamilton. So don't miss this event next Sunday—it proved very popular last season.

What about hockey in Georgetown?

With the Acton Free Press predicting a championship for their O.H.A. entry already this year, it is high time the local hockey executive put some names in the hat and gave them a good shake-up. But where will they get the names?

Georgetown is running shy of the ice-burners.

For a number of season's past the Georgetown hockey public have been crying, "Why can't Georgetown have a winning team like other towns of this size?"

The outsider asks, "Have you an arena to play in?" And the proud home-town booster says, "The best west of Toronto." Again he asks, "Do you get the hockey crowds?" And again he replies, "Yes, we can get the support at certain games—but it is falling off." Then the reply comes back that there must be something wrong, which brings us back to where we ask the same question "Why can't Georgetown have a winning team?"

New players, new officers and a new executive are needed. Those who have played and promoted hockey in Georgetown for a number of years have done their task well . . . but like dobbin . . . they have outlived their usefulness. New, young blood is need to promote better hockey in one of the best hockey towns in Ontario . . . barring none.

If our young players, who have been in the juvenile leagues for two or three years are not quite good enough (or never will be) to enter in O.H.A. company, why let us import a couple of good players who can school the younger boys in hockey tactics and at the same time put our town on the hockey map once more. Not enough interest is being shown by those who can and should help to advance Canada's national sport in our town. If we don't know the game ourselves, how can we teach the younger fellows? We say let's import. Other towns do—and it proves successful both for winning championships and financially.

A word to the wise should be sufficient—let's have a meeting, not next month, but next week. Let's have a hockey revival in Georgetown. Let's show Ontario that Georgetown with its hockey facilities on par with the best . . . can also have a team even above par.

Co-operation is needed between the hockey executive and the Arena Board for we must have a winning team if we ever expect to "burn the mortgage" on the arena. The public want something for their money. If they get it—then they will spend their money freely. But no one will turn out night after night to see the home team lose out by a narrow margin. Hockey is slipping in this community.

Wake up, Georgetown! Be hockey conscious this season. Start NOW to mend your ways.

VETERANS ATTEND SERVICE AT ACTON

Over one hundred Veterans and the Lorne Rifles (Scottish) Band from Georgetown attended the annual fall church parade of Zone 13, Canadian Legion held at Acton on Sunday last. In all there were over 350 Veterans present. They paraded down Mill St. where the salute was taken by Zone Commander J. M. McDonald, and continued to Knox Presbyterian Church where they were addressed by Rev. H. L. Hunnie, Chaplain of the Acton Legion.

"The Canadian Legion stands, in these days to preserve the peace and tranquility of the country," the chaplain declared. "The Legion reminds us of the perils of war. We want to preserve our peace, knowing what war is. Our late king to the last was faithful to his duty and we should seek to be at the same post of duty."

FORMER CRIPPLE NOW PLAYS TENNIS

Rheumatism in Feet Relieved

Here is the story of a young man who had almost given up hope of taking part in active sport, with his fellows again. He tells how he tried one remedy after another and how finally a former sufferer put him on the way to recovery:—

"Two years ago I started with pains in the feet which gradually got worse. I tried everything under the sun but to no effect. Whilst waiting for treatment one evening, another patient advised me to try Kruschen Salts. That was twelve months ago; the relief was not sudden, but the pain and swelling gradually left my feet, and in six months I amazed my friends by taking long walks into the country. This year I have played a good deal of tennis, a thing which I had begun to think I should never do again."—C.W.

Rheumatic pain and swelling is frequently caused by excess uric acid accumulating in the body. Kruschen contains two ingredients which are notable for their work in dissolving uric acid deposits. Other ingredients in Kruschen assist the internal organs to expel this "dissolved" acid from the system.

The St. George's Tennis Club defeated the Acton Club 9 - 4 in a tournament held last week in town. A return tournament was scheduled for last night at Acton, but being in a misunderstanding it was postponed until next Monday evening.
