DIED

McLEOD—In Terra Cotta on Thursday, April 5th, 1934, Florence McLeod, aged 75 years.

OBITUARY

FLORENCE McLEOD

An old and respected resident of Terra Cotta, in the person of Florence McLeod, passed away at Terra Cotta on Thursday, April 5th, in her 75th year. Deceased was born on lot 36, con. 6, Chinguacousy and had been a resident of Terra Cotta for the past 40 years. She is survived by one brother, James McLeod, of Terra Cotta, and three nieces who reside in Middletown, Orillia and Toronto. Deceased was a former member of Cheltenham Presbyterian Church, and the funeral service on Saturday was conducted by Rev. Dr. Howard of Georgetown, when the remains were interred in Boston Cemetery. The pall-bearers were: Edward Townsend, Joseph McBride, Wm. Hunter, Robert Pickering, Lorne Crane and Wm. Rutledge.

MRS. FRANK NUNAN

Member of one of Guelph's prominent families, Mrs. Frank Nunan, formerly Miss Mary Hesse Ryan, passed away last Friday night at St. Joseph's Hospital. She had been in ailing health for some time and while her death was not totally unexpected by the members of her family, it came as a great shock to her many friends throughout the city. The late Mrs. Nunan, who was in her seventy-fourth year, was a native of Orangeville, Ontario, and was the eldest daughter of the late Patrick and Mary Ryan. She was a granddaughter of the late Colonel Hesse, of the Irish Fusiliers, who brought his family from India to become pioneer settlers of the Orangeville district. The late Mrs. Nunan came to Guelph, following her marriage forty-nine years ago. She took little part in affairs of any kind outside her own home, to which she was greatly devoted. Surviving are her husband, four daughters, Mrs. Albert Wyndham, Paris, France; Mrs. Arthur Watson, Hollywood, California; Miss Frances, of the staff of the Homewood Sanitarium, Guelph; and Miss Marguerite, at home; and two sons, Rev. Fr. George Nunan, S.J., of the Gregorian University, Rome, Italy, and Harry at home. The funeral took place on Monday morning from her residence, 47 Kirkland Street, to the Church of Our Lady, for requiem high mass at nine o'clock.—Guelph Mercury.

TRAIL RANGERS

The Trail Rangers held another of their amateur nights last Wednesday, which meant an enjoyable evening for all. It was splendid to see the younger boys entertaining with skits, talks and music, while the older boys supplied the applause. The radio skit with R. Varey, announcer, and John Emmerson as the talking reporter, brought forth some startling gossip. The versatile reporter showed an aptitude for music, too, with his perfect imitation of stringed instruments. This evening terminated the indoor meetings and the boys are now ready for their outdoor program. They meet this Wednesday for a short softball practice, which will be followed by running, dodge-ball, volley-ball and basket ball.

The members took full advantage of the perfect spring weather, Sunday, when they went for an instructive walk into the woods.

Next Sunday evening, April 15th, the boys will visit the Baptist Church in a group. This completes the circuit of the church visitations.

LIONS CLUB NIGHT

DISTRICT GOVERNOR THOMAS H. WILEY MADE OFFICIAL VISIT —VISITORS FROM SURROUNDING CLUBS

DINNER AT HOTEL McGIBBON

It was a happy bunch of good fellows that sat down to a tasty dinner nicely served at the hotel McGibbon on Monday night. It was the occasion of the official visit of District Governor Thomas H. Wiley of St. Catharines, and representatives of other Clubs were present from Toronto, Hamilton, Dundas, Burlington and Brampton.

Arthur Beaumont, President of the local Club occupied the chair and called the gathering to order following the dinner.

The first number on the program was a skit on a debate by Messrs. Jack Thompson and Percy Sale. The subject was "Resolved that Education is a good thing." Each of the speakers took two parts and the presentations for and against were severely handled and caused considerable merriment.

President Beaumont called on the following representatives of visiting Clubs who spoke briefly: Dr. O. Jackson, Pres., Hamilton; George Brown, Pres., Dundas; Lee Smith, Pres., Burlington; Jim Shearin, 2nd V. Pres., Brampton; Dan Moss, Dist. Deputy Governor Zone 7, Toronto; Herb. Soper, Past Dist. Governor, Hamilton; Rev. Mr. Tebbs, Burlington, and Jack Connelly, Toronto.

A comic solo by Mr. James Aiple of Brampton delighted the gathering, after which President Beaumont called on Dept. Dist. Gov. Lloyd Dingle of Burlington, who introduced District Governor Wiley.

