Lively Stock Operations.

The current of recent events has given great impetus to business in Wall street, and many successful turns are reported where immense profits are made in short periods. The most successful way that we have heard of yet for operating in stocks is by the Combination Method of Messrs. Lawrence & Co., Bankers, New York. By this system thousands of orders in various sums are pooled into one vast capital and operated under the most experienced and skillful management, thus securing to each shareholder superior advantages and profits, not possible in any other way. Profits are paid at the end of 30 days. A gentleman in Boston, made $747.30 on an investment of $100. Many others are doing as well or better. Capital in any amount from $10 to $100,000 can be used with equal proportionate success by this Combination or Co-operative Method. $15 would make $75, or 5 per cent. on the stock, $100 would return $900 or 9 per cent. during the month, and so on, according to the market. The new circular contains "two unerring rules for success" and full information, so that any one can operate with profit. Stocks and bonds wanted. Deposits received. Government bonds supplied. Apply to Lawrence & Co., Bankers, 57 Exchange Place, N.Y. City.

NASAL CATARRH, (no matter of how long standing,) a cold in the Head or Throat, Difficult Breathing, Dizziness Headache, Deafness, Watery Acrid and Purulent Discharges from the Head and Throat, Stopping, Clogging, Fullness, Ringing or Roaring Noises in the Head, Constant Dropping into the Throat, disagreeable Hemming, Hawking and Spitting, Offensive Breath, and Nasal Twang. Restores the sense of Smell. Strengthens the Eyes and Voice. Cleansing and Regulating the Organs of the whole Head and Throat. It gives Immediate Relief, and a few bottles will cure the worst cases. All we ask is a fair trial to convince the most skeptical.

DR. EVORY.—*Dear Sir.* I am to day truly thankful that you have brought to my notice your very simple and efficacious "Diamond Catarrh Remedy." For many years I have suffered from the Catarrh—the disease being brought on by a too persistent effort in singing. I had laid myself "on the shelf," having received no benefit from the various nauseous remedies which I had tried. A few trials of your remedy relieved my head at once, and now after a three months' trial I am able to sing with a clearness and ease that delighted and astonished me. I wish you great success and shall not fail to recommend it wherever I see a need of its use. Respectfully yours,

PROF. W. B. TAYLOR,

Willoughby Ave., Brooklyn, Sept. 13, 1877.

The Great Shoshonees Remedy.

The Great Shoshonees Remedy is an Indian vegetable compound composed of the juices of a variety of remarkable medicinal plants and herbs of the various properties of these different ingredients, when combined or so constituted as to act simultaneously upon the blood, Lungs, Liver, Kidneys, Digestive Organs, Nervous System, &c., restoring their functions to healthy action, and being purely vegetable, is as harmless as nature's own beverage. This medicine is a decided benefit in all, and a permanent cure in a large majority of diseases of the blood, such as Scrofula, Erysipelas, Salt Rheum, Canker Pimples, &c. In prescribing this medicine we do not claim that it always performs cures; but this we do say, that it purifies and enriches the blood, permanently curing a large majority of diseases arising from its impurities. It stands far ahead and unequalled among the hundreds of competing medicines of the day. It has stood the test of ten years, and is to day more popular than ever. As a summer restorative it stands unrivalled, it enables the system to bear up against the constant drain to which it is subjected by a high temperature. Persons who are subject to bilious Colic, Dysentery, indigestion, &c., should take the Shoshonees Remedy. Price of the Remedy in pint bottles $1, Pills, 25cts a box. Sold by all medicine dealers.
