THE U. S. CROPS.

Weekly Report—Poor Account from the Several States—A Bad Drought.

In some parts of Tennessee rain has not fallen for six weeks.

Ohio will yield 39,400,000 bushels of wheat or 70 per cent of last year's crop. The average yield per acre is 13 bushels.

Dry weather has nearly ruined the corn crop in North Carolina.

Nebraska has fine corn but fails badly on wheat.

In Kentucky wheat is light, but oats and rye good.

In Missouri the clinch bug has damaged all of the cereals, and the drouth has almost finished up the late corn.

The rot has reached the potato crop in Connecticut and in Missouri the drought and bug assail them.

The low soil of Arkansas has been superior to the dry weather; the crops are fine.

In Nebraska squash and pumpkin vines have suffered from a white grub or borer (egeria.) A teaspoonful of saltpetre in a gallon of water is a good cure.

Oranges have failed in Louisiana.

The peach crops in Delaware and New Jersey are very short, and apples are a partial failure generally.

Canada eggs are in demand in New York, where the supply is short.

A CLERICAL SCANDAL.

Gross Immorality Charged Against an Anglican Churchman.

Rev. Mr. Appleby, an Anglican clergyman at Sault Ste. Marie, and Examining Chaplain to the Bishop of Algoma, has been obliged to leave his mission and to skip out across the lines in consequence of a scandal in which he was implicated some weeks ago. He had been suspected of being too intimate with a well connected young girl in his congregation, who is well known in Toronto, where she was educated, but he contrived to avert suspicion for some time, till at last he was one day detected in open sin in broad daylight. The indignation of the people was so great that he thought it best to decamp, and is now practising medicine in Colorado, having completely thrown off the clerical character. What makes the matter worse is that he is a married man with a family. The greatest sympathy is felt for his wife. The man was sent out of the diocese of Niagara for improper conduct, but by pleading repentance and expiating on the poverty stricken state of his wife and family he managed to get round the Bishop of Algoma, who received him into his diocese, and in course of time, finding him a well-read man, made him his examining chaplain.—*Globe.*

Cheerfulness, courage, and great activity of intellect are engendered by Fellows' Compound Syrup of Hypophosphites, and its capacity of imparting power of endurance to the brain and nervous system, is shown in its property of sustaining persons through mental difficulties.

ZOPESA (from Brazil) will cure the worst case of dyspepsia. A single dose will relieve in a degree that shows its wonderful curative powers and its peculiar action upon the stomach and digestive organs. It is a positive and absolute cure for costiveness and constipation, acting in a remarkable way upon the system, carrying off impurities. As a liver regulator its actions are most remarkable. It tones and stimulates the liver to action, it corrects the acids and regulates the bowels. A few doses will surprise you. Sample bottles 10 cents, at Wade's, or Heath & Gunn's drug stores.

Holloway's Pills.

The Hour of Danger.—Disease commonly comes on with slight symptoms, which, when neglected, increase in extent, and gradually grow dangerous—a condition which betrays the grossest remissness—when these Pills taken in accordance with their accompanying directions, would not only have checked, but conquered the incipient disorder. Patients daily forward details of the most remarkable and instructive cases in which timely attention to Holloway's advice has undoubtedly saved them from severe illness. These Pills act primarily on the digestive organs, which they stimulate when slow and imperfect; and, secondly, upon general tone they impart, and their power of subjugating the pochondriacism, dyspepsia and nervous complaints.

Liver Complaint and Indigestion.

DEAR SIR:—My business have been that of an engraver and carver in wood. Owing to confinement to ill-ventilated rooms my health gradually declined, when I was unable any longer to prosecute my business. At this time I was suffering from great prostration of strength, extreme indigestion and disordered liver. My usual weight was 135 pounds, but I had become so much emaciated that I weighed 109 pounds. In the early part of May last I commenced taking the PERUVIAN SYRUP, and almost immediately felt its tonic and invigorating influence. In the course of four months I used four bottles. My weight this day is 149 pounds. I have neither liver complaint nor indigestion, but consider myself in a perfect state of health, and in good spirits.

A LOVER'S NOOSE.

An Amorous but Rejected Youth Attempts Suicide—Tears of Sorrow for Being Rescued.

