OBITUARY

JOHN CAMERON

One of Acton's oldest citizens and a man who has been identified with this community for the past seventy years, passed to his reward on Monday when John Cameron died at his home on John Street. It is just six months since the beloved partner passed on and those who met Mr. Cameron regularly could see him declining rapidly under the weight of years. Yet he kept his interest in the affairs of Acton to the last, and but a couple of weeks or so before his death attended the annual meeting of the Acton Free Library Board, of which he was the oldest member. He was confined to his bed only a few days and passed peacefully away on Monday. John Cameron was a son of the late Angus Cameron, and was born in Blackford Perthshire, Scotland, eighty-five years ago. As a young lad of ten years he came with his parents to Canada and settled at Keene, near Coburg. He resided there until seventeen years of age and then came to Acton, where he has since made himself a citizen in the truest sense of the word. He was twice married, his first wife being Miss Elizabeth McKerchon, who died in 1891. A little daughter came to bless the home, but died in infancy. In 1893 he was married to Jennie Campbell, who died only last September. A brother, Mr. Hugh Cameron of Barnia, and a sister, Mrs. Edward Hyde, of St. Catharines, still remain. John Cameron was a man whose impress for good and the upbuilding of this community will long be remembered. As an expert builder and architect, scores of homes and residences of Acton remain as a monument to his skill. In his church life at Knox Presbyterian Church he was most faithful and capable. He was, at the time of his death, the Senior Elder of the Board. For thirty years he was Clerk of the Session and for twenty-five years he taught in the Sunday School and was its Superintendent. Rarely indeed did he miss any of the services and faithful to the last he attended the annual meeting in January and took an active interest in the affairs of the church at that meeting. As a citizen of the community he also stood for the right, took a place and stood out without fear or favor on the side of right and that which he considered to be for the common good of all. He took an active interest in municipal affairs and at the time of his death was a member of the Free Library Board a position he had held since the inception of the Free Library in Acton.

In his younger days he was identified with Acton Band, and at the time of the Persian Raid, in 1866, volunteered his services and started for the scene of action. Loyal to his country, his community, his church and his friends, his life and works will long be remembered in Acton and the district. Indeed, there is scarcely a phase of the community in which Mr. Cameron was not interested and practically helpful. The funeral was held Thursday afternoon with service in Knox Presbyterian Church, conducted by his pastor, Rev. H. L. Binnie. Interment was made in Fairview Cemetery.—Free Press.

The late John Cameron was a competitor in a quoit pitching contest for the Championship of Canada with the late George Gibbs at Georgetown 50 years ago.

GLENWILLIAMS

A disastrous fire took place on Monday afternoon about 4 o'clock when the house and contents on Mr. Joseph's Hafenecker's farm on the 9th Line above the Glen was totally destoryed, with almost all of the contents. There was nobody at home when the fire started and its origin is unknown.

NORVAL

The Parish Hall Improvement Society will hold a dance on Friday, April 21st. First Friday following Easter Sunday. Keep this date in mind and watch for further particulars later.

Three women and two children were injured when a car driven by Mrs. (Dr.) Hacking of Guelph, skidded on the ice on Norval hill, Monday about 1 a.m. as the party were returning to Guelph. One lady had her arm broken, another some ribs fractured and Mrs. Hacking was badly shaken up. The two children escaped with severe bruises. After receiving medical attendance all were able to proceed home.

Another car skidded about the same place a little latter but fortunately no one was injured.

ERIN

Mrs. Bush and Mrs. Huffman returned home on Sunday, after spending some time with Buffalo friends en route from California.

Mr. John Longstreet, Jr., of Belfountain, suffered a broken leg when he was upset from a load of wood which fell on his body. Dr. H. Gear attended his injuries.

Congratulations to Mr. and Mrs. George Griffin, who quietly celebrated the fiftieth anniversary of their wedding on Tuesday, March 7th.

