IN MEMORIAM

HAWES—In loving memory of a dear wife and mother, Maude Hawes, who entered into rest July 18th, 1932.

You passed away one year ago
And often said we'd miss you.
Your words have proved to be true
For we lost the best and dearest friend
Dear mother, when we lost you.
When the Lord said, "You have finished
Come up higher Mother dear,
You have won a crown in Heaven
By your love and kindness here."
We remember well our sorrow,
As we stood beside your bed
Our deep and heartfelt anguish
When we saw that you were dead.
We miss your kind and gentle hand
Your kind and earnest care.
Our home is sad without you Mother,
We miss you everywhere.
—Sadly missed by Husband, Sons and Daughters.

WOMEN'S INSTITUTE

A meeting of the Women's Institute was held the first Wednesday of the month at the home of Mrs. Frank Allatt.

After opening in the usual manner with the singing of the Institute Ode, and the repetition of the Institute prayer, Mrs. W. Anderson held the minutes of the previous meeting in the absence of the secretary, and these were approved as read. Items of business arising from the minutes were then dealt with.

Mrs. Allatt gave a splendid report of the executive meeting of the Halton County Musical Festival at Milton, and brought several interesting features to the attention of the members. Mrs. Allatt deserves much credit for her thoughtful and comprehensive report, one outcome of which was that a Home and School Committee was formed, composed of Mrs. Geo. Campbell, Mrs. W. Anderson and Mrs. C. Hayes.

Mrs. Erwin, Mrs. Campbell, Mrs. Ford, Mrs. Livingstone and Miss Appelbe each spoke a few words about the District annual meeting held at Burlington in June.

It was moved by Mrs Campbell, seconded by Mrs. Fuller that the Institute hold its annual picnic the first Wednesday in August in the park. The committee in charge of arrangements for the picnic was named as follows: Mrs. Erwin, Mrs. Ford, Mrs. Freure, Miss Watson. The sports committee: Miss I. Campbell, Miss Mamie Campbell, Mrs. Harold Chave.

The serving of a dainty lunch brought to a close a very enjoyable meeting, which though small in numbers, was large in its abundance of good humour, cheerfulness and good fellowship.

"CAVALCADE" AT GREGORY THEATRE NEXT WEEK

"Cavalcade," the great Noel Coward drama produced by Fox, comes to the Gregory Theatre, Georgetown, next Tuesday and Wednesday July 25th and 26th. It arrives fresh from the most positive triumph ever accorded a motion picture. Wherever it has played it has achieved the highest praise and the most avid enthusiasm from both critics and motion picture audiences.

"Cavalcade" depicts the emotions of two humans, one a mother and the other a father, amid the turbulent events of three decades. It has been hailed as the most touching, most stirring, most magnificient drama ever seen on the screen.

Diana Wynyard and Clive Brook have the principal roles, with a supporting cast that includes Herbert Mundin, Ursula Jeans, Una O'Connor, Frank Lawton, Irene Browne, Merle Tottenham and Beryl Mercer. The production was directed by Frank Lloyd from the screen play by Reginald Berkeley.

SCOUT NEWS

Last week, in place of a regular meeting, the members of the troop took part in the procession advertising the St. George's Church Fair. The cart was gaily decked with coloured ribbon and if the work lacked beauty, this deficiency was overcome by the great array of bright coloured circles, crosses and other designs. Several of the boys also assisted in other items of the parade.

On Thursday the boys also assisted by running a ball shooting apparatus, which was well patronised. Friday was spent in cleaning up the grounds and the troop is very happy to have been of some small assistance in making the fair such a crowning success.

Sunday, July 23rd will be the first church parade of the summer. The troop led by the Georgetown Fife and Drum Band will march from the park to St. George's Anglican Church for morning service at 11 o'clock. After the conclusion of the service and enroute back to the park, they will hold a 'two minute silence' at the War Memorial in memory of our fallen heroes. Then the parade will continue on down Main Street and back to the park.

United Church Sunday School Picnic

It was a beautiful summer day that favoured Georgetown United Church Sunday School picnic at Stanley Park, Erin, last Thursday. Some three hundred school children, together with their parents and friends, gathered at this "one of Ontario's beauty spots," for another of their annual picnics and field days.

The afternoon was spent in softball games, races, boating and bathing. After the sports were over a delicious supper was served by the ladies in the large dining hall of the park.

Stanley Park is an ideal place for a picnic; and as the picnickers wended their way home in the evening, they claimed it to be one of the best picnics yet held.

Lorne Rifles (Scottish) Band at Wasaga Beach

The members of the Lorne Rifles (Scottish) Band together with their wives and sweethearts, held a picnic to Wasaga Beach on Sunday last. The weather was wonderful for the most part, although a shower of rain in the afternoon caused the picnickers to seek shelter for an hour or so.

When the rain had ceased and the sun was shining again, the Band gave a excellent concert at the Beach to a highly appreciative audience of many hundred people. After playing for both those on the beach and those at the river for over an hour, the Band had supper and prepared for home, after spending a very enjoyable day.

