CENTRE-POISE RIDING in V-8

PASSENGERS LOCATED CLOSE TO CENTER OF CAR

Three major engineering principles combine to give to the new Ford V-8 for 1935 what Ford engineers term the "center-poise" ride. These principles are:

Correct spring suspension, involving equality of front and rear spring flexibility.

Proper car weight balance and passenger weight distribution.

Location of passengers close to the center of the car.

Utilization of these in combination, as practiced by Ford engineers, achieves for the new Ford V-8 remarkable improvement in riding comfort without sacrifice of either safety or stability.

IN MEMORIAM

COLLINS—In loving memory of my dear father, Alfred Collins, who passed away February 24th, 1932.

In my heart your memory lingers,
Sweetly, tender, fond and true;
There is not a day dear Father,
That I do not think of you.

—Daughter May.

COLLINS—In loving memory of our dear father, Alfred Collins, who passed away February 24th, 1932

Treasured thought of one so dear,
Often brings a silent tear;
Thoughts return to scenes now past,
Time rolls on, but memories last.

—Always remembered by his loving wife and son Alfred and family.

DAVIS—In loving memory of my dear wife "Gwen," who passed away February 21st, 1934.

"Not just to-day, but everyday,
In silence we remember."

—Husband and daughter Gwennie.

DAVIS—In loving memory of dear Gwen, dearly loved daughter of Mrs. J. Edwards, who passed away Feb 21st, 1934.

She bade no one a last farewell,
She said good-bye to none.
Her spirit flew before we knew
That from us she had gone.
God saw the road was getting rough
And the hills were hard to climb,
So he closed her weary eyelids
And whispered "Peace be thine."

—Ever remembered by her Mother, Sisters, Brothers and Brother-in-law.

TRACEY—In loving memory of Albert Tracey, who died February 23rd, 1923.

He was too pure for this cold earth,
Too beautiful to stay;
And so God's holy angels bore
Our darling son away.

—Sadly missed by Father, Mother, and Brothers, Glen Williams.

NORVAL

The Norval Junior Institute and Junior Farmers held a very successful meeting Tuesday, Feb. 12th at the gracious home of Mr. John Ruddell.

The main feature of the program was a debate, subject: "Whether a tractor is more use to a farmer than horses." Mr. Claude McLaughlin and Mr. Frederick Nurse, the affirmative, claimed the victory over Mr. John Bird and Weir Reid, the negative.

The debate proved very interesting and was enjoyed by all. The Juniors take this opportunity to thank Messrs Whitelock, J. Simpson and Sedgeloft for their services as judges.

Mr. James Simpson presented the criticisms, which were quite complimentary and encouraging.

Mr. Sedgeloft of Brampton, gave an interesting talk on his experiences in the mining country of Canada. Mr. Sedgeloft stated that sixty per cent. of the area of Canada was potential mining country, as yet undeveloped. He stated that while the United States had built up one of the greatest industrial nations in the world, yet it has only three per cent. of the mining possibilities that Canada possesses. Their need be no apprehension as to Canada's ability to employ and nourish her slowly increasing population. There are sufficient resources to supply these needs for centuries.

Mr. Whitelock and Mr. H. McClure advocated the founding of a grain club and it was decided to discuss it further at the March meeting.

The Norval Juniors accepted the kind invitation of the Burlington Juniors to attend their February meeting.

It was also decided to hold an "at-home," in order to entertain the parents and friends of the Juniors. However, final arrangements have not yet been made.

Th remainder of the evening was spent in viewing Mr. Ruddell sr's. varied collection of stuffed animals, birds and reptiles, and ancient axe and arrow heads.

The gathering adjourned after the delicious refreshments.

There was a full house at Norval last Friday night when the Junior Farmers and Institute presented the comedy "Coming Through the Rye." The members of the caste took their parts splendidly and the large audience was delighted with the entertainment. Mr. Harold McClure was the capable chairman of the evening. The director, Mrs. Shipp, was presented with an electric sandwich toaster.

LOCAL COUNCIL OF WOMEN

The February meeting of the Local Council of Women was held last Friday, Feb. 15th at the home of Mrs. A. B. Parr. The President, Mrs. J. B. Mackenzie, presided.

At this meeting the President had the pleasure of welcoming the representatives of two organizations which have recently affiliated with the Local Council, the W.M.S. of the United Church and the Women's Auxiliary to the Canadian Legion.

The President also welcomed the guest speaker, Miss Oliver of the Provincial Department of Health, who delivered a very instructive address on Mental Health and Mental Health Clinics. These topics are demanding much attention at the present time and the Council derived much information on these up-to-date matters from Miss Oliver's very interesting speech.

Arrangements were made for the holding of the annual St. Patrick's Tea in the Public Library on Saturday, March 16th. It was decided to use the proceeds for two purposes, the welfare work conducted by Mrs. Parr, the school nurse in our own locality, and for a donation to the Foundation Fund for the Crippled Children of Ontario. The Council are anxious to have as many of the general public as possible present at the St. Patrick's Tea, as it is felt that these are very worthy causes.

After a hearty vote of thanks to the hostess, Mrs. Parr, and to the speaker, Miss Oliver, had been moved and seconded, the meeting was adjourned

ROSEBUD MISSION BAND

A well attended meeting of the Rosebud Mission Band was held in the United Church on Monday afternoon with a number of mothers present. Kate Humley presided. After the opening hymn and prayer by Verna McIntock, Betty Snyder read the minutes and roll call.

Delightful musical numbers were given by Lois Neilson and Kate and Martha Rumley, which were very much enjoyed. During the business period Mrs. Cummings gave each child a card of memory verses for the term, and outlined plans for the contest which will begin next meeting.

In introducing the lantern slides, Mrs. Speight spoke briefly to the mothers on the theme of the study book "Rays of Light," also some of the work planned for the coming year. The pictures of the babies home at Neemuch were procured for the purpose of familiarizing the children with the study of India. Keen interest was shown in the pictures of the little children of far off India.

After a hymn and closing prayer by Betty Snyder the band motto was repeated in unison.