Mr. Robert Somerville was the victim of the ruts and ice on the road on the 17th sideroad, on Monday night, when he lost control of his touring car and it turned over into the ditch. The top and windshield were demolished as was a front and rear wheel and other parts. Somerville miraculously escaped without a scratch.

A former Erin resident, in the person of William O. Hillock, died suddenly in Toronto, on Monday, February 27th, just as he was preparing to commence his daily duties. He had been in the best of health and his sudden demise came as a great shock to his family and friends, and especially to his wife, who has been ailing for some time. Deceased was in his 68th year and has been living in Toronto for the past 15 years.—Advocate.

MILTON

The number of families on relief in Milton is gradually being reduced. This will take a heavy burden off the town's finances.

Mrs. Elizabeth Storey, widow of the late John Storey, who is one of Milton's highly esteemed citizens, celebrated her 87th birthday on Friday last at the home of her daughter-in-law, Mrs. George Storey, and was the recipient of many bouquets of flowers and hearty congratulations. Mrs. Storey, who was born in Esquesing township, is enjoying fairly good health, does not use glasses and can read the finest print without any difficulty.

T. D. Hume, who underwent a serious operation in Hamilton General Hospital last Saturday, is doing nicely. His many friends hope he will have a speedy recovery.

Mrs. J. D. Henderson, of Winnipeg, arrived in town Tuesday morning to attend the funeral of her father, Thos. F. Wilson, and will remain for a few weeks.

John Pettit, treasurer of Nelson township, has been appointed clerk pro tem, to fill the vacancy caused through the death of the late John F. Richardson.—Champion.

MARCH 15 LAST DAY TO GET CAR LICENSE

Motorists who drive cars with 1932 plates after March 15th will find themselves liable to prosecution for a breach of the Highway Traffic Act, according to a statement issued by Hon. Leopold Macaulay. The government is not considering further extension of the period of grace.

"The 1933 permits and licenses have been available now for three full months and I feel that no further extension is possible," said the minister. "The extension was permitted originally to allow those suffering temporary financial embarrassment to obtain their permits without unnecessary hardship."

BANQUET AT MILTON

Halton Milk Producers and Holstein Breeders held a successful Banquet in the United Church, Milton, last Thursday night. The attendance considering the weather was very good and everybody present enjoyed the evening.

Mr. E. H. Clark, President of Ontario Milk Producers, gave a splendid address. It sure was an eye-opener to skeptical members of the Association on what the new association had done already and what it is planning to do in the future. He stressed on 100 per cent. co-operation and pointed out that the small collection could do wonderful work if members stood behind their Association.

Rev. Dr. Snell of the Mohawk Indian Reserve gave a very thoughtful talk on future social conditions, but the world would have to change considerably before these conditions can be established.

All enjoyed the good programme provided by Mrs. Calloway, the Milton Quartet, and High School Band.

Mr. Kheiling spoke to the Milton Calf Club Members and pointed out the good features of this movement.

Altogether it was a splendid gathering and all hope to see another successful meeting next year.

REV. ARTHUR PICKERING AT W.C.T.U.

Severe weather and slippery sidewalks prevented a number who would have attended the Mother's meeting held under the auspices of the W.C.T.U. from being present. Those who were present were appalled at the facts and the figures given to them by the Rev. Arthur Pickering of the Canadian National Institute for the Blind. Mr. Pickering, who is not a stranger to Georgetown audiences, spoke very frankly of the "Causes and Prevention of Blindness" and laid particular emphasis on the appalling inroads which venereal diseases are making on our nation. Mr. Pickering listed three diseases to be avoided in the grass which strikes when least expected and which maims but seldom kills. To these diseases can be traced the largest percentage of blindness, insanity and many cases of rheumatism, heart trouble, deafness are attributable to these diseases. The wild living is in most cases responsible for many perfectly innocent [illegible] and the education and all [illegible] the only hope if we are to be brought back to childhood and women the judge [illegible] being rolled up at parties, revels [illegible] lecture lantern slides and if he is [illegible] institutes [illegible] evidence before him these buildings [illegible] entitled to rank followed by picture [illegible] is given poorer than slides which were [illegible] object lessons on the causes. Mrs. J. M. [illegible] was in the chair. A number of hymns were sung and prayer offered by Mrs. Rumley and the Rev. Arthur Pickering. The lesson was the story of the Good Samaritan.

