Ayer's Hair Vigor.

FOR RESTORING GRAY HAIR

TO ITS NATURAL VITALITY AND COLOR

Advancing years, sickness, care, disappointment, and hereditary predisposition all turn the hair gray, and either of them incline it to shed prematurely.

AYER'S HAIR VIGOR by long and extensive use, has proven that it stops the falling of the hair immediately; often renews the growth; and always surely restores its color, when faded or gray. It stimulates the nutritive organs to healthy activity, and preserves both the hair and its beauty. Thus brashy, weak or sickly hair becomes glossy, pliable and strengthened; lost hair regrows with lively expression; falling hair is checked and stabilished; thin hair thickens; and faded or gray hairs resume their original color. Its operation is sure and harmless. It cures dandruff, heals all humors, and keeps the scalp cool, clean and soft—under which conditions, diseases of the scalp are impossible.

As a dressing for ladies' hair, the VIGOR is praised for its grateful and agreeable perfume, and valued for the soft lustre and richness of tone it imparts.

For Dyspepsia, Weakness and Debility.

From George S. Bixby, of Epsom, N. H.

"Having received great benefit from the use of PERUVIAN SYRUP, I am willing to add my testimony to the thousands of others constantly sounding its praise. During the war I was in the army, and had the misfortune to be taken prisoner, and be confined in Salisbury and other Southern prisons several months. I became so much reduced in health and strength as to be a mere skeleton of my former self. On being released, I was a fit subject for a Northern hospital, where I remained some two months and then came home. My physician recommended and procured for me several bottles of PERUVIAN SYRUP, which I continued to use for several weeks, and found my health restored and my weight increased from ninety pounds to one hundred and fifty, my usual weight, and I have been in my usual good health ever since. I can cheerfully recommend it in all cases of weakness and debility of the system, whether arising from an impure state of the blood, dyspepsia, or almost any other cause, believing it will in most cases give entire satisfaction. Sold by all druggists.

August Flower.

The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than seventy-five per cent of the people in the United States are afflicted with these two diseases, such as sour stomach, sick headache, habitual costiveness, palpitation of the heart, heartburn, waterbrash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c. Go to the druggist and get a 75 cent bottle of AUGUST FLOWER or a sample bottle for 10 cents. Try it. Two doses will relieve you.

Falling Leaves.

"There is something inexpressibly touching in the fallen leaves," sighs an esteemed author. There is, there is, indeed. It's when you slip on one of the articles on a wet morning, and touch the unsympathetic pavement. But there is in reality touching language,—language uttered from the heart, yes, from the depths of the soul, in the many thousands of testimonials and letters (unsolicited) that come from those who once were sufferers from lung diseases, asthma and consumption, and who have used N. H. Downs' Vegetable Balsamic Elixir, and have been restored to their wonted health and activity.

FOR DYSPEPSIA or Indigestion, Habitual Constipation, Biliousness, Liver or Kidney affections, the safest and best remedy is Dr. Carson's Stomach and Constipation Bitters, the great family medicine. They can with perfect safety be given to the youngest child as they are purely vegetable in composition and mild in their action. Sold in large panel bottles at 50 cents. Sold by all druggists.

NEW AND RECHERCHE.—The most exquisite little toilet gem extant for the teeth and breath is "TEABERRY." Sample 5 cents.

DR. CARSON'S Stomach and Constipation Bitters, are rapidly taking the place of all other purgatives, including Pills, Powders, etc. Their action is mild yet effectual and they are a certain cure for all bilious complaints. In large bottles at 50 cents. Sold by all druggists.

NOT IN THE PROGRAMME.

Amusing Scenes at the Patti Concert in New York. "Put Out the Fool" Cries the Disgusted Audience.