NOTES

Eddie Ballingal seemed to show great affection for the horse he was riding, when he was seen going along the Beach with his arms around it's neck.

* * *

We wonder who taught Wilfrid Leslie to ride a bicycle.

Ray Thompson sure showed some of us up in the art of swimming.

Many of the girls who patronised the riding schools at the Beach seem to prefer walking this week.

MAY CHANGE HIGH SCHOOL FEE AFTER SIX YEARS

An amendment to the High School Act passed by the legislature recently provides that a fee may be charged to pupils who remain in high schools longer than six years. The fee shall not be higher than the average cost per pupil for education in the high schools where the pupil is attending.

Another clause definitely fixes the school terms of the year; From Jan. 3rd to June 30th, and from Sept. 1st to Dec. 22nd. An exception allows schools to resume on the following Tuesday when Sept. 1st falls on Friday.

St. George's Country Fair an Outstanding Event

CALITHUMPIAN PARADE THE BEST YET

St. George's Church held their annual Country Fair last Thursday and as usual held a calithumpian parade through the streets in advance. The parade was about the best seen in this district as it was rather difficult to pick out any item to praise more than another. The antics of the horse (camel) was very amusing, and the cannibals really looked their part. The parade did great credit to those in charge and to those who made the costumes.

The Fair opened at 2 p.m. and the church grounds looked very attractive with the different booths, decorated and the lights among the trees. The afternoon was spent in sales pinafory, sale of home-made baking and fancy work. The Men's Club with their bingo game were kept busy. Around five o'clock a move was made to the Sunday School room where a delicious supper was served on tastefully decorated tables, and after the heat of the sun, this was a cool and refreshing place to enjoy the good things set before us.

About 8.15 the strains of the Lorne Rifles (Scottish) Band could be heard approaching. The garden party was the usual success that St. George's always is. The two radio stars, Miss Phyllis Hence and John Edmondson of Toronto were a great hit. Miss Hence sang several numbers to prove her claim of being "the girl with two voices," and Mr. Edmondson had a rich baritone voice, and told some good stories. Miss Alison Sears and Miss Elaine Watson presented a playlet "The Jewels of Buddaghandi" and played five distinct parts. "Gumed Outsoles" was the final number on the programme and caused much merriment. The two bigger going through the customs played their parts well, as did the customs official. The selections rendered by the Lorne Rifles (Scottish) band under the baton of Mr. A. H. Perrott, were much appreciated.

After the garden party quite a number made their way to the town hall for the dance which closed a very enjoyable day. The music was supplied by C. Brandford and his orchestra.

A feature of the dance was a special novelty dance given by "The Labelles."

The arrangements were in charge of E. E. Young and L. W. Dann the wardens of the church, and the following had charge of the different booths, etc: parade, Mrs. L. W. Dann and W. F. Bradley; home-baking, Mrs. S. Markemis; fancy work, Mrs. J. Farmer; tea rooms, Mrs. McQuigan; ice cream, Mrs. M. Watkins; bingo game, Sons of St. George.

The decorated doll carriage and bicycles were judged by Mrs. (Col) Mason and Mrs. Lawson, who had a difficult task to pick out the winners. These were: doll carriages, Betty Henny and Betty Paul; all the others having honorable mention; bicycle winners were John Farmer and Allan Parton. The winners in the bean guessing competition were Mr. Margreaves, Toronto; Miss Allison Great and Mr. J. M. Smith, Streetsville. The winners of the lucky draw held by the Sons of St. George were J. Collier, Mrs. Henny and J. Shepherd.

RAIN ON SUNDAY BROKE LONG DRY SPELL

A badly needed rainfall did much to improve the crops about here on Sunday, and the potato crop in particular. Many acres of potatoes have been nearly destroyed with heat and bugs. Wheat is being cut this week, but fair.

Fruit men are experiencing one of the worst droughts in many years and are faced with serious loss. Raspberries have been particularly hard hit.

Sound cherries though are appearing on the market in large quantities.

ACTON

Margaret Harrison and Frances Dills are spending a few days at the home of Mr. and Mrs. Andew McDonald at Terra Cotta.

Mrs. M. D. Warren, Chief Commissioner for Canada of Girl Guides, and Ms. Grant Poplar, General Commissioner for Toronto of Girl Guides, called in Acton and visited Mrs. C. M. Harrison.

Miss Isabel Cowie has been appointed to the staff of the Guelph Collegiate at a salary of $1,600. Miss Cowie has been teaching the past two years in Kincardine.

Thrown beneath the sharp prongs of a hay rake when a team of horses she was driving ran away, Gladys Wright, 18-year-old Maryboro township girl, was painfully injured on her father's farm. The girl was tossed from the rake as the team dashed madly across a rough field, one of the points piercing her chest. She also suffered a fractured rib.

When automobiles driven by Frank N. Bingham, Harriston, and Rev. M. C. Gandier, Eden Mills, figured in a collision on Wyndham street, Guelph, Ada Jennings, Eden Mills, a passenger in Rev. Mr. Gandier's car, received a scratch on her side. The injury was not serious. Both cars were damaged in the crash which occurred when, police say, Bingham backed away from the curb.—Free Press.

Georgetown Trounce Acton by 13 to 6 Score

NOW IN SECOND PLACE IN COUNTY LEAGUE

Georgetown took undisputed possession of second place in the Halton County League standing on Saturday last when they trounced Acton, right in their own little back yard, by the tune of 13 to 6, and now it looks as Acton and Oakville will be fighting to keep out of the cellar position, instead of Georgetown and Acton as the Free Press stated a couple of weeks ago.

There was a good crowd out and they were treated to a real game of ball with lots of good clean hits and also plenty of runs, which is what the majority of the fans like to see. Walters again started the pitching duties for Georgetown and except for two innings he turned in a fine effort. Mosiatty, who was playing left field was called in to relieve in the sixth inning, after Acton had scored four runs on as many hits. In the seventh Walters went right back at them and held them scoreless for the remainder of the game. Chalmers started on the mound for Acton, but wasn't very successful. After Georgetown had pounded sixteen hits off him he gave way to Matthews in the ninth inning, but the damage had been done by that time, and it really wouldn't have mattered if they would have had Lefty Grove for that last inning.

Georgetown started scoring early, and at the end of the fifth had piled up six runs, only to have the home boysmore tie it up in the sixth on several extra base hits, including a homer by Tyler which went by McNally in left field. At this stage of the game the Acton rooters were nearly in hysterics, but in the seventh it was a different story when Georgetown scored five after two were out and there was hardly a murmur from the Acton crowd after that. However, there were a good number of fans from here who went up with the team, and they certainly made themselves heard.

The next two games will be played at home. Oakville playing here this Saturday and Milton the following week.

The boys appreciate your support so let's get behind them and see if we can't bring the league championship to Georgetown this year.

Following is the summary:

	R.	H.	E.
Georgetown—	0 2 1 1 0 5 1 1 —13	17	0
Acton —	0 0 0 0 3 0 0 0 0 — 6	9	4

Home run—Tyler.
Three base hits—Chalmers.
Two base hits—Morton, Holloway.
Struck out—By Walters, 10; by Chalmers, 6; by Matthews, 1.
Base on balls—Off Walters, 3; off Chalmers 2.
Umpire—"Babe" Horning, Hamilton

This is how the teams stand at present:—

	Played	Won	Lost
Milton	9	7	2
Georgetown	9	5	4
Acton	9	4	5
Oakville	9	2	7

DRIVING REGULATIONS

One of the fool regulations under which we suffer is the one that requires a motorist to carry his driving license with him. In hot weather when the coat is frequently left at home the license is often with it. There is no sense to the rule anyway, for it is not a matter of having the license with you, but whether you are a licensed driver, but despite the argument against it the rule remains.—North Bay Nugget.

ONTARIO
DEPARTMENT OF HIGHWAYS
MOTOR VEHICLES BRANCH

AN OPEN LETTER
to the 13,060 motorists who killed or injured 8,733 men, women and children on the highways of Ontario last year

If you are one of those who know the rules of safe driving and obey them, thank you; this message is not for you.

If you are a driver who has helped to swell the total of deaths and injuries to the disgraceful figure shown above, take full note!

Because of your selfishness, your wilful neglect or thoughtlessness, or perhaps because you think you know better than anyone else how to drive a car and insist upon making your own rules, the lives of 502 citizens of Ontario were snuffed out in twelve months time. During the same period 8,231 were injured, scarred; some of these will never walk again. Among your victims were 853 children playing in the street!

Do you think this kind of driving is worth while? Do you think you are entitled to a license to drive? If one of these victims had been *your* child, your brother, sister, father, mother, or even a friend, would you accept the excuse that the offender's brakes failed, that the pavement was slippery, that he failed to give a proper signal, or just took some kind of a chance or another? Could you find *any* excuse for him?

Driving a car brings more pleasure and convenience to more people than perhaps any other modern utility. The highways department knows this. No Province has been more thoughtful and generous in seeking to add to this pleasure and convenience. But you, the unsafe driver, are nullifying the effect of all that has been done. You are making every street and highway unsafe for both pedestrians and other drivers. You are a menace to the aged, the infirm and to little children.

To educate you in the rules, to appeal to your sense of fair play, to show you how your recklessness imperils your own life and property, as well as that of others, this department has gone to great lengths. The press, the schools, the radio—all have been utilized in an effort to curb unsafe driving—and the campaign is being continued this year.

What are you going to do about it? Remember you are responsible only for your own acts. If the other fellow takes chances, let him. But if you, now that the heavy driving season is at hand, will do some common sense thinking, if you will let your sense of fair play govern your driving this season, if you never forget that by driving safely you can help to protect the life and property of every citizen of Ontario, then this department will have a different, happier story to tell a year hence.
