Frost Damages Crops

Carry Out of Debt

The municipality of East Garafraxa is in the happy position of being entirely out of debt. The township paid off the last of its debenture debt last year and also cut its road expenditure in two, thereby placing itself in a position to reduce the township rate from 7 to 4 mills. This is an example of sane and careful financing that many of our governing bodies could emulate to good advantage. In this era of reckless spending and mounting debts it is refreshing to discover that there are some public bodies that are making an earnest effort to live within their means. After all is said, the debt problem is undoubtedly just about the most serious economic problem that is confronting the peoples of this half of the American continent at the present moment.

Retired After Twenty Years' Service

Applications are now being received for the position of Customs Officer in Acton to succeed Mr. R. M. McDonald, who has been superannuated, following his critical illness, from which he has not yet recovered. Mr. McDonald very capably fulfilled the duties of this office for over twenty years. He was the first appointee to the position when a port was opened in Acton. His exacting and careful handling of the office and all the detail in connection therewith made Acton office one of the best in the district. Citizens generally regret that Mr. McDonald's health made his retirement from the service necessary and will hope that the relaxation of duties will be a means of restoring his health. For the past year Mr. Allan Savage of Toronto, has been relieving Customs Officer in Acton.—Free Press.

REDUCING MADE HER LOOK YOUNGER

A Burden of Fat Gone

Here is another case where the trim, slim figure of youth has displaced the course, fat outline of middle age. It is a housekeeper writing. She says:—

"I cannot say what weight I was, but I was very fat—a burden to myself. I have taken three bottles of Kruschen Salts, and now I am quite slender. I am over 50, and people take me for 40. I am more than proud of myself. You can take it from me that every word of this is true. I took a teaspoonful in hot water every morning till I used three bottles. Now I only take half a teaspoonful each morning. I cannot recommend the Kruschen Salts enough, for they are worth their weight in gold."—(Mrs.) A. H.

Kruschen Salts combat the cause of fat by assisting the internal organs to perform their functions properly—to throw off each day those waste products and poisons which, if allowed to accumulate, will be converted by the body's chemistry into fatty tissue.

ASHGROVE

Many friends were glad to have a visit from Rev. and Mrs. J. A. Neill of Glenallen last week.

Dr. and Mrs. A. H. Wilson and Bobby of Woodstock were visitors at Mr. W. G. Wilson's on Sunday.

The Women's Institute and Senior Girl's Class held a very enjoyable corn roast at the home of Mr. Thomas Bird on Saturday night. The social was in honor of Miss Lula Graham who is leaving for Toronto very soon to train for a nurse. The first part of the evening was spent in games on the lawn, conducted by Miss Ruth Giffen. Then all went inside where a short program of musical numbers, also readings by Miss Jean Fleury, were given. The members of the Senior Girls' Class encircled Miss Lula Graham with Miss Margaret Giffen reading the address, while Miss Lule Reed presented her with a bible on behalf of the class. Before the close of the evening the Institute presented Miss Graham with a plain gold bar pin. Mrs. Frank Ruddell read the address while Mrs. Clayton Wilson presented the remembrance. After this delicious hot corn, sandwiches and coffee were served.

The September meeting of the W.M.S. was held on Tuesday at the Sunday School room. The theme of the meeting was "Stewardship," and we well followed through the entire program. The devotional exercises were taken by Mrs. H. Wilson and the study chapter by Mrs. H. C. Wrigglesworth. A suitable reading by Mrs. J. Bellbody and a duet, "The Way of the Cross Leads Home," sung by Mrs. Dick and Mrs. E. Wilson. The closing prayer was taken by Mrs. H. Eyre.
