OBITUARY

MRS. MARGARET FERGUSON

Word has been received by Mrs. Mary Eccles from Kyle, Sask., of the death of her sister Mrs. Margaret Ferguson on Feb. 5th, of that place, in her 82nd year. Deceased was a former resident of Glenwilliams and was born on the first line east, Caledon, Peel County, the daughter of the late Donald and Agnes McKeevan, who came to this country from Islay, Scotland, in the pioneer days. She leaves two sons, Donald and John, also of Kyle, Sask., with whom she resided, and who with two grandchildren deeply mourn her loss. Her husband and three other children Nell, Annie and Christena predeceased her.

LENA A. TOST

After an illness of about five years, Lena A. Tost, beloved daughter of Mrs. F. Tost and the late W. H. Tost, passed away at her home here on Friday, Feb. 10th. Deceased spent almost her entire life in Georgetown and made many friends who deeply regret her death. Besides her mother she is survived by two sisters and three brothers, William Henry of Miami, Florida; Cyril of Hamilton; Gladys, Hubert Frank and Edith at home. Deceased was a member of St. George's Church and the service in the church and at the grave was conducted by Rev. W. O. O. Thompson. The officers and members of Verdun Rebekah Lodge, also of which deceased was a member, were present at the funeral and conducted their service. The pall-bearers were Frank and Henry Tost, cousins; H. Goldham, John Ballantine, Kenneth McMillan and Herbert Scott. The remains were interred in Greenwood Cemetery, Georgetown. There were many beautiful floral tributes.

J. A. GLASS

An old and respected citizen of Georgetown for many years, in the person of James A. Glass, passed away at the home of his son Edwin, at Windsor, on Wednesday, Feb. 8th, in his 83rd year. Deceased conducted a merchant tailoring business in Georgetown for many years, previous to his removal to Windsor some thirty years ago. Mrs. Glass predeceased him five years ago. He is survived by two sons and two daughters, Mr. Wm. Glass of Durham, Mrs. (Dr.) F. R. Watson, Georgetown; Mrs. Clarence Furlong and Mr. Edwin Glass, Windsor. Following a service at the home in Windsor, conducted by the Masonic Order of which deceased was a member for many years, the remains were brought to Georgetown and interred in Greenwood Cemetery on Friday. The service at the grave was conducted by Rev. Mr. Frith of the Baptist Church. The pallbearers were his two sons, William and Edwin, John Miller, W. Peck, Percy Hill, and George Cooper.

MRS. ROBERT HICKEY

Death came quite suddenly to Mary Breen, widow of the late Robert Hickey, at her home here on Monday last. Deceased was a daughter of the late Mr. and Mrs. Henry Breen and was born in Georgetown where she has resided all her life. Forty three years ago she married Robert Hickey, who predeceased her in 1916. A family of one son James of Windsor and one daughter, Ann, at home, remain to mourn the death of a beloved mother. Another son Harry was killed in the Great War in 1916. Two nieces also survive, Mrs. Frank Downey and Miss Anna Macnamara of Detroit. The late Mrs. Hickey was a true christian woman, beloved by all who knew her; a good mother, true friend and obliging neighbor whose passing is a great loss in the home and community. The funeral service was conducted at Holy Cross Church this morning at 10 o'clock by Rev. Father Harry Bellisle of St. Michaels College, Toronto, assisted by Rev. Father McBride. The pall-bearers were E. McWhirter, C. Burnsides, C. Watson, Mr. Collins, Jos. Gibbons and T. Embleau. There were many beautiful floral tributes from relatives and friends.

