Brownies Closing Meeting

At the closing meeting for the year of the Brownies of St. George's Church, a special feature was the farewell of the Pack to Joyce Roberts, who has gone to live in Hamilton. The afternoon was given up to games, after which refreshments were served by the Brown Owl and the Tawny Owl. A presentation of a very pretty cup and saucer was made to Joyce. Mrs. Thompson, in presenting the gift, said that Joyce had been a credit to St. George's Pack, and she hoped that she would soon find herself in Brownie work in Hamilton. The Pack gave three cheers for Joyce.

Successful Bazaar

The Ladies' Auxiliary to Canadian Legion held a very successful bazaar in lower Legion Rooms last Saturday. A lovely quilt was drawn for, and Mrs. A. Taylor held the lucky number. A pound of butter made up in flowers and donated by Mrs. Jones, Brampton, was won by Miss R. Forgraves. Those in charge were: needlework, Mrs. Harlow and Mrs. B. Hadley; baking, Mrs. James and Mrs. B. Armstrong; tea, Mrs. Blair and Mrs. Alcott; fish pond, Mrs. Grieve and Mrs. B. Green.

PERSONALS

Mrs. A. McGinnis of Markdale has returned home after spending a couple of weeks with Georgetown friends.

Miss Doris Glassey of Toronto spent the week end with her sister and grandmother at her home on Queen St.

Mr. H. L. Gregory's many friends in town were pleased to see him able to be around again last week after his recent accident.

Mr. and Mrs. J. H. Lillico and Miss Violet Webster are attending the funeral of their aunt, Mrs. W. F. Webster, at Oakwood today.

We are pleased to report that Dr. Joseph McAndrew, who was taken to Toronto General Hospital last week for treatment, is progressing favorably.

Reeve Harold Cleave, Reeve George Currie, Deputy-Reeve E. L. Mullin, Messrs. T. L. Leslie, Lalloy Dale, W. G. Apselle and George Cleave, attended the Warden's Dinner at Burlington last Friday.

LIMEHOUSE

Wood-sawing bees have been occupying the men about town during the past week. Those cold days make us think whether the wood and coal were piled high enough to keep Jack Frost out.

Work in the stone quarries is very slack at present, but we hope it will soon pick up again for the sake of the unemployed.

Mrs. E. Marshall spent a couple of days last week with friends in Georgetown.

Mr. and Mrs. R. Holmes and children visited Mr. and Mrs. Hill on Sunday.

The United Church Sunday School concert was held on Monday evening, Dec. 17th. There was a splendid attendance to encourage the children and those who worked to prepare the good program. One of the interesting features of the program was the distribution of diplomas for perfect attendance during the year. It was very gratifying and inspiring to see so many receive their diplomas. After the program Santa appeared and distributed gifts, candy and oranges to nearly everyone.

—Items unavoidably crowded out of this issue will appear next week.
