Sketch of the Khedive.

(*London Truth, May 1.*)

The doubt and hesitation that are shown in deposing the Khedive arise from an erroneous appreciation of his position in Egypt and of his character. The latter is that of an area sneak on a large scale. He is cunning and unscrupulous, but an abject physical and moral coward. He has but to see in the distance the tip of a constable's staff to collapse, and, having fallen down on his knees, to swear that he has been led astray by evil counsels. It cannot be too often repeated that beyond a few Turkish instruments of misgovernment, who would be the first to desert him, he has no larger party in Egypt than the deported Mr. Peace had in England. He is feared because the elements of a revolt do not exist on the Nile, and each individual Egyptian dreads lest the fate of the Monfettish should await him should he show signs of even disapproval of the freaks of this miscreant. But I saw a day or two ago a letter from Egypt which leads me to think that if only the Egyptians were convinced that Ismael would not be supported by Europe, they would themselves deal with him. Among the officers and the ulemas a certain amount of education exists. Most of them are disaffected, and should one resolute man be found to unite the scattered elements of discontent the Khedive will cease to reign. So distrustful is he, and so anxious is he to secure to himself the means of flight, that I hear that he contemplates taking up his residence at Alexandria in order that he may escape to a ship in case of a rising among his own officers. In the meantime the most abandoned of the crew of miscreants that surrounded him are sent into the provinces with orders to collect money, and the fellahs are flogged and tortured in order that the Khedive may be provided with ample means to live in splendor at Paris, should he withdraw to that capital.

What Are the Profits?

This is the absorbing point that is of chief interest in every business transaction. By the combination system of operating in stocks, Messrs. Lawrence & Co., Bankers, N.Y., unite the orders of thousands of patrons, in various sums, into one immense amount, and operate them as a mighty whole, thus obtaining all the advantages of the largest capitalists and best skill. Profits are distributed *pro rata* among shareholders every month. In this way large gains are secured in short periods, and capital from $10 or $15 to $50,000 can be used with equal proportionate success. $20 will make $100 in 30 days; $150 will pay $1,500 profit; or 10 per cent. on the stock, and so on, according to the market. A citizen of Troy, made $315 75 on an investment of $50. Many customers are doing better. The new circular has 'two unerring rules for success,' and full details so that any one can operate profitably. Stocks and bonds wanted. Government bonds supplied. Apply to Lawrence & Co., Bankers, 57 Exchange Place, N.Y.

"German Syrup."

No other medicine in the world was ever given such a test of its curative qualities as BOSCHER'S GERMAN SYRUP. In three years two million four hundred thousand small bottles of this medicine was distributed free of charge by druggists in this country to those afflicted with Consumption, Asthma, Croup, severe Coughs, Pneumonia and other diseases of the throat and lungs, giving the American people undeniable proof that GERMAN SYRUP will cure them. The result has been that druggists in every town and village in the United States are recommending it to their customers. Go to your druggist and ask what they know about it. Sample Bottles 10 cents. Regular size 75 cents. Three doses will relieve any case.

EQUALLED BY FEW AND EXCELLED BY NONE! Is the voluntary testimony of all who have ever used Henry & Johnson's Arnica and Oil Liniment. The stranger asks why? Simply because it is a scientific preparation, properly prepared expressly as an outward application, composed, as its name implies, of Arnica and essential oils, making a liniment of greater strength than any other ever offered to the public, and of ingredients acknowledged by the medical profession to be of the best. As it penetrates so quickly it effectually removes all soreness from the muscles, and, if faithfully rubbed in with the hand, will entirely reduce all inflammation at once, and leaves no stain; if applied to a flesh wound causes no irritation, like any other strong liniment, neither has it an offensive smell. It is equally as efficacious for a horse liniment as for family use.

Once tried, always used. Price, 25 and 50 cents.

CAUTION.—Beware of any man who offers you an imitation article, no matter what it is, and says it is 'just as good as the genuine;' they sell all kinds of 'sham remedies' in this way upon the reputation of the Pain Killer—be sure and get the genuine made by PERRY DAVIS.'