MRS. JOHN BALLANTINE

Mary Margaret McNab, widow of the late John Ballantine, passed away peacefully on Monday morning at the home of her daughter, Mrs. W. A. Main, on Durham street. Mrs. Ballantine was born in Owen Sound in 1847, but moved to Ashgrove while in her teens, and there she met her partner with whom she spent nearly sixty years of happy and prosperous married life. She was the mother of seven devoted children, three of whom predeceased her, Norman McNab in 1914; Harriet in 1924, and John in 1933. The surviving members of her family are Mrs. Wm. Rogers of Point Claire, Que.; Mrs. W. A. Main of Georgetown; Col. James Ballantine, D.S.O., of Hamilton, N.Y., and Mrs. Wm. Edmiston of Disley, Sask. There are ten grand-children and eight great grand-children. The history of Mrs. Ballantine and her ancestors is the history of Esquesing Township. Her grandfather and his family, U. E. Loyalists, emigrated from Vermont after the American Revolution and settled in Norval to which place the name of McNabville was given. He afterwards served as a Lieutenant in the forces under Sir Isaac Brock and took part in the defense of Fort George and the subsequent battle of Queenston Heights. Her maternal grandfather was a veteran of the Peninsular War and the Waterloo Campaign, and was a picturesque figure in the life of Esquesing in the early days. Forty years ago she and her family moved to Georgetown, where her husband engaged in the coal business, and where both of them identified themselves with the old Methodist church in which they worked and served till their activities were contracted by age and infirmity. The funeral will be held at 2.30 on Thursday, interment in the family plot in Greenwood cemetery. The pall-bearers will be Messrs. Harold Marshall, Bert Blackwell, John Ballantine, Norman Snyder, John Ballantine of London and John McNab.

CARD OF THANKS

Mrs. F. Tost and family hereby convey to friends and neighbors their very sincere thanks for the many kindnesses and sympathy extended to them in their sad bereavement by the death of a beloved daughter and sister.

TOWN COUNCIL

FINANCES AND BACK TAXES DISCUSSED—CONFERENCE WITH PUBLIC AND HIGH SCHOOL BOARDS

Council met in special session on Tuesday, Feb. 14th, with Mayor MacKenzie in the chair, Reeve and all members present.

A. Maclaren having made and subscribed to declaration of office took his seat as member of council for Ward II.

Mr. Doyle addressed council asking permission to move his gas pumps to the other side of the street.

Discussion was entered into regarding school salaries, finances generally and back taxes.

Moved by A. Maclaren, seconded by H. Barnes, that the Clerk be instructed to issue an invitation to the High and Public School Boards to meet the Council in conference re support of schools for 1933 and 1934, and if they see fit to invite the teachers, we will be glad to have them, on Friday, Feb. 17th at 8 p.m. at town hall—Carried.

Moved by Gibbons, seconded by Cummings, that Mr. Doyle be allowed to move his gasoline pumps across the road. This to be performed under the supervision of the streets and walks committee—Carried.

Moved by Parr, seconded by Cleave that we do now adjourn to meet next Friday evening at 8 p.m. in the town hall—Carried.

MR. A. MACLAREN COUNCILLOR WARD II

At the nomination meeting held last Friday evening to elect a Councillor to fill the vacancy in Ward II, two gentlemen were nominated, Mr. L. E. Fleck and Mr. A. Maclaren. Mr. Fleck declined and Mr. Maclaren was elected by acclamation.

May Place Canadians Instead of English

WORK OF NORVAL HOSTEL TO BE CONTINUED AT GEORGETOWN

More than 150 Canadian-born boys selected by the Norval Boys' Hostel of the United Church, may be placed on farms this year, according to a plan being formulated now, following the restriction on immigration of English youths, who for more than six years have been brought to Canada and placed on farms by the Norval Hostel.

The hostel will not be closed, but for economy will be continued on the farm of Alex. Maclaren, superintendent, at Georgetown.

When interviewed Mr. Maclaren said:—"We are giving up the Norval farm end of it for this year at any rate. We still have 700 boys under our supervision.

"Curtailment of certain financial assistance from the British government, with the cessation of immigration, makes this step necessary. We are willing to go on with the work, of course, and could place 150 boys this year.

"We are working on a plan now to place Canadian-born boys of the right kind on farms. We will have to select them very carefully. The British boys are very carefully selected there.

"We have been operating for six and a half years and we have never had a boy unemployed for 24 hours due to this selection."

GLENWILLIAMS

About 9.30 on Saturday night fire broke out in the home of Mr. George Miller, Glenwilliams and the house and contents with the exception of a few pieces of furniture, were destroyed. There was no one in the house when the blaze broke out and it is thought to have been caused by an overheated chimney. Neighbors did their best with buckets of water to save the building but without success. Had the wind been in another direction other homes would likely have been destroyed. There was some insurance on the property.

ASHGROVE

The monthly meeting of the Woman's Missionary Society was held on Tuesday with a good attendance. The devotional exercises took the form of a short prayer service and scripture study, led by the president, Mrs. Earl Wilson. After the usual routine of business was concluded, Mrs. Seward Wilson and Mrs. Melville Wanless gave two very interesting and instructive papers taken from our study book. Mrs. Geo. Nurse read a very timely article on temperance. Mrs. Norman Wrigglesworth and Mrs. Clayton Wilson sang a duett entitled "In the Garden."

