Lime Kiln Philosophy.

Detroit Free Press.—"De man who knows dat he am mean, tricky, dishonest or degraded, an' yet who sots down to wait fur any ticular day on which to vow dat he will do better, won't be apt to make any change in his system dat his nayburs will notice. Ebery day should be a day, fur sw'arin' off from whateber am mean or offensive. Ebery day should be a day for resolvin' on doin' a leetle better dan de day befo'. If you do wrong doan' wait fur de speshul day, but right at once. If you feel dat you am mean an' low lived, doan' lib a day waitin' fur de new y'ar, but ax some one to kick you right off. We will now shet up de stove, turn out de lamps and respond to our homes."

National University.

The *Globe* says: "We are rejoiced to learn that the authorities of St. Michael's College propose to make arrangements which will secure for their undergraduates the benefits to be derived from attending the classes of the National University. If this project is carried out four colleges, belonging to the Roman Catholic, Anglican, Presbyterian and Baptist churches respectfully, will be affiliated with Toronto University, and their pupils will sit on the same benches and enjoy all the advantages of the national endowment. Every patriotic heart will rejoice to see this display of liberality and will hope still further progress will be made in the same direction."

Twenty-Four Husbands.

In one of the camps on Ain River, Minn., lives a Chippewa squaw who is enjoying the society of her twenty-fourth husband, the medicine man of the tribe. Forty years ago, at the battle of what was called Battle Hollow, she was living with her thirteenth husband, a distinguished warrior, who fell pierced by the arrows of the Sioux. Since then she has been married and divorced from ten husbands, and married the present one eight months ago. She is very old and goes by the name of "Old Monument."

The Greatest Blessing.

A simple, pure, harmless remedy, that cures every time, and prevents disease by keeping the blood pure, stomach regular, kidneys and liver active, is the greatest blessing ever conferred upon man. Hop Bitters is that remedy, and its proprietors are being blessed by thousands who have been saved and cured by it. Will you try it? See another column.

Holloway's Ointment and Pills.

Common sense, over the best of all learning, becomes invaluable when its practice will renovate broken health and reinstate soundness, strength, and vigour. Summer is the season for removing coughs, shortness of breath, wheezing, asthma, and all pulmonary diseases inflicted on the delicate and careless by our rigorous winters, and Holloway's remedies are the means of effecting a happy transition from danger to safety. After the harassed chest has been fomented with sea water or weak brine, and dried, this Ointment should be well rubbed into the skin, both in front and behind, between the blade-bones. Holloway's Pills should be taken to correct any functional irregularity, they will make each organ conform to health's requirements.

The Mystery Explained.

Nothing succeeds like success. This explains why PUTNAM'S PAINLESS CORN EXTRACTOR has risen so rapidly into public favor. It positively succeeds in accomplishing all that is claimed for it. Corns are as easily and painlessly cured by its use as the greatest sufferer could desire. Putnam's Painless Corn Extractor. Mark the name. Sold by druggists everywhere. And by J. Geo. King, Hentzelman Gunn, and by N. C. Polson & Co., Agents for Ontario.

HINTS TO FARMERS.—Don't let your horses be seen standing much at the tavern door; it don't look right. Don't be without HENRY & JOHNSON'S ARNICA AND OIL LINIMENT near at hand to apply in case of accident. Keep good fences, especially line fences; it promotes good feelings among neighbors. Keep Downs' Elixir always in the house, and in cases of sudden coughs, &c., as a safeguard against consumption and other dangerous diseases. BAXTER'S MANDRAKE BITTERS, taken according to directions, saves large expense in doctor's bills.

POVERTY TO MILLIONS.

Death of a Rich Relative Makes a New Haven Holander a Millionaire.

Roeliff Von Baren, a Hollander, who has resided in New Haven with his wife and child for six months, has fallen heir to an immense fortune by the death of a great grand uncle. Last week Heinrich Von Baren, a half brother to Roeliff, came to New Haven direct from Rotterdam, accompanied by Wm. A. Beach, a New York lawyer, and, Roeliff says, told him of his good fortune, and offered him $25,000 in cash if he would make him manager of his estates. Heinrich to pay Roeliff $7,500 weekly. This offer was refused, and Roeliff has since received letters from the Mayor of Rotterdam and the notaries who drew up the will, informing him that the estate left him is valued at between $20,000,000 and $40,000,000. It is said the property is the accumulation of several generations, and includes, besides the immense amount of real estate and personal property, two shipyards, and a fleet of seventy vessels. Von Baren is about 35, and says he was formerly a Catholic priest, entering upon that calling at the wish of his father and other relatives, but after serving three years renounced religion against their wishes. He further states that in an altercation with his half-brother over the matter he was stabbed, and, drawing his own knife, killed his half-brother in self-defence. Acting under the advice of the authorities he went to London, where he married an English woman, and lived under the name of John Spier, the name he has retained in this country. When he arrived in New Haven he was penniless, his appeals for aid to his relations being disregarded, and unable to get work he has lived mainly on charity.

