A Wonderful Contortionist.

A Toronto report says:—Chas. H. Warren, of Schoylerville, N. Y., a contortionist, gave an exhibition at the General Hospital before the leading physicians of the city and about a hundred medical students of his wonderful control of his limbs and internal arrangements of his body, which he seems to have power to displace and move about at will. For instance, in a second's warning, Mr. Warren will tuck the contents of his abdomen up under his ribs leaving that portion of his anatomy which Æsop teaches us is the one upon which all the others depend as empty and collapsed as the carpet bag of a professional boarder. On the other hand, however, this extraordinary man can apparently drive his lungs, heart and nearly everything else that would properly find a home in the chest downinto his abdomen, so that the chest, which, when expanded measures 41 inches, only measures 22 when collapsed. In this manner Mr. Warren can also contract any set of muscles at will, a power which seemed to astonish the persons who witnessed his performance more than the display of any of his other accomplishments. He is 30 years old, stands 5 feet 9 and a half inches high, and weighs a trifle over 150 pounds. The exhibition has created the greatest interest among the medical fraternity, who are completely nonplussed at the character of the feats performed.

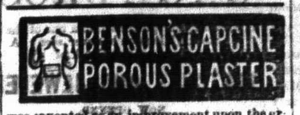
THE WONDERFUL
Pain Reliever.



was invented as an improvement upon the ordinary Porous Plaster. It contains all the valuable qualities of the common slow acting Porous Plaster, but here all comparison ends; for the new combination of powerful vegetable ingredients contained in Benson's Capcine Plaster makes it far more prompt and effective in its action than the ordinary porous plaster or any other external remedy including liniments, all liquid compounds and the so called electrical appliances. The pain relieving, strengthening and curative properties of this article are truly extraordinary.

LAME BACK.

For Lameness or weakness of the Back and Spinal affections, Pains in the side or Hips, arising from colds or over exertion, Strains or any other cause, the best known remedy is Benson's Capcine Porous Plaster.

It gives almost immediate relief, strengthens and cures where other plasters will not even relieve.

WOMEN AND CHILDREN.

Women suffering pains and weakness obtain great comfort and relief by the use of Benson's Capcine Porous Plaster. We cordially recommend it to mothers as a remedy for the ailments of children, in such cases as whooping cough, colds and all affections of the lungs. Many cases have been reported recently where children having the most violent attacks of whooping cough have been relieved in less than one hour.

For Rheumatism, Sciatica and Lumbago, Kidney Disease, Affections of the Heart, Fever and Ague, Stubborn and Neglected Coughs and Colds, Pleurisy, Asthma or Lung Difficulties, and all local Aches and Pains, Inflammation and Soreness.

BENSON'S
CAPCINE POROUS PLASTER

is the best, most convenient, inexpensive and effectual remedy known. We recommend all who are skeptical concerning the above statements to consult reliable physicians in their own locality. Its great merit is known to all well informed physicians and they will confirm the assertion, that it is the best external remedy ever devised.

Sold by all Druggists. Price 25 cents.

Professor Dupuis' opinion of the above named medicine, as a CHEMICAL COMPOUND, is as follows:

"I have carefully examined the composition of a Tonic Compound known as the STANLEY ETHIOPIC ELIXIR, and have found its ingredients to be wholly vegetable, and of reputed medicinal value. It contains no incompatibles, no mineral or other poisons, and it might be taken in even abnormal doses without producing serious consequences. I believe it to be thoroughly safe, and reliable, as far as it is a Chemical Compound." (Signed)

We, the undersigned, certify to whom it may concern, that having personally or in our families, used the STANLEY ETHIOPIC ELIXIR referred to by Professor Dupuis in his certificate, cheerfully commend it to the public as being in our judgment an excellent Family Medicine:
