Mrs. (Rev.) R. J. Drysdale Died at Rochester, Dec. 23

We take the following from the Rochester Democrat and Chronicle regarding the death of Mrs. Edith Hodgson Drysdale:

"In Mt. Hor Presbyterian Church, there she labored side by side with her husband, the Rev. Robert J. Drysdale, Ph. D., its minister since 1911, funeral services were conducted Monday afternoon at 3 o'clock for Mrs. Edith Hodgson Drysdale, who died Dec. 23rd at Genesee Hospital.

Attending the services were those who have been active with her for many years in virtually all of the church's activities. Chief among the mourners were the young people of the church, in whom she was particularly interested and with whom she was a great favorite. She was director of the Young People's Society and promoted many of the activities of youth.

Mrs. Drysdale also was active in the Woman's Missionary Society and in the Ladies' Guild which includes all women's circles in the church. She had held many offices in the various societies.

She was known as a woman faithful in calling with her husband on the sick and shut-ins, and no call was too trivial or too distant to win her sympathy. She was active in many charitable endeavors.

Mrs. Drysdale, born at Forest, Ont., was a graduate of Forest High School; Alma Ladies' College of St. Thomas, Ont., and the Dominion College of Music, Montreal. She also attended Yale University, Department of Literature.

She married Doctor Drysdale in 1902, when he was completing his studies for the ministry. She accompanied him to Rochester in 1907 when he became associate minister of Third Presbyterian Church.

Besides her husband, Mrs. Drysdale leaves two sons, H. Raymond and Howard B. Drysdale, both studying medicine in Canada; and two brothers, O. H. Hodgson of St. Catharines, Ont., and Howard Hodgson of Berkeley, Calif.

The body was taken to Forest, Ont., for burial."

The sympathy of old friends in Georgetown will go out to Rev. Mr. Drysdale and family in their sad bereavement. The late Mrs. Drysdale came to Georgetown a bride in 1902, when Mr. Drysdale was Congregational minister here.

SCOUT NEWS

Last week the troop spent a very enjoyable evening at the home of Tenderfoot K. Spence who celebrated his twelfth birthday. The boys arrived at eight o'clock and a hot dinner was served. During the first course of the dinner one of the Foxes covered himself with glory by eating four hamburgers and thereby getting an unbeatable record. Tenderfoot K. Spence, the host of the evening succeeded in blowing out all but three of his birthday candles and when the cake was cut, R. Hansen of the Wolf Patrol succeeded in finding one of the nickles on his plate. The Troop Leader with his usual good luck, came very close to swallowing a large pearl button which also graced the centre of the birthday cake.

After the banquet a scout knife was presented to Tenderfoot Spence, on behalf of the troop. The presentation was made by A. Mann, Senior Patrol Leader, who gave a short address of approximately three words, amid much handclapping from the remainder of the boys.

For the rest of the evening a program of games and songs was enjoyed by all. The young host sang several of his popular cow-boy songs which were very much enjoyed.

At the close of the evening the Troop Leader, in a short address, moved a vote of thanks to Mrs. Spence for her generous hospitality. This was followed by such loud clapping that even the plaster on the wall was in danger of dislodgement. Then the boys left for home after having spent a very enjoyable evening.

On Saturday evening the Court of Honour held a meeting at the residence of the Scouter and a new program of activities was laid out for the next few weeks. New rules and regulations were drawn up which will apply to members who absent themselves from meetings without a reason. It was also decided that the troop is to be taught certain troop formations and staff drill which will give them a smart appearance when they again parade publicly.

Vestry Meeting of St. George's Church

The annual Vestry meeting of St. George's Anglican Church took place in the Sunday School room on Monday evening. Rev. W. O. O. Thompson, the chairman, opened the meeting with prayer. Mr. Jack Thompson acted as Vestry clerk.

The financial statement presented by the People's Warden, Mr. W. F. Bradley, showed that receipts were not as high as in previous years, but a trying year had been weathered in fine shape. He paid tribute to the various organizations of the Church, and said without their aid it would be difficult for the Church to carry on. Receipts for the year were $1642.66 and disbursements $1632.62. Bank balance at the end of the year $9.94. All the usual church expenses had been met, and the apportionment to Synod of $600.00 had been paid. The report as read was approved.

The Rector spoke words of sympathy to those who had lost loved ones during the year. Statistics showed that there had been 12 Baptisms, 6 marriages, and that 10 had passed on to their eternal rest.

The reports of the various organizations were received. All had a splendid year and were full of promise for the new year. Women's Auxiliary showed receipts of $614.66. Mr. F. McNally spoke regarding the Sunday School. He said the Sunday School was in wonderful shape, and had donated $50.00 to the general fund and $30.00 to the building fund. They had receipts for 1932 of $356.60. He presented the Rector with a cheque on behalf of the Sunday School for $25.00 to pay cost of alteration done in the lighting system of the Sunday school. The other organizations responded in a like way.