EVERY WOMAN HER OWN DYER.—If you want to produce brilliant and durable colors use Mrs. Freeman's new domestic dyes. Samples of colors to be seen at King's Drug Store, Market Square, where the dyes are for sale. Milburn, Bentley & Pearson Proprietors, Toronto.

ELECTRICITY! THOMAS EXCELSIOR ECLECTRIC OIL! WORTH THEIR WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical: J. Collard, of Sparta, Ont., writes, "Send me 6 dozen Dr. Thomas' Eclectric Oil, have sold all I had from you, and want more now, its cures are truly wonderful." Wm McGuire, of Franklin, writes, "I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes, "Please forward 6 dozen Thomas' Eclectric Oil. I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bepford, Thamesville, writes, "Send at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodford, writes, "Send me some more Eclectric Oil. I have sold entirely out. Nothing takes like it." Miller & Reid, Ulverton, P.Q., writes, "The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Eclectric Oil. See that the signature of *S. N. Thomas* is on the wrapper, and the names of Northrop & Lyman are shown in the bottle, and *Take no other*. Sold by all medicine dealers. Price 25 cts. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE—*Eclectric*—Selected and Electrized.

THE PROPERTIES of Quinine are a febrifuge tonic and antiperiodic. Small doses, frequently repeated, strengthen the pulse, increase muscular force, and invigorate the tone of the nervous system. The peculiar operation of this medicine in general debility and as an appetizer, has undergone long and close observation, and it is believed it will never fail, if properly and judiciously administered, unless other diseases predominate of a different character. Persons of weak constitution may take it without the least difficulty, as it strengthens the stomach and digestive organs, and seldom require more than one or two bottles to effect a decided benefit. Remember to ask for the "Quinine Wine prepared by Northrop & Lyman, Toronto." Sold by all Medicine Dealers.

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self addressed envelope to the Rev. JOSEPH T. INMAN, Station D, New York City.

THE GREATEST

WONDER OF MODERN TIMES

HOLLOWAY'S PILLS & OINTMENT

The Pills purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all Complaints.

The OINTMENT is the only reliable Remedy for Bad Legs, Old wounds, sores and Ulcers of however long standing. For Bronchitis, Diptheria, Coughs, Colds, Gout, Rheumatism and all Skin diseases it has no equal.

BEWARE of AMERICAN COUNTERFEITS.

I most respectfully take leave to call the attention of the public generally to the fact, that certain houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bear on their labels some address in New York.

I do not allow my Medicines to be sold in any part of the United States. I have no Agents there. My Medicines are only made by me, at 533, Oxford Street, London.

In the books of directions affixed to the spurious make is a caution, warning the public against being deceived by counterfeits. Do not be misled by this audacious trick, *as they are the counterfeits they pretend to denounce.*

These counterfeits are purchased by unprincipled Vendors at one half the price of my Pills and Ointment, and are sold to you as my genuine Medicines.

I most earnestly appeal to that sense of justice, which I feel sure I may venture upon asking from all honourable persons, to assist me, and the public, as far as may lie in their power, in denouncing this shameful fraud.

Each Pot and Box of the Genuine Medicines bears the *British Government Stamp*, with the words "HOLLOWAY'S PILLS AND OINTMENT," thereon. On the label is the address, 533, Oxford street, London, where alone they are Manufactured.

☞ Holloway's Pills and Ointment bearing any other address are counterfeits.

The Trade Marks of these Medicines are registered in Ottawa. Hence, any one throughout the British possessions, who may keep the American counterfeits for sale, will be prosecuted. Signed,

THOMAS HOLLOWAY.

533, Oxford Street, London,
Jan. 1, 1879.

Notice.

THE Undersigned are still at work in the old place with greater facilities than ever for doing new work or repairs in their line of business. Also do not be deterred from bringing your Shipsmithing by representation that we cannot do that kind of work, as we have one of the best Shipsmiths in the city, and can do the above work as good and cheap as elsewhere.

N. B.—All work warranted.