Only business requiring immediate attention was dealt with. Among this was arrangements for the oratorical contests in April. These will be held on the evening of April 7th in the M. S. room of the Baptist Church. A very gratifying number of entries have been received from children eight and under and it was decided to award a special prize for these little ones. The committee in charge of refreshments for this meeting will be Mrs. A. Speight, Mrs. W. Deans, Mrs. N. Tuck and Mrs. Fewre. A large number of entries have been received from high school pupils in connection with the essay and poster competitions and this should prove a very interesting contest. The committee in charge were empowered to pick their own judges.

Musical numbers added to the interest of the meeting. Before Mr. Pickering spoke, Mrs. Cecil Webster gave a very charming pianoforte selection. At the close of the talk little Martha Rumsley delighted her listeners with a very dainty number which was well played. Douglas Allatt contributed a vocal solo "Killarney."

A vote of thanks was offered to Mr. Pickering and all those taking part in the program.

Georgetown Juniors Win Grand Challenge Series

TAKE ACTON INTERMEDIATES TO TUNE OF 5 TO 3 ON SATURDAY NIGHT

There was only a fair crowd at the Arena here on Saturday night last to witness the local Juniors give the Acton Intermediates a 5 to 3 beating in the Grand Challenge Series.

This was the second game in the series, Georgetown having won the first game in Acton last week by a 3 to 1 score.

The game here was a more hotly contested struggle than the previous game, and perhaps showed more distinctly that the Juniors were much the better team.

Acton had many chances to score but wrists smoothly, combined with the fine back-checking of the visitors, and the extra good goaling of Alcock negatived their efforts.

The goal-getters were for the locals Chaplin, Ward, W. Richardson, W. Ritchie and A. Ritchie; and for the visitors, Spooner, Huffman and Ardern.

The teams lined up as follows:—

Georgetown—Goal, Alcock; defence, Hall and Dewhurst; centre, W. Ritchie; wings, Richardson and McNally; subs, Ward, A. Ritchie and Moore.

Acton—Goal, Holloway; defence, Gibbons and Walters; centre, Terry; wings, Woods and Anderson; subs, Spooner, Huffman, Marno and Arnott.

Referee—D. Brush, Milton.

EX-WARDEN'S ASSOCIATION

Peel and Halton Ex-Wardens Association was organized at Brampton on March 10th, 1933, with the following officers:—

President—W. S. Lindsay, Milton.
Vice-President—D. Hutchison, Milton.
Secretary-Treasurer—O. R. Church, Streetsville.

Executive Committee—The above named officers, along with Ex-wardens J. F. Little and Chas. Meadhead of Halton, and W. J. Beatty and J. H. Beck of Peel.

There are 22 members paid-up and several more will join.

It was decided to hold a banquet in the near future.

Taxation in Canada

TAXES PER CAPITA
ACCORDING TO
DOMINION-PROVINCIAL AND MUNICIPAL

Combined taxes levied by Dominion, Provincial and Municipal Governments in Canada were $55,000,000 in 1868-9, $93,001,361 in 1902-3, $238,036,485 in 1913-14, $850,851,718 in 1921-22, and $772,949,445 in 1929-30, according to a study prepared by W. Sanford Evans, and released for the National Committee on Economy in Public Finance, by the Canadian Chamber of Commerce.

Per capita, the levies are as shown in the diagram; $10.94 in 1868-9, $15.98 in 1902-3, $61.30 in 1913-14, $84.10 in 1921-22 and $77.08 in 1929-30.

Most tax bills are paid by heads of families. Adopting the income returns of 1921 of 4.61 persons to the average per family then taxes per family of $164.14 in 1913-14 had grown almost 2½ times to $356.10 per family in 1929-30, or almost $30 per month.