For some time past a young man named Wm. Wildboar, who was employed at No. 164 Adelaide street west, Toronto, has exhibited a deep-seated attachment for a beautiful and accomplished young lady who resided in the neighborhood, but whose name need not be mentioned. The poor fellow's brain, as well as his heart, seemed to be on fire, and he appeared unable to do anything except he felt satisfied that the eyes of the charmer were upon him. The blushing maiden, instead of reciprocating his affection, only laughed at his foolishness, while at the same time she pretended that she was smitten. Having played upon the feelings of her admirer in this bewitching way for some time, the poor fellow worked himself up to the popping point, and instead of receiving the soul-inspiring reply of "Y-e-s," when he asked the fair one to consent to change her classic family name to that of Mrs. Wildboar for the rest of her natural life, she merely screamed with laughter and cried "Oh what a name!" and threatened to have his head shaved for his audacity. The bitter rebuke was too much for the youth, who immediately expressed a desire to die in order to escape the miseries to be endured by a rejected and dejected lover, and the heartless lady whose smiles had so bewitched him expressed a hope that he might. Proceeding to the woodshed shortly afterwards, the forlorn lover tied a piece of rope around his neck and tried to strangle himself, but as he was a novice at this kind of work he only produced a violent fit of coughing, which had the effect of arousing some members of the family. On going to the shed they found him struggling on the floor. It was only the work of a moment to ease off the noose which he had placed around his neck, and within a few minutes the love sick swain was in a fit condition to be handed over to the police for punishment for having attempted to shake of this mortal coil. Upon his way to the police headquarters the prisoner shed tears copiously, declaring that he would rather die than try to live without the companionship of his mistaken affection.

BUCKLEN'S ARNICA SALVE.—The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all kinds of skin eruptions, and positively cures Piles. This salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King.

Dyspepsia can readily be cured by taking according to directions Dr. Carson's Stomach and Constipation Bitters. They greatly aid the digestive powers and tone the whole system. In large 8oz. bottles at 50 cents. For sale by all druggists.

Haunted Me.

A Workingman says: "Debt, poverty and suffering haunted me for years, caused by a sick family and large bills for doctoring, which did no good. I was completely discouraged until one year ago, by the advice of my pastor, I procured Hop Bitters and commenced their use, and in one month we were all well, and none of us have been sick a day since; and I want to say to all poor men, you can keep your families well a year with Hop Bitters for less than one doctor's visit will cost."—*Christian Advocate.*

August Flower.

The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than seventy-five per cent of the people in the United States are afflicted with these two diseases, such as sour stomach, sick headache, habitual costiveness, palpitation of the heart, heartburn, waterbrash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c. Go to J. G. King and get a 75 cent bottle of AUGUST FLOWER or a sample bottle for 10 cents. Try it. Two doses will relieve you.

Has Stood the Test.

N. H. Downs' Vegetable Balsamic Elixir has been in use for half a century in the United States and Canada, and the thousands who have used it have never found it to fail, as a certain and speedy cure for coughs, colds, croups, asthma, diseases of the lungs and consumption. The inventor has been blessed by thousands as a benefactor of humanity, and when half a century more shall have gone by his name will still be a household word, while many of the great names now so honored and revered shall be forgotten. The fame of the Elixir, so long ago established, gains wider renown each year, for all who use it spread abroad the news of its efficacy more effectually than any medium of advertising could do.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives, Sarsaparilla, Dock, Stillingia, and Mandrake, with the Iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as *Ulceration of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa arising from internal ulceration and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility.* With their departure health returns.

Hancock's Inspirator

IS THE MOST ECONOMICAL APPLIANCE KNOWN for feeding boilers or pumping purposes, on account of the great range of its duties, and the small expenditure of steam required for working it. It is intended to take the place of Pumps and Injectors and may be used in their stead to great advantage. It differs materially, both in its

Construction & Working Qualities

from the class of boiler feeders known as injectors—inasmuch as it has one set of tubes for lifting and another set of tubes for forcing water—a combination entirely new, reliable and efficient. They are simple to operate, always ready for use and altogether a very reliable feed for boilers.

PAMPHLETS OF INSTRUCTION furnished on application, also testimonials if required. We guarantee every Inspirator according to recommendation or no charge.