Governor Wiley said it was a great pleasure to meet the members of Georgetown and associate clubs of the district. He congratulated Georgetown Club on the work they had already done and reminded all that the motto of the Lions Club was "service," first, last and always. The membership of the Clubs is growing by leaps and bounds and the great need for work in helping the underprivileged and handicapped goes on. The real joy of life is being of service to others and working for the betterment of the home and community. We need fellowship, the hand shake and expression that cannot be put into words. There is a desire in every man's heart to make some one happy with no thought of gain. No matter what a man preaches it is the work of helping the cripples, blind, poverty stricken and underprivileged that makes Lionism the great factor it is today. Providence has given us a wonderful world and told us how to live. Do your part and the reward will be yours. We must work ourselves back into prosperity and there is only one way, the consideration of the other fellow. We forget the golden rule, and Providence never made any mistake. Our lives should be a work of service in an effort to eliminate distress and suffering.

A vote of thanks moved by Mayor Gibbons and seconded by G. W. McLintock was tendered to Governor Wiley for his very able and inspiring address.

President Beaumont thanked all for their attendance, after which the National Anthem brought the evening to a close.

GLEN WILLIAMS

Union Dramatic Club will present their play "No Fool Like an Old Fool" in the town hall, Glen Williams, under the auspices of St. Alban's church on Tuesday evening, April 17th. The play is under the direction of Mrs. E. Macdonald (L. M. Montgomery) and has drew crowded houses wherever presented. Don't miss seeing it. Admission 35c and 15c.

NORVAL

Norval Olde Tyme Nite was a huge success and many were unable to gain entrance to the Parish Hall last Wednesday night. At the request of many the concert and play will be repeated to-morrow, Thursday night, April 12th. If you haven't seen it, don't miss its opportunity Thursday night.

Mr. Samuel Dolson, for many years a prominent and respected farmer of Chinguacousy, died on Friday last in his 78th year. Mr. Dolson was for many years a leading prize winner at the Canadian National Exhibition, and was well known as a breeder of prize sheep and swine. He is survived by his wife; three sons, Dr. Edgar Dolson and Dr. Wilbert Dolson, both of Toronto, and Alexander Dolson, Norval, and five daughters, Mrs. Samuel McClure, with whom he lived; Mrs. O. Leslie, Brampton; Mrs. Norman Cameron, Norval; Mrs. L. O. Brown, Toronto, and Mrs. W. Wilson, Fort Credit. The funeral took place to Norval Cemetery and was largely attended. It was in charge of Ionic Lodge A.F. & A.M., Brampton, of which deceased was the second oldest member.

STEWARTTOWN

The St. John's A.Y.P.A. held a devotional meeting last Friday evening. Group III, "The Simpkin's Company" provided the program, which opened with a hymn. Mrs. Simpkins gave a reading on "The Life of Our Lord." Hymns and their stories were then given by Tillie. Bubbles gave a recitation. This was followed by an address from Mac, "I Have Doubted 300." Each one was given a slip of paper on which was written a quotation from the Bible. These being read Bubbles favoured us with another reading "Books of the Bible in Verse." Tillie read the explanation of "Abide with Me," after which all joined in singing the well-known hymn. The contest caused a great deal of excitement of which "The Simpkins Company" were victorious. The points were counted up and it was found the latter group were in the lead. After another hymn and prayer the National Anthem closed the meeting.

LIMEHOUSE

The Young People's Group of the United Church enjoyed progressive crokinole Friday evening last at the home of Evelyn Johnson. Five tables were kept busy and the younger folk enjoyed games of their own. Refreshments were served to finish off a real good time.

The Woman's Association wish to announce a social evening at Mrs. S. Kirkpatrick's this Friday evening. It won't be a hoe-down because its the 13th. Come and enjoy a good time. Crokinole will be one of the pastimes.

Miss Norma Stephenson met with a painful accident Friday evening last. Hurrying home from the store she slipped in some way and turned her ankle, and in trying to save herself she turned the other ankle. It became so painful by Saturday she was taken to the doctor for examination and it was thought advisable to x-ray and it was found to be broken. The foot and ankle are now in a plaster cast.

The students are away to school for another three months of study in preparation for examinations and promotion. The week's holiday was enjoyed by the young folk. But some of the older folk think the time could be used to much better advantage by giving less holidays in cooler weather and extending it in the warmer weather.

Mr. and Mrs. Gowdy and Rev. Mr. Stephenson and family were in Toronto last week and enjoyed hearing the different numbers at the music festival in connection with the O.E.A. convention.

Special music is being prepared to welcome the members of the Woman's Institute to the service in the United Church next Sunday. A full attendance is requested.

