Clean, quality WATER?

The choice is Clear . . .

Water Conditioning Canada Limited

There's nothing more precious than a constant supply of good quality water. Over the years, Water Conditioning Canada Limited has built a strong reputation on its capacity to provide large and dependable volumes of conditioned water to our expanding population.

We supply the growing demands of hospitals, schools, factories, hotels, restaurants and laboratories for commercial and industrial water softeners, carbon and sand filters and deionizers. In every sector of the economy, we've become instrumental in ensuring that today's important water needs are met.

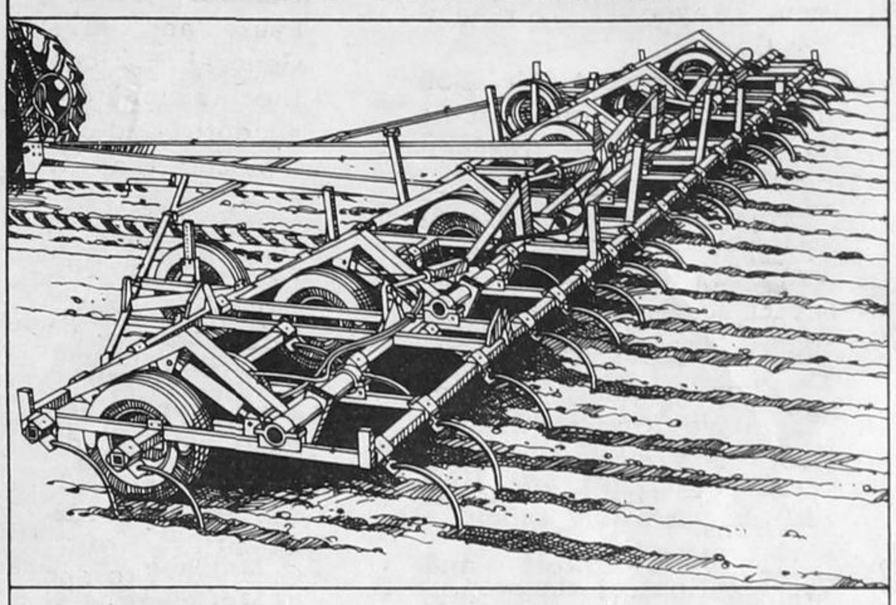
Cover acreage fast with a new Deutz-Allis field cultivator.



From 10½ to 61 feet, you'll have the best engineering working for you. Exclusive rubber elastomer clamps promote vibrating action in shanks to help shatter soil and leave a level surface. Does more work with one pass over the field.

1300 and 1200 Series cultivators. Just right for high-speed tillage with tractors up to 100 hp. Mounted or pull-type.

1400 Chiselvator field cultivator. A massive 4-bar 3" x 3" tubular frame gives you plenty of capacity to match your 100 to 300 hp tractor.

Stop in soon and see our line-up of tillage equipment.

GAMBLE or CHASE FARM EQUIP.
