REVIEW EVENTS OF FIFTY YEARS AGO

The slogan of all reunions, "Do you remember when—?" was anticipated last Friday night by ladies of the United Church, when they presented a review of events occurring at the Georgetown High School between thirty and fifty years ago.

The theme of the playlet was a party given by two hypothetical maiden ladies for old boys and girls of Georgetown celebrating the high school's jubilee this fall. At this mythical party deeds of the young bloods and belles of half a century ago were recalled, in the form of anecdotes collected by the sponsors of the entertainment during several months past.

Properties used in the production of the play were heirlooms of the "old families" of the town, and included a spinet 150 years old, now owned by Mrs. Harry Bailey, Georgetown; a grandfather's clock, spinning wheels, and other ancient articles reminiscent of the pioneer life of the district. Some thirty members of the church took part, assisted by several guest artists.

LEGACIES

Unto my friends I give my thoughts,
Unto my God my soul,
Unto my foe I leave my love—
These are of life the whole.

Nay, there is something—a trifle—left;
Who shall receive this dower?
See mother earth, a handful of dust
Turn it into a flower.

—Ethelwyn Wetherald.

ALCOTT PITCHES BRILLIANTLY TO DEFEAT THE TANNERS BY A 6 - 5 SCORE

There was a fair crowd on hand for the opener and they were treated to a game of exceptionally good ball. Alcott was the hurler for the local squad and pitched a brilliant game; allowing the visitors only one run after the second innings. Cripps and Lambert were on the mound for Acton.

HON. DUNCAN MARSHALL ADDRESSES HALTON SHORTHORN BREEDERS

At a recent meeting of Halton Shorthorn Breeders, held in Milton, the club was reorganized after being dormant for some seven or eight years. The following officers were elected: President, Grant Campbell, Moffat; vice-president, Gordon Breckon, Bronte; secretary-treasurer, J. E. Whitelock, Milton; directors, Esquesing, Nelson Robinson and Mac Alexander; Nassagaweya, T. A. Amos and Lloyd Chisholm; Nelson, Tom Wilson and Chas. Readhead; Trafalgar, W. W. Thompson and Joseph H. Willmots.

Hon. Duncan Marshall, Minister of Agriculture for Ontario, addressed the meeting in his inimitable style. Mr. Marshall stated that Shorthorn cattle are increasing faster in Great Britain than any other breed, and furthermore, that the Shorthorn breed has done more to help agriculture in Great Britain and Canada than any other class of livestock. He also announced that Arthur Street, the outstanding British agricultural writer and farmer, will speak at the Ontario Agricultural College on June 8th, and an invitation is extended to all farmers. Prof. Geo. Day, secretary of the Dominion Shorthorn Breeders Association also addressed the meeting and reported increasing prices for Shorthorns at recent sales.

Suffered with Sciatica for 25 Years

Those who are subject to sciatica should read this letter from one who suffered for years before she found out how to obtain relief:—

"For 25 years I suffered from sciatica in my right side, and I had backaches which forced me to remain in bed for two or three weeks at a time. When I got up in the mornings, my arms and legs used to pain me almost unbearably. One day I heard of Kruschen Salts. I took a bottle of them without feeling much improvement. I tried a second bottle, and that time I felt better. I have kept on taking Kruschen ever since."—(Mrs.) H. L.

The pains of sciatica are frequently caused by an excess of uric acid in the body. Two of the ingredients in Kruschen Salts are notable for their work in dissolving uric acid. Other ingredients of these salts assist the internal organs to expel the dissolved acid from the system.

CITIZENS' BAND JOINS REGIMENT

WILL LEAD LORNE SCOTS OF HALTON, PEEL AND DUFFERIN

Only three months reverted to their status as a civilian band, Georgetown Citizens' Band has become the regimental band of the Lorne Scots Regiment of Halton, Peel and Dufferin. The musicians will have a status that will probably be unique in the Dominion. Recently, through the assistance of citizens of the town, they purchased handsome summer uniforms consisting of white caps, maroon tunics and white pants. By an arrangement with the commanding officer of the Lorne Scots, they will be allowed to wear their civilian uniforms when they play concerts which are not a part of their regimental routine.

A. H. Parrott, Brampton, bandmaster, will conduct the band in its regimental parades, with the rank of warrant officer. The band was originally a citizens' organization, then became the regimental band of the Lorne Rifles of Halton, reverted to a citizens' band again early this year, when the regiment was amalgamated with the Peel and Dufferin Regiment, and has now undergone its third change. During recent years it had been very successful in musical competition, winning first prize last year at the Canadian National Exhibition in class 'B.'

Innocence

"Yes," said one old-fashioned lady, "I don't know what the world is coming to—women masquerading as men."

"Yes," chimed in the other, "and everybody is suspected, too. Why only yesterday I got a letter addressed 'Dear Sir or Madam.'"
