October Eggs

FROM LATE MAY CHICKS

Cockerels 4½ to 5 lbs. at Thanksgiving—or 6 lbs. and Over for the Christmas Trade

RAPID growth and early maturity are even more important in late May and June chicks than in earlier chicks. If you happen to buy a slow-growing strain of chicks in late May or June, you don't have eggs to sell till the high-price season is over. But quick-growing stock gives you a chance to make some real money.

Bray's May-hatched "Xtra-Profit" pullets, if well reared, will give you high-priced eggs to sell in October, November and December—and keep right on laying through the coldest winter months. They have a countrywide reputation for wonderful liveability and extra-rapid growth. When well handled, they usually commence to lay at 5 months old (or younger) and often reach 50% production before they are 6 months old. We can back up these statements with actual evidence from every Province in Eastern Canada.

It's the same with cockerels as with pullets. Bray's "Xtra-Profit" cockerels, when well fed, usually gain a pound a month and sometimes more. You can finish May-hatched "Xtra-Profit" cockerels at the popular 4½ to 5 lb. weights, by Thanksgiving or hold them to make 6-lb. roasters (or better) for the Christmas trade. There's money in chickens when you get growth like that—and we have ample evidence to show that our customers are getting it.

Our prices are down to rock bottom. Don't buy until you see our end-of-the-season price list. We can supply "Xtra-Profit" day-old chicks, day-old pullets and started pullets, for immediate delivery—and cockerels if ordered in advance. Choice of 7 breeds. Standard Grade stock in the same 7 breeds at still lower prices. Write or phone today for complete information.

HURT IN COLLISION SUNDAY MORNING

Stephen Brinsol and his wife and daughter, Mary, of Brampton, were severely bruised and lacerated when the car in which they were riding was in collision with a car driven by Clarence Wilson of Guelph, on No. 7 highway, two miles east of Georgetown, early Sunday morning.

Wilson, his brother, Henry, Miss Jean McDonald and her brother, George, all of Guelph, escaped with minor cuts and bruises when their car, driven by the impact, rolled over three times.

Occupants of both cars were treated by Dr. C. V. Williams at Georgetown and later removed to their homes.

At Church Service

Wife: "Did you notice the wonderful coat the woman had on who was sitting in front of us in church this morning?"

Husband: "No, I'm afraid I was dozing."

Wife: "It does a lot of good to take you to church, doesn't it?"

Centennial Celebration Monday, May 24th

AT GEORGETOWN PARK UNDER AUSPICES GEORGETOWN PIPE BAND—MIDNIGHT FROLIC 12.05 A.M. IN THE ARMORIES

The second big attraction of Georgetown Centennial year will be held in the Park here next Monday under the auspices of Georgetown Pipe Band.

The program will open with a midnight frolic in the Armories, commencing at 12.05 a.m., when a good orchestra will supply the music.

Aviation formation stunt flying by the Murray Aeronautical Corp. of Toronto, and parachute jumping will take place at the Park at 2 p.m. 100 Small parachutes will be dropped, 10 of which are lucky and you will have a chance to catch one.

There will also be many novelty attractions besides a long list of track and field events, including amateur motorcycle and bicycle races.

The parachute jump will be made by J. (Terry) McGovern of Toronto, a title holding parachutist. Speaking of a jump McGovern made in Toronto a week ago the Telegram had the following:

"We haven't much idea what price parachute jumpers place on glory—but we do know that Toronto citizens place a very, low price on a parachutist's neck. By that we refer to the Toronto citizens—some 2,500 of them—who were at Barker Field last Sunday to watch Terry McGovern make a parachute jump. Before the leap, several youths "passed the hat"—and when it was all over, between twenty and twenty-five dollars had been collected. Hardly worth while risking your life for that—or is it?

"And we may tell you, now, that Terry McGovern really was risking his neck when he jumped last Sunday. He had purchased a new 'chute—but to get it here in time for Sunday's jump, it had to be shipped without being "test dropped" — that is, dropped once with a sandbag weighing it instead of a man's body, just to see if it works.

Terry knew it had never been tested, but rather than disappoint the large crowd which had gathered, he went up and jumped anyway. Fortunately, it really had been packed properly and, the landing was made all in one piece. Maybe those hundreds who dropped one-cent pieces into the passing hat felt they were cheated. Probably they'd have figured they got their money's worth if the 'chute had failed to open.

"At any rate, there are no more jumps scheduled for Toronto at the moment, although McGovern will make another at Georgetown on the 24th of May."

Don't miss the big day at Georgetown next Monday.

BALLINAFAD

Rev. and Mrs. A. Foreman spent the holiday with friends in Hamilton.

Mrs. Gear Sinclair and family of Milton visited with friends here on Coronation Day.

Friends of Miss Ruth Longstreet will be glad to know she is progressing nicely in the Rector, Beth Short, pack

Congratulations to Mr. and Mrs. Robt. McEnery who celebrated their silver wedding on Saturday, May 8th.

The May meeting of the W.A. was held at the home of Mrs. R. McEnery Tuesday afternoon. The roll call was answered with hints on the care of perenial beds. Several items of business were discussed after which Alma McEnery sang a solo. It was planned to have an open meeting in June at the home of Mrs. G. Thompson. Lunch was served at the close of the meeting.

Rev. N. Waddell has returned to spend the summer with his daughter, Mrs. B. Vannatter. We welcome him back again.

Mr. G. Gowland has sold his property on the town line to Mr. J. Ackroyd of Brampton.

