Van Alstyne Murder.

We mentioned this affair a few days ago. The result of the trial has been the acquittal of the widow accused of murder. The evidence was interesting. Proof of the death from strychnine was very clear; and a witness gave evidence that he had sold that poison to the prisoner on the day before her husband's death. A railway official also proved that she had gone to the town where the chemist lived on the day the latter asserted that she bought the strychnine from him. But contradictory evidence asserted that on that day she was not dressed as the chemist supposed, and the dress, which it was said she did wear, was produced in Court to establish the difference in color. That was the only testimony connecting her with the poison. On the other hand a pocket-book of the deceased had been found, since his death, which still contained strychnine. Moreover, both by the colour and bitter taste of even a harmless dilution of strychnine, that the drug could not have been taken in the 'honest' tea without the party taking it being aware of it. It was also shown that, during the incarceration of the deceased, documentary evidence had been found by the prisoner, which was produced in Court, establishing his having been married to another woman. From this last circumstance it was argued that the prisoner had no motive to murder a man from whom she could obtain a divorce. The jury, as we have mentioned, acquitted the prisoner, and although she had not been living a very moral life, on her saying that she was without a home and money, a subscription was taken up for her.

THE GREATEST
WONDER OF MODERN TIMES
HOLLOWAY'S
PILLS & OINTMENT
The Pills purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all Complaints.
The OINTMENT is the only reliable Remedy for Bad Legs, old wounds, sores and Ulcers of however long standing. For Bronchitis, Diptheria, Coughs, Colds, Gout, Rheumatism and all Skin diseases it has no equal.
BEWARE of AMERICAN COUNTERFEITS.
I most respectfully take leave to call the attention of the public generally to the fact, that certain houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bear on their labels some address in New York.
I do not allow my Medicines to be sold in any part of the United States. I have no Agents there. My Medicines are only made by me, at 533, Oxford Street, London.
In the books of directions affixed to the spurious make is a caution, warning the public against being deceived by counterfeits. Do not be misled by this audacious trick, *as they are the counterfeits they pretend to denounce.*
These counterfeits are purchased by unprincipled Vendors at one half the price of my Pills and Ointment, and are sold to you as my genuine Medicines.
I most earnestly appeal to that sense of justice, which I feel sure I may venture upon asking from all honourable persons, to assist me, and the public, as far as may lie in their power in denouncing this shameful fraud.
Each Pot and Box of the Genuine Medicines bears the *British Government Stamp*, with the words "HOLLOWAY'S PILLS AND OINTMENT," thereon. On the label is the address, 533, Oxford street, London, where alone they are Manufactured.
☞ Holloway's Pills and Ointment bearing any other address are counterfeits.
The Trade Marks of these Medicines are registered in Ottawa. Hence, any one throughout the British possessions, who may keep the American counterfeits for sale, will be prosecuted. Signed,
THOMAS HOLLOWAY.

DR. J. COLLIS' BROWNE'S CHLORODYNE
THE ORIGINAL AND ONLY GENUINE.
CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.
CHLORODYNE is the best known remedy for Coughs, Consumption, Bronchitis and Asthma.
CHLORODYNE effectually checks and arrests those too often fatal diseases, Diptheria Fever and Croup, Ague.
CHLORODYNE acts like a charm on Diarrhœa, and is the only specific in Cholera and Dysentery.
CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.
CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.
From W. Vesalius Pettigrew, M.D., formerly Lecturer at St George's Hospital, London—"I have no hesitation in stating that I have never met with any medicine so efficacious as an Antispasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa and other diseases, and am perfectly satisfied with the results."
"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that cholera has been raging fearfully, and that the only remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1878.
CAUTION.—BEWARE OF PIRACY AND IMITATIONS.—The public are further cautioned; a forgery of the government stamp having come to the knowledge of the Board of Inland Revenue.
CAUTION.—Vice Chancellor Sir Page Wood stated that that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE; that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—see *Times*, July 10, 1874.
Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d. and 11s. each. None is genuine without the words "DR. J. COLLIS BROWNE'S CHLORODYNE" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.
