Banquet and Presentation

BANDMASTER AND MRS. PEROTT GUESTS OF HONOR AT BANQUET TENDERED BY BAND

One of the most enjoyable social events of the season took place in the Legion Club Rooms last Friday night when the members of the Lorne Rifles (Scottish) Band gave a banquet in honor of their Bandmaster, A. H. Perrott and Mrs. Perrott.

Shortly after eight o'clock about two hundred guests sat down to pretty decorated tables and a delicious supper was served by pretty young girls of the town.

Mr. Cyril Brandford, President of the Band, was the capable chairman of the evening, and after extending a hearty welcome to all present, announced the toast list as follows:—

"The King," responded to with the National Anthem.

"Our Guest, Mr. Perrott," proposed by Mr. Charles Langsborough and responded to by Mr. Arthur Herbert. Both bandsmen spoke in the highest terms of Mr. Perrott as a most capable leader and honorable gentleman, through whose efforts the Band had attained its high standing as one of the best bands in the Dominion.

President Brandford on behalf of the members of the Band then presented Mr. Perrott with a substantial cheque, and Mrs. Perrott with a beautiful table reflector.

Both recipients thanked the donors for their very kind words and handsome gifts.

"The Band," was proposed by Mr. R. B. Poulin, and responded to by Mr. J. M. Moore.

"The Ladies," was proposed by Mr. H. C. McClure and responded to by Mrs. Clara King.

"Our Visitors," was proposed by Bandmaster Perrott and responded to by Col. Jas. Ballantine, D.S.O., Mr. Thiel of Waterloo, Mr. J. M. Mackenzie and Mayor Gibbons.

Mr. Thiel presented Master Joe Wilcox and Mr. Charles Langsborough with gold medals won in competition at Toronto Exhibition. He also presented the members of the Band with the medals won at Waterloo and Toronto Exhibition.

During the speech making many complimentary remarks were made regarding Mr. Perrott and his wonderful achievement since taking charge of the Band and he is worthy of them all. The sincere wish of the members of the Band and citizens generally is that he may long remain leader of our splendid musical organization.

Major John R. Barber, as representative of Col. Keen, read a letter expressing the Colonel's regrets at his being unable to be present, and stating that he was proud of the Lorne Rifles (Scottish) Band.

A letter was also read from Major Beaumont regretting his inability to be present.

Miss Gibson of Acton rendered vocal solo, and a trio of Toronto artists entertained at intervals during the evening.

President Brandford thanked the Committee in charge for the splendid banquet provided; also the entertainers, and all who had helped make the very enjoyable evening for all present.

A dance at the close of the banquet was enjoyed by many of the guests.

The main feature was the topic on "What the Church has to Offer Young People," by Dr. P. R. Watson. After the singing of a hymn, the closing benediction was repeated by all.

HALTON PRESBYTERY

SESSIONS HELD IN ST. JOHN'S UNITED CHURCH, OAKVILLE

Halton Presbytery met in St. John's United Church, Oakville yesterday. The spiritual life of the Presbytery was generally strengthened by the work of the various committees, an account of which will appear later. The following resolutions were presented by the evangelism and social service committee:—

First—That we place ourselves on record as opposed to war as an instrument of national policy, knowing it to be contrary to the Spirit of Jesus.

Second—That as a step toward world peace, disputes arising between nations be submitted to some such international body as the League of Nations or World Court and that the findings or judgments be supported by an international police force, thus avoiding armed clashes between individual nations.

Third—That the element of profit be removed from the manufacture of all war materials.

Fourth—That we communicate with representatives of other communions in our Presbytery area, and in local committees, offering our hearty co-operation in the interdenominational effort toward the evangelization of Canadian life.

ASHGROVE

The regular monthly meeting of the Women's Institute was held at the home of Mrs. Russell Hepburn on Tuesday, Nov. 24th. After the opening exercises and business discussion, Mrs. W. Buddell gave the motto: "As are the times, so are the manners." A paper on "Peace and International Realtionship" was given by Mrs. G. Wingfield. A very full report on our annual convention held in Toronto was given by Mrs. Nurse, our delegate. A social half hour followed while lunch was served.

STEWARTTOWN

St. Andrew's Day was observed by the W.A. of St. John's Church with communion in the morning at 11 o'clock. Members were present from Hornby, Norval and Georgetown. Luncheon was served in the Orange Hall, after which the Diocesan officers of Hamilton each gave a short talk on their work. The Rector, Rev. Mr. Jackson, was assisted by Rev. Mr. Hill of Campbellville and Rev. Mr. Thompson of Georgetown. The meeting closed with a very interesting address from Miss Thomas of Toronto.

