CARRUTHERS BROTHERS,

CLARENCE ST. KINGSTON

MONEY LOANED on Real Estate and other securities. Nov. 11, 1880.

FIRTH IS GENERAL.

A nephew of Jay Gould drives a street car in Denver.

It is now evident that Sothern was a great man. He made a will the lawyers can't break.

[illegible]

Who says it is unhealthy to sleep in feathers? Look at the spring chicken, and see how tough she is.

A Buffalo girl never has her wedding dress made in that city, for fear somebody will say she was married in a Buffalo robe.

If you want to take the gimp out of a stuck-up man, mistake him for the street car conductor by offering him your fare as he comes along.

"Mamie," said he, and his voice was singularly low, "will you be my wife? Will you cling to me as the tender vine clings to the——" "Yes; I'll catch on," said she.

The true way for a woman to drive a nail is to aim the blow square at her thumb. Then she'll at least avoid hitting her thumb, anyway.

Several pious women united in a week of prayer for rain at Eaton Rapids, not because there was a drought, but that it might spoil a track for horse racing.

James Smith and William Martin, hand-cuffed prisoners, en route to the Albany penitentiary, jumped from the train at Coxsackie, N.Y., and escaped.

Thirty persons in a small town in Michigan were poisoned recently by eating sausages. This comes from leaving brass collars on dogs.

Only three birds can be taught to whistle entirely, namely, the bullfinch, blackbird and starling. The bullfinch is the more apt, and has been known to whistle four tunes.

Worry kills more people than work; laziness kills more than either. "And it's a magnificent death to die!"

The Cleveland preacher took for his text: "He giveth his beloved sleep." And then he said, as he glanced around, that the way his congregation had worked itself into the affection of the Lord was amazing.

At Falsom, Cal., five convicts knocked down the guard and ran for the river, pursued by the guards. Two fugitives were captured, one being wounded, and the other shot dead. The fourth was drowned. The fifth is unaccounted for.

A bill, declaring a wife a competent witness against her husband, where he commits an assault upon her, has passed the Georgia Senate. Likewise one to make it a misdemeanor to carry intoxicating drinks to any public gathering.

A Rhode Island man called a neighbor a "lantern-jawed cockroach." A suit for slander resulted, and the jury returned the following: "Not guilty on lantern-jawed, but way off on cockroach, and we find damages in the sum of three cents."

An Erie young man has been turned out of church for dancing. He now wishes that he had gone to a Sunday school picnic and hugged and kissed the girls in the religious game of Copenhagen, and thus retained his good standing in church.

A French chemist says the much abused cucumber is more healthy than the banana. And so it is. A cucumber may be knocked around three or four days, and it will come up smiling for business; whereas the banana must be eaten almost as soon as purchased or it is unfit for duty.

Some philosopher has discovered that millions of pistols are manufactured; that infantry in war do not use them; that cavalry cannot use them; that hunters find them of no service, and that they are used only to make an infernal noise on the First of July or to commit murder all the year round.

A scientific journal explains, in a long article, "How thunder storms come up." We havn't read the article, but we know how they come up. They wait until the Sunday school picnic reaches the grove and gets fairly to business at Copenhagen, swinging, flirtation, croquet and other innocent games, and then they come up like thunder and lightning. It takes the average thunder storm not more than ten minutes to come up in the neighbourhood of a picnic.

See to it!

ZOPESA (from Brazil) will cure the worst case of dyspepsia. A single dose will relieve in a degree that shows its wonderful curative powers and its peculiar action upon the stomach and digestive organs. It is a positive and absolute cure for costiveness and constipation, acting in a remarkable way upon the system, carrying off impurities. As a liver regulator its actions are most remarkable. It tones and stimulates the liver to action, it corrects the acids and regulates the bowels. A few doses will surprise you. Sample bottles 10 cents, at Wade's, or Heath & Gunn's drug stores.

Happy Consummation.