Doctors Gave Him Up.

"Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remedy?"

"I assure you it is true that he is entirely cured, and with nothing but Hop Bitters and only ten days ago his doctors gave him up and said he must die!"

"Well's day! If that is so, I will go this minute and get some for my poor George. I know hops are good."

Sir Astley Cooper's

VITAL RESTORATIVE,

FOR

Strengthening the Nerves and Purifying the Blood.

TRADE MARK: "Elixir Vitæ."

This Preparation is Pronounced by the Most Eminent Members of the Medical Profession to be Unequalled for its Power in Replenishing the Vitality of the Body.

It acts supplying all the essential constituents of the blood and nerve substance and for developing all the powers and functions of the system to the highest degree.

IT IS AGREEABLE TO THE PALATE AND INNOCENT in its action, while retaining all the extraordinary properties ascribed to it, as a specific, surpassing all the known therapeutic agents of the day for the speedy and

Permanent Cure of

Nervous prostration, Liver Complaints, Palpitation of the Heart, Dizziness, Noises in the Head and Ears, Loss of Energy and Appetite, Hypochondria, General Debility, Depression, Incapacity for Study or Business, Lassitude, Trembling of the hands and Limbs, Impaired Digestion, Mental and Physical Depression, Consumption in its first stages, Impaired Sight and Memory, Nervous Fancies, Impoverished Blood, Nervous Debility in all its stages, Premature Decline, Shortness of Breath, and all morbid conditions of the system arising from whatever cause.

THE ACTION OF THE VITAL RESTORATIVE IS TWO FOLD,

on the one hand increasing the principle which constitutes nervous energy, and on the other the most powerful blood and flesh generating agent known; therefore, a marvellous medicine for renovating impaired and broken down constitutions. It quickly improves the function of assimilation to such a degree that, where for years an emaciated, anxious, cadaverous and semi vital condition has existed, the flesh will rapidly increase in quantity and firmness, and the whole system return to a robust state of health.

The Vital Restorative

acts electrically upon the organization; for instance, it assists nature to generate that human electricity which renews and rebuilds the osseous, muscular, nervous, membranous and sanguiferous tissues. It operates on the system without exciting care or thought upon the individual as to the process. It moves the lungs, lives, heart, kidneys, stomach and intestines with a harmony, vigour, yet mildness, unparalleled in medicine.

The Vital Restorative

gives back to the human structure, in a suitable form, the phosphorus or animating element of life which has been wasted, and exerts an important influence directly on the spinal marrow and nervous system, of a nutritive tonic and invigorating character, maintaining that buoyant energy of the brain and muscular system which renders the mind cheerful, brilliant, and energetic, entirely overcoming that dull, sluggish disposition which many persons experience in all their actions.

Finally, the Vital Restorative,

maintains a certain degree of activity in the previously debilitated nervous system; its use enables all debilitated organs to return to their sound state and perform their natural functions. Persons suffering from Nervous Debility, or any of the hundred symptoms which this distressing disease assumes, may rest assured of an effectual and even speedy cure by the judicious use of this most invaluable remedy.

THIS MEDICINE IS EXTENSIVELY USED IN THE ARMY, and is also in very general use in Hospitals and Public Sanitary Institutions throughout the land, as well as in private practice, and is considered as an invaluable remedy.

Beware of Spurious Imitations.

Ask for "Sir Astley Cooper's VITAL RESTORATIVE." Do not let the Chemist persuade you to take any other. The argument of larger bottles and less price is put forward.

It is QUALITY the afflicted require, not quantity. Sold by all Chemists, at 2s 9d., 4s 6d, 11s. and 22s. per bottle.

PROPRIETORS—HILTON & HARGRAVE, 9 Northumberland Street, Strand, London, England.

CAUTION.—See that the words "SIR A. COOPER'S VITAL RESTORATIVE" are blown on each bottle, and that our Trade Mark "Elixir Vitæ" is on the label, without which it cannot be genuine.

FROM MONTHLY MAGAZINE OF PHARMACY, CHEMISTRY, &c.

"Messrs. HILTON & CO. are manufacturing two very useful articles, one being a medicated perforated plaister, the other "Sir Astley Cooper's Vital Restorative," a capital tonic and nerve invigorator. This last is carefully prepared from a receipt written by the late Sir Astley Cooper, and is most effective in its action."