The New York *Times*, in its report of the Patti concert at Steinway Hall, in aid of the Michigan sufferers, says:—"Mayor Grace and a large number of highly respectable gentlemen occupied seats on the stage. By direction of some inspired dunce these gentlemen rose whenever Mme. Patti came upon the stage, and again when she left the stage, and stood until she had disappeared. This was obviously an unnecessary though harmless and excusable act of politeness, although it excited the risibilities of the audience. Mr. George N. Sanders (said to be a son of ex-rebel Sanders), Chairman of the Mayor's Relief Committee, undertook to read a list of the invited guests and to make a portentously long speech, which was sufficiently amusing in its blunders, but otherwise an affliction which was calculated to make every person in the audience feel a sense of partnership in the sufferings of the people of Michigan. There remained a further affliction, however, to be imposed by Mr. Sanders, which was altogether ridiculous and to be regretted, in that it not only annoyed the audience, but embarrassed Mme. Patti. After Mme. had sung the aria from "Dinorah," she was recalled several times. On the last occasion Mr. Sanders came forward, carrying in one hand a large green wreath, decorated with streamers of red, white and blue, and in the other a silk flag. Approaching Mme. Patti, and disregarding the hisses, laughter, and jeers of the audience, he said: "I am now called upon to add one more to the many laurels you have won, and with this wreath in the name of His Honor the Mayor, to crown you Empress of both continents." This speech ended, Mr. Sanders endeavored to put the wreath over Mme. Patti's head. By a very natural impulse, for the wreath was of overwhelming proportions, she avoided him. He persisted, the audience repeating and redoubling its laughter and hisses. At last, to escape Mme. Patti darted off the stage.

Mr. Sanders started off in hasty pursuit, with the streamers of his gayly-decorated wreath flying in air. Mayor Grace seized Sanders frantically by the coat and tried to hold him fast, but he broke away, and disappeared suddenly, to the inexpressible disgust of the audience. When Mr. Sanders reappeared there were hisses all over the hall, and cries of "Put the fool out," and "We've had enough of that." No fashionable gathering ever more plainly expressed the annoyance it had felt than did the one which finally succeeded in hissing Mr. Sanders down.

I strongly recommend the use of Fellows' Compound Syrup of Hypophosphites to all who suffer in any way from disease or weakness of the Lungs, Bronchial Tubes, or general debility.
J. H. W. SCOTT, M. D. Gagetown, N. B.

Portland, Ont., Feb. 26, 1880.
S. S. Scovil writes:—I have sold the Perry Davis' Pain-Killer for over thirty years, and the same has always given my customers entire satisfaction, and I have much pleasure in recommending it as a good and reliable family medicine.

BUCKLEN'S ARNICA SALVE.—The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all kinds of skin eruptions, and positively cures Piles. This salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King.

Ulcers and Old Sores.

These painful disfigurements disappear totally under a course of Dr. L. R. Herrick's Sugar-Coated Vegetable Pills, which restore the impoverished blood and sluggish circulation. These remedies are sold all the world over, and remove all internal pains and aches. They never fail.

A Vexed Clergyman.

Even the patience of Job would become exhausted were he a preacher and endeavoring to interest his audience while they were keeping up an incessant coughing, making it impossible for him to be heard. Yet how very easy can all this be avoided by simply using Dr. King's New Discovery for consumption, coughs and colds. Trial bottles given away at J. G. King's drug store.

Pain and Suffering

Is the common lot of all. Our earliest days give manifest proof of this, and we are never long permitted to forget it. If corns should in your case be the thorn in the flesh go at once and buy a bottle of PUTNAM'S PAINLESS CORN EXTRACTOR, and be surprised at the rapidity the freedom from pain and the success that marks its work.

Is it Possible

That a remedy made of such common, simple plants as Hops, Buchu, Mandrake, Dandelion, &c., makes so many and such marvellous and wonderful cures as Hop Bitters do? It must be, for when old and young, rich and poor, pastor and doctor, lawyer and editor, all testify to having been cured by them, we must believe and doubt no longer.—*Post*

Worthy of Praise.

As a rule we do not recommend Patent Medicines, but when we know of one that really is a public benefactor, and does positively cure, then we consider it our duty to impart that information to all. Electric Bitters are truly a most valuable medicine, and will surely cure Biliousness, Fever and Ague, Stomach, Liver and Kidney Complaints, even when all other remedies fail. We know whereof we speak, and can freely recommend them to all.—*Ex.*—Sold at fifty cents a bottle, by all druggists.

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the REV. JOSEPH T. INMAN, *Station D, New York City.*

THE SUN!

New York, 1882.

THE SUN for 1882 will make its fifteenth annual revolution under the present management, shining, as always, for all, big and little, mean and gracious, contented and unhappy, Republican and Democratic, depraved and virtuous, intelligent and obtuse. THE SUN's light is for mankind and womankind of every sort; but its genial warmth is for the good, while it pours hot discomfort on the blistering backs of the persistently wicked.

