Mr. Overend gave a very excellent account of the address which was given by that outstanding international statesman, a missionary, Dr. E. Stanley Jones, on Monday afternoon, Feb. 22. His subject was "The Trial of Organized Religion." Certificates were presented to those who attended the leadership training school held in October. During the evening Misses Ruth Giffen and Ruth Evans rendered a lovely vocal duet. The meeting closed with the Young People's benediction.

HALTON JUNIORS TO HOLD JUDGING COMPETITIONS

In Grain, Fruit and Cream Grading, on March 13th

At a recent meeting of the executive of Halton Juniors, it was decided to hold the annual judging competitions in seeds, fruit and cream grading, at the County Seed Fair, Georgetown, on Saturday, March 13th. We understand from President Walter Linham, that the regular livestock judging competitions will be held as usual in June, but the championship trip to Ottawa will go to the competitor standing highest on the aggregate score of the two competitions. Georgetown will therefore be the mecca for Halton Junior Farmers on the morning of Saturday, March 13th.

THIS AND THAT IN .SPORT.

By G. "Mac" McGilvray

And so another season has ended for O.H.A. hockey in Georgetown.

But we still have our Midget N.H.L. and the Juvenile play-offs to look forward to.

Last night we journeyed to Preston with the 'kids'—the Black Hawks—while they turned it on to win over the homesters 2 to 1. Preston have a smooth-passing aggregation of midgets, who are a treat to watch, and it was only through hard battling and more experience that the Hawks were able to pull out a win.

The Business Men defeated Smith & Stone in hockey at the arena last night 3 to 1.

The members of the Lions Club and Canadian Legion will play "broom ball" prior to the Midget play-off game on Thursday night. Each player must be over 30, and what excitement this game should cause.

It Was a Great Season

Yes, folks, it was a great season for our Junior O.H.A. entry. And the thought predominant in our minds should be . . . well done, boys! It was a long struggle in the regular group schedule with only three teams on the card, then the strenuous home and home games for the group championship, and finally the hectic hockey in the O.H.A. playdowns. Both Acton and Orangeville, who were in the group this season, were worthy rivals, but they will have to admit Georgetown had just the edge on them. Every victory was won, not by luck or chance, but by hard and steady going from start to finish. In the group play-offs Acton had looked like a tough team to beat, but the local lads made them look easy by winning in two straight games, the scores being 7 - 2 and 3 - 2. After emerging triumphant from the group they were pitted against the Waterloo Dominions, a team carrying a much faster skating crew. In the home game Georgetown gave their best and after sixty minutes of outstanding hockey that will go down in history, they came through with a 4 - 3 score. Last Thursday night they went to Kitchener for the return game, and put up one of the best fights for a further berth in the playdowns, that could be expected of any team. Handicapped by the extremely fast ice, and a team that skated much faster, though very erratic around the nets, the Blue and White never gave up trying and it was not till the final bell that Waterloo could be called winners by a 7 - 3 score on the game, and 9 - 7 on the round. Three of these goals being of the soft variety. Georgetown throughout the season played a wide open brand of hockey—hockey that gave the fans something to cheer for. This is the kind of hockey Georgetown fans like, but when they were leading Waterloo by a single goal on the round in the third period of the second game, a more defensive brand would have won the game. Manager Percy Blackburn is to be commended on the way he handled his team this winter and his untiring efforts in trying to put a winning team on the ice for Georgetown in the face of many difficulties. We have to admit that the team was not made up of all home-brew players, nor will we have a team of all Georgetown players for a few years yet, but the fans had a winning team, and that is what they wanted. Again we say, "Well done, Georgetown."

According to the Kitchener Record "Bill" Weiler was playing right up in his own alley last Thursday night. It reads as follows:

"Bill" Weiler, erstwhile resident of Baden, New Hamburg, Toronto and now Georgetown (?) is getting to be quite a hockey tourist since first revealing his hockey talents as a member of the New Hamburg entry in the junior city league during the winter of 1934-5. He played hockey in Toronto last winter and last night bobbed up with the Georgetown sextet. Residence in Toronto and Georgetown seems to have taken some of his picturesque Pennsylvania Dutch language from him. Bill could cuss more fluently in the Pennsylvania Dutch than in the King's English when he played for New Hamburg but last night he behaved quite well and had no occasion to express his feelings vehemently in either tongue."