Discovered, the means by which any lady may wear slippers or shoes one or two sizes smaller than usual. Everyone who has used Putnam's Painless Corn Extractor is pleased with the result. Very few persons are exempt from suffering great discomforts and pain from corns, but corns are of small importance when they may be removed by a few applications of Putnam's Painless Corn Extractor. Beware of substitutes and bad counterfeits. Sure, prompt and painless. Sold everywhere by druggists.

Woman's True Friend.

A friend in need is a friend indeed. This none can deny, especially when assistance is rendered when one is sorely afflicted with disease, more particularly those complaints and weaknesses so common to our female population. Every woman should know that Electric Bitters are woman's true friend, and will positively restore her to health, even when all other remedies fail. A single trial always proves our assertion. They are pleasant to the taste, and only cost fifty cents a bottle. Sold by all druggists.

A Vexed Clergyman.

Even the patience of Job would become exhausted were he a preacher and endeavoring to interest his audience while they were keeping up an incessant coughing, making it impossible for him to be heard. Yet how very easy can all this be avoided by simply using Dr. King's New Discovery for consumption, coughs and colds. Trial bottles given away at J. G. King's drug store.

Have you Tried It?

If so you can testify to its marvellous powers of healing and recommend it to your friends. We refer to Dr. Fowler's Extract of Wild Strawberry, the grand specific for all summer complaints, diarrhœa, cholera, morbus, dysentry, cramps, colic, sickness of the stomach and bowel complaints of infants or adults. Let its merits be known to all who have not used it.

The Danger of Delay.

Whenever you are seized with pain or ache, or begin to experience any derangement of stomach, bowels, or liver, instantly resort to HERRICK'S SUGAR-COATED VEGETABLE PILLS, which will relieve you at once. Any delay aggravates your case, rendering a cure more difficult.

A General Defeated.

A Mrs. J. G. Robertson writes: "I was suffering from general debility, want of appetite, constipation, etc., so that life was a burden; after using Burdock Blood Bitters I felt better than for years. I cannot praise your Bitters to much.

By the use of Fellows' Compound Syrup of Hyphosphites the blood is speedily vitalized and purified, and so made capable of producing a sound mind and a sound body.

CARLETON ISLAND.

A St. Catharines Man has Discovered an Outline History of It.

Col. S. B. Hance, of Kingston, who is owner of the upper portion of Carlton Island, the ruins of the old fort still remain; to son who would give him a correct history of them. A few days since Col. Hance received the following letter:

ST. CATHARINES, Ont., July 24.

Col. S. B. Hance:

Dear Sir—I claim the $100. At infinite trouble I have unearthed the history of the old fort on Carlton Island. I can lay my hand on original letters, written more than 100 years ago, which prove the whole business. The letters cannot be gotten for money, but copies can. I now have here where I am writing a copy of an original letter written when the fort was nearly completed, by the foreman of the artificers who built it, to a friend who was then at Fort Niagara. The letter gives the name of the engineer who built the fort and the date of its beginning and completion, the names of officers in command, &c., settling the whole question at once. I can, from the letters to which I have access, furnish a pamphlet of 70 or 80 pages, giving a splendid history of Carlton Island, showing when it was called "Isle-a la Biche," then Deer Island, then Carlton Island and when so called; and I venture to say that I have unearthed the only correspondence that gives the information. The letters are between two men who came to this country before the revolution as artificers in the British army. I can furnish the date of their leaving England and the order authorizing them to come officially. So you see I have got the old fort down fine. I have got it to a certainty. Let me hear from you. Yours, J. H. DURHAM.

P. S.—If it were worth while, it is barely possible that I could by giving security, take the original documents to Kingston and let you see them, but I do not know. I can however get copies of them certified and swore to by the present owner. J. H. DURHAM.

Dyspepsia and Piles.

Gentlemen: For more than thirty years I have been a great sufferer from dyspepsia and piles. I have been frequently under medical treatment, and have tried various preparations which have been recommended to me, but received no permanent relief. In January last I commenced taking the PERUVIAN SYRUP, and after taking three bottles of it I became perfectly cured of the dyspepsia and piles; and my general health is now all that I can desire it to be.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that GREEN'S AUGUST FLOWER will make them as free from disease as when born. Dyspepsia and Liver Complaint is the direct cause of seventy-five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of AUGUST FLOWER will prove its wonderful effect. Sample bottles 10 cents. Try it.