While in Toronto during the week end Mr. Arthur Benton saw a car that took his eye. He drove it home and now his is laid to one side.

Mr. Robt. Doughty arrived home during the week. He's obliged to wear heavy black glasses, but is hopeful of regaining his sight.

Some of the visitors noticed during the week:

The Pollett family from Toronto at Mr. Grant's cottage.

Miss Gladys Milliere and Mr. Ray Costigan at Mrs. Millière's.

The Graham family from Islington spent the week with Mr. and Mrs. J. Roe returning home Sunday.

Miss Marjory Near of Acton spent a few days with Mr. and Mrs. Gowdy during the week.

Mr. and Mrs. W. Mitchell spent a few days with friends in Toronto.

Mr. and Mrs. Albert Meredith visited in Toronto Sunday.

Mr. Arthur Lane and family of Toronto spent the week end with Mrs. Robert Lane.

The bowling season for the majority of the players is practically finished, most of them returning to their homes in the North looking forward with pleasure to the time when they will be able to return to Lakeland next winter.—Lakeland Evening Ledger, Florida.

CORRESPONDENCE

OUR TOWN BAND

The following communication speaks for itself and is worthy the consideration of every citizen. We are all proud of the Lorne Rifles (Scottish) Band of Georgetown and the boys are deserving of all the support we can give them.—Ed.

Friends and Supporters of the Band:

We wish to acknowledge the favors and support you have given us in the past. We want to give Georgetown a band, second to none in Ontario, and to do this we still need your kindness and financial aid.

We intend in the near future to make a general canvass of every home in Georgetown. An envelope will be left with you in which we ask you to put whatever you can afford toward the support of the Band. These envelopes will be left with you for a few days, when a Bandsman will call for them. The Band will give a number of free concerts in appreciation of your support.

Band Committee.

Second Annual Arts, Crafts and Hobbies Show, May 2nd, 3rd and 4th

We hope every resident in Georgetown and the surrounding community is planning to take some part in making this show a success.

If you have any article that you have made, plan to send it in to the Arena on Wednesday, May 2nd at 1 p.m.

Anyone having articles of historical antique or curious nature please report to Mrs. J. R. Mackenzie, Mrs. Modwell or Miss Mary Lawson. Adequate protection will be given against fire, loss or damage.

All music teachers and dancing teachers in Georgetown and community are urged to arrange for two or three of their pupils to enter for our platform demonstration of vocal, instrumental and solo dancing numbers. Please have entries made with the Secretary, W. J. W. Maclaren, Georgetown.

Anyone who would like to write and direct a short one-act play or skit as part of the platform demonstration is also asked to communicate with the Secretary.

We are pleased to announce that Mr. John T. Dilly, formerly a Georgetown boy, on reading the announcement of our Show for this year, wrote offering to send a number of scale model aeroplanes made by 9 boys in Galt, members of the Model Aircraft Engineers. These boys are conducting experiments for an aircraft company. The group of them expect to come to Georgetown on Saturday, May 5 and as a special feature in connection with our Hobbies Show, demonstrate the flying of model aeroplanes in the Arena rink between 3 and 4 p.m.

Another very special attraction our Show will have to offer is a loan collection of handicraft work done by boys in 25 different lands throughout the world, including India, China, South America, Europe and elsewhere. There are some beautiful examples of carving, painting, weaving and other arts.

Last year's Show was considered a splendid exhibit. Many people said during the show that they had articles they might have shown. Let us see that no one misses this opportunity to enter the results of their handicraft and help make the Show a successful effort in co-operation.

Wife—Are all men as stupid as you are?

Husband—No, my dear. Some of them are still bachelors.

Chinese Royalty Visits Canada

Crossing Canada as their fastest way of reaching the Orient to join an Imperial relative at his court, Princess Junho, her husband, T. K. Cheng, and their little baby are seen as they arrived in Halifax recently in the Canadian Pacific liner Duchess of Richmond. Princess Junho is the second sister of Emperor Kang Teh, the young man who as an infant was proclaimed Emperor of China and is now Emperor of Ta Manchu Tikuo, the Manchurian state created by Japan.

Little Ying Tsai, eighteen months old daughter of Princess Junho, was born in London, where her parents have lived in recent years. The princess and her husband both speak English perfectly, and are seen to be smartly attired in European clothes. Holding rosy-cheeked and pretty Ying Tsai is Miss Florence Killen, a stewardess in the Duchess of Richmond, who had care of the little girl during the voyage across the Atlantic. The party sailed from Victoria April 7 in the Empress of Canada.
