WOMEN'S INSTITUTE

The April meeting of the Women's Institute held at the home of Mrs. Ralph Tripp was well attended. After the usual form of opening and the reading of the minutes, a report of the Sewing Course held in the month of April was given. On the last afternoon of that course a dress had been cut out for one of the members and at this meeting the finished garment was displayed.

The euchre party held in March, with Mrs. Kentner as convenor, netted the funds $18.30. A vote of thanks was tendered to Mrs. Kentner and her committee for their work and to Miss Watson for the use of her house for that occasion. The euchre party to be held in April will have Mrs. McWhirter as convenor, the date and all other plans to be left to the discretion of the committee.

Mrs. D. Livingstone reported on the District Directors meeting held in Milton. At that meeting arrangements were made for the summer series meetings and for the District Annual meeting which will be held at Burlington on June 2nd. There will be four summer series meetings held in this district, one at each of the following places: Georgetown, Acton, Palermo and Nelson. The Georgetown Branch will have, with them the Institutes from Ashgrove, Stewarttown and Norval, but it is hoped that every woman in the district will feel herself free to join with them. While held under the auspices of the Women's Institutes, these meetings are for every woman who is interested in women's affairs to attend. At this date it is not possible to announce the name of the speaker or the subject, but it has been the happy experience in the past to always have a speaker who presented a subject of very general interest and the women are again looking forward with pleasure to this annual event. It is an excellent opportunity to make new friends and renew old acquaintanceships as a social hour is spent at the close of the program. Plans are being made to use the library for the meeting which will be held on May 23rd.

After presenting the report of the District Director's meeting, Mrs. Livingstone spoke of the call that had been made for certain layette garments during the month and the need for replenishing the stock on hand. Also, reference was made to the work of the Central Relief Committee and $25.00 was voted from the Institute funds for this work.

Miss Applebe reported on the plans for the Arts and Crafts Exhibit to held in connection with the loan exhibit of the Ontario Society of Artists.

After the roll call which was answered by giving one of 'Grandmother's Sayings,' Mrs. Harold Cleave gave a very interesting demonstration on boning a fish.

By way of remembrance at Eastertide, it was planned to send a book to the Armenian boy which this branch have been interested in for several years.

A quartette composed of Mrs. Feller, Mrs. Allatt, Mrs. Duncan and Mrs. Thos. Anderson rendered "Jesus, wondrous Saviour," the McMaster University hymn which was the subject of the Rev. A. N. Frith's address in March. The same ladies were asked to sing another hymn at the May meeting, which will be held at the home of Mrs. Harold Cleave, and to lead in the singing of a second hymn. Mrs. Cecil Webster was accompanist and was asked to arrange for the singing of these request numbers.

After partaking of refreshments and tendering a vote of thanks to the hostess, the meeting was adjourned.

W.C.T.U. CONTEST

The Elocution Contest held in the Sunday School room of Knox Presbyterian Church on Friday evening last under the auspices of the W.C.T.U. was far the most successful ever conducted at this centre. There was an almost capacity audience and the number of contestants, 30 in all, was the largest yet. One might easily prophecy that this will, from now on, become an important annual event in the lives of the school children of this district.

An innovation was the class for 8 year old children, in which there were nine entries and in this class as well as in the others which came later, the judges had quite a difficult task before them to decide the winners. All the children were well trained and had a poise which an adult might well envy. The winners were 1st Georgina Foster, Ballinafad; 2nd, Alva Cripps, Georgetown; honourable mention, Robert Allatt and Douglas Marshall, both of Georgetown. In the Junior Contest, children 9 and 10 years of age, with 9 entries, the winners were as follows: 1st, Evelyn Honey, Georgetown; 2nd, Johanna Shortill, Ballinafad; honourable mention, Ines Scott, Limehouse; Harold Brown, Limehouse. In the Intermediate Class, 11 entries: 1st, Myrtle Parnell, Limehouse; 2nd, Ellen McDonald, Limehouse; honourable mention, Gordon Irvine, Ballinafad; Dorothy Cleave, Limehouse. The judges for these contests were Miss McDowell, Miss Waterman and the Rev. A. O. W. Foreman, all of Erin.

The Essay competition results were as follows: Grade 7 in order of merit, Betty Grant, Floria Feller, George Long; grade 8, Arnold Brill, Jane Rumley, Hazel Heimbecker; Form 1 High School, Marjorie Evans, Margaret Evans. The judges were the Rev. R. W. Rumley and the Rev. A. N. Frith.

In announcing the latter the chairman remarked with interest that this duet represented three generations of W.C.T.U. members, Mrs. Vannatter, also the grandmother, Mrs. A. Speight, pianist, the second generation, and Miss Betty Speight, soprano, the third generation. Betty is a member of the L.T.L.

At the close of the program Mrs. Caldwell, president of the local union W.C.T.U. thanked those who had in any way contributed to the success of the program.

The winner of the first prize in the Intermediate section of the Elocution contests, Myrtle Parnell, Limehouse, received a silver medal and will enter in the gold medal contest to be held at the County Convention.

Miss McDowell of Erin, one of the judges in the elocution contest was requested to speak to the audience and in response delighted both young and old with a delightful reading.

Before the meeting disbanded, refreshments were served, the senior girls of the L. T. L. acting as waitresses.

STAIRS MADE HER GASP FOR BREATH

Penalty of Excess Fat

Although she has lost but 7 lbs. of her overweight, this woman finds that 7 lbs. has made a remarkable difference to her. There can certainly be nothing wrong with a reducing treatment that brings such increased energy and vigor.

Her letter reads:—"I am 53 years old and my height is 5 ft. Last year I weighed 154 lbs. For six months I have been taking a half-teaspoonful of Kruschen Salts, making no change of my diet. Now I am less round the hips, and only weigh 147 lbs. dressed. But I feel lighter and can now run upstairs, which before used to make me gasp for breath. Everyone says how well and fit I look, as I am in a store and get no walking exercise at all. The results may not be startling but the fact remains that I feel much better than of late years—not so heavy—and I now enjoy dancing."—(Miss) J. H.

Kruschen is based on scientific principle—it's an ideal blend of 6 separate minerals which help glands, nerves, blood and body organs to function properly and maintain a splendid degree of health—it builds up energy and strength all the while you're training yourself down to a point of normal weight.