The children are busy practicing for their annual Christmas concert.

We are sorry to hear that Mr. W. Hodge had the misfortune to fall and break his ankle Saturday morning. He was taken to Toronto General Hospital. We wish him a speedy recovery.

We regret to hear of the resignation of Mr. Jackson as rector of St. John's Church. He is leaving in the near future to be assistant minister of Holy Trinity Church, Toronto.

BALLINAFAD

The November meeting of the W.M.S. was held at the home of Mrs. W. Wylie, the president in the chair. After the opening devotional exercises the roll call was answered with thoughts on peace. The scripture study was taken by Mrs. J. Kirkwood and several interesting readings on temperance were given. The topic from the blue book was interestingly given by Mrs. A. Starrit and the "watch tower" by Mrs. B. Hills. The December annual meeting will be held at Mrs. J. P. Kirkwood's.

Mr. Richard Shortill was taken to Guelph General Hospital on Monday night where he was operated on for appendicitis. He is reported to be doing nicely.

Mrs. Wm. Mullin of Detroit visited last week with her sister, Mrs. W. Wylie.

A very successful bazaar was held Friday evening under the auspices of the W.M.S. The booth, which contained novelties, Xmas gifts and everyday necessities was well patronized. A ten cent tea was also served. The proceeds will be used for the expense fund of the W.M.S.

THIS AND THAT IN SPORT.

By G. McIlvray

The Georgetown hockey teams had their first ice practice at the Arena last night. Although the ice is not very thick as yet, the boys had a good skating workout.

There seems to be plenty of material for both teams, and looks as though Georgetown will get back on the happy map this year. We hope to have some news for you regarding the new players next week.

* * *

It is rumored that Hubert "Sheeny" Test will not play hockey this year owing to an injured knee, but we hope this is only a rumor, as Sheeny is still a favorite with Georgetown fans.

* * *

Coach "Dick" Carroll seems to be taking a great interest in the club, and the executive are meeting almost every night planning for a bigger and better hockey season.

* * *

Both teams will practise every evening for the next ten days or two weeks, providing of course there is ice.

* * *

The league grouping will be known on Friday, and after that Georgetown will know who their opponents are. The schedule will then be drawn up.

* * *

Hockey is expected to get under way in Georgetown by Christmas at the latest.

* * *

Mr. Clarence King was the delegate from Georgetown at the O.H.A. annual meeting in Toronto last Saturday.

* * *

Is your name down for a donation on the Hockey Club's subscription list. Every hockey enthusiast should be willing to help the Club back to prosperity.

We have received the following communication, which we think our readers will read with interest. If you have been reading Gordon Sinclair's column and listening to Wes. McKnight's Sport Views, you will appreciate it all the more.

Georgetown, Dec. 1, 1936.

Sports Editor,
Georgetown Herald.

Dear Sir:

I think perApps, Gordon Sinclair has thrown a Shill into the Leaflan camp and whether his comments are Fowler fair we must not turn "Thoms down" on our heroes.

Last year we were proud to sit back and watch the Leafs Roll over the opposition and lose Irwin it was always a brand of hockey which needed neither Horner trumpet to sound its praises.

Mr. Smythe has Broda good goalie from the minor loop and in regards to Shill, Jackson hits game. Metz is full of the old Nick, Kelly is showing his former Pep and as soon as Conacher's wrist is better he will be able to Drillon the nets and Chuck in his quota of scoring points.

Then the gloom will lift from our clouded minds, our troubled dreams will cease, that Happy Day will be here, and we can joyfully shake the Finnegan of all our friends.

Now that the team is undergoing some revamping allow me, in my humble way, to offer a few changes in the personnel of the team, as follows:

Goal—Steve Broda (He took a chance and won).

Defence—The Henny-Penny defence of Henny Pender and Penny Horner. (Penny is short for penalty)

Centre—Kitty Thoms.

Left Wing—T. P. Ball (T. P. means ten-pins)

Right Wing— Goliath Davidson (You will no doubt recall Davidson Goliath's feud).

And now at length I say adieu.
I know you're glad that I am through.
Leafs, come win! We'll all be blithe
Come show you're sand to Conny Smythe.

Yours till Pieder falls from the gondola

Gord Afroat

(Ed. Note—To appreciate the last line of the Artic Smythe is in the sand business.)