And further the Record says: "Waterloo Dominions are glad they are through with this scrappy Georgetown squad for the latter proved a tough morsel. At that Waterloo had to have the breaks to come out on top after out-skating the visitors. However, apparently the breaks which came their way were compensation for the bad breaks that they had to contend with down in Georgetown. In the latter place the "O" goalie played a wonderful game while last night his work was very spotty. He let in three goals of the soft variety."

The Georgetown Baseball Club will hold their annual meeting and election of officers for 1937 in the McGibbon House, on Thursday (to-morrow) night at 8 p.m. Everybody interested in baseball in Georgetown this year are requested to be present.

RIFLE NEWS

Norval Again Defeats Hamilton

On Friday night last the Hamilton Rifle Club visited the Norval Range and were defeated by a margin of eleven points. Both teams shot remarkably well. The scores for twelve men on each team are as follows: Hamilton 1152 points, Norval 1163 points.

At Monday night's club shoot, five members tied for the weekly Gold Button, and on the shoot-off, Mr. W. Wilson won with a perfect score. Four members of the Club each made possible scores of 100 points, viz: R. W. Hall, H. Nurse, P. Johnson, E. McKinney. The scores for the aggregates on Monday's shoot are as follows: H. Nurse 100, E. McKinney 100, R. W. Hall, 99, W. Robinson 97, P. Johnson 97, W. Wilson, 97, F. Hustler 97, W. G. Browne 96, W. Lisk 96, Dr. Stevenson 96.

The Norval team will visit Toronto on Friday, March 5th, in competition with the North Toronto Rifle Club, and will also re-visit Hamilton on Monday, March 8th, for another contest.

"THEODORA GOES WILD" AT GREGORY THEATRE

Did you laugh at "It Happend One Night?" Did you roar at "Mr. Deeds Goes to Town?" Out of the same studio comes another riotous romantic comedy "Theodora Goes Wild." You'll go wild with joy as the most hilarious of heroines writes a sensational novel . . . tries to live up to it . . . drives a man out of his apartment . . . makes love to the Governor . . . upsets two happy homes . . . lands in the headlines! And Theodora was just getting started!

Glorious entertainment with Irene Dunne deliciously delightful in the screen treat that sets a new high for tall laughs! At Gregory Theatre, March 9th and 10th.

MIDGET STANLEY CUP PLAY-DOWNS IN PROGRESS

Leafs Defeat Americans—Canadiens Win Over Woodstock—Hamilton Here Saturday

The Americans and the Leafs met in the second game of their three-game series last Thursday night, and the Americans tied the series at one game apiece on Carr's overtime goal. Schriner and Jackson scored the other goals to make the score 2 - 1. The Canadiens won their second round by eliminating the fast and strong Maroons by virtue of their three goal lead gained in their first meeting. These Canadiens, while they are a big fast team, yet they play a good clean game and the players are gentlemen both on and off the ice.

On Monday night the Toronto Maple Leafs eliminated the New York Americans from the Stanley Cup playdowns by the score of 1 - 0. The Amerks, while taking the short end of the count, were just as much in the hunt, and deserve great credit for the brand of hockey they displayed. Their passing and back-checking held the Leafs for most of the game and their swarming tactics around the Leafian citadel brought fear to the hearts of the Toronto supporters. They are eliminated but they did credit to the Glen. The Leafs are now waiting their encounter with the strong Canadiens. The first game will be held on Thursday of this week. Broda played his usual steady game in the nets to register his fourth shutout of the year, and Harvey Jackson was the scoring star with his winning counter midway through the third period. The defence of Horner and Fowler played an improved brand of hockey and Apps turned in a good game at centre ice. The other boys played well and these Leafs will bear watching in the finals.

The finals for the Stanley Cup will be a five-game series with the winners in three games being the champions. These games are played to a finish. In case of a tie the first goal in the overtime decides the game. Medals will be given to the victors.

