THURSDAY EVEN'G, JAN'Y 23, 1879

THERE'S NO DEARTH OF KINDNESS.

There's no dearth of kindness
In this world of ours;
Only in our blindness
We gather thorns for flowers.
Outward, we are spurning
Trampling one another
While we are only yearning
At the name of 'brother.'

There's no dearth of kindness
Or love among mankind
But in darkling loneliness
Hooded hearts grow blind!
Full of kindness tinkling,
Soul is shut from soul.
When they might be mingling
In one kindred whole.

There's no dearth of kindness
Though it be unspoken
From the heart it buildeth
Rainbow smiles in token
That there be none so lowly
But have some angel touch!
Yet, nursing love unholy,
We live for self too much!

As the wild roses bloweth,
As runs the happy river,
Kindness freely floweth
In the heart forever
But if man will hanker
Even for golden dust
Kindliest hearts will canker,
Brightest spirits rust.

There is no dearth of kindness
In this world of ours,
Only in our foolishness
We gather thorns for flowers!
O, Cherish God's best giving,
Falling from above!
Life was not worth living
Were it not for love.

Facts that We Know.
If you are suffering with a severe cough, cold, asthma, bronchitis, consumption, loss of voice, tickling in the throat, or any affection of the throat or lungs, we know that Dr. King's New Discovery will give you immediate relief. We know hundreds of cases it has completely cured, and where all other medicines had failed. No other remedy can show one half as many permanent cures. Now to give you satisfactory proof that Dr King's New Discovery will cure you of Asthma, Bronchitis, Hay Fever, Consumption, severe Coughs and Colds, Hoarseness, or any Throat or Lung disease, if you will call at J. G. King, successor to E. H. Parker Market Square, Kingston.

What a Wonderful Discovery is Perry Davis' Pain-Killer! It not only cures the ills of the human family, but is also the sure remedy for horses with colic. It has never been known to fail in a cure of the worst cases, and for sprains, galls, &c., it never fails—try it once. Directions accompany each bottle. Sold by druggists generally.—*Kenton County (Ky.) Democrat.*

But at our mouths of streams and bays,
No pearls do Asian swimmers raise
Like those in beauty's mouth that shine
Made by the SOZODONT divine.

"Grip's" Humour.

An article is going the rounds, entitled, 'Numbering the Heart Beats.' That's easily done, but who can number the dead beats?

A mother's love for her only child is nothing compared to the love the party out of office has for this benighted country.

Six months from now we will be putting little chunks of this weather in tumblers and inhaling the coolness there of through a couple of straws.

Who says our great orators are dead? Edmund Burke emerges from the dim obscurity to receive a gold watch at Thomas the other day.

It is a sad spectacle to see a Yankee paper copy that piece about Princess Louise's tin teapot from the Hamilton Spectator and credit it to the Spectator.

If the party named Venter who predicted a mild winter will call at this office, he will hear of something to his advantage. Now is the time to get up clubs.

Journalism is bound to wave in Canada. They long had a *Banner* in Chatham, and now they have raised the *Standard* in London. The editor's efforts never flag.

The reason that the author of 'Beautiful Snow' is so hard to find is because he (or she) knows that he (or she) would be lynched immediately during the present weather.

A Nova Scotia paper says that the Hyde estate in England, worth $12,000,000, expects to get a claimant in Nova Scotia. A sort of game of Hyde and seek is the heir as it were.

'Protection' is a sort of mysterious name. There are others who think it should be spelled the word before, certainly, of course, we mean to have Protection, and will protect ourselves in our fat offices just as long as we can, you bet we'll have lots of Protection.

A SAD STORY.—The Times of this morning tells the story of a young lady in the town of Arnprior who died from the effects of a cold she had contracted a few days before, while on her way to the house of her lover to lay the dead. A rope was tied to a rough box which served as a coffin and hearse, the box, containing the remains, was then dragged to a secluded spot and buried in the snow, until better arrangements can be made."

For all purposes of a Family Medicine HAGYARD'S YELLOW OIL is at the head of the list. It is used with unprecedented success, both internally and externally. It cures Sore Throat, Burns, Scalds, Frost Bites; relieves, and often cures Asthma. For Sale by all Druggists in Kingston.

One peculiar characteristic of Hagyard's Compound Syrup of Hypophosphites is its power on decomposing the food in the Stomach, rendering digestion and assimilation were perfect. This partly accounts for the rapidity with which the patients take on flesh while using the medicine.

Thomas' Excelsior Eclectric Oil.
Worth Ten Times its Weight in Gold. Pain cannot stay where it is used!
It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured Bronchitis. Its worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years standing. It cures swelled neck, tumors, rheumatism, neuralgia, contraction of the muscles, stiff joints, spinal deformities and pain or soreness in any part, no matter what it may be, or from what cause it may arise. It does young and old equally well. It has cured baldness. One teaspoonful cures cholera morbus in a few minutes. It will cure any case of piles on earth if possible to reach it. Nature cures only after a long time. We are authorized to warrant it to cure any case of piles, external or internal, blind or bleeding, or ulcerated, or inflamed to cut, or bruises, if applied often and bound on, there is not the slightest discoloration to the skin. It stops the pain of a burn as soon as applied. Cures frosted feet, boils, warts and corns and wounds of every description on man or beast.

Consumption, so prevalent and so fatal is dreaded as the great scourge of our climate and yet in the formative stages, all pulmonary complaints may be readily controlled by using Bryan's Pulmonic Wafers. They will relieve the worst cough in a few minutes and have a most beneficial influence on the bronchial and pulmonary organs, but must be used in time. Public speakers and singers will also derive great benefit by using them. Sold by all druggists and country dealers at 25 cents per box.

SOMEBODY SAYS.—There is something peculiarly attractive in a horse. His intelligent eye and ear, his lofty carriage, his free and graceful motion, his vast strength, his obedient temper, and his indispensable usefulness all endear him to us. We have to look at his fine proportions, and take in the inspiration of his energy and power, but it is only when a horse is properly cared for—when he is free from disease or unsoundness of any kind—that he will exhibit the elements of attractiveness without which he is of little value. A package of "Darley's Condition Powders" or Arabian Heave Remedy, should be used in season of every man who owns a horse, to be used in case of emergency. Don't fail to try it. Remember the name and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.
