### Must be Busy.

P. T. Barnum has been talking of himself to a reporter. He says that twenty years ago Horace Greeley advised him to retire, and he tried the old editor's advice. But it was no use. His health gave away, and he was growing so feeble that he did not seem to have a long time to live. His doctor, a Pole, told him that he must go to work or die. He took the doctor's advice, and now, at the age of seventy, he declares that he feels as young and energetic as he was forty years ago. Barnum's experience is that of others. It is an ascertained fact that men who have lived active lives, whether in the field or at the desk, on retiring feel the hand of decay upon them. For such a man to retire from business is like taking the backbone out of him and asking him to be frisky. He cannot do it. The mind is the motive power of the body, and when the mind is motiveless the body is speedily motionless.

### Journalistic Distinction.

Mr. Archibald Forbes has been before Parliament, Sir Henry Havelock asking the Chancellor of the Exchequer whether he would take into consideration the desirability of extending some mark of favor to the *Daily News* correspondent 'in recognition of the public services performed by him in being the bearer of the despatches of the successful action at Ulundi, under circumstances of considerable personal hazard, fatigue and endurance.' The Chancellor of the Exchequer said the question should rather have been referred to the Secretary of War. The *United Service Gazette* points out that there is ample precedent for giving the Victoria Cross to a civilian for services performed in a civil capacity, and points out that Mr. Forbes is the first special correspondent that had been mentioned in despatches.

### Just Your Time

To make money safely, easily and rapidly is *now*, while the stock market offers so many splendid opportunities. The combination system has had unprecedented success, and brings good fortune to thousands of shareholders in this and other countries. Investments of from $25 to $10,000 are thus consolidated into one vast capital, and operated by the best skill and experience, result in heavy profits, which are divided among shareholders every month. A New Orleans cotton dealer made $27,049.18 in two months. A Baltimore merchant received an aggregate profit of $9,642 04—from three combinations. A San Francisco mining agent made $22,438.16 from four combinations, his first investment having been $400. Others have been equally fortunate. Every day there are new and grand opportunities. New explanatory circular, with "unerring rules for success," mailed by Messrs. Lawrence & Co., Bankers, 57 Exchange Place, New York City.

### Read and Learn for Yourself.

Many valuable discoveries and much useful knowledge is kept from the world, because of the immense expense in making them known to the people. This is not the case with Boschees German Syrup, although but a few years introduced into this country, its sale now reaches in every town and village in the United States and Canada. Its wonderful success in curing Consumption, severe Coughs, Pneumonia, Asthma, and all other diseases of the throat and lungs, was first made known by distributing every year, for three years, over 400,000 bottles to the afflicted, *free of charge*, by Druggists. No such a test of merit was ever given before to any other preparation. Could you ask more? Go to your Druggist and get a bottle for 75 cents and try it. Sample bottles 10 cents.

A SURPRISE PARTY ON ICE.—Canada is the place for a thorough good sleigh ride. It matters little how old and bizarre the runner is, all that is needed to make a ride enjoyable is to have it large enough to hold a good many people and small enough to have them well crowded together. Where can better sleighing be found? And our people enjoy it to the full. Given a snapping cold, clear, moonlight night, and a jolly party of men and women, mostly maidens and bachelors, plenty of buffalo or other robes, a driver who knows how near to run to embankments without tilting over, and just how near, so as to make every man clasp tight hold of his lady, an evening bright, and the voices of the songsters clear and musical, a warm parlor where the host and hostess are to be surprised, and where the party are to halt, and take lemonade with a stick in it, and broiled chicken, and huge joints of meat, and jolly sandwiches, and real good coffee, and substantial pies and cakes, and a merry dance, with all its soft concomitants, and you have a real Canadian surprise party on runners, one of the olden time. Hurrah for such a sleigh ride! Then next day taper off with a few of Dr. HERRICK'S SUGAR COATED PILLS and you are all as right as a trivet. But don't forget the pills!

### The Great Shoshonees Remedy.

The Great Shoshonees Remedy is an Indian vegetable compound composed of the juices of a variety of remarkable medicinal plants and herbs, the various properties of these different ingredients, when combined or so constituted as to act simultaneously upon the blood, Lungs, Liver, Kidneys, digestive Organs, Nervous System, &c., restoring their functions to healthy action, and being purely vegetable, is as harmless as nature's own beverage. This medicine is a decided benefit in all, and a permanent cure in a large majority of diseases of the blood, such as Scrofula, Erysipelas, Salt Rheum, Canker Pimples, &c. In prescribing this medicine we do not claim that it always performs cures; but this we do say, that it purifies and enriches the blood, permanently curing a large majority of diseases arising from its impurities. It stands far ahead and unequalled among the hundreds of competing medicines of the day. It has stood the test of ten years, and is to day more popular than ever. As a summer restorative it stands unrivalled; it enables the system to bear up against the constant drain to which it is subjected by a high temperature. Persons who are subject to bilious Colic, Dysentery, indigestion, &c, should take the Shoshonees Remedy. Price of the Remedy in pint bottles $1; Pills, 25 cts a box. Sold by all medicine dealers.

PETITT'S EYE SALVE.—An Infallible Remedy for all diseases of the Eye (acute or chronic), granulation of the lids, ulceration of the lachrymal glands, film and weakness of the vision from any cause. The *American Eye Salve* is presented to the public with the assurance of its efficiency, as a curative of most diseases of the eye, acute or chronic inflammation, whether induced by scrofulous origin or otherwise, weakness or defect of vision, diminished tone of the optic nerve, or a diseased state of the tissues constituting that organ. It is used successfully for Piles. Its soothing effect is immediate, and a permanent cure requires but a few applications. Northrup & Lyman, Toronto, Agents for Canada. Sold by all druggists.

*Mitchell's Felladonna Improved India Rubber Porous Plaster.*—There has never been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters. They are very soft and pliable, still very adhesive; and a sure cure for Weak Backs, Pains in the Side and Breast; comfort is valuable to those who have a Cold of long standing, and often prevent Consumption. Some even tell us they believe they were entirely cured by the use of them of a long seated consumption. Prepared by GEORGE F. MITCHELL, Lowell, Mass, and sold by all Druggists.