The Midget Bulldogs of Woodstock were the visitors in town Monday evening. Prior to the hockey game the Woodstock players and supporters were the guests at the Legion rooms where they were welcomed at a dinner provided by the Women's Auxiliary. Col. Brown, President of the Canadian Legion, was the master of ceremonies. Speeches were made by Mayor Gibbons, Gordon Alcott, Manager C. Stacey, Howard Teasdale and Mr. Steele and Dr. Wilson, an old Georgetown boy now living in Woodstock. The Woodstock boys, while they were defeated 6 - 0 by the faster Canadiens, showed promise of some good hockey material, and it was a pleasure to see the enjoyment the boys derived from their trip. Scotty enjoyed himself too. If it can be arranged the Canadiens will play a return visit. "Stew" Beatty of Brampton and Howard Teasdale of Norval were the referees.

Last Wednesday the Bruins played an all-star team in Preston and the Preston All-stars defeated them by the score of 4 - 3.

GAMES THIS WEEK

Thursday — Stanley Cup finals—Canadiens vs. Leafs. 'King' Clancy referee.

Saturday—Canadiens vs. Hamilton (undefeated) 1.30. Cecil Hart, Gagnon, Joliat and Babe Seibert referees. Tommy Munns of the Globe and Mail will also be present at this game.

Monday of next week—Stanley Cup finals, Leafs vs. Canadiens; Hamilton Stelco vs. Maroons.

Several are hoping to attend the Ontario Temperance Federation Convention to be held in Cooke's Presbyterian Church, Toronto, on Thursday and Friday of this week.

On Sunday last in the United Church a most excellent temperance address was given by Mr. I. E. Davey of Toronto. He showed in no uncertain terms the devastating effect of alcohol in causing dangerous drivers, broken homes and broken lives. Many have pledged themselves against this traffic and trust before long our Government will make it possible for our young people, particularly, to grow up without this temptation to evil around them.

Many in the village are suffering from severe colds, and some are confined to bed with influenza.

Mr. Ken Stephenson was at home for the week end.

BALLINAFAD

Sympathy is extended to Mr. and Mrs. Jas. Longstreet in the loss of their baby daughter, Della, aged seven months. The funeral took place Monday from the home, interment in Belfountain cemetery.

Miss M. Young has been confined to her home for the past week with the flu.

The February meeting of the W.M.S. was held at the home of Mrs. Wiley. The meeting was well attended and the roll call was answered with a scripture verse on "Forgiveness." During the business part of the meeting plans were made to hold the thank-offering on April 1st. The scripture study on the Apostle James was taken by Mrs. B. Vannatter, and the topic by Mrs. F. W. Shortill. A duet was rendered by Mrs. R. Shortill and Mrs. Vannatter, "Let the lower lights be burning." Several interesting items on China were given for the Watch Tower. The meeting closed with singing and prayer.

The Mission Band held its regular meeting on Saturday afternoon. Mrs. A. Kentner, the assistant superintendent, having charge of the meeting. The attendance was small due to so much illness. The story from the study book was ably given by Mrs. R. McKnery and the leaders talk by Mrs. Kentner.

The worship service was conducted by Hornby, Miss Margaret Eyre read the scripture, Mr. Stanley May, president, lead in prayer, and some beautiful thoughts on "Opportunity" were given by Miss Dorothy Brown. The remainder of the evening was spent in games and contests under the capable leadership of Misses Elsie Neill and Isabel Wrigglesworth. Everyone present enjoyed this delightful occasion.

After the opening exercises and business discussion, the roll call was answered by "Remedies for simple ailments, burns, etc." The motto, "Man, know thyself, heal thyself," was enlarged upon by Mrs. R. Hepburn. Miss Isabel Wrigglesworth contributed a piano solo and all enjoyed community singing for a short time. We were fortunate in having Mrs. Joe Hunter as our special speaker at this meeting. She gave us many valuable hints on first aid, and also a splendid demonstration on bandaging. Lunch was served and a social half hour was enjoyed at the close of the meeting.