SULPHOLINE LOTION.

An External Means of Curing Skin Diseases.

THERE is scarcely any eruption but will yield to "Sulpholine" in a few days, and fade away even if it seems past cure. Ordinary pimples, redness, blotches, scurf and roughness, vanish as if by magic, whilst old, enduring skin disorders, that have plagued the sufferers for years, however deeply rooted they may be, "Sulpholine" will successfully attack them. It destroys the animacule which cause these unsightly, irritable, painful affections, and always produces a clear, healthy, natural condition of the skin. "Sulpholine" Lotion is sold by most Chemists. Bottles, 2s. 9d., made by J. PEPPER & CO., London, Eng.

PEPPER'S QUININE AND IRON TONIC strengthens the nervous and muscular system, improves digestion, animates the spirits, recruits the health. For debilitated health from the effect of hot climates this tonic is invaluable.

PEPPER'S QUININE AND IRON TONIC rouses and develops the nervous energies, enriches the blood, promotes appetite, dispels languor and depression, fortifies the digestive organs. It is a specific remedy for neuralgia, ague, indigestion, fevers of every kind, chest affections, and in wasting diseases, scrofulous tendencies, &c. The whole frame is greatly invigorated by Pepper's Tonic, the mental faculties brightened, the constitution greatly strengthened, and a return to robust health certain. Bottles, 32 doses, 4s 6d. Sold by chemists everywhere. The name of J. Pepper, Bedford Laboratory, London, must be on the label. There is no Tonic so certain in effect as Pepper's Quinine and Iron. It is strongly recommended to residents in India and the Colonies, and should always be kept ready for use in every case of fever or febrile condition.

TARAXACUM AND PODOPHYLLIN.—Prepared only by J. Pepper, London. This Fluid combination, extracted from medicinal roots, is now used instead of blue pill and calomel for the cure of dyspepsia, biliousness, and all symptoms of congestion of the liver, which are generally pain beneath the shoulders, head-ache, drowsiness, no appetite, furred tongue, disagreeable taste in the morning, giddiness, disturbance of the stomach, and feeling of general depression. It sets the sluggish liver in motion, very slightly acts on the bowels, giving a sense of health and comfort within 24 hours. It is the safest medicine. Taraxacum and Podophyllin is a fluid made only by J. Pepper, Bedford Laboratory, London, whose name is on every label. Bottles, 2s. 9d. and 4s. 6d. Sold by all chemists. A most valuable and essential medicine for the colonies generally.

LOCKYER'S SULPHUR HAIR RESTORER will darken gray hair, and in a few days completely bring back the natural colour. The effect is superior to that produced by an instantaneous dye, and does not injure the skin.

LOCKYER'S SULPHUR HAIR RESTORER is the best for restoring grey hair to its former colour. It produces a perfectly natural shade and is absolutely harmless. Recommended for destroying scurf and encouraging growth of new hair.

LOCKYER'S SULPHUR HAIR RESTORER.—Never fails in acting on color glands, always restoring and maintaining that which has been lost. No other hair dressing is requisite. Large bottles, 1s 6d. Sold by chemists, hairdressers and perfumers in London, and throughout the year. Lockyer's is equal to any of the high-priced preparations.

Dr. J. Collis Browne's Chlorodyne.

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best known remedy for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE effectually checks and arrests those too often fatal diseases, Diphtheria, Fever and Croup, Ague.

CHLORODYNE acts like a charm on Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.

From W. Vesalius Pettigrew, M.D., formerly Lecturer at St. George's Hospital, London—"I have no hesitation in stating that I have never met with any medicine so efficacious as an Antispasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa and other diseases, and am perfectly satisfied with the results."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that cholera has been raging fearfully, and that the only remedy of any service was CHLORODYNE."—*See Lancet*, 1st December, 1878.

CAUTION.—*Beware of Piracy and Imitations.*—The public are further cautioned. A forgery of a government stamp having come to the knowledge of the Board of Inland Revenue.

CAUTION.—Vice Chancellor Sir Page Wood stated that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE; that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—*See Times*, July 10, 1874.

Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "*Dr. J. Collis Browne's Chlorodyne*" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.
