M. Corley of Esquesing, and the late Mr. Corley. The bride entered the living room on the arm of her father to the strains of Lohengrin's Wedding march played by Mrs. Florence Wright of Georgetown. Rev. P. O. Overend, pastor of Georgetown United Church, officiated. The bride, who was unattended, looked charming in a gown of royal blue velvet and carried a bouquet of butterfly roses and lily-of-the-valley. Circus Will Come Soon!

The combined Adam Hindpaw, Barndoor, Balled-hay Shows, being staged on Oct. 16th and 17th by the Lorne Rifles Band is expected to arrive in town Monday and training will commence at once in preparation for the Big Nights.

The big menagerie of animals and large aggregation of other wonders will soon be in town and no one between the ages of eight and eighty should miss this pleasing burlesque affair.

This unique and original Pageant with a cast of sixty local people should pack the Arena both evenings and give the boys the encouragement they deserve in their effort to erect a new band stand.

The show comprises eight big main acts which include Roger and Stella, the largest and smallest elephants in captivity; elephants that never forget. An equestrian act featuring the educated horses in feats of skill and intelligence. Katharine the giraffe, better known as Katharine the obstinate. Lady Larabella and her group of untamed animals. Felis Leo, the Nubian pie-faced lion; Watus Bruin and family; the hoopmanoope, the Longtail Acrobatic monkeys; Nancy the Siberian ostrich. Space will not permit us to outline the program entirely, but you will be thrilled with Chariot Races, daring rope walkers, and a large congress of other freaks and wonders. The Lorne Rifles Band will provide the music for the show, while Professor Bumplayer and his Million Dollar Clown Band will also be in attendance.

CLOWNS HI-YU

A host of clowns and other funny people will uncork a barrel of fun that will keep you gasping thru-out the entire performance.

It won't be long until we hear the roar of the lion, and see the mighty elephants come lumbering down the street. So lets all make merry, get your tickets and peanuts and we'll be seeing you in front of the monkey's cage.

LIMEHOUSE UNITED CHURCH

At Limehouse United Church on Sunday and Monday special Harvest Home services, recognizing God's bountiful goodness, were well attended and appreciated.

Rev. A. O. W. Foreman of Hallinafad on Sunday morning gave a very fine address which helped his hearers to realise how dependent all are on God, and how His goodness should be recognized by consecrated service to Him in home and church, and in spreading the knowledge of His love far and wide.

Special music by the choir was much enjoyed.

On Monday evening a splendid entertainment was given in the United Church by Young People from the Epworth United Church, Toronto, under the leadership of Mr. John Nichol, and every item was thoroughly enjoyed. The following artists took part: Mr. John Nichol, Mr. H. O. Kills, Mr. A. Baron, Mr. H. Kills, Mr. H. Kittsey, Misses M. Holdge, D. Holdge, Mr. Adamson. The programs consisted of male quarettes, duets, sools; ladies' trios, duets, solos; mixed septettes, piano selections, musical monologues and brass band numbers. The pastor of Epworth Church, Rev. A. V. Kendall, M.A., B.D., delighted the audience with a humorous address and a very happy evening was spent. The Limehouse people appreciate very much the kindness of the friends from Toronto for coming and entertaining so splendidly.

HIS RHEUMATISM LEFT HIM

Sufferer follows Good Advice —and Takes Kruschen

The writer of the following letter had a bad attack of rheumatism, and was advised to take Kruschen. He did so, and describes his experience in the following words:—

"About two years ago I developed a severe attack of rheumatism in my left shoulder blade. I tried all sorts of remedies, but with no results, until one day my brother-in-law, on hearing of my suffering, exclaimed, 'There is only one thing for rheumatism! That is—Kruschen Salts!' I decided to purchase a bottle, and for the first week took a teaspoonful in a glass of hot water each morning. The pain gradually disappeared and has now gone entirely. I am still taking my early morning dose, as I feel convinced that it is helping to keep me fit."—J.G.B.

Rheumatic conditions are frequently the result of an excess of uric acid in the body. Two of the ingredients of Kruschen Salts are notable for their work in dissolving uric acid. Other ingredients of these Salts assist Nature to expel the dissolved acid from the system.