The meeting was then open for the election of officers and the two Wardens, Mr. S. Kirk and Mr. W. F. Bradley who had served for 1932, expressed a desire to be allowed to retire for this year. The Rector appointed L. W. Dann to be Rector's Warden, and E. E. Young was elected People's Warden with F. Armstrong and C. Chapman to assist the People's Warden. The Board of Management was re-elected with the addition of M. Armstrong, C. Chapman and Mrs. S. Kirk. The Sidesmen were also re-elected with the additions of C. Stacey, A. Taylor and S. Dewhurst.

The Rector thanked all members of the various organizations and asked that they all work together with him for the good of St. George's.

A hearty vote of thanks was tendered to the Rector for his work, to Mrs. W. F. Bradley for her splendid work as organist and to Mr. J. A. Thompson for his work as choirmaster, and also for his splendid work with the Boys' Choir that did so well at the special service on Jan. 1st.

The Vestry meeting then adjourned and resolved into a congregational meeting. Mr. W. O. Thompson was elected lay delegate to Synod with Mr. W. Thompson substitute. A vote of thanks was tendered to Mr. Joseph Beaumont for all his kindness to St. George's Church.

A delicious lunch was served by the members of the Women's Auxiliary after which the meeting was brought to a close.

"CONGRESS DANCES" BREAKS RECORDS IN SEVERAL EURO-PEAN COUNTRIES

New Musical Picture, Soon Here Seen

Despite the world-wide depression, "Congress Dances," the United Artists picture which comes to the Gregory theatre on Jan. 21st, appears to be in a fair way of shattering box-office records the world over. Already the German and French versions of the film, as well as the original English version, are leaving a long line of shattered records in several capitals of Europe.

London, traditionally proud of its sons and daughters, awoke one day recently to learn that the newest motion picture queen is an English girl. But, to their utter surprise, they also learned that Germany claims her, for she has lived most of her life in Berlin and is accepted as a German.

Lilian Harvey, who will be seen on Saturday, Jan. 21st at the Gregory Theatre, Georgetown, in "Congress Dances," is the girl. She's only a little more than five feet tall and she weighs only 85 pounds, but she has Europe at her feet just as securely as any American star has ever had it.

ST. ALBAN'S VESTRY MEETING

The annual Vestry meeting of St. Alban's Church, Glen Williams, was held in the Parish Hall, on Tuesday evening, the Rector, Rev. W. O. O. Thompson, in the chair, and a good number of interested parishioners present. After the recitation of the creed, and the opening prayer, the Vestry Clerk, Mr. Joseph Beaumont, read the minutes of last Vestry. The Rector then addressed the Vestry briefly, expressing his appreciation of the good work done during the past year by the officials, the organizations and the people generally.

The report of the Churchwardens, Messrs. M. Merryday and A. Beaumont, was then presented, and showed that, considering a payment that had been made on capital account, an actual increase, though a small overdraft appeared. Much satisfaction was felt over the condition of the fund.

Reports of the Ladies' Guild and the Sunday School were presented, each showing excellent work done, and a healthy balance.

The Rector then re-appointed Mr. Montague Merryday as his Churchwarden, and Mr. Arthur Beaumont was re-elected People's Warden.

Votes of appreciation and thanks were tendered the organist, Mr. Lindley Beaumont, the Ladies' Guild, the Choir, the Churchwardens and officials, the Rector, and Mr. Allen Dewhurst, sexton. The Rector thanked Mr. Joseph Beaumont for his help as Lay Reader and Server during the year, and, after asking God's blessing upon the Church and Parish, dismissed the Vestry with the benediction unto God's mercy and protection.

W.C.T.U. MEETING

The first meeting for the New Year of the Georgetown Union W.C.T.U. was held at the home of Mrs. Walter Park. As a little change from the usual form Mrs. C. H. Dayfoot has kindly consented to take up the study of Henry Drummond's work "Love the Greatest Thing in the World" for the next few meetings. The first part of the work given this month was very thought provoking. Mrs. Vanzitter, the treasurer read her report and stated that under present conditions a very encouraging sum had been received for membership fees. There were a number who found it impossible to renew their membership this year and on this point an open discussion took place. The consensus of opinion was that in this work, as well as in Church work and other work of like nature, that when the individual found it impossible to give their financial support it was necessary that, if possible, they should give more of their time in order to compensate and that in no case should an individual feel that they were barred from attending the meetings if they were not members. The meetings were open to all whether they were members or not and to those whose heart was in the work there was a place which they and only they could fill.

Affiliation with the Local Council was again approved and Mrs. Deans and Mrs. Vanzitter were appointed as representatives.

Preliminary arrangements were made for the Essay and Oratorical Contests to be held either in March or April.

Another open discussion took place on the subject of the so-called "Social Diseases" and the terrible toll that they are taking. It was felt that it was deplorable that so little interest was shown in the combating of this great menace and that plain speaking and education were the only things that would remedy the situation. It is hoped that in the near future that an open meeting may be held and a speaker qualified to speak on this subject will be sought. When arrangements are made announcements will be made in the usual way.

Teacher—"Who can name one important thing we have now that we did not have 100 years ago?"
Student—"Me."