"Women Never Think."

If the crabbed old bachelor who uttered this sentiment could not witness the intense thought, deep study and through investigation of women in determining the best medicines to keep their families well, and would note their sagacity and wisdom in selecting Hop Bitters as the best, and demonstrating it by keeping their families in perpetual health, at a mere nominal expense, he would be forced to acknowledge that such sentiments are baseless and false.—*Picayune.*

Tried and True.

How sad to contemplate the fact, that for the sake of gain, would-be philanthropists have introduced patent medicines and drugs (vile compounds) which are advertised to cure all the ills that flesh is heir to. Verily they have their reward. Thousands are annually sent to the graves through the use of such compounds. Baxter's Mandrake Bitters have come before a discerning public, without any loud trumpeting. They have been tried and have not been found wanting. They are daily gaining in public favor, and for dyspepsia, jaundice, and biliousness have no equal.

Cholera Infantum.

That terrible scourge among children may be speedily cured by Dr. Fowler's Extract of Wild Strawberry. All forms of bowel complaints, nausea and vomiting, from an ordinary diarrhœa to the most severe attack of Canadian cholera, can be subdued by its prompt use. It is the best remedy known for children or adults suffering from summer complaints.

YOUR FACE.—A few applications of Bell's Tan and Freckle Lotion will remove Tan, Freckles, Sunburn, Tetter, Pimples, and Roughness of the Skin.

Perfectly harmless. Used by thousands. Price 25 cents per bottle. Try it! For sale at Wade's drug store, cor. King and Brock streets.

Dyspepsia can readily be cured by taking according to directions Dr. Carson's Stomach and Constipation Bitters. They greatly aid the digestive powers and tone the whole system. In large 50z. bottles at 50 cents. For sale by all druggists.

Ayer's Cherry Pectoral,

FOR DISEASES OF THE THROAT AND LUNGS, SUCH AS COUGHS, COLDS, WHOOPING COUGH, BRONCHITIS, ASTHMA AND CONSUMPTION.

The few compositions which have won the confidence of mankind and become household words, among not only one but many nations, have been the extraordinary virtues. Perhaps no one ever's cure so wide a reputation or maintained it so long as AYER'S CHERRY PECTORAL. It has been known to the public about forty years, by a long continued series of marvelous cures, that have won for it confidence in its virtues, never equaled by any other medicine. It still makes the most effectual cures of Coughs, Colds, Consumption, that can be made by medical skill. Indeed, the CHERRY PECTORAL has really robbed these dangerous diseases of their terrors to a great extent, and given a feeling of immunity from their painful effects, that is well founded, if the remedy be taken in season. Every family should have it in their closet for the ready and prompt relief of its members. Sickness, suffering, and even life is saved by this timely protection. The prudent should not neglect it, and the wise will not. Keep it by you for the protection it affords by its early use in sudden attacks.

Ayer's Cherry Pectoral,

FOR DISEASES OF THE THROAT AND LUNGS, SUCH AS COUGHS, COLDS, WHOOPING COUGH, BRONCHITIS, ASTHMA AND CONSUMPTION.

The few compositions which have won the confidence of mankind and become household words, among not only one but many nations, have been the extraordinary virtues. Perhaps no one ever's cure so wide a reputation or maintained it so long as AYER'S CHERRY PECTORAL. It has been known to the public about forty years, by a long continued series of marvelous cures, that have won for it confidence in its virtues, never equaled by any other medicine. It still makes the most effectual cures of Coughs, Colds, Consumption, that can be made by medical skill. Indeed, the CHERRY PECTORAL has really robbed these dangerous diseases of their terrors to a great extent, and given a feeling of immunity from their painful effects, that is well founded, if the remedy be taken in season. Every family should have it in their closet for the ready and prompt relief of its members. Sickness, suffering, and even life is saved by this timely protection. The prudent should not neglect it, and the wise will not. Keep it by you for the protection it affords by its early use in sudden attacks.