A happy item on the program was the presentation of life membership certificates and pins to Mrs. George Nurse and Mrs. Jas. Barnes.

JUNIOR FARMERS AND HALTON HUMMERS

The members of the Milton Junior Farmers and Halton Hummers acted as hosts to the members of the Acton Three Months' School on Thursday evening, February 9th. The boys and girls met separately for their business meeting; the Junior Farmers at the Department of Agricultural Office and the young ladies in the High School auditorium. Both these meetings were worth while and of an interesting and instructive nature. Both groups then assembled in the High School auditorium for a short joint program furnished by the members of the Acton Course and the balance of the evening was spent in social time together. Lunch was served by the Milton Groups and an enjoyable evening was spent. Fred Shortill on behalf of the guests expressed the thanks of the Acton Group for the invitation extended to them and expressed the hope that such meetings could be conducted at other times between various groups in the county.

FEWER COUNCILLORS NOW THAN IN 1893

Following last months' meeting of Halton county council at which general reduction of expenditures was the keynote, comparison has been made of the 1933 county levies with those of 40 years ago. In 1893 when there were no paved highways, house of refuge, children's shelter, mother's allowance, old age pensions and large high schools, more councillors were elected to spend $10,000 than were elected last year to spend $2,000,000.

Following are the comparative levies:

	1893	1933
Acton	$ 317.98	$0,672.86
Burlington	319.98	30,652.84
Georgetown	289.03	12,478.96
Milton	366.92	11,062.61
Oakville	447.31	35,806.63
Esquesing (tp.)	2,501.79	40,601.50
Nelson (tp.)	1,916.64	45,509.75
Trafalgar (tp.)	2,652.12	78,466.48
Nassagaweya (tp.)	1,016.31	16,534.97

W.C.T.U.

This past week end has been a very busy and eventful one for the members of the Georgetown Union W.C.T.U. Miss Duff, Provincial Field Secretary has been in town and was speaker at the regular meeting held on Friday of last week. Miss Duff spoke of her trip through Northern Ontario and through Quebec and Prince Edward Island. She stressed the need to follow up the temperance work and especially asked the members to give all possible support to the Loyal Temperance Legion work. Mrs. C. B. Dayfoot took the devotional exercises. It was decided at this meeting to ask the Rev. Arthur Pickering of the Canadian National Institute for the Blind to speak at the next meeting which will take the form of a Mother's meeting.

On Sunday afternoon Miss Duff addressed the children at the Loyal Temperance Legion meeting in the Baptist S. S. room. Mrs. Reeve, the superintendent, was in charge of the meeting. After the regular opening exercises the children listened eagerly to the very interesting talk Miss Duff had prepared for them. There was not one dull moment as Miss Duff has the very happy faculty of understanding children and speaking to them in a way which is easily understood even by the youngest child.

Among Miss Duff's other activities were speeches to the W.M.S. of the Baptist Church, Knox Church Sunday School, to the Public School pupils of Norval, Glen Williams, and Georgetown, and to the High School Pupils in Georgetown. On Tuesday morning the first talk was to the senior pupils of the Georgetown Public School. The Health Book was used as a text book and a number of charts were shown to supplement this book. Later, the pupils of the Second Book were assembled together and listened to a very interesting chat on health and of God's great gifts of fresh air, water and milk. In the afternoon Miss Duff addressed the pupils of the High School challenging them to be leaders in any movement to promote the interests of temperance, and to keep their minds and bodies pure. This talk was also suplemented by charts which added greatly to the interest. Some excellent posters made by school boys and girls were displayed. Time permitting Miss Duff hopes to make several other visits including one to Cedarvale school. The effect of Miss Duff's visit has been to greatly stimulate the workers of the Temperance and Allied organizations and there are many seeds which have been sown in the hearts and minds of the boys and girls which will bear fruit in years to come in strengthening them to meet the temptations of life. The district is greatly indebted to Miss Duff for her work here.

TO USE SCRIP FOR SALARIES

Alberta School Board to Issue $25,000 For Teachers' Pay

Raymond, Alta., Feb. 9th—Raymond's school board has overcome animosity toward scrip and carried the town's test to a degree almost three times as great as before.

