Ayer's Sarsaparilla!

FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives Sarsaparilla, Dock, Stillingia, and Mandrake, with the iodides of Potash and Iron, makes a most effectual combination for the cure of complaints with which humanity is most afflicted. It purifies the blood, drives out the lurking humors that undermine health and settle into troublesome disorders, eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange and sicken. Sarsaparilla expels these humors from the blood. When they are gone, the disorders they produce disappear, such as *Ulceration of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin, St. Anthony Fire, Boils or Erysipelas, Pimples, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhea resulting from Internal Ulceration and Uterine Diseases, Dropsy, Dyspepsia, Emaciation and General Debility.* With their departure health returns.

RIVAL MILLIONAIRES.

Vanderbilt Said to be Unhappy Because Gould Has Made so Much Money—Lively Gossip.

(*New York Morning Journal.*)

To be the richest man of America is next to becoming President of the United States, probably the most universal ambition fills the American breast. Before the present era of stock watering and stock swindling set in this proud place was universally conceded to Astor. Commodore Vanderbilt's huge operations with the New York Central, in doubling the stock as well as doubling the taxes imposed upon the shipping and traveling public, changed all that. The Astors took the second rank. The Vanderbilts became the richest people of the country. That was a position which the Commodore, and afterwards his son, the present outspoken damner of the public, hugely enjoyed. But the little sly fellow who came here with a mouse-trap, and from catching mice turned to gobbling up railroads and telegraphs—Jay Gould—changed all that. It soon became whispered about that he was the richest man of the country, particularly when he made that famous exhibition of $50,000,000 worth of securities. Ever since a very keen rivalry and bitter jealousy has sprung up between the two moguls.

When Vanderbilt is asked if Gould is not a very rich man, he shakes his head in a very doleful fashion, as though he meant say: "That man will come to grief yet." Somebody once told him about the report that Gould was worth $75,000,000 and asked Vanderbilt whether he thought it was true. Vanderbilt shook his head as usual in an ominous manner and said: "Well, I tell you, twenty-five million dollars is a great deal of money." And as he did so he stuck his legs on the table of his sitting room in his most beautiful palace and went on to tell about his own operations in stocks.

He does not relish being outdone by Gould. He wants to be the very first man—not the second; and the thought in fact, the mere suggestion—that Gould is plucking the laurels as well as the dollars from him sets him wild. Whether it be this annoyance or other disappointments is not having made another $100,000,000 as he expected, it is quite certain that Vanderbilt's health has been very poor of late. His indigestion is very bad and his diet has to be of the most frugal sort. He dines at six, is hardly an hour at dinner and at nine he already goes to bed. But even this virtuous and humdrum life cannot keep the keen gnawing pangs of jealousy away from him. The big steam yacht which Gould has been building himself has given him renewed twists, and still he is not happy.

HOLLOWAY'S OINTMENT AND PILLS.—These remedies are unequalled throughout the world for bad legs, wounds, foul sores, and ulcers. Used according to directions given with them there is no wound, bad leg, or ulcerous sore, however obstinate or long standing, but will yield to their healing and curative properties. Many poor sufferers who have been patients in the large hospitals under the care of eminent surgeons, and have derived little or no benefit from their treatment, have been thoroughly cured by Holloway's Pills and Ointment. For glandular swellings, tumours, scurvy, and diseases of the skin there is nothing that can be used with so much benefit. In fact, in the worst forms of disease, dependent upon the condition of the blood, these medicines used conjointly, are irresistible

Horsford's Acid Phosphate.

(FOR OVERWORKED PROFESSIONAL MEN.)

Dr. Chas. T. Mitchell, of Canandaigua, N.Y., says: "I think it a grand restorer of brain force or nervous energy."

Oh, What a Cough!

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease consumption. Ask yourselves if you can afford for the sake of saving 50 cts. to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a million bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. For lame back, side, or chest, use Shiloh's Porous Plaster. J. G. King, wholesale and retail agent.

A Vexed Clergyman.

Even the patience of Job would become exhausted were he a preacher and endeavoring to interest his audience while they were keeping up an incessant coughing, making it impossible for him to be heard. Yet, how very easy can all this be avoided by simply using Dr. King's New Discovery for consumption, coughs and colds. Trial bottles given away at J. Geo. King's Drug Store.

AS OUNCE of prevention is worth a pound of cure and a few doses of Dr. Van Buren's Kidney Cure taken on the first sensation of pain in the region of the kidneys, will effectually ward off Bright's Disease and stone in the kidneys and bladder. All druggists keep it.

ALWAYS avoid harsh purgative pills. They first make you sick and then leave you constipated. Carter's Little Liver Pills regulate the bowels and make you well. Dose, one pill.

S. Chadwick, of Arcadia, Wayne Co., writes: "I had severe attacks of asthma for several years. I commenced taking Dr. Thomas' Eclectric Oil. The first dose relieved me in one hour. I continued taking it in teaspoonful doses for a few days, and have not had an attack of it since, now nearly one year."

