Mr. and Mrs. Josiah Allen.

Sometimes Mrs. Josiah Allen would engage in a discussion with her husband, when she would free her mind in this style, the subject being 'Happy Homes and Children:'

'When did you ever see a couple that hated each other, or didn't care for each other, but what their children, was either jest as mean as pusley—or else wilted and unhappy looking like a potato sprout in a dark sullar? What that potato sprout wants is sunshine, Josiah Allen. What them children wants is love. The fact is love is what makes a home—I don't care whether its walls are white, stone, marble or bass wood. If there hain't a face to the winder a waitin' for you, when you have been off to the store, what good does all your things do you though you have traded off ten pounds of butter? A lot of folks may get together in a big splendid house, and be called by the same name, and eat and sleep under the same roof till they die, and call it home, but if love don't board with 'em give me an umbrella and a stump. But the children of there marriages I speak of, when they have been brought up in such a warm, bright, happy home—can't no more help growing up sweet, and noble, and happy than your wheat can help growin' up straight and green when the warm rain and sunshine falls on it. These children, Josiah Allen, are the future men and wimmen who are goin' to put their shoulder blades to the wheel and roll this world straight into millenium.'

What's an Editor.

Josh Billings is so confounded obstinate in adhering to truth that we insist he should be abolished. Look at this:

A editor is a mule whose biziness is to investigate a news paper. He writes editorials, grinds out poetry, inserts deths and weddings, sorts manuscripts, keeps a waste basket, blows up the "devil," steals matter, fites out other people's battles, sells his paper for a dollar and fifty cents a year, takes white beans and apple sass for pay when he can get it, raises a large family, works 10 hours out of 24, noz no Sunday, gets damned by everybody and once and a while gets whipped by somebody, lives poor, dies middle-aged and often broken-hearted, leaves no money, is rewarded for a life of toil by a short but free obituary puff in the nuse papers.

WONDERFUL DISCOVERY.

EMPRESS RELIEF

THE FRIEND OF MANKIND.

An Internal and External Remedy

A BALM FOR EVERY WOUND

Cures Rheumatism and Neuralgia, and Kills all Pain instantly—"Deny it who can."

It is the only known remedy for Rheumatism on the "American Continent proven by thousands." As soon as applied it gives instant ease to the unfortunate sufferer. It is rapidly absorbed, penetrates to the very bone, and enters the circulation, neutralizing all "Rheumatic Poison" circulating in the blood, and it expels it from the system through the natural outlets.

IT CURES

Toothache, Earache, Headache, Neuralgia, Rheumatism, Sprains, Swellings, Inflammation, Burns, Cuts, Bruises, Pain in Side, Pain in Back, Pain in Chest, Pain in Shoulder, Coughs, Colds, Frost Bites, Chilblains, Diarrhœa, Dysentery, Summer Complaint, &c., &c.

It will cure the most agonizing Pain, internal or external, in one instant of time. Pocket your prejudice and give the investment is small and relief certain.

The great secret of its success with all classes is owing to the fact it is safe and harmless, pleasant to take, gives instant ease and can be applied to a wider range of disease in every day life, with greater success than any preparation which research, skill and "Medical Science" has yet produced.

As a proof of its great power over disease, any person no matter who it may be,

Rich or Poor Old or Young,

who is suffering from any of the above painful complaints, will call at the OFFICE IN TORONTO, any day in the week will get practical proof—Free of Charge of its magical power over pain in one application.

☞ Testimonials from all parts of the Dominion, are constantly coming to hand giving expression to the most grateful gratitude for astonishing cures which it has performed, and we would be pleased to receive testimonials from all others who use it successfully.

Physicians of the highest respectability recommend it as a most effectual "domestic remedy" for the relief of Pain in cases of sudden emergency.

Carry it to your homes and it will prove a blessing to your families and afflicted friends.

Druggists are selling enormous quantities of it wherever introduced.

I challenge the world to produce its equal.

☞ The trade supplied through the wholesale Drug and Patent Medicine houses of Montreal, Toronto, Hamilton and London.

Price, 25c per Bottle.

Dr. J. Collis' Brown's Chlorodyne

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma

CHLORODYNE effectually checks and arrests those too often fatal diseases, Diptheria, Fever and Croup, Ague.

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLOLRDYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache Meningitis, &c.

From Lord Francis Conyngham, Mount Charles, Donegal, 11th Dec., 1868.

"Lord Francis Conyngham, who this time last year bought some of Dr. J. Collis Browne's Chlorodyne from Mr. Davenport, and has found it a most wonderful medicine, will be glad to have half a dozen bottles sent at once to the above address."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla, to the effect that Cholera has been raging fearfully, and that the only remedy of any service was Chlorodyne.—See *Lancet*, 1st Dec., 1864.

CAUTION.—Beware of Piracy and Imitation.

CAUTION.—Vice-Chancellor Sir W. Page Wood stated that Dr. J. Collis Browne was undoubtedly the inventor of Chlorodyne, that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, 19th July, 1864.

The public are further cautioned; a forgery of the Government Stamp having come to the knowledge of the Board of Inland Revenue.