Encouraged by the success of the town's $10,000 issue a year ago, the school board voted to issue approximately $25,000 in scrip for payment of teachers' salaries during the coming year. Initial efforts to have the school board join in the venture when first proposed met with rebuffs.

Inability to find sufficient cash to meet teachers' salaries caused the school board to act. The plan will make salaries payable 40 per cent. in negotiable scrip, 30 per cent. in non-negotiable scrip and the remaining 30 per cent in cash. The negotiable scrip carries the town's promise to pay cash at a future date while the non-negotiable must be used for cancellation of taxes or services rendered by the town.

Success met the town's issue of scrip a year ago, and all but $95.50 has been redeemed in taxes and services rendered. The 1933 issue by the town is undetermined so far.

Not So Slow

The schoolmaster was taking a class in science. "Now, then, Smith," he said, "name me a poisonous substance."

Smith, who was not brilliant, thought deeply. "Aviation," he replied.

The class tittered with amusement. The master looked stern. "Explain yourself, Smith," he snapped.

"One drop will kill, sir," responded Smith.

Acton Eliminated Locals from Play-offs

PRESTON JUNIORS MEET LOCAL JUNIORS HERE TO-NIGHT

With a chance for either team of getting into the playoffs hanging upon the contest, Acton and the local Intermediates finished their regular group schedule here last night, with the visitors winning by a 3 to 0 score, before a capacity crowd.

The locals, whose gallant, although futile efforts, brought a great deal of admiration for their courage, held a mass meeting in the Acton zone in the first two sessions, but the tax on their strength found them all in during the final frame. Once Acton secured a goal, they were content to lay back and let Georgetown carry the play to them, and when the game was ended had coasted in for a rather easy victory.

Terry was successful in getting Acton's first goal in the initial period, when he rounded the local defense and drew Richardson out to score on the nicest play of the evening.

There was no scoring in the middle frame, although Georgetown were refused a disputed goal, when the referee handed out the decision in Acton's favour. The goal umpire said the puck went through the net from behind, rather than from in front.

Terrific exertion that had been extended throughout the first two periods had its effect and the locals slowed up considerably.

The wisdom of Acton's concentration on back division strength was obvious in the period for the little bit of organization by the locals that was visible in the first two periods faded completely and they fell over themselves in their exhausted efforts to score. While the locals rushed Holloway in the visitors net, they had lost their attacking unity. Gibbons took the matter in his own hands for Acton's final tally when he outguessed Richardson on a shot from the defense. Acton then played a five man defense and rushed only when the breaks occurred. The remainder of the time the puck was lifted the length of the ice.

Tost at centre and Thompson on the defense for the locals stood out in the contest. They played an all-round aggressive game, and on two occasions seemed to have certain goals. J. Bradley and Ritchie worked tirelessly but were ineffective against the five man defense and strenuous hockey was the result.

Gibbons and Terry were Acton's best, displaying excellent individual play.

Although some heavy body-checks were handed out, there were only five penalties during the game, Georgetown receiving 3 and Acton 2.

As the old saying goes the better team on the nights play won, and Acton go on in their quest for group honors.

THE TEAMS

Georgetown: goal, Richardson; defense, Thompson, Brown; centre, J. Bradley; wings, Ward and Ritchie; subs, Tost, McCutcheon, Hewitt and H. Bradley.

Acton—goal, Holloway; defense, Greer, Gibbons; centre, Spooner; wings, Walters, Woods; subs, Terry, Mason, Huffman and Arbie.

Referee—J. Burrell, Brampton.

Georgetown Juniors meet Preston Juniors in the first game of the group play-off series to decide the O. H. A. group champions of this district, in the Arena here to-night. The return game will be played in Preston on Friday night.

This promises to be the best game of the year, as neither team have lost a game this season.

W.M.S. Meeting

The regular meeting of the W.M.S. of the United Church was held on Tuesday, Feb. 7th at 3 p.m. in the school room of the church, with the president, Mrs. A. Adams, in the chair. An interesting program was given by group number two in charge of Mrs. Gollop and Mrs. Tyndall, continuing the study book "This Canada of Ours." A solo was very pleasingly rendered by Mrs. Hector Bird. Mrs. A. Adams was appointed as delegate to attend the meeting of the Presbyterial in St. Catharines in April. There was a good attendance.