MR. T. C. BERCHARD, public school teacher, Norland, writes: "During the fall of 1881, I was much troubled with biliousness and dyspepsia, and part of the time was unable to attend to the duties of my profession. Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure was recommended to me, and I have much pleasure in stating that I was entirely cured by using one bottle. I have not had an attack of my old complaint since, and I have gained fifteen pounds in weight."

Thousands bear witness to the positive curative powers of the GREAT GERMAN INVIGORATOR, the only remedy that has proved itself a specific for general debility, seminal weakness, impotency, etc., and all diseases that arise from self abuse or overtaxed brain, finally ending in consumption insanity and a premature grave. Sold by all druggists, or will be sent free on receipt of $1 per box, or six boxes for $5. Address F. J. Cheney, Toledo, Ohio, sole agent for the United States. Send for circular and testimonials of genuine cures.

DEPRESSION of mind and body, and all diseases due to insufficient or impaired nutrition, are at once arrested and cured by the early use of Puttner's Emulsion of Cod Liver Oil with Hypophosphites, etc.

"KIND WORDS can never die," and there are none but kind words spoken regarding Hagyard's Yellow Oil, that old reliable remedy for external and internal use. It cures rheumatism, deafness, croup, sore throat, and all soreness and wounds of the flesh.

THE GREAT SOURCE of consumption and many wasting forms of disease, is scrofula lurking in the system. The true specific for this condition is found in Burdock Blood Bitters. That medicine purifies the blood and builds up the enfeebled frame.

DR. LLOYD, of Ohio, surgeon in the army during the war, from exposure contracted consumption. He says in a letter addressed to Messrs. J. N. Harris & Co., proprietors of ALLEN'S LUNG BALSAM, I have no hesitancy in stating that it was by the use of your LUNG BALSAM that I am now alive and enjoying good health.

Dr. J. Collis Browne's Chlorodyne

THE ORIGINAL AND ONLY GENUINE.

ADVICE TO INVALIDS—If you wish to obtain quiet, refreshing sleep, free from headache, relief from pain and anguish to calm and assuage the weary achings of protracted disease, invigorate the nervous media, and regulate the circulating systems of the body, you will provide yourself with that marvellous remedy discovered by Dr. J. Collis Browne (late Army Medical Staff) to which he gave the name of CHLORODYNE, and which is admitted by the profession to be the most wonderful and valuable remedy ever discovered

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache Meningitis, &c

From Symes & Co., Pharmaceutical Chemists, Medical Hall, Simla, January 5, 1880. To J. T. Davenport, Esq., 33 Great Russell Street, Bloomsbury, London. Dear Sir,—We embrace this opportunity of congratulating you upon the wide-spread reputation this justly esteemed medicine, Dr. J. Collis Browne's Chlorodyne, has earned for itself, not only in Hindostan, but all over the East. As a remedy of general utility we must question whether a better is imported into the country, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and judging from their sale, we fancy that their sojourn there will be but evanescent. We could multiply instances *ad infinitum* of the extraordinary efficacy of Dr. Collis Browne's Chlorodyne in Diarrhœ, and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation during many years. In Cholera, Diarrhœa, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's, from a firm conviction that is is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of the opinion that the substitution of any other than Collis Browne's is a DELIBERATE BREACH OF FAITH ON THE PART OF THE CHEMIST TO PRESCRIBER AND PATIENT ALIKE. We are, Sir, faithfully yours, Symes & Co. Members of the Pharm. Society of Great Britain. His Excellency the Viceroy's Chemists.

CAUTION.—Vice Chancellor Sir Page Wood stated that that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE; that the story of the defendant, Freeman was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, July 13, 1864.

Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "*Dr J. Collis Browne's Chlorodyne*" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.

Dec. 26. No. 139, Union Street

The Great American Remedy for COUGHS, COLDS, ASTHMA, BRONCHITIS, LOSS OF VOICE, HOARSENESS AND THROAT AFFECTIONS.

Prepared from the finest Red Spruce Gum. (Delicious Flavor.) Balsamic, Soothing, Expectorant and Tonic. Superior to any medicine offered for all the above complaints. A scientific combination of the Gum which exudes from the Red Spruce Tree—without doubt the most valuable native Gum for Medicinal purposes.

Every one has heard of the wonderful effects of the Spruces and the Pines in cases of Lung Disease. In France the physicians regularly send their consumptive patients to the pine woods and order them to drink a tea made from the Spruce tops.

GRAY'S SYRUP OF RED SPRUCE GUM.

In this preparation the Gum now separates, and all its anti-spasmodic, expectorant, tonic, and balsamic properties are preserved. The Syrup, carefully prepared at a low temperature, contains a large quantity of the finest picked Gum in complete solution.

Its remarkable power in relieving certain forms of Bronchitis, and its almost specific effect in curing obstinate hacking Coughs, is now well known to the public at large.

Sold by all respectable chemists. Price, 25 and 50 cents a bottle.

The words "Syrup of Red Spruce Gum" constitute our Registered Trade Mark, and our wrapper and labels are also registered.