ASHGROVE

These spring days are busy days, but in spite of the fact, the Women's Institute had a splendid attendance at their annual meeting held on Tuesday, May 11th at the home of Mrs. Jas. Barnes, with Mrs. Hector Bird presiding. There were many important business items to bring before the members and have settled. A generous donation was voted to be sent at once to the Red Cross fund for the flood sufferers; also arrangements for future meetings. Misses Isabel Wrigglesworth and Reta Fisher were delegates to the Girls Conference at Guelph the first part of May, and each one gave a part of the sessions stressing the jovial side of their much enjoyed trip. These reports were indeed interesting. The work covered during the past year was reported by the officers and convenors of the different committees at this time, then the election of officers followed with Mrs. Walter Brownridge acting chairlady. The new officers are as follows:

President—Mrs. Walter Brownridge.
1st Vice-president—Mrs. G. Nurse.
2nd Vice-president — Mrs. Chas. Austin.
Secretary-treasurer — Mrs. Frank Ruddell.
Directors—Mrs. Clayton Wilson, Mrs. Fred Wrigglesworth, Mrs. Geo. Wingfield, Mrs. R. Hepburn.
Program Committee—Mrs. M. Reid, Miss I. Wrigglesworth, Mrs. H. Bird, Miss Reta Fisher, Mrs. Thomas Giffen.
Flower Committee—Mrs. N. C. Wrigglesworth, Mrs. N. Stark, Mrs. W. Bird.
District Director—Mrs. A. J. Ruddell.
Press—Mrs. E. Wilson.

Pianist—Miss I. Wrigglesworth.
Assistant—Miss E. Wrigglesworth.
Delegates to the District Annual—Mrs. Walter Brownridge, Mrs. Frank Ruddell and Mrs. A. J. Ruddell.

The young people held a meeting on Sunday evening specially emphasizing the coronation and "Our Flag." A lovely worship service with a duet also. Then later on the program, readings on these subjects were given.

Mrs. J. Bellhoddy, Miss Edith Wrigglesworth, Mrs. Walter Brownridge and Mrs. E. Wilson attended the Eastern Sectional Meeting at Palermo United Church, May 18th.

REDWINGS CYCLE CLUB

The Redwings Cycle Club, accompanied by a few of the Winged Wheelers, rode to Acton last Sunday. Joe Wilcox took a picture of most of the girls walking up Silvercreek hill; later there was a collision near Acton, involving Audrey Grieve, Betty Snyder and Grace Forster. The cyclists rode to the park and around the race-track, and later around the village. On returning home Millye Davidson had an accident when she fell off her bicycle in front of the Ritchie & Agar garage. The girls will meet at the park with their bicycles on Thursday night at 7 o'clock, later going to the home of Grace Forster.

CORONATION DAY IN GEORGETOWN

Decorations Galore Throughout Business and Residential Sections of Town—Services Marred by Heavy Rain—Medals Presented to School Children

LOUD SPEAKERS BROADCAST KING'S ADDRESS

Georgetown was at her best on Wednesday last and the Coronation Day services had barely got under way at the Public School grounds, when the heavy rain fell necessitated calling the proceedings off.

The Georgetown and Acton branch of the Canadian Legion and Woman's Auxiliary headed by Georgetown Citizens Band; High School pupils and Cadets headed by Georgetown Pipe Band, paraded to the school grounds and took their respective places in front and at each side of the gaily decorated platform.

The Silver Cross Mothers occupied reserved seats in front of the platform.

The address of King George VI to his peoples was broadcast from the platform by loud speakers. His message was very distinct and much enjoyed by the large gathering.

In the absence of Rev. F. C. Overend through illness, the opening prayer was made by Rev. Mr. Stephenson of Limehouse.

The hymn "O God our help in ages past" was announced by Rev. E. G. Baxter, and all joined in the singing.

Responsive reading was led by Rev. D. D. Davidson, M.A., who also read the scripture lesson, which was followed by prayer by Rev. Mr. Baxter.

Lt.-Col. James Ballantine, D.S.O., chairman of the Committee in charge, then introduced Mayor Gibbons of Georgetown, and Reeve George Currie of the Township of Esquesing, both of whom made brief and appropriate addresses.

Then the rain started and the splendid program which was to have followed, consisting of choruses by Public School children, Coronation address by Rev. W. G. O. Thompson and Tableau by the children had to be called off.

Coronation medals were presented by the Lions Club to the Public School children and pupils of the High School.

The singing of the National Anthem accompanied by the Band brought the service to a close.

Much time had been spent by teachers and pupils of the Public School in the preparation of choruses and the tableau for this event and it seems too bad that all this time and labor should be lost. Would it not be possible to arrange a date when they could be presented in the auditorium of the school?

Brownies Plant Maple

On the morning of the day of the King's Coronation, St. George's Junior Auxiliary Brownies attended the service in the church in uniform. The Rector invited the congregation to attend the Brownies' tree-planting ceremony after the service.

Thereupon, at the conclusion of the service in the church, the pack, under the leadership of the Brown Owl, Mrs. W. G. O. Thompson, formed up round the site on the church grounds, with the congregation gathered in the background. After the first four verses of the first psalm had been read by the Rector, Beth Short, pack leader, addressed Rector and Churchwardens, asking them to accept the tree, to be known as "The King's Maple," and to plant it for the Brownies. Mr. McNally replied for the church corporation, accepting the tree, and hoping it would flourish. He and his brother churchwarden, Mr. Elmer Thompson, then proceeded to plant the tree, each Brownie in turn sharing therein by throwing a small shovelful of earth into the hole.

"The Maple Leaf" was then sung, and the brief service, with Kyrie, Lord's Prayer, prayer for the tree and the children, and the blessing was proceeded with, closing with God Save the King.