THE SUN of 1868 was a newspaper of a new kind. It discarded many of the forms, and a multitude of the superfluous words and phrases of ancient journalism. It undertook to report in a fresh, succinct, unconventional way all the news of the world, omitting no event of human interest, and commenting upon affairs with the fearlessness of absolute independence. The success of this experiment was the success of THE SUN. It effected a permanent change in the style of American newspapers. Every important journal established in this country in the dozen years past has been modelled after THE SUN. Every important journal already existing has been modified and bettered by the force of THE SUN's example.

THE SUN of 1882 will be the same outspoken, truth-telling, interesting newspaper.

By a liberal use of the means which an abundant prosperity affords, we shall make it better than ever before.

We shall print all the news, putting it into readable shape, and measuring its importance, not by the traditional yardstick, but its real interest to the people. Distance from Printing House Square is not the first consideration with THE SUN. Whenever anything happens worth reporting we get the particulars, whether it happens in Brooklyn or in Bokhara.

In politics we have decided opinions; and are accustomed to express them in language that can be understood. We say what we think about men and events. That habit is the only secret of THE SUN's political course.

THE WEEKLY SUN gathers into eight pages the best matter of the seven daily issues. An Agricultural Department of unequalled merit, full market reports, and a liberal proportion of literary, scientific, and domestic intelligence complete THE WEEKLY SUN, and make it the best newspaper for the farmer's household that was ever printed.

Who does not know and read and like THE SUNDAY SUN, each number of which is a Golconda of interesting literature, with the best poetry of the day, prose every line worth reading, news, humor—matter enough to fill a good-sized book, and infinitely more varied and entertaining than any book, big or little?

If our idea of what a newspaper should be pleases you, send for THE SUN.

Our terms are as follows:

For the daily SUN, a four-page sheet of twenty-eight columns, the price by mail, post paid, is 55 cents a month, or $6.50 a year; or, including the Sunday paper, an eight-page sheet of fifty-six columns, the price is 65 cents per month, or $7.70 a year postage paid.

The Sunday edition of THE SUN is also furnished separately at $1.20 a year, postage paid.

The price of the WEEKLY SUN, eight pages, fifty-six columns, is $1 a year, postage paid. For clubs of ten sending $10 we will send an extra copy free.

Dr. J. Collis Browne's Chlorodyne.

THE ORIGINAL AND ONLY GENUINE.

ADVICE TO INVALIDS.—If you wish to obtain quiet, refreshing sleep, free from headache, relief from pain and anguish, to calm and assuage the weary achings of protracted disease, invigorate the nervous media, and regulate the circulating systems of the body, you will provide yourself with that marvellous remedy discovered by Dr. J. Collis Browne (late Army Medical Staff) to which he gave the name of CHLORODYNE, and which is admitted by the profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.

From Symes & Co., Pharmaceutical Chemists, Medical Hall, Simla, January 5, 1880. To J. T. Davenport, Esq., 33 Great Russell Street, Bloomsbury, London. Dear Sir,—We embrace this opportunity of congratulating you upon the wide-spread reputation this justly esteemed medicine, Dr. J. Collis Browne's Chlorodyne, has earned for itself, not only in Hindostan, but all over the East. As a remedy of general utility, we must question whether a better is imported into the country, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and judging from their sale, we fancy that their sojourn there will be but evanescent. We could multiply instances ad infinitum of the extraordinary efficacy of Dr. Collis Browne's Chlorodyne in Diarrhœa and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation during many years. In Choleraic Diarrhœa, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's, from a firm conviction that it is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of the opinion that the substitution of any other than Collis Browne's is a DELIBERATE BREACH OF FAITH ON THE PART OF THE CHEMIST TO PRESCRIBER AND PATIENT ALIKE. We are, Sir, faithfully yours, Symes & Co., Members of the Pharm. Society of Great Britain, His Excellency the Viceroy's Chemists.

CAUTION.—Vice Chancellor Sir Page Wood stated that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE; that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, July 13, 1864.

Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "Dr. J. Collis Browne's Chlorodyne" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.

CAUTION—Beware of Piracy and Imitation.
